"THE BIG DIG" ADDRESSES MOST ASKED QUESTION IN BOSTON

"How will I get to work during Third Harbor Tunnel construction? It's probably the most asked question in Boston these days, and it was the focus of "The Big Dig," an information forum for tenants of EDIC's Marine Industrial Park and other South Boston Companies.

Held at Massport's Black Falcon Cruise Terminal in EDIC's Marine Industrial Park (MIP), speakers addressed the concerns of business owners and suggested options to make the period of construction minimally disruptive.

After an introduction by EDIC Director Marilyn Swartz Lloyd, Robert Albee, Manager of Utilities and Right of Way at the Massachusetts Department of Public Works, discussed the overall project and its impacts. Albee assured the group that plans to alleviate disruption are being designed for all routes through and around Boston.

At this time, it is known that construction affecting South Boston is not intended to begin until mid-1991. Specific times and locations will not be available until construction begins, at which time daily information can be obtained through the construction headquarters hotline — (617) 951-6000.

Access to MIP has been a central focus in EDIC's more than four years of participation in construction planning to ensure that tenant's transportation needs are recognized, understood and effectively addressed.

"With good access, the Marine Industrial Park and the entire South Boston industrial district is in a unique position to prosper, grow and continue to offer a diversity of good jobs and economic opportunity," said EDIC Director Marilyn Swartz Lloyd in opening comments.

Andy McClurg, City of Boston Project Manager, and Gary Hebert, a consultant with Fay, Spofford & Thorndike, presented the benefits of the project which in addition to providing better future access to MIP, will result in numerous local street improvements in South Boston.

Gretchen Ashton, Commuter Mobility Manager for the City of Boston, and Kay Powers, Marketing Manager with the commuter service company CARAVAN For Commuters, Inc., discussed alternative employee transportation. By establishing in-house commuter assistance in cooperation with their offices, companies can take advantage of the Commuter Mobility Program. This joint project between the City of Boston and CARAVAN has been designed to provide commuting alternatives during the construction period. They urge companies to call them as soon as possible. Contact the Commuter Mobility Program at (617) 725-3082, or CARAVAN at (617) 973-7189.

THE ADOPT-A-STATUE PROGRAM

The goal of Adopt-A-Statue is to achieve funding for the restoration of thirty-nine pieces of outdoor public art and to establish a permanent maintenance endowment which would provide for the annual cleaning and maintenance of sixty-nine pieces.

To invite individuals, groups of individuals or corporations to "adopt" a piece of Boston outdoor public art by either:

- incurring the total cost of restoring and maintaining a particular piece of art or
- making a donation toward a general restoration and maintenance fund.

Gifts are tax deductible to the extent limited by law.

For further information on how to adopt a statue please contact the Environment Department at 725-3850 (Paula Mierzejewski) or Office of Arts and Humanities at 725-3245 (Mary Shannon).

Each week the *City Record* will publish a statue for adoption.

MATERIAL: Bronze

BACKGROUND: "Boston Bricks" is a series of pavement inserts celebrating the city, its present character and its past history.

One hundred bronze reliefs commemorate such events as the Boston Tea Party, Massacre and Marathon and such heroes as George Washington, Paul Revere and the Boston Celtics.

DEDICATION OF CONTEMPORARY SCULPTURE AT DUDLEY SQUARE

Mayor Raymond L. Flynn announced the dedication of a contemporary sculpture titled "The Judge" which was held December 10, 1989, at 1 p.m. on the plaza abutting the Roxbury Branch Library and the Roxbury District Courthouse at Dudley Square. This event marks the first installation on a city owned site in Roxbury of a major piece of public art by an artist of color. The commission for this work has been funded by the Edward Ingersoll Browne Fund of the City of Boston.

This powerful image, according to the artist, Vusumuzi Madona, is inspired by the strength and simplicity of the masks used by the Dogon people of Africa. Mr. Madona was trained at the School of the Museum of Fine Arts and has been exhibiting extensively in the Boston area over the past ten years. In addition to the Dudley Square installation Mr. Madona has four other pieces of public art in Boston and Cambridge and has exhibited nationally and internationally. His international appearances have been in China, Japan, Trinidad and Saint Vincent and he has recently lectured at the Institute for Social Studies at the Hague in the Netherlands. Currently, he is participating in a group show at the Dallas Museum titled Black Art, Ancestral Legacy/ The African Impulse in African American Art. This exhibition will tour the country for two years and will be seen at the High Museum in Atlanta and several other major museums in the Midwest.

The Browne Fund, a private trust fund intended for the beautification of public spaces, is administered by the Trust Office of the City of Boston. Several other Browne Fund projects in the Roxbury community are the unique "Friendship Fence" at the

HEALTH DIVISION BULLETIN

30-Day Notification Requirement

It is your responsibility to notify the Insurance Division within **30 days** of any event that will require changes to your health insurance coverage. Examples of such events are:

- Marriage or remarriage
- Birth or adoption of a child
- Spouse's loss of other health insurance

Documentation appropriate to the situation (e.g. marriage certificate, divorce decree, birth certificate) must be presented and the necessary forms must be completed at the Insurance Division. If notification is not received within 30 days, new dependents can only be added during the next Open Enrollment period.

Extension of Coverage for Full-Time Students

If you currently have family coverage under one of the health plans offered by the City, your children will be covered until they reach their nineteenth birthday. At that time, coverage will be terminated unless the child provides verification that he or she is a full-time student in an accredited educational institution. Full-time students will be covered until age 23 or age 25, depending on the particular health plan.

To endure the extension of coverage for your child if he or she is a full-time student, please be sure to contact your HMO Member Services department or, for Blue Cross subscribers, contact the Insurance Division.

Optional Life Insurance

The annual optional life insurance audit will be conducted in the spring of 1990, at which time insurance amounts will be increased for employees with the Automatic Increase option who have experienced salary increases. Boston Mutual Life Insurance Company requires anyone who is entitled to optional insurance of \$40,000 or more to take a paramedical exam. The exam will be scheduled at your convenience and is provided at no expense to you.

REMINDER: Please check the deduction being taken from your paychecks. If you notice an error or if deductions stop, bring a photocopy of the paystub to the Insurance Division in Room 267 of City Hall.

Due to budgetary constraints, the Insurance Division is no longer able to mail claim forms, applications, or brochures to active employees. These materials can be obtained from the Insurance Division in Room 267 of City Hall, any weekday between 9 a.m. and 5 p.m.

DEDICATION OF SCULPTURE AT VERONICA SMITH SENIOR CENTER

Mayor Raymond L. Flynn announced that a formal dedication of the new sculptural grouping by artist Nick Edmonds was held December 9, 1989; at 1 p.m. at the Park abutting the Veronica Smith Senior Center on Chestnut Hill Avenue in Brighton. This unique artwork consisting of four bronze, life-size statues depicting grandparents and grandchildren greeting each other is a permanent installation and is funded by the Edward Ingersoll Browne Fund of the City of Boston which also provided the funding for the park area in which the sculpture, plantings, benches and a tot lot are found.

The Edmonds' artwork is one of the first major public sculptures in Brighton and the intergenerational theme is unique in contemporary Boston sculpture. The Browne Fund, a private trust fund intended for the beautification of public spaces, is administered by the Trust Office of the City of Boston. The Fund has also made possible the information kiosk called "The Mountain" at the Jackson Mann School and is currently funding the major improvements at Oak Square. Members of the Browne Fund Commission are Mayor Raymond L. Flynn, Chairman; Councillor Christopher Iannella, Vice-Chairman; Lee F. Jackson, Treasurer; and Joseph I. Mulligan, Counsel to the Fund.

Sculptor Nick Edmonds, a 1961 graduate with honors of the School of the Museum of Fine Arts is Chairman of the Sculpture Department in the School for the Arts at Boston University. The recipient of numerous awards including a Fulbright Grant for research in Japan into sculptural and building techniques, Mr. Edmonds' work is also found in public and private collections and he has exhibited extensively in New England.

It is the policy of the City of Boston to award at least 15 percent of the City's contract dollars to minority-owned businesses and at least 5 percent to women-owned businesses.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

SCHOOL DEPARTMENT

Chapter 636

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Jobs for Youth Boston, Inc., a corporation located at 312 Stuart Street, third floor, Boston.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to June 1, 1990, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide supportive services for fifty "at-risk" students enrolled in the Jobs for Youth Alternative High School. Supportive services will include counselling intervention to improve classroom behavior and socialization skills, as well as teaching life skills essential to being a successful adult.

Jobs for Youth Boston, Inc. is uniquely qualified to provide these services because: (1) Jobs for Youth has organized sufficient resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge Arthur W. Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: None.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of Historic Neighborhoods Foundation, a corporation located at 2 Boylston Street, Boston.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$6,426, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide forty students of various racial/ethnic backgrounds with classroom activities and field trips that emphasize the positive features of their school and home neighborhoods. Students from the Bradley Elementary School and Quincy Elementary School will participate. Admission fees, materials and personnel are covered in this contract.

The Historic Neighborhoods Foundation is uniquely qualified to provide these services because: (1) the contractor has organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge Arthur W. Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$10,000; 1988 — \$17,917; 1987 — 23,096.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Citywide Educational Coalition, a corporation located at 37 Temple Place, Boston.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$25,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will research, write, produce and distribute six

(6) issues of Boston Parents' Notebook. Each issue will be translated into four languages (Spanish, Chinese, Cape Verdean Creole and French-Haitian Creole) and distributed through the schools to all 34,000 elementary Boston Public School parents. Content and format will be decided by an editorial board comprised of representatives from CPC, Special Needs and Bilingual PAC's and CWEC. Topics are timely and cover subjects such as students transportation, testing, teacher conferences and changes in Boston Public School policy such as student assignment.

The Citywide Educational Coalition is uniquely qualified to provide these services because: (1) The Citywide Educational Coalition has organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge Arthur W. Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$25,000; 1988 — \$31,840; 1987 — \$25,000.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Bunker Hill Community College, a corporation located at New Rutherford Avenue, Boston.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$20,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide an applied arts program to reduce disparity and respond to the needs of a widely diverse student body. Students will be selected for a coordinated Applied Arts program involving printing process, textile design, graphics design and photography.

Bunker Hill Community College is uniquely qualified to provide these services because: (1) Bunker Hill Community College has organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge Arthur W. Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public

interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$30,000; 1988 — \$30,000; 1987 — \$74,441.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Art of Black Dance and Music, Inc., a corporation located at 32 Cameron Avenue, Somerville.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$2,500, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will service the entire student body of the Dearborn School and will place special emphasis on approximately two to three grade levels. ABDM's Art Educators will be in the school twice a week for eight weeks. All instruction will take place in the classroom where various units of education will be passed to the students. Integration of the school's curriculum will take place one to three weeks before the start of the residency. ABDM's curriculum consultant will meet with the teachers for three or four, three hour after school meetings in order to facilitate curriculum integration. The goals of this project are: a) to integrate the current curriculum taught in a meaningful way, with the curriculum used by ABDM in its Cultural Enrichment Program of ethnic art in music, dance, and folklore and including units in history, geography, physical education and the cultures of three continents, Europe, Africa, and South America. Students will be shown, how these separate cultures met, mingled, and produced a new culture; b) to open the project with school-wide introductory lecture demonstration, and to close the residency with a student participatory special event; a concert celebrating African History in the season of Kwanza and/or a spring theme concert. Both events will take place before the entire student bodies, invited guests, and parents.

The Art of Black Dance and Music, Inc., is uniquely qualified to provide these services because: (1) the Art of Black Dance and Music, Inc., has organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed serves in conjunction with School Department personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$6,000; 1988 and 1987 — none.

Very truly yours,
Laval S. Wilson,

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Brighton-Allston Mental Health Association, a corporation located at 77B Warren Street, Brighton.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$15,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide individual and group counseling services for children at the Taft Middle, Jackson-Mann and Edison Schools.

Brighton-Allston Mental Health Association is uniquely qualified to provide these services because: Brighton Allston has organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement, and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: none.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Celebrity Series of Boston, Inc., a corporation located at 20 Park Plaza, Suite 832, Boston.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to May 31, 1990, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide development and dissemination of curriculum materials for students and teachers in the High School Zone in preparation for performances to be attended at Symphony Hall, Jordan Hall, The Opera House, The Colonial Theatre and The Wang Center.

Celebrity Series of Boston, Inc., is uniquely qualified to provide these services because: (1) Celebrity Series has organized sufficient resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$5,000; 1988 — \$5,000; 1987 — none.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Wheelock College, a corporation located at 200 The Riverway, Boston.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$282,900, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide in the North Zone (1) a literacy project and three courses in literacy development; (2) an at-risk student program at the Donald McKay School; and (3) management of projects in the zone.

The contractor will also provide in the West Zone (1) a "Grade Achievement Project" and a music program at the James Curley School; (2) a literacy project at the Hale, Manning and Parkman Schools; (3) a curriculum support program at the Hernandez School; and (4) management of projects in the zone.

In the East Zone the contractor will provide (1) a "Grade Achievement Project" at the Mattahunt School; (2) a literacy project at selected East Zone Schools; and (3) management of projects in the zone.

Finally, the contractor will implement a talented and gifted training program in the Central Office.

Wheelock College is uniquely qualified to provide these services because: Wheelock College has organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Very truly yours,
Laval S. Wilson,
Superintendent.

The Philips School. Here stands one of the first Boston public schools to open to an interracial student body. Located at the corner of Anderson and Pinckney Streets.

The Home of John J. Smith. This is a reminder of the contributions of this distinguished black statesman who migrated from Richmond, Virginia to Boston in 1848. He was a barber/hairdresser whose shop at the corner of Howard and Bulfinch Streets was a center of abolitionist activity and a meeting place for runaway slaves. Located at 86 Pinckney Street.

Coburn's Gaming House. Established by John P. Coburn in 1844, this house was a "private place" that served as the "the resort of the upper ten who had acquired a taste for gambling." The house was designed by Boston architect Asher Benjamin, whose work influenced the facade of the African Meeting House. Located at Phillips and Irving Streets.

LOAN OF \$170,000,000 FOR RECONSTRUCTION OF BOSTON CITY HOSPITAL

The following was received:

City of Boston
Office of the Mayor

March 24, 1989.

To The City Council.

Dear Councillors:

I transmit herewith for your approval an appropriation order in the amount of \$170,000,000 for the purpose of reconstructing Boston City Hospital. The bonds to be issued to finance this project will be in such form and with such approval of the security as the Collector-Treasurer, with the approval of the Mayor, may deem appropriate, within the parameters of the City's home rule petition, chapter 659 of the Acts of 1986.

I urge your Honorable Body to pass this order.

Sincerely,

Raymond L. Flynn,
Mayor of Boston.

Ordered, That the sum of \$170,000,000 be, and hereby is, appropriated to be expended on the costs of the construction, equipping and furnishing of a structure as a replacement for all or a portion of the current facility of the acute care community hospital known as Boston City Hospital and the demolition, renovation, equipping and furnishing of all or a portion of the current hospital facilities, including any costs necessary or incidental thereto or to the financing thereof (the "Project"); and that to meet said appropriation the Collector-Treasurer be, and hereby is, authorized under the provisions of section 2 of chapter 659 of the Acts of 1986 (the "Act") to issue from time to time, on the request of the Mayor, bonds, notes or certificates of indebtedness up to said principal amount ("Hospital Bonds"); and that the proceeds of the sale of such Hospital Bonds may be applied to pay the principal of and interest on any notes issued to finance temporarily some or all of the costs of the Project, including without limitation, notes issued in anticipation of bonds pursuant to that certain loan order passed by the City Council on

November 5, 1986 and November 19, 1986 under clause 3 of section 7 of chapter 44 of the General Laws and approved by the Mayor on December 5, 1986, as amended.

Boston Police Department
Re: Police Statistics
Date: March 16, 1989

Attached, please find crime statistics prepared by the Boston Police Department's Bureau of Administrative Services for the week ending March 4, 1989.

It should be noted that these statistics provide "a snap shot of crime" in Boston for the reporting week. In some cases, several of these incidents may be further investigated and determined to be unfounded claims. Thus, these statistics, when compiled for a one month period or for a year long period will differ, to some degree, from the Uniform Crime Report tallies that take into account such unfounded or reclassified cases.

District One covers Downtown, Chinatown, the waterfront and Beacon Hill areas. District Two covers Roxbury and parts of Dorchester. District three covers Mattapan, District Four covers the South End, Back Bay, and the Fenway. District Five encompasses the Hyde Park, West Roxbury and Roslindale area. District Six is South Boston, District Seven is East Boston. District Eleven covers Dorchester and District Thirteen covers Jamaica Plain. District Fourteen encompasses Brighton, Allston and Kenmore. District Fifteen is Charlestown.

As I mentioned in last week's report, we have almost finalized the format that will capture the information relative to the department of sworn police officers to each district by shift. In the interim, I am forwarding currently available personnel statistics by area. These statistics reflect the total number of police officers from all bureaus assigned to each Command Area during the last quarter of calendar year 1988 and the number of overtime hours worked by officers in the Bureau of Field Services in each area for February 1989.

Area	Police Officers	Overtime Hours
A	316	4,647
B	383	5,049
C	257	3,346
D	278	6,331
E	221	3,494

I hope that the revised format is more helpful to you and to all City Councillors. I guarantee that the revised personnel report will be finalized and submitted to you no later than the end of this month.

Please fee free to call me if you have any concerns relative to this report.

Ordered, That a petition to the General Court, accompanied by a bill for a special law relating to the City of Boston to be filed with an attested copy of this order be, and hereby is, approved under clause (1) of section eight of article two, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts, to the end that legislation be adopted providing precisely as follows, except for clerical or editorial changes of form only:

Section 1. Notwithstanding the provisions of any general or special law to the contrary, the following provisions pertaining to assault weapons shall be in effect in the City of Boston.

Section 2: Definitions.

(A) Assault weapons shall mean rifles and shotguns designated as assault weapons in the Act.

(1) The Avtomat Kalishnikov semi-automatic rifle, sometimes called the AK-47;

(2) UZI semi-automatic rifles;

(3) FN-FAL and FN-FNC semi-automatic rifles;

(4) Steyr A.U.G. semi-automatic rifles

(5) Street sweeper semi-automatic rifles

(6) Striker 12 semi-automatic shotgun;

(7) Any other semi-automatic rifle with a fixed magazine capacity exceeding ten rounds;

(8) Any semi-automatic shotgun with a fixed drum, cylinder, or tube magazine capacity exceeding eight rounds;

(9) Any semi-automatic firearm which is a modification of a rifle or shotgun described in this section having the same make, caliber and action design, but a barrel of less than sixteen inches if it is rifled, or eighteen inches if it is smooth bore and has an overall length of less than twenty-six inches.

(B) Assault weapon shall not mean a rifle or shotgun which:

(1) does not employ fixed ammunition;

(2) was manufactured prior to 1898;

(3) operates on a manual bolt, lever or slide action;

(4) is a single shot weapon;

(5) is a multi-barrel weapon;

(6) is a revolving cylinder weapon other than a shotgun;

(7) employs a fixed magazine with a capacity of ten rounds or less;

(8) is fitted with a detachable large capacity magazine or large capacity ammunition belt;

(9) any weapon that uses .22 caliber rim fire ammunition or obsolete ammunition which is not readily available;

(10) any semi-automatic weapons that were in production prior to 1954;

(11) any semi-automatic weapon that has been modified so as to render it permanently inoperable or so as to make it a device which may not appropriately be designated as an assault weapon;

(12) any semi-automatic that is an antique, relic or curio as defined by the Federal Bureau of Alcohol, Tobacco and Firearms, movie prop or other weapon intended for use as a functional assault weapon.

(C) The words *firearm*, *rifle*, *shotgun*, *sawed off shotgun* and *machine gun*, shall be as defined in Massachusetts General Laws, ch 140, sec. 121 et seq.

(D) *Large capacity magazine* shall mean a detachable box, drum or other container which holds more than twenty cartridges used as ammunition to be continuously fed into a semi-automatic rifle, or more than eight shells used as ammunition to be continuously fed into a semi-automatic shotgun.

(E) *Semi-automatic* shall mean a pistol, rifle or shotgun which chambers each round after the first by operation of expanding gas without additional manual action, but which is designed to fire only once with each operation of the trigger.

Section 3. Restrictions on Assault Weapons.

In the City of Boston it shall be unlawful to sell, rent, lease, purchase or barter an assault weapon. It shall also be unlawful to possess on any public way or in any place to which the public has a right of access a loaded or charged large capacity magazine. It shall also be unlawful to possess a loaded assault weapon in any place to which the public has a right of access.

Section 4. Exceptions.

(A) Police, Government, military personnel.

This Act shall not apply to officers, agents or employees of the United States or persons authorized by the United States under domestic or international law, or of this state or any other state of the United States or the armed forces of the United States or the organized militia of each state or law enforcement officers while in the performance of their lawful duties;

(B) Licensed dealers.

This Act shall not apply to the purchase by or sale of assault weapons or large capacity magazines by dealers licensed under the applicable federal and state laws to persons described in 4 (A) (E) and (F) of this section;

(C) Sporting Clubs or during club use, gunsmiths etc.

This Act shall not apply to the possession of assault weapons or large capacity magazines to persons who have satisfied the requirements as to the possession of rifles of shotguns under ch 140 of the General Laws while said persons are on the property of a recognized sporting club or firing range. Nor shall this Act apply to possession and transportation of assault weapons by those traveling through or in the City of Boston who are transporting said weapons or large capacity magazines to take part in competition or target practice at a range facility, or to those participating in any bona-fide meeting of fun collectors, or as part of a historical association or similar educational or institutional activity, nor shall this Act apply to those obtaining gunsmith or laboratory testing services, provided however, that any assault weapon being transported for any of the above reasons shall be transported with the magazine detached and unloaded,

and the rifle, shotgun or firearm similarly unloaded.

(D) Hunting.

This Act shall not apply to those travelling through or in the City of Boston with such weapon or weapons for the purposes of hunting, and who are in possession of a valid hunting or sporting license issued under state law.

(E) Others.

This Act shall not apply to those specifically authorized to acquire, have, possess or carry a semi-automatic weapon pursuant to federal law.

(F) Ceremonies and Veterans groups.

This Act shall not apply to veterans groups participating in parades or while discharging their duties in ceremonies. Nor shall this Act be interpreted to prohibit the display or storage of such weapons inside a museum or other veterans or collectors hall where these weapons may be displayed in a historic context.

Section 5. Penalties.

Any person who violates the provisions of this Act as to an assault weapon shall for the first offense be punished by a fine of not more than one thousand dollars, and for any subsequent offense by a fine of not more than one thousand dollars and/or confinement for no more than one year in the house of corrections.

Reporting.

The Police Commissioner of the City of Boston shall report annually in March to the mayor and city council the number of violent crimes committed by persons utilizing an assault rifle or shotgun in the City of Boston. The Commissioner shall also report in the same period the number of violent crimes committed by licensed gun owners using assault weapons in the commission of violent crimes.

Severability.

The provisions of the Act are severable, and if any one part or section shall be deemed unconstitutional by a court of competent jurisdiction, the remaining parts of this Act shall not be affected.

The report was accepted.

Coun. BOLLING moved that the following order be substituted for the order in the new draft:

e. This Act shall not apply to the possession of assault weapons by persons while in transit through the City of Boston for the purpose of going or coming from hunting; provided, however, that any such person has on his person a firearm identification card for the assault weapons issued pursuant to G.L. c. 140, § 1219B or is a resident of the United States and has on his person a permit or license to carry firearms, including said assault weapons, issued under the laws of any state, district or territory which has requirements which prohibit the issuance of permits or licenses to persons who have been convicted of a felony or who have been convicted of the unlawful use, possession or sale of narcotic or harmful drugs; provided further, that any such person who is a resident of the City of Boston shall also have on his person a License to Possess the assault weapons issued pursuant to this Act; provided further, that any such person has on his person a currently valid hunting or sporting license issued by the commonwealth or by the state of his destination; and provided further, that any assault weapon, while in transit, shall be unloaded and packaged.

f. This Act shall not apply to the possession of assault weapons, large capacity magazines, large capacity magazine belts, or other types of magazines or ammunition belts by persons specifically authorized to acquire, have, possess or carry an assault weapon pursuant to federal law.

Section 4. Penalties.

Any person who violates the provisions of this Act as to an assault weapon shall for a first offense be punished by a fine of one thousand dollars, and for any subsequent offense by a sentence of no greater than two and one-half years.

Any person who violates the provisions of this Act as to a magazine or an ammunition belt shall for a first offense be punished by a fine of two hundred dollars and for any subsequent offense by a fine of five hundred dollars.

Section 5. Board.

a. There shall be in the City of Boston an Assault Weapon Roster Board, hereinafter referred to as the Board, which shall consist of seven members, each appointed by the Mayor, each of whom shall serve for a term of four years. The members of the Board shall be:

- (1) the Police Commissioner of the City of Boston, *ex officio*, or his designee, who shall serve as chairman of the Board;
- (2) the Corporation Counsel of the City of Boston, *ex officio*, or his designee;
- (3) a member of the National Rifle Association, from the Massachusetts chapter;
- (4) an employee of a Massachusetts firm which manufactures firearms; and
- (5) three citizens of the City of Boston, one of whom shall be a member of a recognized gun control organization.

b. The Board shall meet at the request of the chairman or by the request of a majority of its members.

c. There shall be an Assault Weapon Roster, hereinafter referred to as the Roster, which the Board shall compile and initially publish in a newspaper of general circulation in Boston by July 1, 1989.

d. In determining whether any weapon shall be placed on the Roster, the Board shall consider each of the following characteristics, without placing any undue weight on any one characteristic:

- (1) Ballistic accuracy
- (2) Quality of materials
- (3) Quality of manufacture
- (4) Reliability as to safety
- (5) Utility for legitimate sporting activities.

e. The Board shall at least semi-annually publish the Roster in a newspaper of general circulation in Boston, and shall send a copy thereof to all dealers licensed in Boston under G.L. c. 140, § 122.

f. The Board may modify the Roster upon the Board's own initiative. A person may petition the Board to place a weapon on the Roster, subject to the provisions of this section. A person who so petitions shall give the reasons why the weapon should be placed on the Roster.

g. A petition to place a weapon on the Roster shall be submitted in writing to the Board and shall be in the form and manner prescribed by the Board. Upon receipt of the petition to place a weapon on the Roster, the Board shall, within forty-five days of receipt of the petition, either notify the petitioner by certified mail that the petition is denied, or it shall place the weapon on the Roster. The prohibition of a weapon shall be effective on the date it is included in the next publication of the Roster in a newspaper of general circulation in Boston.

h. The Board shall be authorized to promulgate regulations concerning the appeal of a decision to place or to deny to place a weapon on the Roster and any other regulations not inconsistent with this Act to effectuate its purpose.

Section 6. Regulation.

Within ninety days of the effective date of this Act, any person lawfully in possession of an assault weapon and a firearm identification card for that assault weapon issued pursuant to G.L. c. 140, § 129B must apply to the Police Commissioner of the City of Boston, or his designee, for a License to Possess that assault weapon. In determining whether to issue a License to Possess, the Police Commissioner of the City of Boston shall be guided by the criteria stated in G.L. c. 140, § 131, and the procedures for judicial review of a denial of a License to Possess

shall be the same as those stated for the denial of a license in said § 131. A License to Possess shall allow the licensee to keep an assault weapon in his residence. Any person denied a License to Possess pursuant to this Act shall, within ninety days of such denial, dispose of the assault weapon in such a way as to not be in violation of this Act. Any person who obtains an assault weapon registered under this Act by bequest or intestate succession shall, within ninety days of so obtaining, either apply for a License to Possess that assault weapon pursuant to this section or dispose of the assault weapon in such a way as to not be in violation of this Act.

The same requirements of this section shall apply to an assault weapon included in the Roster, with the ninety days to begin on the date the Roster is published in a newspaper of general circulation in Boston with such assault weapon included in the Roster.

Section 7. Miscellaneous Provisions.

a. A police officer shall be authorized to seize any assault weapon which may be evidence of a violation of this Act. The assault weapon shall be held as evidence by the police and may be disposed of in accordance with G.L. c. 140, § 129D.

b. The Police Commissioner of the City of Boston shall be authorized to promulgate such regulations not inconsistent with this Act to effectuate its purpose.

c. The Police Commissioner of the City of Boston shall be authorized to revoke licenses granted under G.L. c. 140, §§ 122 and 131 for violation of this Act.

d. The Police Commissioner of the City of Boston shall be authorized to issue an emergency order at any time to immediately and temporarily place a weapon on the Roster and shall be further authorized to publish the roster in a newspaper of general circulation in the City of Boston without the approval of the Board; provided, however, that he shall call a meeting of the Board within thirty days of the issuance of the order so that the Board can review the order and either permanently place the weapon on the Roster or remove it therefrom.

Section 8. Severability.

If any section or subsection or part thereof of this Act shall be held unconstitutional or otherwise invalid by any court of competent jurisdiction, the remaining sections, subsections or parts shall not be affected thereby.

Section 2. This act shall take effect upon its passage.

The motion was carried, yeas 11, nays 2:

Yeas — Councillors Bolling, Byrne, Hennigan Casey, Iannella, McCormack, McLaughlin, Menino, Salerno, Scondras, Travaglini, Yancey — 11.

Nays — Councillor Kelly, O'Neil — 2.

The substitute order was passed, yeas 12, nays 1:

Yeas — Councillors Bolling, Byrne, Hennigan Casey, Iannella, Kelly, McCormack, McLaughlin, Menino, Salerno, Scondras, Travaglini, Yancey — 11.

Nays — Councillor O'Neil — 1.

Ordered, That a petition to the General Court, accompanied by a bill for a special law relating to the City of Boston to be filed with an attested copy of this order be, and hereby is, approved under clause (1) of section eight of article two, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts, to the end that legislation be adopted providing precisely as follows, except for clerical or editorial changes of form only:

Section 1. Notwithstanding the provisions of any general or special law to the contrary, the following provisions pertaining to assault weapons shall be in effect in the City of Boston.

Section 1. Definitions.

a. "Assault weapon"

(1) Shall mean all rifles and shotguns designated as assault weapons in this paragraph and all other semi-automatic rifles and shotguns which are determined by

the Assault Weapon Roster Board, as established by this Act, to be assault weapons. Such term shall include, in addition to any other rifles and shotguns identified by the Board, all versions of the following, including rifles and shotguns sold under the designation provided in this subsection and rifles and shotguns which are substantially identical thereto sold under any designation:

- (a) Avtomat Kalashnikov, also known as AK-47 semi-automatic rifles;
- (b) Uzi semi-automatic rifles;
- (c) AR-15 semi-automatic rifles;
- (d) FN-FAL and FN-FNC semi-automatic rifles;
- (e) Steyr Aug semi-automatic rifles;

- (g) shotguns with revolving cylinders known as the Street Sweeper and the Striker 12;
- (h) any other semi-automatic rifle with a fixed magazine capacity exceeding ten rounds;
- (i) any other shotgun with a fixed magazine, cylinder, drum or tube capacity exceeding six rounds; and
- (j) any semi-automatic firearm which is a modification of a rifle or shotgun described in this subsection; that is, having the same make, caliber, and action design but a shorter barrel or no rear stock.

(2) "Assault weapon" shall not include:

- (a) a rifle or shotgun which does not employ fixed ammunition;
- (b) a rifle or shotgun which was manufactured prior to 1898;
- (c) a rifle or shotgun which operates by manual bolt action;
- (d) a rifle or shotgun which operates by lever action;
- (e) a rifle or shotgun which operates by slide action;
- (f) a rifle or shotgun which is a single shot weapon;
- (g) a rifle or shotgun which is a multiple barrel weapon;
- (h) a rifle which is a revolving cylinder weapon;
- (i) a rifle which employs a fixed magazine with a capacity of ten rounds or less;
- (j) a shotgun which is a rimfire weapon that employs a tubular magazine with a magazine capacity of six rounds or less;
- (k) a rifle or shotgun which cannot employ a detachable magazine or ammunition belt with a capacity greater than ten rounds;
- (l) a rifle or shotgun which has been modified so as to render it permanently inoperable or so as to make it permanently a device which may not appropriately be designated as an assault weapon; or
- (m) a rifle or shotgun which is an antique or relic firearm, movie prop or other weapon not capable of firing a projectile and not intended for use as a functional weapon and which cannot be readily converted through a combination of available parts into an operable assault weapon.

b. "Large capacity ammunition belt" shall mean a belt or strip which holds more than ten rounds of ammunition to be fed continuously into a semi-automatic rifle or shotgun or an ammunition belt which can be readily converted into a large capacity ammunition belt.

c. "Large capacity magazine" shall mean a box, drum, or other container which holds more than ten rounds of ammunition to be fed continuously into a semi-automatic rifle or shotgun or a magazine which can be readily converted into a large capacity magazine.

d. "Rifle" shall mean a firearm of which the length of

barrel is sixteen inches or more, that is designed or has been redesigned, made or has been remade to fire a fixed cartridge.

e. "Semi-automatic" shall mean capable of firing a shot with each depression of the trigger without additional slide, bolt or other manual action.

f. "Shotgun" shall mean a firearm of which the length of barrel is eighteen inches or more which is designed or has been redesigned, made or has been remade to fire a shotgun shell.

Section 2: Restrictions on Assault Weapons

a. In the City of Boston, it shall be unlawful to sell, rent, lease, possess, purchase, barter, display, or transfer an assault weapon.

b. In the City of Boston, it shall be unlawful to sell, rent, lease, possess, purchase, barter, display, or transfer a large capacity magazine or a large capacity ammunition belt.

c. In the City of Boston, it shall be unlawful to sell, rent, lease, possess, purchase, barter, display, or transfer any part or combination of parts, designed or intended to convert a rifle or shotgun into an assault weapon, or any combination of parts from which an assault weapon may be readily assembled if these parts are in the possession or under the control of the same person.

Section 3. Exceptions.

a. This Act shall not apply to the possession of assault weapons, large capacity magazines, large capacity ammunition belts, or other types of magazines or ammunition belts by officers, agents, or employees of this or any other state or of the United States, members of the armed forces of the United States or the organized militia of this or any other state, and law enforcement officers, to the extent that any such person is authorized by competent authority to acquire, possess or carry an assault weapon and is acting within the scope of his duties.

b. This Act shall not apply to the sale of assault weapons, large capacity magazines, large capacity ammunition belts, or other types of magazines or magazine belts by dealers licensed under G.L. c. 140, § 122 to those persons described in Section 3a herein.

c. This Act shall not apply to the possession of assault weapons by persons on the property of a lawfully incorporated sporting or shooting club who are licensed to carry firearms under G.L. c. 140, § 131.

d. This Act shall not apply to the possession of assault weapons, large capacity magazines or large capacity ammunition belts by persons taking part in a competition or attending a meeting or exhibition of any organized group of firearms collectors or travelling to or from such competition, meeting or exhibition; provided, however, that any such person has on his person a firearm identification card for the assault weapons issued pursuant to G.L. c. 140, § 129B or is a resident of the United States and has on his person a permit or license to carry or possess firearms, including said assault weapons, issued under the laws of any state, district or territory which has requirements which prohibit the issuance of permits or licenses to persons who have been convicted of a felony or who have been convicted of the unlawful use, possession or sale of narcotic or harmful drugs; provided further, that any such person who is a resident of the City of Boston shall also have on his person a License to Possess the assault weapons issued pursuant to this Act; and provided further, that any assault weapon, while in transit or when at a location other than the competition, meeting, exhibition or owner's residence, shall be unloaded and packaged.

COMMITTEE ON UNIVERSITY-COMMUNITY RELATIONS TO HOLD HEARING TO REVIEW PAYMENT-IN-LIEU-OF-TAXES PROGRAM

Coun. McLAUGHLIN offered the following:

Whereas, A serious situation exists regarding the funding of the state budget; and

Whereas, The consequences of the state budget problems will be felt by the City of Boston; and

Whereas, It is assumed that the City can expect a decrease in local aid for the coming fiscal year; and

Whereas, Many alternatives must be reviewed to offset the tight fiscal constraints which Boston will face; and

Whereas, Over 50% of Boston's property is tax-exempt because of the preponderance of government-owned land, academic institutions and hospitals; and

Whereas, These tax-exempt properties, nonetheless, benefit from municipal services; and

Whereas, A Payment-In-Lieu-Of-Taxes (P.I.L.O.T.) program exists whereby tax-exempt institutions make payments to the City of Boston; and

Whereas, Approximately \$17,000,000 was paid to the City through the P.I.L.O.T. program in fiscal year 1989; and

Whereas, It would be useful to discuss this program to ascertain which properties, particularly which academic institutions, are part of the P.I.L.O.T. program; and

Whereas, The P.I.L.O.T. program should be reviewed for the potential of any further increases in revenue which may be provided from this source; therefore, be it

Ordered; That the Committee on University-Community Relations hold a public hearing to review the Payment-In-Lieu-Of-Taxes program, especially as it pertains to payments from universities and that certain individuals be invited to attend.

Referred to the Committee on University-Community Relations.

URGING MASSACHUSETTS LEGISLATURE TO APPROVE TOXICS USE REDUCTION BILL (H. 1929)

Couns. BOLLING, BYRNE, HENNIGAN CASEY, IANNELLA, KELLY, McCORMACK, McLAUGHLIN, MENINO, SALERNO, SCONDRAS, TRAVAGLINI and YANCEY offered the following:

Whereas, There are currently approximately 6,000 large industry users of toxics within the Commonwealth of Massachusetts; and

Whereas, In the November 1986 state election, 75 percent of Boston's electorate voted in favor of Question 4, an initiative petition requiring the state to search for sites where hazardous materials have been disposed of and take steps to clean up those sites; and

Whereas, The Toxics Use Reduction Act (H. 1929) is sponsored by Senators Barrett and Olver and Representatives Flaherty and Beckwith, along with 128 Senate and House co-sponsors, and is additionally endorsed by over 90 state and local environmental groups; and

Whereas, The Toxics Use Reduction Act would prompt industries using hazardous chemicals to examine their use of toxics and explore options for reduction through a prevention based strategy; therefore be it

Whereas, That the Boston City Council, in meeting assembled, urges the Massachusetts Legislature to approve the Toxics use Reduction Bill (H. 1929) as quickly as possible, and also urges the Governor to sign such legislation into law.

The resolution was adopted under suspension of the rules.

COMMITTEE ON PLANNING AND DEVELOPMENT TO HOLD HEARING RE LACK OF COORDINATION BETWEEN BOSTON HARBOR CLEANUP AND CENTRAL ARTERY/THIRD HARBOR TUNNEL PROJECTS

Coun. HENNIGAN CASEY offered the following:

Whereas, The Boston harbor cleanup and the Central Artery/Third Harbor Tunnel are the two major projects of this century; and

Whereas, These two projects are closely interrelated; and

Whereas, Recently, Mr. Michael Deland, Director of the Federal EPA, has indicated that permits for these projects may be in jeopardy; and

Whereas, Federal, state and local officials must work together to coordinate the Boston Harbor cleanup and the Third Harbor Tunnel projects or taxpayers and ratepayers will bear the burden of skyrocketing increases; now therefore be it

Ordered, That the committee on planning and development hold a hearing to study the lack of coordination between these two major projects.

Referred to the Committee on Planning and Development.

EMERGENCY PREAMBLE

Coun. MENINO offered the following:

Whereas, The Boston City Council's Committee on Ways and Means has just completed informational hearings in all nine of the city's districts; and

Whereas, The Committee on Ways and Means has learned that severe budget cuts are being contemplated in the Department of Health and Hospitals; and

Whereas, Questions have been raised concerning the manner in which the city's fiscally troubled Health and Hospitals Department issued no bid contracts; now therefore be it

Ordered, That Rule 11 of the City Council be suspended and the following order be properly before the body.

The Emergency Preamble was adopted.

Rule 11 was suspended.

COMMITTEE ON WAYS AND MEANS TO HOLD HEARING RE MANNER OF AWARDED NO-BID CONTRACTS BY DEPARTMENT OF HEALTH AND HOSPITALS

Coun. MENINO offered the following:

Ordered, That the Committee on Ways and Means examine the manner by which the Department of Health and Hospitals awards no-bid contracts.

Referred to the Committee on Ways and Means.

EMERGENCY PREAMBLE

Coun. SALERNO offered the following:

Whereas, The Commerce and Labor Committee of the Massachusetts Legislature will hold a hearing on the "Act to Provide Fair Unemployment Compensation" (H.4469, S.98) on April 5, 1989; therefore be it

Ordered, That in accordance with the rules of the Boston City Council this emergency preamble is adopted, the rules are suspended and the attached communication is properly before the body.

The Emergency Preamble was adopted.

Rule 11 was suspended.

CALLING ON MASSACHUSETTS LEGISLATURE TO PASS "ACT TO PROVIDE FAIR EMPLOYMENT COMPENSATION"

Coun. SALERNO offered the following:

Whereas, The State's current unemployment insurance system no longer serves the needs of many unemployed workers; and

Whereas, Benefit levels are outdated and particularly inadequate for the low-income workforce, seasonal workers, and those affected by work slowdowns; and

Whereas, Formulas for calculating unemployment in-

surance have not been updated for 50 years; and

Whereas, The current structure of the state's insurance system leaves some laid-off workers with as little as \$30 a week in unemployment benefits;

Whereas, Senator William MacLean and other members of the Massachusetts legislature have introduced legislation to address these problems; and

Whereas, The legislation, entitled "An Act to Provide Fair Unemployment Compensation" (H.4469, S.98) would reform eligibility criteria to include more of the low wage workforce, seasonal workers, and those displaced by plant closing and would provide fairer benefit levels to low-income workers through creation of a graduated benefit scale; and

Whereas, The Unemployed Rights Campaign, a coalition of community and religious groups, labor unions, and social service agencies coordinated by the Chinese Progressive Association Workers Center, the International Ladies' Garment Workers Union, and the Greater Boston Legal Services, are supporting this legislation; therefore be it

Resolved, That the Boston City Council, in meeting assembled, calls on the Massachusetts Legislature to pass the "Act to Provide Fair Unemployment Compensation".

The resolution was adopted under suspension of the rules.

EMERGENCY PREAMBLE

Coun. SALERNO offered the following:

Whereas, The Commerce and Labor Committee of the Massachusetts Legislature will hold a hearing on the "Act to Provide an Interpreter System" (H.4467, S.74) on April 5, 1989; therefore be it

Ordered, That in accordance with the rules of the Boston City Council this emergency preamble is adopted, the rules are suspended and the attached communication is properly before the body.

The Emergency Preamble was adopted.

Rule 11 was suspended.

CALLING ON MASSACHUSETTS LEGISLATURE TO PASS "ACT TO PROVIDE INTERPRETER SYSTEM"

Coun. SALERNO offer the following:

Whereas, The Commonwealth currently provides no interpreting staff or translated materials for limited-English speaking workers at the Department of Employment and Training (DET); and

Whereas, Asian, Latino, Haitian, and Cape Verdean workers often fail to receive necessary benefits because of unequal access to proper information; and

Whereas, Currently an individual challenging a deci-

sion on a claim for unemployment benefits at an administrative hearing of the Department of Employment and Training must provide his or her own translator if they have limited-English skills; and

Whereas, By failing to provide skilled interpreters for individuals with limited-English skills, the present law does not protect the due process of rights of non-English-speaking individuals; and

Whereas, Senator Nicholas Costello and other members of the Massachusetts Legislature have introduced legislation that would address these problems; and

Whereas, The legislation entitled, "An Act to Provide An Interpreter System" (H. 4467, S. 74) would require the Department of Employment and Training to provide interpreter services and bilingual staff for workers with limited-English skills; and

Whereas, The Unemployment Rights Campaign, a coalition of community and religious groups, labor unions, and social service agencies coordinated by the Chinese Progressive Association Workers Center, the International Ladies' Garment Workers Union, and the Greater Boston Legal Services, are supporting this legislation; therefore be it

Resolved, That the Boston City Council, in meeting assembled, calls on the Massachusetts Legislature to pass the "Act to Provide An Interpreter System".

The resolution was adopted under suspension of the rules.

MAYOR FLYNN LIGHTS UP BOSTON COMMON

Mayor Raymond L. Flynn and Parks Commissioner Lawrence Dwyer officially welcomed the holiday season by flipping the switch on over 60,000 lights at the 41st annual Christmas tree lighting December 10 on Boston Common, the nation's oldest public park.

The afternoon of music and entertainment culminated at dusk when Mayor Flynn lit fifty trees throughout the Common and a 50-foot Blue Spruce tree donated each year by the people of New Brunswick, Canada, as hundreds of Boston residents and shoppers sang traditional carols.

Mayor Flynn said, "It is fitting that we gather on historic Boston Common each year to celebrate our common traditions and to welcome the holiday season. Christmas is a time to reflect on our good fortunes, but also to share with the less fortunate our kindness and generosity."

Joining Mayor Flynn were Tom Kershaw of the Hampshire House, John Irwin, General Manager of WBZ-Radio, and a Canadian delegation that included Minister of Commerce Alan Lacey, Minister of Agriculture Alan Graham, Saint John Mayor Elise Wayne, and New Brunswick Trade Commissioner and Boston Consul Jim Lovett.

WBZ Radio personality and former parks commissioner Peter Meade was master of ceremonies. Music was provided by the Lechmere Carolers, Salvation Army Band, Tom Lamark's Orchestra, the All City High School Choir, Boston University's Choir, and the Young Dance Company of America. Christmas characters including Santa and Mrs. Claus, Frosty the Snowman, and Rudolph the Reindeer distributed candy and gifts to the children.

The annual tree lighting is sponsored by the Boston Parks and Recreation Department, and was co-sponsored this year by WBZ-AM Radio, Lechmere Corporation, the MBTA, and Lafayette Hotel.

According to Commissioner Dwyer, the Boston Parks Department will keep the lights on through mid-January.

CITY OF BOSTON OFFICE OF THE MAYOR RAYMOND L. FLYNN

December 1989.

To All City Employees:

I want to thank you for helping to make this year's Boston Can Share Food Drive a success. It is especially important now because of the severe cuts in the State budget, many of which directly affect anti-hunger programs.

This year, employees of the City of Boston contributed 40,836 cans. This represents an increase of 67 percent from last year and reflects your commitment to hungry people in our city.

Businesses in our city who participated in the Can Share Food Drive contributed 186,164 cans. This also reflects an increase over last year.

The goal this year was 150,000 total cans including 30,000 for city employees. Thanks to you we exceeded both of our goals.

We need to remember that hunger is not just an issue around the holidays but is a sad reality throughout the year and together we will continue to do what we can to make a difference.

Thank you again for your hard work and commitment.

Sincerely,
RAYMOND L. FLYNN,
Mayor of Boston.

THE ADOPT-A-STATUE PROGRAM

The goal of Adopt-A-Statue is to achieve funding for the restoration of thirty-nine pieces of outdoor public art and to establish a permanent maintenance endowment which would provide for the annual cleaning and maintenance of sixty-nine pieces.

NAME: PAPAL MASS TABLET

LOCATION: Boston Common
Charles Street

ARTIST: F.P. Davis Monumental Works, Inc.

DATE OF FABRICATION: 1981

MATERIAL: Granite

BACKGROUND: The plaque is a gift of The Order of the Alhambra to commemorate Pope John Paul II's visit to Boston and his celebration of Mass on Boston Common. The event occurred during the City's 350th anniversary year and marked the first visit by a Pope to Boston.

CONDITION: Stone is stained at the base.
REQUIRED: RESTORATION AND MAINTENANCE

Adopt-A-Statue Program . . .

(Continued from front page)

To invite individuals, groups of individuals or corporations to "adopt" a piece of Boston outdoor public art by either:

- a. incurring the total cost of restoring and maintaining a particular piece of art or
- b. making a donation toward a general restoration and maintenance fund.

Gifts are tax deductible to the extent limited by law.

For further information on how to adopt a statue please contact the Environment Department at 725-3850 (Paula Mierzejewski) or Office of Arts and Humanities at 725-3245 (Mary Shannon).

Each week the *City Record* will publish a statue for adoption.

ARTHITECTS OFFER NEW IDEAS IN GIFTS

The 2,000 architects who make up the Boston Society of Architects now offer Bostonians architectural jewelry, bookends, lamps, pens and pencils, coffee table books, greeting cards, and scores of other special gifts for the holidays.

In "Design Finds," the non-profit group's holiday gift shop downtown at 50 Broad Street (in the new Architects Building), Boston architects have assembled an array of gift items unlike any other in the country. Hours are Monday to Friday, 9 to 6 and it's at the corner of Broad and Milk near Quincy Market.

"Design Finds" profits help support public education programs that focus on Boston's design and development. For more information, call 617-267-5175.

DRUG FACTS

*From Police Commissioner
Francis M. Roache*

ALCOHOL: (slang: booze, brew)

Method of Use: Oral

Effects: Lasts 4-12 hours. Relaxation, decreased alertness, impaired coordination. Chronic Use: brain, liver, and stomach damage

Additional Facts: A 12-ounce can of beer, 4-ounce glass of wine, and 1-ounce of liquor all contain about the same amount of alcohol. Alcohol is burned at the rate of 1/2-ounce per hour. Nothing will speed up this process.

Note to Parents: A number of parents find that their own liquor supplies have

been watered down or replaced by water (gin or vodka bottles). It is recommended that if parents are concerned that their child and/or friends may be tempted, that liquor at home be either locked or removed from the home.

COCAINE: (slang: coke, snow, caine, toot, happy dust, uptown)

Method of Use: Snorted or sniffed, oral, smoked, injected

Effects: Lasts 20 minutes to 4-8 hours. Exhilaration, increased alertness. Chronic use: restlessness, irritability, personality changes, psychosis, depression, and fatigue. High dependence (of 10 users 4 will have "problems," and 2 will become addicted)

Additional Facts: When taught to self-administer cocaine, animals will continue the process until death. Cocaine's reputation as a recreational and expensive drug has made it popular as a "status" symbol "Speedballing": taking cocaine and heroin together (cause of John Belushi's death)

Paraphernalia: Razor blades used to make "lines" for nasal ingestion, rolled dollar bills or straws used to snort the line

Street Price: \$100/gram

LSD: (Lysergic Acid Diethylamide) (slang: acid, trips, cubes, window pane, microdots)

Method of Use: Oral

Effects: Lasts 8-14 hours. Alteration of perceptions, breakdown of inhibitions, euphoria, relaxation. Chronic use: Increased delusions, panic, psychosis. Low dependence

Additional Facts: LSD is many thousand times more powerful than any other hallucinogen and will produce "flashbacks" or recurrence of hallucinations and experiences often resulting in extreme psychosis

Street Price: \$5/hit

Note to Parents: Low grade LSD is being sold as mescaline.

MARIJUANA (Cannabis Sativa): (slang: pot, grass, hash, joint, weed, chi, bones, refer)

Method of Use: Smoked, oral

Effects: Lasts 2-4 hours. Relaxation, euphoria, increased pulse, alteration of inhibitions. Chronic use: distorts memory; affects reproductive capabilities; damages lung and lung function; psychosis. Moderate to high dependence.

Additional Facts: The most active mind-altering agent in marijuana is THC. The THC from one "joint" takes 4-6 weeks to be eliminated from the body. Carcinogenic potential: marijuana has a 21 times greater risk than tobacco. Also raises risk of emphysema and bronchitis.

Paraphernalia: Cigarette papers to roll joints, water pipes, home-made water pipes

Street Price: \$60/ounce

MESCALINE: (slang: beans)

Method of Use: Smoked or swallowed as capsules or tablets

Effects: User feels first effects of drug 30-90 minutes after taking it. Dilated pupils, higher body temperature, increased heart rate and blood pressure, sweating, loss of appetite, sleeplessness. Alterations of perceptions. User may feel several different emotions at once or swing rapidly from one emotion to another.

Additional Facts: Mescaline comes from the peyote cactus and although it is not as strong as LSD, its effects are similar.

Street Price: \$3-5/hit

Note to Parents: see LSD note regarding the fact that most street mescaline is in fact low-grade LSD.

MUSHROOMS: (slang: "shrooms") Sold as hallucinogens. See LSD (above).

PCP: (slang: angel dust, killer weed, crystal)

Method of Use: Smoked, swallowed, snorted, injected

Effects: Time varies. Reaction varies from relaxation and euphoria to vivid distortions, paranoia, psychosis. Chronic use: memory disturbances, speech problems, anxiety, violent and/or self-destructive behavior. Moderate to high dependence

Additional Facts: There is no antitoxin for the effect of PCP, and because of the un-

predictability of effects, it is considered one of the most dangerous street drugs used today.

AMPHETAMINES: (slang: speed, uppers, bennies, crystal meth)

Brand Names: Benzedrine, Biphetamine, Desoxyn, Dexedrine, Methedrine, Preludin.

Method of Use: Oral, injected

Effects: Lasts 4-12 hours. Increased alertness, excitations, anxiety, dilation of pupils, loss of appetite. Chronic use, irritability, restlessness, insomnia, psychosis. High dependence

Additional Facts: Test animals will self-administer amphetamines until death. Users "feel better" under the influence of amphetamines, but their performance deteriorates.

BARBITURATES AND RELATED SEDATIVES: (slang: reds, yellow jackets, barbs, downers, ludes, sopors)

Brand Names: Amytal, Nembutal, Phenobarbital, Seconal, Tuinal, Doriden, Quaalude, Sopor, etc.

Method of Use: Oral, intravenous, rectal

Effects: Lasts 2-12 hours. Relaxed, decreased alertness, impaired coordination, sleep. Chronic use results in brain and liver damage, confusion, withdrawal. High dependency

Additional Facts: Barbiturates and alcohol are deadly in combination. Many accidental overdoses involve the mixing of the two.

ADVERTISEMENT CITY OF BOSTON

TRANSPORTATION DEPARTMENT

Invitation for Proposals for Emergency Traffic Signal Repairs.

The City of Boston (the City), acting by its Transportation Department Commissioner (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Room 721, Boston City Hall, One City Hall Square, Boston, MA 02201, on or after December 11, 1989.

All proposals shall be filed no later than 12 noon, Boston time, December 22, 1989, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

A performance bond of surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be \$500.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof, and to award the contract as the Official deems to be in the best interests of the City.

RICHARD A. DIMINO,
Commissioner.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Removal and Disposal of
Trees, Limbs, Trunks, and Stumps on an
Emergency Basis, 1990.**

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents entitled: "Removal and Disposal of Trees, Limbs, Trunks, and Stumps on an Emergency Basis, 1990."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment, and transportation to provide a crew to remove in the entirety, dead and diseased trees, limbs, trunks and stumps at various locations within the City of Boston and to properly transport and legally dispose. Estimated cost \$25,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, December 28, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, December 11, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/ Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with

the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department Affirmative Action Office, 1010 Massachusetts Avenue, third floor, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods and services. In the event that the bidder selects a minority/or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, December 19, 1989, at 10 a.m., Boston time.

PUBLIC WORKS DEPARTMENT

State Aid Project No. 51 Highway Reconstruction in Carrolton Road, Dwinell Street, Glenhaven Road, Moshaka Street, Mt. Vernon Street, Schiller Road, and Willowdean Avenue in West Roxbury, and B Street and West Second Street in South Boston.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, December 18, 1989. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

THIS IS A STATE AID PROJECT

CONTRACTORS INTENDING TO BID ON THIS PROJECT MUST FIRST OBTAIN FORM R-109, "REQUEST FOR PROPOSAL FORMS" (FOR DETERMINATION OF CONTRACTORS PREQUALIFICATION) FROM THE CONTRACT ENGINEER, ROOM 7551, 10 PARK PLAZA, BOSTON, MASS., WHICH FORM MUST BE COMPLETED AND SUBMITTED TO THE CONTRACT ENGINEER FOR APPROVAL. UPON APPROVAL AND WITH THE SUBMISSION OF AN "APPROVAL FOR PROPOSAL FORM" TO ROOM 714 (CONTRACT OFFICE), CITY HALL, BOSTON, THE PROSPECTIVE BIDDER WILL BE ENTITLED TO RECEIVE A NON-TRANSFERABLE PROPOSAL PACKAGE.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, January 4, 1990, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

1. *Minority and Women Business Enterprise Requirements*

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority and Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority and Women Participation section of this contract, the general contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for Women Business Enterprise. For the purpose of this paragraph, the term minority and women business enterprise means a business in which at least 51 percent is owned by one or more minority persons (Black, Hispanic, Native American, Asian, or Cape Verdean) or women.

Each general contractor must complete, sign, and file with his bid the Minority and Women Business Utilization Form. The Minority and Women Business Utilization Form shall be completed and signed by the Minority and Women Business Enterprise and the general contractor. FAILURE TO SUBMIT A COMPLETED AND SIGNED MINORITY AND WOMEN BUSINESS UTILIZATION FORM WITH THE BID PROPOSAL WILL RESULT IN THE REJECTION OF THE BID.

The City of Boston Minority and Women Business Directory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority and Women Business Office, at 43 Hawkins Street, Boston, MA 02114, Telephone Number 723-1400, Ext. 277. IF A CONTRACTOR WISHES TO USE A MINORITY AND/OR WOMEN BUSINESS THAT IS NOT LISTED IN THE DIRECTORY, HE MUST CONTACT THE MINORITY AND WOMEN BUSINESS OFFICE TO OBTAIN AN IDENTIFICATION STATEMENT, COMPLETE THE STATEMENT, AND SUBMIT THE STATEMENT WITH HIS BID. The dollar amount obligated to a non-certified (City of Boston) minority/women business will not count toward the minority/women business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority and Women Business Utilization requirements are invited to attend prebid conference to be held on Thursday, December 21, 1989, at 10 a.m., in Room 714, Contract Compliance Office, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY

COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,
Commissioner of Public Works.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. C9CN27, Somerville Drainage Improvements, Somerville and

Medford, Mass., (Class 1 — General Transit Construction, Project Value 120.00) will be received by the Assistant Director of Construction, at the Contract Administration Office, fifth floor, Room 5610, Transportation Building, 10 Park Plaza, Boston, MA 02116, until two o'clock (2 p.m.) on December 28, 1989. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of a new drainage system and track improvements on the New Hampshire Main Line commuter rail right-of-way, including site preparation, demolition, earthwork, track work, storm drainage structures and piping, retaining walls, slope protection, signals and signal bridges, staging, painting, chain link fencing, electrical work, disposal of contaminated material and other related work.

This contract is subject to a financial assistance contract between the MBTA and the U. S. Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after November 29, 1989, Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. The MBTA's Standard Plan entitled "MBTA Railroad Operations — Book of Standard Plans — Track and Roadway," is available at a charge of \$25 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the Specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated DBE goal of 18 percent.

Bidders will affirmatively ensure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, age, or national origin in consideration for an award.

Bidders will be required to comply with Federal Equal Employment Opportunity Regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. James L.

Eng. 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-5806. The Authority will conduct an inspection tour of the proposed work areas on December 13, 1989, a day prior to the prebid conference. The tour will commence from the Washington Street Bridge in Somerville at 10:00 a.m. Bidders are advised that they should have representation at this inspection tour as no extra visits are planned. Bidders must provide their own transportation. A prebid conference will be held on December 14, 1989, at 10:00 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement, or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

Invitation for Bids for Installation of New Precast Concrete Paver Blocks at the Josiah Quincy School, 885 Washington Street, Boston, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39K, and 39P of chapter 30, and sections 29 and 44A to 44I inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Installation of New Precast Concrete Paver Blocks at the Josiah Quincy School," at an estimated cost of \$32,500.

SCOPE OF WORK: In general includes removal of existing precast roof paver blocks and replace new paver blocks.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, December 20, 1989, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have

the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check, or cashier's check, payable to the City of Boston.

GENERAL BIDS will be received before twelve o'clock noon on Friday, January 5, 1990, at which time and place respective bids will be opened and read aloud. General contractors must file with their bids a copy of certification from DCPO showing that they are eligible to bid on projects in general building construction, up to a project amount and up to an aggregate limit, and with an update statement, DCPO Form CQ3, summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits the bid.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise and the general contractor within five (5) business days after the award of the contract.

A performance bond, and also a labor and materials or payment bond, of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

RE: Police Statistics
DATE: March 10, 1989

I have attached for your review, a revised format for providing you with the required crime data by shift and by police district in the City of Boston. This report is a summary of the information provided to you in previous weeks by computer printout. I understand that you and other members of the City Council were displeased with the computer generated reports.

Please understand that the reports were submitted to you in a computer printout because it was the fastest way to provide you with the necessary information. I apologize for any inconvenience that the format may have caused you and I hope that you will find the revised format acceptable.

It should be noted that these statistics provide "a snapshot of crime" in Boston for the reporting week. In some cases, several of these incidents may be further investigated and determined to be unfounded claims. Thus, these statistics, when compiled for a one month period or for a year long period will differ, to some degree, from the Uniform Crime Report tallies that take into account such unfounded or reclassified cases.

We have almost finalized the format that will capture the information relative to the department of sworn police officers to each district by shift. In the interim, I am forwarding currently available personnel statistics by area. These statistics reflect the total number of police officers from all bureaus assigned to each Command Area during the last quarter of calendar year 1988 and the number of overtime hours worked by officers in the Bureau of Field Services in each area for February 1989.

Area	Police Officers	Overtime Hours
A	316	4,647
B	383	5,059
C	257	3,346
D	278	6,331
E	221	3,494

I hope that the revised format is more helpful to you and to all City Councillors. I guarantee that the revised personnel report will be finalized and submitted to you no later than the end of this month.

Thank you for your patience and please feel free to call me if you have any concerns relative to this report.

DISAPPROVING ORDER THAT POLICE DEPARTMENT EXAMINE TERMS OF EXISTING AMNESTY PROGRAM

The following was received:

City of Boston
Office of the Mayor

March 8, 1989.

To the City Council.

Dear Councillors:

I return herewith without my signature and disapproved and order passed by your Honorable Body February 8, 1989, Docket No. 0361, that would require the Police Department to examine the terms of the existing Amnesty Program in order to facilitate the surrender and transfer of firearms. The order would also require the Police Department to publicize that it will not institute criminal action for the illegal possession of a firearm.

My reason for disapproval relates to the language of the order. The order directs the Police Department to examine the terms of the Amnesty Program. My administration from time to time reviews existing programs, and the Amnesty Program is no exception. However, the order goes further. It appears to suggest that any such examination shall lead to the elimination of having a duty officer pick up the firearm and the requirement that the person in possession of the firearm give his or her name, address and social security number. To change the Amnesty Program as suggested would violate the letter and the spirit of state law, specifically G.L. c. 140, s. 129C and G.L. c. 269, s. 10. While we will re-examine the program, I do not wish to mislead the Council into thinking that any such examination will result in the stated changes.

The order also requires the Police Department to publicize the fact that the Police Department will not institute a criminal action for the illegal possession of a firearm surrendered or transferred under the program. My administration is proud to have implemented the Amnesty Program in 1987. We have publicized and will continue to publicize the Program and the details thereof.

While some of the terms of the order are unobjectionable and are, in fact, already being followed, I am constrained to veto the order to eliminate any confusion there might be that the City will take actions contradictory to state law.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

(Annexed hereto is the order referred to.)

Assigned for further action.

EMERGENCY SHELTER GRANT OF \$289,000 FROM HUD

The following was received:

City of Boston
Office of the Mayor

March 13, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an order authorizing the City to accept and expend a grant of \$289,000 in the form of an Emergency Shelter Grant from the United States Department of Housing and Urban Development under the Stewart B. McKinney Homeless Assistance Act of 1987 (P.L. 100-77), the Stewart B. McKinney Homeless Assistance amendments Act of 1988 (P.L. 100-628) and appropriated for under the Fiscal Year 1989.

I urge your Honorable Body to adopt this order as soon

as possible so that the City may expand its grant award expeditiously.

Sincerely,

Raymond L. Flynn,
Mayor of Boston.

Whereas, The City of Boston has been awarded an Emergency Shelter Grant in the amount of \$289,000 by the U.S. Department of Housing and Urban Development; and

Whereas, The Public Facilities Department has received and approved documented requests in the amount of \$289,000 for assistance in meeting the costs of rehabilitating and operating facilities for emergency shelters for the homeless; now, therefore, be it

Ordered, That the Mayor, acting on behalf of the City of Boston, be, and hereby is, authorized, in accordance with G.L. c. 44, sec. 53A, to accept and expend an Emergency Shelter Grant in the amount of not more than \$289,000 awarded to the City of Boston by the U.S. Department of Housing and Urban Development under the Stewart B. McKinney Homeless Assistance Act of 1987 (P.L. 100-77), as amended (P.L. 100-628).

Referred to the Special Committee on the Hungry and the Homeless.

ORDER AUTHORIZING RECEIPT OF CONSERVATION RESTRICTION BY DESIGN HOUSING INC.

The following was received:

City of Boston
Office of the Mayor

March 14, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an order authorizing the Conservation Commission to receive, pursuant to G.L. chapter 40, section 8C, a conservation restriction given pursuant to G.L. chapter 184, section 31 by Design Housing, Inc., trustee of Allandale Realty Trust in connection with the development of a project at 200 Allandale Street pursuant to a Planned Development Area Plan approved by the Boston Redevelopment Authority on August 13, 1987.

The conservation restriction will serve to retain much of the site's character as a designated Boston Urban Wild for the approximately 16 acres or one-third of the project subject to its terms.

I urge your Honorable Body to pass this order as expeditiously as possible.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

Whereas, the City of Boston recognizes the need for preservation of publicly accessible open space to enhance the quality of life in the City; and

Whereas, Design Housing, Inc., Trustee of Allandale Realty Trust, has agreed to convey to the City of Boston through the Conservation Commission, a Conservation Restriction on more than 16 acres of land at 200 Allandale Street on the West Roxbury/Jamaica Plain line in Boston; now, therefore, be it

Ordered, That in accordance with the provisions of G.L., c. 40, s. 8C, the Conservation Commission be and hereby is, authorized to receive in the name of the City of Boston said Conservation Restriction.

Referred to the Committee on Planning and Development.

SALE OF APPROXIMATELY 1,225 SQUARE FEET OF LAND, PORTION OF JOHN F. FITZGERALD EXPRESSWAY SURFACE ROAD TO HIGH STREET REALTY TRUST FOR \$180,000

The following was received:
City of Boston
Office of the Mayor

March 21, 1989.

To the Honorable City Council,
Dear Councillors:

I transmit for your consideration an order for the sale of approximately 1,225 square feet of land being a portion of the John F. Fitzgerald Expressway surface road in the Boston Proper District of the City of Boston for the amount of \$180,000.

The High Street Realty Trust wishes to purchase this property to add to its existing property abutting the site so as to more effectively carry out its redevelopment of the parcel bounded by High and Broad Streets which is currently in progress.

Since it has been determined that the subject property is no longer required for public purposes, I respectfully recommend the adoption of the accompanying Order by your Honorable Body.

Respectfully,
Raymond L. Flynn,
Mayor.

Whereas, In June, 1988, High Street Realty Trust petitioned the Public Improvement Commission to discontinue a portion of the public way located on the John F. Fitzgerald Expressway Surface Road, Boston Proper District, comprising approximately 1,225 square feet all as shown on a certain plan marked "City of Boston, Public Works Department, Engineering Division, Discontinuance Plan, John F. Fitzgerald Expressway Surface Road, Boston Proper, December 19, 1988, Gordon E. Barnes, Division Engineer";

Whereas, A duly authorized public hearing was held on July 14, 1988, for the proposed discontinuance, all abutters having been notified by certified mail of said hearing; and

Whereas, The Commissioner has determined that the discontinued area, owned in fee by the City of Boston, comprising approximately 1,225 square feet, is no longer required for public purposes, and after further determination, that said discontinued area has a fair market value of \$180,000; now, therefore, it is

Ordered, That the Mayor of the City of Boston be and he hereby is authorized to execute and deliver to the High Street Realty Trust for the sum of \$180,000 an instrument in writing conveying all of the City of Boston's right, title, and interest in and to the discontinued area herein described.

On motion of Coun. MENINO, the rules were suspended; the order was given its first reading and passage, yeas 12, nays 0:

Yeas — Councillors Bolling, Byrne, Hennigan Casey, Iannella, Kelly, McCormack, McLaughlin, Menino, O'Neil, Salerno, Scondras, Yancey — 12.

Nays — 0.

Referred to the Committee on Planning and Development.

 Mayor of Boston.

Police Department

March 16, 1989.

Councillor Bolling.

In response to your 17F request for Boston Police personnel statistics the attached materials have been prepared for your review. Included in this packet of materials are personnel statistics for each of the Command Areas during the month of January in 1986, 1987, 1988 and 1989. Because Command Area personnel totals fluctuate during the fiscal year, we have provided personnel

figures for the midpoint of each fiscal year. Also provided is the number of retirements from each of the Command Areas during fiscal years 1986, 1987, 1988 and 1989.

In response to your request for the total number of officers transferred throughout the Boston Police Command Areas during FY86, FY87, FY88 and FY89, the Department is unable to provide statistics in summary form. Boston Police Department does track each and every transfer with the issuance of a personnel order stating officers' original and new assignments, this information is not computerized nor summarized. Personnel orders reflect all appointments, transfers, terminations, retirements and disciplinary actions for both civilian and sworn personnel. Personnel orders number 300 to 400 each year and often contain multiple personnel status changes per order.

Because the assignment of patrol officers to plainclothes duty is left to the discretion of the Area Commander, the Boston Police Department will have varying numbers of officers assigned to plainclothes duty throughout the fiscal year. An Area Commander has the flexibility to assign officers to plainclothes as needed. Thus, the number of officers assigned to plainclothes duty varies widely, according to the availability of officers and the Area Commander's determination of need. Because this number varies so widely and said assignments are of an informal, often temporary nature, the Department has not maintained records of such assignments.

The Boston Police Department can, however, provide the number of officers promoted to detective at your request. All officers assigned to plainclothes duty for 365 days currently receive the rating of detective at the conclusion of that period. That practice will be discontinued with the implementation of the detectives' examination now under development. You will find that in an overwhelming majority of cases plainclothes assignments of Field Services officers are intermittent and temporary and do not result in detective rating.

The practice of "detailing out" officers from the Boston Police Department's Bureau of Field Offices had been discontinued several years ago and therefore statistics reflecting such assignments do not exist. Any other type changes in an officer's assignment or status are captured on a personnel order. Again, personnel orders reflect all sworn and civilian appointments, transfers, terminations, retirements and disciplinary actions.

If you require additional information or have any questions regarding the attached, I can be contacted at 247-4577.

Sincerely,

Ellen Daley, Director,
 Bureau of Administrative Services.

ORDER FOR PETITION FOR SPECIAL LAW RE ASSAULT WEAPONS IN CITY OF BOSTON

Coun. SCONDRAS offered the following:

Ordered: That a petition to the General Court, accompanied by a bill for a special law relating to the City of Boston to be filed with an attested copy of this order be, and hereby is, approved under Clause (1) of Section eight of Article two, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts, to the end that legislation be adopted providing precisely as follows, except for clerical or editorial changes of form only:

Section 1. Notwithstanding the provisions of any general or special law to the contrary, the following provisions pertaining to assault weapons shall be in effect in the City of Boston:

Section 1. Definitions.

a. "Assault weapon"

(1) Shall mean all rifles and shotguns designated as assault weapons in this paragraph and all other semi-automatic rifles and shotguns which are determined by the Assault Weapon Roster Board, as established by this Act, to be assault weapons. Such term shall include, in addition to any other rifles and shotguns identified by the Board, all versions of the following, including rifles and shotguns sold under the designation provided in this subsection and rifles and shotguns which are substantially identical thereto sold under any designation:

- (a) Avtomat Kalishnikov, also known as AK-47 semi-automatic rifles;
- (b) Uzi semi-automatic rifles;
- (c) AR-15 semi-automatic rifles;
- (d) FN-FAL and FN-FNC semi-automatic rifles;
- (e) Steyr Aug semi-automatic rifles;
- (f) SKS semi-automatic rifles;
- (g) shotguns with revolving cylinders known as the Street Sweeper and the Striker 12;
- (h) any other semi-automatic rifle with a fixed magazine capacity exceeding ten rounds;
- (i) any other shotgun with a fixed magazine, cylinder, drum or tube capacity exceeding six rounds; and

- (j) any semi-automatic firearm which is a modification of a rifle or shotgun described in this subsection; that is, having the same make, caliber, and action design but a shorter barrel or no rear stock.
- (2) "Assault weapon" shall not include a rifle or shotgun which:
 - (a) does not employ fixed ammunition;
 - (b) was manufactured prior to 1898;
 - (c) operates by manual bolt action;
 - (d) operates by lever action;
 - (e) operates by slide action;
 - (f) is a single shot weapon;
 - (g) is a multiple barrel weapon;
 - (h) is a revolving cylinder weapon other than a shotgun;
 - (i) employs a fixed magazine with a capacity of ten rounds or less;
 - (j) is a rimfire weapon that employs a tubular magazine capacity of six rounds or less;
 - (k) cannot employ a detachable magazine or ammunition belt with a capacity greater than ten rounds;
 - (l) has been modified so as to render it permanently inoperable or so as to make it permanently a device which may not appropriately be designated as an assault weapon; or
 - (m) is an antique or relic firearm, movie prop or other weapon not capable of firing a projectile and not intended for use as a functional weapon and which cannot be readily converted through a combination of available parts into an operable assault weapon.
- b. "Firearm" shall mean a firearm as defined in G.L. c. 140, §121.
- c. "Large capacity ammunition belt" shall mean a belt or strip which holds more than ten rounds of ammunition to be fed continuously into a semi-automatic firearm or an ammunition belt which can be readily converted into a large capacity ammunition belt.
- d. "Large capacity magazine" shall mean a box, drum, or other container which holds more than ten rounds of ammunition to be fed continuously into a semi-automatic firearm or a magazine which can be readily converted into a large capacity magazine.
- e. "Rifle" shall mean a firearm of which the length of barrel is sixteen inches or more, that is designed or has been redesigned, made or has been remade to fire a fixed cartridge.
- f. "Semi-automatic" shall mean a firearm capable of firing a shot with each depression of the trigger without additional slide, bolt or other manual action.
- g. "Shotgun" shall mean a firearm of which the length of barrel is eighteen inches or more which is designed or has been redesigned, made or has been remade to fire a shotgun shell.

Section 2. Restrictions on Assault Weapons

- a. In the City of Boston, it shall be unlawful to sell, rent, lease, possess, purchase, barter, display, or transfer an assault weapon.
- b. In the City of Boston, it shall be unlawful to sell, possess, purchase, barter, display, or transfer a large capacity magazine or a large capacity ammunition belt.
- c. In the City of Boston, it shall be unlawful to sell, rent, lease, possess, purchase, barter, display, or transfer any part or combination of parts, designed or intended to convert a rifle or shotgun into an assault weapon, or any combination of parts from which an assault weapon may be readily assembled if these parts are in the possession or under the control of the same person.

Section 3. Exceptions.

- a. This Act shall not apply to the possession of assault weapons, large capacity magazines, large capac-

ity magazine belts, or other types of magazines or ammunition belts by officers, agents, or employees of this or any other state or of the United States, members of the armed forces of the United States or the organized militia of this or any other state, and law enforcement officers, to the extent that any such person is authorized by competent authority to acquire, possess or carry an assault weapon and is acting within the scope of his duties.

b. This Act shall not apply to the sale of assault weapons, large capacity magazines, large capacity magazine belts, or other types of magazines or magazine belts by dealers licensed under G.L. c. 140, §122 to those persons described in Section 3a herein.

c. This Act shall not apply to the possession of assault weapons, other than those specifically named herein or listed on the Board's Roster, by persons who are licensed to carry firearms under G.L. c. 140, §131, while on the property of a lawfully incorporated sporting or shooting club.

d. This Act shall not apply to the possession of assault weapons by persons in the City of Boston or travelling through the City of Boston for the purpose of taking part in a competition or attending a meeting or exhibition of any organized group of firearms collectors; provided, however, that any such person is a resident of the United States and has a permit or license to carry or possess firearms issued under the laws of any state, district or territory which has requirements which prohibit the issuance of permits or licenses to persons who have been convicted of a felony or who have been convicted of the unlawful use, possession or sale of narcotic or harmful drugs; and provided further, that any assault weapon, while in transit, shall be unloaded and packaged.

e. This Act shall not apply to the possession of assault weapons by persons travelling through the City of Boston for the purpose of hunting; provided, however, that any such person is a resident of the United States and has a permit or license to carry firearms issued under the laws of any state, district or territory which has requirements which prohibit the issuance of permits or licenses to persons who have been convicted of a felony or who have been convicted of the unlawful use, possession or sale of narcotic or harmful drugs; provided, further, that any such person has on his person a hunting or sporting license issued by the commonwealth or by the state of his destination; and provided further, that any assault weapon, while in transit, shall be unloaded and packaged.

f. This Act shall not apply to the possession of assault weapons, large capacity magazines, large capacity magazine belts, or other types of magazines or ammunition belts by persons specifically authorized to acquire, have, possess or carry an assault weapon pursuant to federal law.

Section 4. Penalties.

Any person who violates the provisions of this Act as to an assault weapon shall for a first offense be punished by a fine of one thousand dollars, and for any subsequent offense by a sentence of no greater than two and one-half years.

Any person who violates the provision of this Act as to magazines or magazine belts shall for a first offense be punished by a fine of two hundred dollars and for any subsequent offense by a fine of five hundred dollars.

Section 5. Board.

a. There shall be in the City of Boston an Assault Weapon Roster Board, hereinafter referred to as the Board, which shall consist of seven members, each appointed by the Mayor, each of whom shall serve for a term of four years. The members of the board shall be:

- (1) the Police Commissioner of the City of Boston, *ex officio*, or his designee, who shall serve as chairman of the Board;
- (2) the Corporation Counsel of the City of Boston, *ex officio*, or his designee;
- (3) a member of the National Rifle Association, from the Massachusetts chapter;
- (4) an employee of a Massachusetts firm which manufactures firearms; and
- (5) three citizens of the City of Boston, one of whom shall be a member of a recognized gun control organization.

b. The Board shall meet at the request of the chairman or by the request of a majority of its members.

c. There shall be an Assault Weapon Roster, hereinafter referred to as the Roster, which the Board shall compile and initially publish in a newspaper of general circulation in Boston by July 1, 1989.

d. In determining whether any weapon shall be placed on the Roster, the Board shall consider each of the following characteristics, without placing any undue weight on any one characteristic:

- (1) Ballistic accuracy
- (2) Quality of materials
- (3) Quality of manufacture
- (4) Reliability as to safety
- (5) Utility for legitimate sporting activities.

e. The Board shall at least semi-annually publish the Roster in a newspaper of general circulation in Boston, and shall send a copy thereof to all dealers licensed in Boston under G.L. c. 140, §122.

f. The Board may modify the Roster upon the Board's own initiative. A person may petition the Board to place a weapon on the Roster, subject to the provisions of this subsection. A person who so petitions shall give the reasons why the weapon should be placed on the Roster.

g. A petition to place a weapon on the Roster shall be submitted in writing to the Board and shall be in the form and manner prescribed by the Board. Upon receipt of the petition to place a weapon on the Roster, the Board shall, within 45 days of receipt of the petition, either notify the petitioner by certified mail that the petition is denied, or it shall place the weapon on the Roster. The prohibition of a weapon shall be effective on the date it is included in the next publication of the Roster in a newspaper of general circulation in Boston.

h. The Board shall be authorized to promulgate regulations concerning the appeal of a decision to place or to deny to place a weapon on the Roster and any other regulations not inconsistent with this Act to effectuate its purpose.

Section 6. Registration.

Within ninety days of the effective date of this Act, any person lawfully in possession of an assault weapon must apply for a License to Carry that assault weapon pursuant to G.L. c. 140, §131, regardless of whether such person is currently in possession of a valid License to Carry. Any person denied a License to Carry pursuant to this Act shall, within ninety days of such denial, dispose of the assault weapon in such a way as to not be in violation of this Act. Any person who obtains an assault weapon registered under this Act by bequest or intestate succession shall, within ninety days of so obtaining, either apply for a License to Carry that assault weapon pursuant to G.L. c. 140, §131 or dispose of the assault weapon in such a way as to not be in violation of this Act.

Section 7. Miscellaneous Provisions.

a. A police officer shall be authorized to seize any assault weapon which may be evidence of a violation of this Act. The assault weapon shall be held as evidence by the police and may be disposed of in accordance with G.L. c. 140, §129D.

b. The Police Commissioner of the City of Boston shall be authorized to promulgate such regulations not inconsistent with this Act to effectuate its purpose.

c. The Police Commissioner of the City of Boston shall be authorized to revoke licenses granted under G.L. c. 140, §§122, 129(c) and 131 for violation of this Act.

d. The Police Commissioner of the City of Boston shall be authorized to issue an emergency order at any time to immediately and temporarily place a weapon on the Roster and shall be further authorized to publish the Roster in a newspaper of general circulation in the City of Boston without the approval of the Board; provided, however, that he shall call a meeting of the Board within thirty days so that the Board can review the order and either permanently place the weapon on the Roster or remove it therefrom.

Section 8. Severability.

If any section or subsection or part thereof of this Act shall be held unconstitutional or otherwise invalid by any court of competent jurisdiction, the remaining sections, subsections or parts shall not be affected thereby.

Section 2. This Act shall take effect upon its passage.

CALLING FOR STRICT PENALTIES FOR ANYONE USING FIREARM IN COMMISSION OF CRIME AND REINSTITUTING DEATH PENALTY UNDER CERTAIN CIRCUMSTANCES

Coun. O'NEIL offered the following:

Whereas, The use of firearms in the commission of crimes is offensive to civilized people everywhere; and

Whereas, The Boston City Council, acting responsibly, recognized that the Police Department is authorized to issue permits for various types of firearms and firearm uses; and

Whereas, Current law makes the unlicensed possession of an automatic firearm any kind punishable by life in prison, and makes alteration of a semi-automatic firearm to fully automatic punishable with the same penalty — life in prison; and

Whereas, Current law makes possession of any firearm by a person with a felony conviction punishable by five years in prison; and

Whereas, Current law prohibits the use of a firearm to assault another human being, making such assault a felony under Massachusetts Laws, punishable by a jail term or life in prison; and

Whereas, The Boston City Council recognizes that licensed law-abiding citizens who own firearms, possess such firearms for a myriad of legitimate uses such as hunting, collection, target practice, self defense and local, national and international competition; and

Whereas, The Boston City Council wants to clearly distinguish between lawful uses and unlawful uses, and by this recognition acknowledges the outstanding public safety record of licensed gun owners in Boston; and

Whereas, The civilian adaptation of military-style firearms is part of a long, historic tradition in this country, dating back to the founding of our nation, and that civilian adapted military firearms are used throughout the world in competition because of their precision, safety, accuracy and inherent value to collectors and legitimate gun enthusiasts; and

Whereas, The Boston City Council wants to make a clear and unequivocal statement about the unlawful use of these firearms for illegitimate purposes; be it therefore

Resolved, That the Boston City Council is expressly against the use of any firearm for assault purposes, and will exert every reasonable influence to see meaningful legislation passed punishing those who commit felonies or drug-related offenses with firearms used for assault purposes; and be it further

Resolved, That the Boston City Council supports longer sentences for those who use firearms as assault weapons in the commission of felonies or drug-related offenses, and in this regard urges the mayor, police commissioner, district attorney and federal authorities, to pursue every avenue to have the laws governing illegal use of firearms enforced against those who commit crimes; and be it further

Resolved, That the Boston City Council is on record as opposing the use of any firearm for assault weapons in the City of Boston, and by this resolve calls for additional police on the streets to ensure that those illegally using firearms are punished to the full extent of the law, including reinstitution of the death penalty for those who, with malice and forethought, commit a crime resulting in the death of a police officer or other innocent person.

On motion of Coun. YANCEY, the motion was referred to the Committee on Public Safety.

ORDER FOR HEARINGS RE REGISTRATION OF PRINCIPAL ADDRESS OF PROPERTY OWN- ERS WITH ASSESSING DEPARTMENT

Coun. KELLY offered the following:

Whereas, It was publicly reported in a newspaper article on March 20, 1989 that seventy-two percent of the warrants issued by the Boston Housing Court are ignored by negligent property owners; and

Whereas, The article further stated there were several reasons why such a high percentage of court cases were unresolved, the most critical being that neither the Housing Court nor the City of Boston has an accurate record of the home addresses of non owner-occupying property owners, thereby making it sometimes impossible to inform property owners of serious health, safety, building, housing and code violations; and

Whereas, The Boston City Council learned during their efforts to have vacant lots cleaned, and abandoned property secured, that the city does not require owners of property within the city to list their principal address; and

Whereas, The Boston City Council conducted public hearings on this matter and discovered that the city's building inspectors often experienced difficulty citing negligent property owners, due in large part to the fact that the records used were often inaccurate, making it impossible to contact non owner-occupants; and

Whereas, The Mayor's Office of Neighborhood Services oftentimes cannot locate owners for the same reasons, and further, the Assessing Department has, over the years, spent countless thousands of dollars mailing property tax bills to vacant lots and abandoned properties, only to have those tax bills returned to sender; and

Whereas, In June of 1986 the Boston City Council unanimously passed an ordinance authorizing the Assessing Department to end this major problem by adopting a modified registration system that would require all property owners to list their principal address with the City of Boston; and

Whereas, That ordinance was disapproved by the mayor for what he said were "technical" reasons; and

Whereas, The city council, in a spirit of cooperation, worked with attorneys from the Assessing Department and Treasury, substituting a modified ordinance with new language which was unanimously passed again by the City Council in December of 1986; and

Whereas, It was suggested by the city's Law Department that, perhaps legislation should be put in the form of a Home Rule Petition, and the City Council complied, passing the Home Rule Petition, resulting in the Petition being forwarded by the Mayor's Office to the Assessing Commissioner for his review; and

Whereas, During the spring and early summer of 1987, several meetings were held with the Commissioner of Assessing to implement an effective and workable policy. (Unfortunately, these meetings were unproductive and, to date, the Commissioner refuses to support the thrust of the Home Rule Petition, by adopting departmental regulations which would accomplish the objectives of that Petition; be it therefore

Ordered, That the Committee on City and Neighborhood Services conduct a public hearing on this matter, and that Commissioner Ted Jankowski (Assessing), Commissioner Lee Jackson (Treasury), Peter Welsh (Inspectional Services Department), Richard Iannella (Code Enforcement), Donald Gillis (Neighborhood Services) and other interested parties be invited to attend, and be it further

Ordered, That collectively, the aforementioned parties devise a regulation or policy that will meet the needs of city councillors, the mayor's office, code enforcement, inspectional services and other city employees, making assessing's record reflect the actual address of non owner-occupied properties; and be it further

Ordered, That said hearing be held prior to budget hearings for the Assessing and Treasury departments.

Referred to the Committee on City and Neighborhood Services.

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Wednesday, March 22, 1989 the following-named person be, and hereby is, appointed to the position set against her name until Wednesday, June 21, 1989.

Laura Wolfe, secretary, \$459.77 per week, full time.

Passed under suspension of the rules.

STATEMENT OF COUNCILLOR O'NEIL

Having received unanimous consent to do so, Coun. O'NEIL told the members of the Council and all present that he had finally received the School Department documentation he had been requesting for so long and there were several very important revelations in it, which they were welcome to view.

ORDER ESTABLISHING FEE TO BE CHARGED BY CITY CLERK FOR UPDATED CITY CODE AND SUPPLEMENTS THERETO

Coun. IANNELLA offered the following:

Ordered, That the City Clerk be authorized to distribute the updated City of Boston Code, Volume I, Ordinances at the price of \$60 each and supplements thereto at the price of \$10 each. Provided, however, that no charge shall be made for copies provided to departments, boards or officers of the City or of the County of Suffolk.

Passed under suspension of the rules.

REQUESTING MAYOR TO DIRECT AUDITOR TO NOTIFY CITY EMPLOYEES THAT THEY WILL NOT BE REIMBURSED FOR JOB-RELATED TRAVEL ON EASTERN AIRLINES UNTIL THAT AIRLINE AGREES TO NEGOTIATE WITH IAM

Coun. SALERNO, for all the Councillors, offered the following:

Whereas, 9,300 members of the International Association of Machinists called a strike against Eastern Airlines on March 4, 1989, after a 17-month-long labor dispute, and were joined in this effort by Eastern pilots and flight attendants; and

Whereas, Eastern Airlines has yet to show willingness to make contract concessions necessary to end this strike; and

Whereas, Eastern Airlines has been a continuing source of employment for Boston machinists for over 60 years and the loss of this employment, or the lack of fair compensation for this employment, will cause undue hardship for many families in the City of Boston; and

Whereas, The right to collective bargaining has been traditionally honored by the City of Boston in its purchasing of services and supplies; be it therefore

Ordered, That the Mayor of the City of Boston direct the Auditor to issue a notice that the City of Boston will not reimburse City employees for job-related travel on Eastern Airlines, until such time as Eastern Airlines

agrees to respect, recognize and negotiate with the International Association of Machinists; and be it also

Ordered, That the Boston City Council, in meeting assembled, does call upon the management of Eastern Airlines to pursue a rapid and fair solution to this labor dispute.

Coun. SALERNO moved to amend the foregoing order as follows:

Strike the last two paragraphs and insert in place thereof:

Ordered, That the Mayor of the City of Boston direct the Auditor to issue a notice that the City of Boston will not reimburse City employees for job-related travel on Eastern Airlines or Continental Airlines, until such time as Eastern Airlines agrees to respect, recognize and negotiate with the International Association of Machinists and Continental Airlines agrees to respect, recognize and negotiate with the Union of Flight Attendants; and be it also

Ordered, That the Boston City Council, in meeting assembled, does call upon the management of Eastern Airlines and Continental Airlines to pursue rapid and fair solutions to their respective labor disputes.

Coun. YANCEY moved to further amend the order by instructing the City Clerk to send a copy of the amended order to Mr. Frank Lorenzo.

The motion of Coun. YANCEY was carried, yeas 12, nays 0:

Yeas — Councillors Bolling, Byrne, Hennigan Casey, Iannella, Kelly, McCormack, McLaughlin, Menino, O'Neil, Salerno, Scondras, Yancey — 12.

Nays — 0.

The motion of Coun. SALERNO was carried, yeas 12, nays 0:

Yeas — Councillors Bolling, Byrne, Hennigan Casey, Iannella, Kelly, McCormack, McLaughlin, Menino, O'Neil, Salerno, Scondras, Yancey — 12.

Nays — 0.

The order, as amended, was passed.

EMERGENCY PREAMBLE

Coun. BYRNE offered the following:

Whereas, Summer months are approaching which bring increased incidents of public drinking among minors; and

Whereas, The Boston City Council has passed laws to combat this situation, and yet the problem continues to exist; be it therefore

Ordered, That rules are suspended, the emergency preamble is adopted and the accompanying 17F order is properly before the body.

The Emergency Preamble was adopted.

Rule 11 was suspended.

CERTAIN INFORMATION UNDER SECTION 17F RE ENFORCEMENT STATISTICS ON YOUTH DRINKING ORDINANCE

Coun. BYRNE offered the following:

Ordered, That, under the provisions of Section 17F of Chapter 452 of the Acts of 1948, as amended, and under any other applicable provision of law, His Honor, the Mayor, be, and hereby is, requested to obtain and deliver to the City Council, within one week of the receipt hereof, the following information:

To the Boston Police Department.

The enforcement statistics of Youth Drinking Ordinance.

The statistics of enforcement from 1986 to 1989.

Passed under suspension of the rules.

EMERGENCY PREAMBLE

Coun. BYRNE offered the following:

Whereas, The Boston Public Schools are in need of reform, and the New Haven Public Schools have seen major reforms under the leadership of Superintendent Dr. John Dow, Jr.; be it therefore

Ordered, That rules are suspended, the emergency preamble is adopted and the accompanying order is properly before the body.

The Emergency Preamble was adopted.

Rule 11 was suspended.

SPECIAL COMMITTEE ON EDUCATION TO HOLD HEARING TO REVIEW CERTAIN PROGRAMS OF NEW HAVEN, CONNECTICUT, PUBLIC SCHOOL SYSTEM

Coun. BYRNE offered the following:

Whereas, The Boston Public Schools have been plagued by problems associated with inner-city school systems; and

Whereas, New Haven, Connecticut has had a major turnaround under the leadership of Dr. John Dow, Jr., who has been New Haven's Superintendent for the past four years; and

Whereas, With Dr. Dow's help, the dropout rate has decreased, college admissions have risen dramatically, students must maintain a "C" average in order to participate in sports, and students who are convicted of crimes are not allowed in school; and

Whereas, Further study of the New Haven school system would be beneficial to Boston by enabling Boston to adopt those programs which have contributed to the progress of New Haven; Be It Therefore

Ordered, That the Special Committee on Education hold a hearing to review the programs for educational betterment and academic excellence instituted in New Haven Public Schools and that Superintendent Dow, Superintendent Wilson, representatives from the Boston Public Schools, community members, teachers and parents be invited to attend.

Referred to the Special Committee on Education.

EMERGENCY PREAMBLE

Coun. McCORMACK offered the following:

Whereas, Pursuant to the attached order, the City through the Boston Conservation Commission, will be authorized to receive from Design Housing, Inc. a conservation restriction for approximately 17 acres of land in the Planned Development Area Plan at 200 Allandale Street; and

Whereas, The conservation restriction will insure that this area will forever be maintained in its natural state as a publicly accessible open space; and

Whereas, It is in the City's best interest to expeditiously accept this conservation restriction; therefore be it

Ordered, In accordance with Rule 36 of the City Council, Rule 11 is hereby suspended and the following order is properly before the body.

The Emergency Preamble was adopted.

Rule 11 was suspended.

REPORT ON ORDER AUTHORIZING CONSERVATION COMMISSION TO RECEIVE CONSERVATION RESTRICTION PURSUANT TO G.L. CHAPTER 184, SECTION 31

Coun. McCORMACK, on behalf of the Committee on Planning and Development, submitted the following:

Report on Docket No. 0457, message of the Mayor and order authorizing the Conservation Commission to receive a Conservation Restriction given pursuant to G.L. chapter 184, section 31, by Design Housing, Inc., trustee of Allandale Realty Trust (referred March 14) recommending passage of the order.

The report was accepted; **the order was passed.**

CONSENT AGENDA

The Chair moved adoption of a Consent Agenda in which the following-named Councillors offered resolutions honoring individuals or organizations as set forth

after each Councillor's name: Councillor Travaglini: Nora Graham, Commander James J. McTigue. Councillor Bolling: Declaring March 29, 1989, "Black Enterprise Day."

The matters contained within the Consent Agenda were severally adopted.

Adjourned at 2:45 p.m., on motion of Councillor Henigan Casey, until Wednesday, March 29, 1989, at 1 p.m.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) and (2) under the conditions (3) and (4). It is shown that the system has a solution if and only if the conditions (5) and (6) are satisfied. The proof of this theorem is given in the next section.

2. In the second part of the paper, the problem of the uniqueness of the solution of the system (1) and (2) is considered. It is shown that the system has a unique solution if and only if the conditions (7) and (8) are satisfied. The proof of this theorem is given in the next section.

3. In the third part of the paper, the problem of the stability of the solution of the system (1) and (2) is considered. It is shown that the system has a stable solution if and only if the conditions (9) and (10) are satisfied. The proof of this theorem is given in the next section.

T TO CHARGE FEES AT COMMUTER RAIL PARKING LOTS

Fees are lower than proposed in October in response to public hearings.

Commuters parking at 49 T-owned and nine jointly owned commuter rail parking lots throughout eastern Massachusetts will be charged \$1.00 per day, by a vote of the MBTA Board of Directors. The fees will be put in place in four phases, starting December 4.

The fees were approved by the T Board after listening to concerns of passengers and elected officials at public hearings at North and South stations on November 8. Fees for a two-year period of \$2.00 had been proposed for parking at local stations and \$3.00 at the two regional lots, Route 128 and Mishawum stations.

More than one-half of the parking lots at the T's 97 commuter rail stations will not be affected until this spring, if at all, by the new fee structure: thirty are T-owned lots and 23 are privately owned or town-owned lots.

The decision to implement fees for the first time at commuter rail stations comes in the wake of a \$17 million state cut to the T's budget, a \$30 million budget shortfall brought about by a recent arbitration award, and increasing costs of lighting, cleaning, maintaining and plowing parking lots.

T General Manager Thomas P. Glynn said, "The implementation of fees at commuter rail stations is part of a broader T program to manage this difficult fiscal situation and ask parkers to pay their fair share of rising costs."

This fall, the T increased parking fees at subway and streetcar parking lots, and announced service reductions on over forty bus routes, a 15 percent cut in administrative staff, a \$5 million cut in administrative expenses, and other belt-tightening measures.

Glynn said, "The T listened very closely to passengers at the public hearings. We feel the fees approved respond to the needs of commuter rail passengers while raising much of the revenue we need so badly to balance our budget."

The proposal, which will generate approximately \$1 million each year, will allow the T to reach the revenue goal established by the MBTA Advisory Board. After the public hearings, there was concern that the original proposal would lead to a significant loss of ridership and a corresponding reduction in revenue.

Glynn noted that the T will be monitoring the effect the new fees have on

commuter rail ridership, to determine if fee increases are required in the future.

As proposed, fees covering the 8,000 MBTA owned commuter rail parking spaces and the approximately 2,700 spaces which are jointly owned with local communities would be put into effect in four phases: (1) five stations on December 4, (2) seven T lots on January 2, (3) 13 lots jointly owned by the T and local municipalities also on January 2, pending the development of agreements with the communities involved, and (4) 32 remaining T-owned lots (some of which have as few as six spaces) in Spring 1990.

Phase I (five stations) December 4, 1989: Route 128, Canton Junction, North Billerica, Mishawum, and Salem.

Phase II (seven stations) January 2, 1990: Attleboro, Canton Center, Forge Park, Framingham, Franklin, Norfolk, and West Natick.

Phase III (thirteen stations) January 2, 1990: (pending agreements with communities involved) Endicott, Hersey, Lincoln, Mansfield, Needham Center, Needham Heights, Needham Junction, Norwood Depot, Reading Depot, Sharon, South Acton, Stoughton, and West Concord.

Phase IV (32 stations, some with as few as six spaces) Spring 1990: Andover, Ballardvale, Bellevue, Beverly Farms, Bradford, Brandeis, Concord, Fairmount, Fitchburg, Gloucester, Greenwood, Hastings, Highland, Hyde Park, Islington, Lawrence, Littleton, Manchester, Montserrat, North Beverly, Norwood Central, Prides Crossing, Readville, Roslindale, Shirley, Swampscott, Wakefield, Walpole, West Gloucester, West Medford, West Roxbury, and Wyoming Hill.

THE ADOPT-A-STATUE PROGRAM

The goal of Adopt-A-Statue is to achieve funding for the restoration of thirty-nine pieces of outdoor public art and to establish a permanent maintenance endowment which would provide for the annual cleaning and maintenance of sixty-nine pieces.

To invite individuals, groups of individuals or corporations to "adopt" a piece of Boston outdoor public art by either:

- incurring the total cost of restoring and maintaining a particular piece of art or
- making a donation toward a general restoration and maintenance fund.

Gifts are tax deductible to the extent limited by law.

For further information on how to adopt a statue please contact the Environment Department at 725-3850 (Paula Mierzejewski) or Office of Arts and Humanities at 725-3245 (Mary Shannon).

Each week the *City Record* will publish a statue for adoption.

UTILITY CONSTRUCTION

Mayor Raymond L. Flynn announced that bids will be received on December 14, 1989, for the Utility Construction of the following streets in the West Roxbury/Dorchester district at an estimated cost of \$470,000.

West Roxbury/Dorchester District:

LORNE STREET, from Harvard Street approximately 650 feet Northwesterly.

WILBERT ROAD, from Harvard Street approximately 580 feet Northwesterly.

WILBERT CIRCLE, from Lorne Street to Wilbert Road.

This project is part of Mayor Flynn's five-year capital improvement plan, "Rebuilding Boston," a \$986 million investment plan for the City of Boston. This plan, prepared by the Office of Capital Planning, represents the Mayor's commitment to rebuilding, upgrading and renovating schools and public libraries, parks and open spaces, police and fire stations, roadways and sidewalks, and public safety equipment.

MBTA PLANS TO IMPROVE ACCESSIBILITY AT DOWNTOWN CROSSING

Disabled passengers and the elderly will have improved access to Downtown Crossing station under a new contract approved by the MBTA. As part of the T's continuing program to improve accessibility for special needs passengers, preliminary designs will be drawn up for new elevators and other design elements at the station, which serves downtown Boston's major shopping area.

"The T has been working very hard to expand access throughout our system, and this

is another key step in that process," said T General Manager Thomas P. Glynn. "As part of major accessibility improvements to our older Orange Line stations, we consider it important to include Downtown Crossing in our plans."

Earlier this year, the T began work at Chinatown/Essex, Haymarket, Sullivan Square and Wellington stations. An overall survey of Orange Line stations suggested that additional efforts could be made at Downtown Crossing.

Currently, the station is accessible from 101 Arch Street and Chauncy Street and from elevators in the Jordan Marsh store to the northbound platform; accessibility to the southbound platform is available through the Winter Street concourse from Park Street station.

Under the new contract for \$192,273, Jung/Brannen Associates, Inc. will study and provide preliminary plans for possible access sites in the area, including Filene's Park, Winter Street, and Summer and Washington Streets. The T will then make final decisions on where elevators will be placed.

Jung/Brannen performed the design work for the other Orange Line stations. This new design work is expected to take six months.

The MBTA now has plans and projects under way for major accessibility improvements to stations on the Red Line, to make the Blue Line fully accessible, and to study the feasibility of making the Green Line accessible. The Authority has purchased 473 special, lift-equipped buses, and will only purchase this type of buses in the future. The T also operates The Ride, a door-to-door lift-equipped van service for registered disabled persons, in 44 communities.

For more information on The Ride, the lift-bus program or other access questions, please call the MBTA's Office for Transportation Access at 617-722-5123.

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

PENAL INSTITUTIONS DEPARTMENT

November 13, 1989.

Mr. Felix Arroyo,
Supervisor of Personnel.

Dear Mr. Arroyo:

On November 15, 1989, Ms. Donnell Lassiter-Stewart was provisionally appointed to the position of Senior Administrative Assistant (RC-16) for the Penal Institutions Department.

Ms. Lassiter-Stewart will serve as the Case Work Supervisor at the Suffolk County House of Correction at Deer Island. She will be responsible for supervising and training fourteen (14) case workers who are responsible for all inmate intake, act as a program liaison, provide on-the-job-training for em-

ployees, problem solve and implement departmental policy and developing individual service plans for all inmates.

Ms. Lassiter-Stewart has had five (5) years of extensive counseling experience in the areas of family, social skills and group/individual therapy. At the Department of Public Health's "Healthy Start" Program, she was responsible for supervising the 11-city Boston region. As coordinator of the Dorchester Task Force, she became very familiar with the legal system in Suffolk County and worked as a victim/witness advocate as well as a counselor for violent perpetrators. At the Cambridge Housing Authority's Summer Youth Employment Program, as Executive Director, she supervised a staff of two (2) youth workers, support staff and over forty (40) inner-city youth. As a Boston and Trenton, New Jersey, public school teacher and as coordinator of the Community House Tutorial Program at Princeton University, Ms. Lassiter-Stewart was charged with motivating economically disadvantaged students to excel both personally and academically.

Ms. Lassiter-Stewart obtained her Bachelor of Arts Degree from Princeton University where she concentrated in psychology. She received a Master of Education from Cambridge College with a concentration in counseling psychology. She recently graduated from Boston University, College of Communications, as a Martin Luther King, Jr. Fellow, Graduate School of Journalism. Ms. Lassiter-Stewart is also affiliated with various professional organizations.

In view of Ms. Lassiter-Stewart's extensive prior experience, training and education as well as her demonstrated experience in the field of counseling, it is respectfully requested that her second-, third-, fourth-, and fifth-year increments in the position of Senior Administrative Assistant be determined under rule 15 (f) of the Classification and Compensation Plan for officers and employees of Suffolk County, effective November 8, 1989.

Sincerely,
ROBERT G. WALSH, JR.,
Commissioner.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

FIRE DEPARTMENT

Computer Hook-up

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Occupational Health Services, Inc., New York, NY 10123, to provide a user line for the Hazmat Unit Computer to assist Boston's Hazmat Unit on treatment and prevention at Hazmat sites.

Under the terms of the contract Occupational Health Services, Inc., will provide the Boston Fire Department's Hazardous Material Unit with

a computer hook-up on a pay as you call basis. The information provided by Occupational Health Services Inc., is most vital to this department.

Compensation under this contract shall not exceed \$3,000, which I have determined to be reasonable for the work performed.

The term of this contract shall be from October 1, 1989, through June 30, 1990. A similar contract in the amount of \$5,000 was authorized in fiscal year 1989.

Inasmuch as Occupational Health Services Inc. has provided this service in the past and the Fire Department's Hazmat Unit reports that their reports are exceptional and the fact that they are the only company that provides this service in the northeast, I believe that public advertising will serve no useful purpose.

Respectfully,
Leo D. Stapleton,
Commissioner/Chief.

Legal Services

Dear Mr. Mayor:

I respectfully request your approval to dispense with public advertising and to award a contract to Lawrence Ball, Esq., 50 Federal St., Boston.

The purpose of this contract is to hire Mr. Lawrence Ball on a per hour basis to provide legal services to the Boston Fire Department. Mr. Ball until recently was under contract with the Labor Relations Department, City of Boston, and as a result of his former position with Labor Relations he still has ongoing matters in which he represents the Boston Fire Department.

The term of the contract shall be from October 1, 1989, through June 30, 1990, and compensation under the terms of the contract will be at a rate of \$75 per hour, not to exceed \$23,000 for the stated contract period. I have determined this to be reasonable for the work to be performed. I would respectfully request that you encumber \$9,500 and charge it to the Boston Fire Department Program 1 (BFD I), Item 0290.

Because of existing and ongoing legal matters in which Mr. Ball is already involved, I believe that public advertising would serve no useful purpose. Permission was authorized by the Law Department earlier this year.

Respectfully,
Leo D. Stapleton,
Commissioner/Chief.

HEALTH AND HOSPITALS DEPARTMENT

Minority Recruitment

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I intend to request the Mayor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, Boston, for the period July 1, 1989, through June 30, 1990, at a cost not to exceed \$45,000.

Under this contract the Trustees of Health and Hospitals of the City of Boston, Inc. will recruit, subject to departmental approval, minority fourth-year medical students to serve their required electives at Boston City Hospital. The purpose of this program is two-fold: first, to expose these students to the needs of the hospital and, also, to allow the appointing medical staff to evaluate their performance during this service.

The ultimate goal of this program is to increase the number of minority students who apply to the Boston City Hospital for internships.

In order to provide an incentive for these students to apply, the department will help defray expenses during their four week service by offering a \$500 stipend and, at the completion of their service, reimbursing travel expenses from Medical School to Boston City Hospital and return.

Trustees of Health and Hospitals have provided the Department with excellent services in the past. The Trustees have been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1989 — \$40,000; 1988 — \$35,000; 1986 — \$25,000.

Inasmuch as Trustees of Health and Hospitals of the City of Boston, Inc., a non-profit organization, has demonstrated its expertise in recruitment and fiscal management at a reasonable cost, no benefit would inure to the City by publicly advertising for bids.

This contract is among the items covered by union negotiations with the House Offices Association. The amount of the contract was not agreed upon until the middle of August, 1989. Therefore this award is being processed late.

Very truly yours,
Judith Kurland,
Commissioner.

Software

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Lobb Software, Inc., Corporate Place, 128 Audubon Road, Wakefield, for the period November 1, 1988, through January 15, 1992, at a cost not to exceed \$66,490.

Under this contract Lobb Software, Inc. will provide the Fiscal Department at Boston City Hospital with MicroUHC, the cost report software that meets all the mandatory requirements of the Universal Healthcare Legislation. The four (4) year software license for the right to use MicroUHC will be granted to Boston City Hospital for the one time fee of \$36,600. A payment of \$9,400 is due upon signing followed by thirty-two monthly payments of \$850 each to be due on the first of each month starting December 1, 1988. Maintenance of the software for the four-year period is included in the above price.

In addition Lobb Software, Inc. will provide the Fiscal Department at Boston City Hospital with MicroLOG II/AIP software. This software has the capability of accessing the UB-82 claim information from either a 1600 BPI tape or a down loaded file on a microcomputer hard disk. The system is specifically designed for the Department and transfers pertinent claim information into MicroLOG II. The license fee due upon signing is \$6,250.

The Department already has in place some Lobb software which includes MicroLOG II and Programs (MicroLOG, MicroCARE, MicroMAC, MicroCOST) purchased through University Hospital.

Maintenance for the equipment is subject to a yearly increase based on the Customer Price Index. An additional \$1,000 is included to cover any increases to the annual maintenance cost. Enhancements and upgrades to the software will be provided at additional cost.

The software currently in use was developed by Lobb Software, Inc. with the approval of the

Health Care Finance Administration. Lobb Software, Inc. has developed the new software for state wide use and at this time no other vendor has the capacity to deliver on the Universal Healthcare Legislation.

An unadvertised contract for maintenance was awarded to Lobb Software, Inc. (formerly Task Oriented Software, Inc.) for fiscal year 1988 - 1989 — \$10,530.75.

In view of the above and because the cost, in my opinion, is reasonable no benefit would inure to the City by publicly advertising for bids.

This contract encompasses more than one fiscal year and the City's financial obligations are subject to the availability of an appropriation in accordance with the requirement of City of Boston Code, St. 4, ss. 4 & 8.

This award is being processed late due to negotiations which were not finalized until May 9, 1989.

Very truly yours,
Judith Kurland,
Commissioner.

Health Center

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Center in the amount indicated for the period July 1, 1989, through June 30, 1990.

Grantee Corporation: Brigham & Women's Hospital. Neighborhood Health Center, Southern Jamaica Plain Health Center, 687 Centre Street, Jamaica Plain. Amount of Grant: \$86,000.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: first, that the City's contribution be matched by the particular Grantee Corporation by either providing funds or services equal to the City's grant; and secondly, that the Department of Health and Hospitals is satisfied that the Health Center and the Grantee Corporation are agreed on the program of primary health services for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the Southern Jamaica Plain Health Center to provide primary care services in Jamaica Plain for eighteen years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provides needed services and has had a significant impact on the health of people in Boston's neighborhoods. Southern Jamaica Plain Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1989 — 86,000; 1988 — 86,000; 1987 — 74,000.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the City is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late because the documents were not received from the vendor until after the start of the contract period.

Very truly yours,
Judith Kurland,
Commissioner.

HEALTH AND HOSPITALS DEPARTMENT Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request Your Honor's permission to dispense with public advertising and award a contract to J & S Medical Associates, Inc., 15 Mercer Road, Natick, for the period July 1, 1989, through June 30, 1990, at a cost not to exceed \$3,900.

Under this contract J & S Medical Associates, Inc., will provide maintenance service to include parts and labor for the ABX-STX hematology analyzer located in the Emergency Room at Boston City Hospital between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, with a 24-hour emergency response and one preventive maintenance check.

Fiscal year 1990 is the first year that a contract will be required for this service. Prior to that it was under warranty.

Therefore, because J & S Medical Associates, Inc. is the manufacturer and has the personnel specially trained to service this equipment, and as the cost, in my opinion, is reasonable, no benefit would inure to the City by publicly advertising for bids.

The Hematology Department did not submit the request for this service until after July 1, 1989. Therefore, this award is being processed late.

Very truly yours,
Judith Kurland,
Commissioner.

Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request Your Honor's permission to dispense with public advertising and award a contract to Samuel Marcus, M. D., Brookline, for the period September 1, 1989, through June 30, 1990, at a cost not to exceed \$3,033.

Under this contract Dr. Marcus will provide consultative services in Gastroenterology at Mattapan Hospital. On-site consultations will be provided once every other week at Mattapan Hospital, each visit not to exceed two hours in length. All sessions will be reimbursed at the rate of \$55 per hour. Telephone availability for consultants relating to Gastroenterology will be provided over the period of the contract for a flat fee of \$833. Reimbursement will be paid on a service rendered basis.

Fiscal year 1990 is the first year that a contract was awarded to Dr. Marcus. In the past, contracts were awarded as follows: In 1989 Dr. Smith was awarded an unadvertised contract in the amount of \$5,290, and in 1988 in the amount of \$3,750 (October - June). In 1987 Dr. McClintock provided services for both Mattapan and Long Island Hospitals and was awarded an unadvertised contract in the amount of \$6,900.

As Dr. Marcus is a specialist in this field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Documents were not received from the vendor until September 1, 1989, therefore this award is being processed late.

Very truly yours,
Judith Kurland,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request Your Honor's permission to dispense with public advertising and award a contract to Genaro A. Carpineto, M. D., Wellesley, for the period September 1, 1989, through June 30, 1990, at a cost not to exceed \$10,000.

Under this contract Dr. Carpineto will provide Urological consulting services to the patients at Mattapan Hospital. Services will include minor surgical procedures such as: portable cystoscopies and other urological procedures that may be required by the patients at Mattapan Hospital. Services will be provided twice per month for maximum of four hours per session. Sessions will be reimbursed at the flat rate of \$500 per session.

Fiscal year 1990 is the first year that an unadvertised contract will be awarded to Dr. Carpineto in the following amount \$10,000. Prior to this, there were no other contracts for this service.

As Dr. Carpineto is a specialist in this field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Because all the necessary paperwork had not been returned from the vendor, this award is being processed late.

Very truly yours,
Judith Kurland,
Commissioner.

LAW DEPARTMENT Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to James A. Brett, an attorney located at 101 Tremont Street, Boston.

Pursuant to an Order passed by the City Council on August 17, 1988, and approved by your Honor on September 6, 1988, I have designated James A. Brett, Esquire, "Special Outside Counsel." The Order classifies that position as a special municipal employee in accordance with G.L. c. 268A, section 1(n), the so-called "ethics law."

Under the terms of the contract, Attorney Brett will provide legal services and representation to Nurse Linda Curtin (Deer Island Prison) in the case of *Bullock vs. City of Boston, et al.*, which is presently in litigation in the Federal District Court, C. A. No 88-1713-S. The City of Boston Law Department cannot provide such services because of a potential conflict of interest. Attorney Brett is uniquely qualified to provide these services because of his expertise and experience as a medical malpractice attorney.

Compensation under this contract shall not exceed \$400,000. Payment will be made at the rate of \$125 per hour. I have determined this rate to be reasonable.

The period of this contract shall be made August 3, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan.

SCHOOL DEPARTMENT

Chapter 636

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Federated Dorchester Neighborhood Houses, Inc., a corporation located at 985 Dorchester Ave.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 25, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$68,257, which I deemed to be reasonable.

Under the terms of this contract, the contractor will provide a program that integrates bilingual students in a general educational setting, promotes integrated student leadership and reduces the disparity in academic achievement and career awareness. Staff of this program will consist of a team of three full time teachers, one bilingual counselor, and the program director. The program will run five days per week, Monday through Friday, 8:15 a.m. to 2:00 p.m. The expected enrollment is 40 students.

Federated Dorchester Neighborhood Houses, Inc. is uniquely qualified to provide these services because: Franklin Institute has organized sufficient resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$84,628 — 1988 — \$82,628; 1987 — \$82,628.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Franklin Institute of Boston, a corporation located at 41 Berkeley Street, Boston.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 18, 1989, to May 11, 1990, and shall occur at a cost not to exceed \$6,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor shall provide remediation support programs in mathematics and physics for students at risk at the Boston High School.

Franklin Institute of Boston is uniquely qualified to provide these services because: Franklin Institute has organized sufficient resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments

to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: None.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Folk Arts Center of New England, a corporation located at 1950 Massachusetts Avenue, Cambridge.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period January 8, 1990, to February 12, 1990, and shall occur at a cost not to exceed \$2,102, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will teach students once a week for five weeks folk dances from countries and cultures that are reflective of the students population. Classes will meet during the sixth week for a review of what they have learned, then participate in a performance for fellow schoolmates and parents.

The Folk Arts Center of New England is uniquely qualified to provide these services because: the Folk Arts Center of New England has organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$5,686; 1988 and 1987 — none.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Institute for Self Active Education, a corporation located at P. O. Box 1003, Boston, MA 02205.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period of September 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$98,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will establish a Recycle Center in the Early Learning Center, East Zone. A project manager will supervise the center, coordinate training and gather recyclable materials from various manufacturing sites and businesses. The Recycle Program supplements poorly equipped classrooms with a ready supply of free materials which will be used for creating art projects and other developmental appropriate, hands-on manipulative learning experiences. Approximately five thousand students and three hundred teachers will participate in the program. One of the main objectives of the program is for students of different races and ethnic groups to work together to solve problems. Using these interesting and available by-products and materials, teachers and parents will provide children with activities designed to develop basic skills in writing, mathematical concepts, language arts and creative problem solving.

The same students will learn to work more cooperative and develop more positive self esteem and self concept.

The Institute for Self Active Education will also establish a Recycle Center in the North Zone that includes an extensive supply of free materials for hands-on activities for teachers and parents. Additionally, the contractor will work with parents and teachers using multi-cultural, experientially based, developmental appropriate model. These materials and training will complement and extend the developmental curriculum being implemented in the North Zone.

The Institute for Self Active Education, is uniquely qualified to provide these services because: (1) The Institute for Self Active Education, is organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$45,000; 1988 — \$42,000; 1987 — \$20,000.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Suffolk University, a corporation located at Office of the President, Beacon Hill, Boston, MA 02114.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to June 30, 1990, and

shall occur at a cost not to exceed \$20,500, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide 1.) faculty for reading remediation and marine biology instruction at Snowden High School (\$13,000); 2.) a law instructor to coach high school students to participate in citywide Mock Trials in cooperation with the Massachusetts Bar Association and Boston Partners in Education (\$2,500); 3. a consultant to train parents in Parent Information Centers citywide to produce and distribute public service videos (\$5,000).

Suffolk University is uniquely qualified to provide these services because: Suffolk University has organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$16,200; 1988 — \$15,700; 1987 — \$20,000.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Judge Baker's Children's Center, a corporation located at 295 Longwood Avenue, Boston.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period September 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$19,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide direct service to pairs and small groups of children; consultation to staff; and in-service training presentations.

Judge Baker's Children's Center is uniquely qualified to provide these services because: (1) Judge Baker's Children's Center has organized sufficient resources under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge Arthur W. Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 — \$19,000; 1988 — \$18,700; 1987 — \$7,119.

Very truly yours,
Laval S. Wilson,
Superintendent.

TRANSPORTATION DEPARTMENT

Invitation for Proposals for Emergency Traffic Signal Repairs.

The City of Boston (the City), acting by its Transportation Department Commissioner (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Room 721, Boston City Hall, One City Hall Square, Boston, MA 02201, on or after December 11, 1989.

All proposals shall be filed no later than 12 noon, Boston time, December 22, 1989, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

A performance bond of surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be \$500.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof, and to award the contract as the Official deems to be in the best interests of the City.

RICHARD A. DIMINO,
Commissioner.

NOTICE TO CONTRACTORS

**Invitation for Bids for Removal and Disposal of
Trees, Limbs, Trunks, and Stumps on an
Emergency Basis, 1990.**

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents entitled: "Removal and Disposal of Trees, Limbs, Trunks, and Stumps on an Emergency Basis, 1990."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment, and transportation to provide a crew to remove in the entirety, dead and diseased trees, limbs, trunks and stumps at various locations within the City of Boston and to properly transport and legally dispose. Estimated cost \$25,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, December 28, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, December 11, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/ Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with

the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department Affirmative Action Office, 1010 Massachusetts Avenue, third floor, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods and services. In the event that the bidder selects a minority/or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, December 19, 1989, at 10 a.m., Boston time.

**Invitation for Bids for Replacement of Existing
Window Shades in Various Schools.**

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I inclu-

sive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Replacement of Existing Window Shades in Various Schools," at an estimated cost of \$145,000.

SCOPE OF WORK: In general includes: replacing existing window shades and all related work as specified.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, December 13, 1989, at the Department of Planning and Engineering to all interested parties. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check, or cashier's check, payable to the City of Boston.

GENERAL BIDS will be received before twelve o'clock noon on Thursday, December 28, 1989, at which time and place respective bids will be opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise and the general contractor within five (5) business days after the award of the contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

CITY OF BOSTON

Proceedings of City Council

Friday, February 17, 1989.

Special meeting of the City Council held in the Council Chamber, City Hall, at 2 p.m., President IANNELLA in the chair.

Absent, Councillor YANCEY.

OPENING OF MEETING

The Reverend William C. Francis, Boston Police Chaplain and Pastor of St. Paul's Parish, Dorchester, delivered the invocation, and the meeting was opened with the salute to the flag.

The meeting was held pursuant to the following call:
Boston City Council
Office of the President

February 15, 1989.

To the City Council.

Councillors:

Pursuant to Rule One, please be advised that a Special Meeting of the City Council will be held at 2:00 p.m., on Friday, February 17, 1989, in the City Council Chamber, City Hall, Boston, Massachusetts, to receive and act upon a report to be filed by the Committee on Ways and Means, re:

Docket No 0327 — Order, Amending Loan Order for Health and Hospitals and for no other purpose.

Christopher A. Iannella,
President.

REPORT ON ORDER TO AMEND LOAN ORDER OF \$9,505,000 FOR CONSTRUCTION OF BUILDINGS OR FOR ADDITIONS TO BUILDINGS FOR PURPOSES OF HEALTH AND HOSPITALS DEPARTMENT

Coun. MENINO, on behalf of the Committee on Ways and Means, submitted the following:

Report on Docket No. 0327, message of the Mayor and order to amend loan order of \$9,505,000 for the construction of buildings or for additions to such buildings, including the cost of original equipment and furnishings, for the purposes of the Health and Hospitals Department, passed by the City Council on November 5, 1986, and November 19, 1986, and approved by the Mayor on December 5, 1986, to increase the amount to \$17,665,000 (referred February 1) — recommending passage of the order.

The report was accepted.

Coun. MENINO moved that the order be amended by deleting therefrom the words "as appearing in an appropriation order passed by your Honorable Body on November 5, 1986 and November 19, 1986, and approved by me for on December 5, 1986."

The motion was carried.

The order, as amended, was given its second reading and final passage, yeas 12, nays 0:

Yeas — Councillors Bolling, Byrne, Hennigan Casey, Iannella, Kelly, McCormack, McLaughlin, Menino, O'Neil, Salerno, Scondras, Travaglini — 12.

Nays — 0.

The purpose for which this meeting was called having been accomplished, the chair declared the meeting adjourned at 2:10 p.m.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

CITY OF BOSTON

Proceedings of City Council

Wednesday, March 8, 1989.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 1 p.m., President IAN-
NELLA in the chair. Absent, Councillor SCONDRAS.

OPENING OF MEETING

The Reverend Jack Roussin, St. Mary of the Angels Parish, Roxbury, delivered the invocation, and the meeting was opened with the salute to the flag.

VISITOR TO CITY COUNCIL

Councillor SALERNO, for all the Councillors, presented a citation to Mr. William Patrick Gorman of Canterbury Street, Boston, a retired senior volunteer who has logged a record number of hours caring for terminally ill hospital patients.

DISAPPROVING ORDER FOR TRANSFER OF JURISDICTION OF QUINN ATHLETIC COMPLEX FROM SCHOOL DEPARTMENT TO PARKS AND RECREATION DEPARTMENT

The following was received:
City of Boston
Office of the Mayor

March 6, 1989.

To the City Council.
Dear Councillors:

I return herewith without my signature and disapproved an order passed by your Honorable Body on February 15, 1989, Docket No. 0382, which calls upon me to have the Public Facilities Commission transfer the jurisdiction of the Quinn Athletic Complex from the School Department to the Parks and Recreation Department.

The reason for my disapproval is that the Parks Department is currently responsible for the care and the maintenance of 186 parks and athletic fields, 64 squares, 7 fountains, 75 game courts, and 250,000 trees, all covering over 2,500 acres. Also, the Parks Department will be performing specialized maintenance on the 30 capital projects for parks which will be completed this year. The addition of the Quinn facility would reduce the resources available to the Parks Department to perform adequately its extensive responsibilities.

In addition, c. 642, sec. 12 of the Acts of 1966, cited in the order, provides that the Public Facilities Commission may make certain transfers without obtaining the consent of any board or officer other than the Mayor. Any interference by the Council with the executive or administrative business of the City is prohibited by St. 1948, c. 452, sec. 17G, as appearing in St. 1951, c. 376, sec. 1.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

(Annexed hereto is the order referred to.)
Assigned for further action.

APPROPRIATION OF \$127,426.53 FOR EASTERN REGIONAL PUBLIC LIBRARY

The following was received:
City of Boston
Office of the Mayor

March 6, 1989.

To the City Council.
Dear Councillors:

I transmit herewith for your approval an appropriation order in the amount of \$127,426.53 for the Eastern Regional Library from funds currently held by the Collector-Treasurer.

I respectfully recommend adoption of this order by your Honorable Body.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

Ordered: That from State funds received by the City under Chapter 78, §19 of the Massachusetts General Laws and held by the Collector-Treasurer, the sum of \$127,426.53 be, and hereby is, appropriated to the Board of Trustees in charge of the Library Department for the purposes of the Eastern Regional Public Library, 031-110-1012, Eastern Regional Public Library, \$127,426.53.

On motion of Coun. MENINO, the rules were suspended; **the order was passed.**

GRANT OF \$23,500 FROM HUD FOR BOSTON FAIR HOUSING COMMISSION

The following was received:
City of Boston
Office of the Mayor

March 7, 1989.

To the City Council.
Dear Councillors:

I transmit herewith for your approval an order authorizing the City of Boston to apply for, accept and expend \$23,500 in grant monies from the United States Department of Housing and Urban Development.

This request is necessary in order for the Boston Fair Housing Commission to accept the renewal of a grant from the Department of Housing and Urban Development under the federal Fair Housing Assistance Program. This "Type I" capacity building grant is awarded to strengthen the Commission's enforcement capability.

I urge your Honorable Body to pass this order as expeditiously as possible in order that these funds may be used for the purposes for which granted.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

Whereas, The Boston Fair Housing Commission was created in 1982 by City ordinance; and

Whereas, The Boston Fair Housing Commission has been accepted by the United States Department of Housing and Urban Development to be a participant in the Federal Fair Housing Assistance Program; and

Whereas, The United States Department of Housing and Urban Development has made available certain grants to Fair Housing Assistance Program agencies; and

Whereas, The Boston Fair Housing Commission has received a "Type I" capacity building (year 4) continuation grant to further support the Commission's capability to investigate housing discrimination complaints filed by Boston residents in order to increase access to housing in the City of Boston; now, therefore, be it

Ordered, That the Mayor, acting on behalf of the City of Boston, be, and hereby is, authorized to apply to the United States Department of Housing and Urban Development for a Type I (Year 4) continuation grant in an amount not to exceed \$23,500 for the purpose of complaint investigation in the City of Boston; and in connection therewith, to execute and deliver such documents as may be required by the federal government; and in accordance with Section 53A of Chapter 44 of the General Laws, to accept and expend such funds for the purposes for which granted.

Referred to the Committee on Housing.

ORDER FOR PETITION FOR SPECIAL LAW CLARIFYING CERTAIN NOTICE REQUIREMENTS OF VARIOUS CITY OF BOSTON BOARDS AND COMMISSIONS

The following was received:

City of Boston
Office of the Mayor

March 7, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval a home rule petition to clarify certain notice requirements of various City boards and commissions. This is a re-file of a petition filed with you May 24, 1988, Docket No. 0711, which was placed on file at the end of 1988.

This petition provides that notice to condominium or cooperative trustees or managing board of an action pending before a City board or commission shall be deemed to constitute notice to all owners. The petition clarifies the rights and obligations of all interested parties.

I urge your Honorable Body to pass this petition as expeditiously as possible in order to avoid any further confusion in this matter.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

Ordered: That a petition to the General Court, accompanied by a bill for a special law relating to the City of Boston to be filed with an attested copy of this order be, and hereby is, approved under Clause (1) of Section eight of Article two, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts, to the end that legislation be adopted providing precisely as follows, except for clerical or editorial changes of form only:

Section 1. Section 7 of chapter 616 of the Acts of 1955, as most recently amended by chapter 429 of the Acts of 1965, is hereby further amended by adding at the end of the second paragraph thereof the following sentence: Condominium or cooperative unit owners shall be deemed to have been notified upon mailing of notice to the condominium or cooperative trustees or managing board.

Section 2. Section 8 of chapter 625 of the Acts of 1966, as most recently amended by chapter 624 of the Acts of 1982, is hereby further amended by inserting after the first sentence in the second paragraph thereof the following sentence: Condominium or cooperative unit owners shall be deemed to have been notified upon notice to the

condominium or cooperative trustees or managing board.

Section 3. Section 2 of chapter 665 of the Acts of 1956 is hereby amended by adding at the end of the first paragraph thereof the following sentence: Condominium or cooperative unit owners shall be deemed to have been notified upon mailing of notice to the condominium or cooperative trustees or managing board.

Section 4. Section 8 of chapter 665 of the Acts of 1956, as most recently amended by chapter 296 of the Acts of 1973 is hereby further amended by inserting after the first sentence in the third paragraph thereof the following sentence: Condominium or cooperative unit owners shall be deemed to have been notified upon mailing of notice to the condominium or cooperative trustees or managing board.

Section 5. Section 6 of chapter 772 of the Acts of 1975 is hereby amended by inserting before the last sentence in the fourth paragraph thereof the following sentence: Condominium or cooperative unit owners shall be deemed to have been notified upon mailing of notice to the condominium or cooperative trustees or managing board.

Section 6. Severability. The provisions of this act and the chapters it amends shall be severable within the act and within each chapter, and if any one or more provisions, or parts or subparts thereof, shall be held unconstitutional or otherwise invalid by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions or parts thereof.

Section 7. Effective Date. This act shall take effect upon its passage.

Referred to the Committee on Government Operations.

CERTAIN INFORMATION UNDER SECTION 17F RE POLICE DEPARTMENT FROM 2/1/89 THROUGH 2/15/89

The following was received:

City of Boston
Office of the Mayor

February 27, 1989.

To the City Council.

Dear Councillors:

I transmit herewith communication received from the Police Department pertaining to crime statistics for the period commencing February 1, 1989 and ending February 15, 1989.

Sincerely,

Raymond L. Flynn,
Mayor of Boston.

Re: Police Statistics

Attached please find Boston Police computer generated printouts which reflect the number of selected crimes occurring in a two week period (February 1-15), by shift and by police district in the City of Boston. There are three sets of printouts provided for the crime categories of homicide, forcible rape, aggravated assault and purse snatching and six printouts for robberies and burglaries; each printout lists the number of selected crimes

occurring in each District during the shift listed at the top of the page. The morning shift (midnight to 8am) reads in military time as 0001 to 0800 hours. The day shift (8:01am to 4 pm) reads as 0801-1600. The evening shift (4pm to midnight) reads as 1601-0000.

The crimes selected by the City Council for review are listed below accompanied by the computer codes assigned by the Boston Police Department computer system.

Homicide, codes 0111, 0113, 0114.
 Forcible Rape, codes 0211, 0212, 0213.
 Armed Robbery, codes 0301, 0305, 0311, 0315, 0321, 0331, 0341, 0351, 0355, 0361.
 Aggravated Assaults, codes 0401 through 0433.
 Breaking and Entering of a Dwelling, 0510, 0512-0514, 0517, 0520, 0522-0524, 0527, 0540, 0542-0544.
 Purse Snatching, 0308, 0612, 0622, 0632.

Crime codes are listed in numerical order by district. To the left of the crime code is the number of incidents reported for that crime code, in that district, during the time period. It should be noted that the crime codes listed on the printout on any given occasion may not include *all* of the codes listed above; this simply means that such a crime did not occur during that time period in that area. The districts are also listed in numerical order. District One covers Downtown, Chinatown, the waterfront and Beacon Hill areas. District Two covers Roxbury and parts of Dorchester. District Three covers Mattapan, District Four covers the South End, Back Bay, and the Fenway. District Five encompasses the Hyde Park, West Roxbury and Roslindale areas. District Six is South Boston. District Seven is East Boston. District Eleven covers Dorchester and District Thirteen covers Jamaica Plain. District Fourteen encompasses Brighton, Allston and Kenmore. District Fifteen is Charlestown.

The printouts provided are the same type of printouts which the Boston Police Department Research and Analysis Unit uses to compile statistics for the Boston Police Command Staff and in response to extradepartmental inquiries. It should be noted that these statistics provide "a snap shot of crime" in Boston in that week; these statistics may change pursuant to further investigation. In some cases, several of these incidents may be further investigated and determined to be unfounded claims. Thus, these statistics, when compiled for a one-month period or for a year long period, will differ, to some degree, from final Uniform Crime Report tallies which take into account such unfounded or reclassified cases.

We are still in the process of finalizing a format that will capture the information relative to the deployment of sworn police officers to each district by shift. The gathering of this information, as requested, is a very time consuming task. The new form is being developed in a manner that will expedite the data gathering process and, therefore will not require that police officers be kept behind desks preparing reports. The new format should be finalized within the next few weeks and will address the information requested.

In the interim I am forwarding currently available personnel statistics by area. These statistics reflect the total number of police officers from all bureaus assigned to each Command Area during the last quarter of calendar year 1988. I've also reflected the number of overtime hours worked by police officers in the Bureau of Field Services in each area for January 1989.

AREA	POLICE OFFICERS	OVERTIME HOURS
A	316	5,694
B	383	6,135
C	257	2,822
D	278	6,389
E	221	3,299

I hope that this information is helpful to you.

REPORT ON ORDER WAIVING PROVISIONS OF RESIDENCY ORDINANCE FOR CERTAIN TECHNICAL POSITIONS

Coun. HENNIGAN CASEY, on behalf of the Committee on Government Operations, submitted the following:

Report on Docket No. 0376, message of the Mayor and order waiving the provisions of the residency ordinance for certain technical positions (referred February 15) — recommending passage of the order.

The report was accepted; **the order was passed.**

COMMITTEE ON ENVIRONMENT AND PUBLIC WORKS TO HOLD HEARING TO DETERMINE HOW CITY CAN MOST EFFECTIVELY ADDRESS ANY IMPENDING WATER SHORTAGE

Coun. BOLLING offered the following:

Whereas, Due to a lack of precipitation in Massachusetts during the winter of 1989, there has been a drop in water levels at the Quabbin Reservoir, which provides water to 2.5 million citizens — almost half of the population of the Commonwealth of Massachusetts; and

Whereas, State environmental officials have declared a water emergency in the Massachusetts Water Resources Authority system, which serves 44 cities and towns in the Greater Boston area; and

Whereas, Many experts are predicting a severe water shortage in the Boston area during the summer months; therefore be it

Ordered, That the City Council's Committee on the Environment and Public Works hold a public hearing to determine how the City of Boston can most effectively address any impending water shortage; and be it further

Ordered, That officials from the Massachusetts Water Resources Authority, the Department of Environmental Quality Engineering, and the Boston Water and Sewer Commission be invited to testify at the hearing.

Referred to the Committee on Environment and Public Works.

SPECIAL COMMITTEE ON EQUITY TO HOLD HEARING RE EXTENT DISCRIMINATION BASED ON AGE HAS TAKEN PLACE WITHIN CITY GOVERNMENT

Coun. BOLLING offered the following:

Whereas, A February 21, 1989 *Boston Herald* article, "Age bias charged by Hub workers", revealed that a "growing number of city workers in Boston . . . are complaining they have been harassed, denied promotions and even fired because they are considered too old for their jobs"; and

Whereas, A review of complaints filed with the Massachusetts Commission Against Discrimination (MCAD) found that nearly one-third of the open cases pending against the City involve age discrimination; and

Whereas, The Boston Human Rights Commission is charged with "studying the problems of discrimination in the City and make(ing) . . . recommendations to the Mayor and the City Council" (City of Boston Code-Ordinances: 12-9.11); therefore be it

Ordered, That the City Council's Special Committee on Equity hold a public hearing to discuss, but not limit itself to, the following: 1. the extent discrimination based on age has taken place within City of Boston government; and 2. what steps the Administration is taking, or will take, to remedy age discrimination in the City of Boston; and be it further

Ordered, That officials from the Mayor's office and the Human Rights Commission testify at the hearing.

Referred to the Special Committee on Equity.

WRITTEN REQUESTES TO BE SUBMITTED TO COUNCIL PRESIDENT RE USE OF COUNCIL CHAMBER, PIEMONTE ROOM, AND CURLEY ROOM AND VOTED UPON BY FULL COUNCIL

Coun. O'NEIL offered the following:

Ordered, That a written request be submitted to the President of the Boston City Council by all Councillors.

RE: Usage of the City Council Chamber, Piemonte Room, and the Curley Room. The request by the individual Councilors be put before the full membership, as to who the various group are, and for what purpose the meetings are for. (A vote by the full council as to who can use these rooms and for what purpose.)

Example: One group uses the Piemonte Room every week, and when they sign in at the Security Desk, they use phony names and names of Hollywood Stars and other celebrities. Most of them will not sign in, even though they are required to do so. Also, the hours that the rooms be used. Some of them are here until late hours.

Referred to the Committee on Council Rules and Administration.

COMMITTEE ON PUBLIC SAFETY TO SUMMONS BEFORE IT PENAL COMMISSIONER, BUSINESS AGENT, AND PRESIDENT OF HOUSE OF CORRECTION GUARDS UNION RE CERTAIN SECTION 17F ORDER ANSWER

Coun. O'NEIL offered the following:

Ordered, That the Committee on Public Safety, summons the Penal Commissioner, Robert Walsh, and Mr. James Kane, Business Agent, and President of the House of Correction Guards Union (Subject to the call of the Chairman of the Public Safety Committee) to answer questions as to why the 17F order dated November 16, 1988 was not answered to the satisfaction of the Committee.

Referred to the Committee on Public Safety.

ORDER THAT SIGN BE DEDICATED AT CORNER OF ATLANTIS STREET AND VFW PARKWAY TO HONOR NORTON BROTHERS

Coun. O'NEIL offered the following:

Ordered, That the Commissioner of Traffic and Parking Department be instructed to have an appropriate dedication marker put up in memory of Joseph Norton, who served in the U.S. Navy, Bernard Norton, who served in the U.S. Army, George Norton, who served in the U.S. Marines. George Norton also represented the West Roxbury, Ward 20 community.

This request from Mrs. Norton, the wife of Joseph, a request that the memory of these three brothers who served their country as well as their community be remembered by dedicating a sign at the corner of Atlantis St., West Roxbury, and V.F.W. Parkway, West Roxbury.

Passed under suspension of the rules.

ORDER THAT CABLE TV CHANNELS 3 AND 22 BE ALLOWED TO FILM COUNCIL MEETINGS

Coun. O'NEIL offered the following:

Ordered, It has been requested by a Representative of Cable T.V., Channels 3 and 22, that they be allowed into the Council Chamber to film all activities of the Council meetings. Whereas, they film the meetings of the General Court at the State House, that a vote of the Council take place at the meeting of March 8, 1989, to grant this permission.

Referred to the Committee on Council Rules and Administration.

SPECIAL COMMITTEE ON EQUITY TO HOLD HEARING RE ALLOCATIONS OF REDUCED SERVICES FOR VICTIMS OF SEXUAL ASSAULT

Coun. HENNIGAN CASEY offered the following:

Whereas, Questions have been raised recently concerning the reorganization of the Boston Police Department's Sexual Assault Unit and the resulting reduction of staff trained in sexual assault investigation and counseling both at the Boston Police Department and at Boston City Hospital; and

Whereas, Victims' advocates as well as medical officials directly involved in the provision of care for victims of sexual assault have expressed concern with how this reorganization will affect services to victims of sexual assault; and

Whereas, concern has been expressed about the potential decentralization of the sexual assault unit which may lead to reduced reporting of the crime and to reduced effectiveness of the investigative unit; and

Whereas, this will negatively impact on the victims of sexual assault, the majority of whom are women and children; now therefore be it

Ordered, that the special committee on equity hold a hearing to investigate allegations of reduced services for the victims of sexual assault.

Referred to the Special Committee on Equity.

SPECIAL COMMITTEE ON ELDERLY TO HOLD HEARING RE PROSTITUTION IN ELDERLY HOUSING COMPLEXES

Coun. BOLLING offered the following:

Whereas, There have been recent reports of acts of prostitution in Boston Housing Authority-managed elderly housing complexes in the Lower Roxbury/South End area of Boston; and

Whereas, Prostitutes have often been seen in the common areas (laundry rooms, lounges, elevators, etc.) of the elderly complexes and some residents have allegedly been assaulted and robbed as a result of interaction with prostitutes; and

Whereas, The presence of prostitution threatens the well-being and safety of all elderly citizens residing in these complexes; therefore be it

Ordered, That the City Council's Special Committee on the Elderly conduct a public hearing on the issue of prostitution in Boston's elderly housing complexes for the purpose of addressing a solution to this problem; and be it further

Ordered, That representatives of the Boston Housing Authority, the Boston Elderly Commission and the Area D Police Station be asked to testify at the aforementioned hearing.

Referred to the Special Committee on Elderly.

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Wednesday, March 1, 1989, the following-named person be, and hereby is, appointed to the position set against her name until Wednesday, June 7, 1989.

Martha R. Bagley, secretary, \$400.00 per week, full time.

On motion of Coun. TRAVAGLINI, the rules were suspended; **the order was passed.**

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Wednesday, March 1, 1989 the following-named person be, and hereby is, appointed

to the position set against her name until Wednesday, June 7, 1989.

Joyce L. Holland, secretary, \$632.19 per week, full time.

On motion of Coun. YANCEY, the rules were suspended; **the order was passed.**

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Wednesday, February 15, 1989, the following-named person be, and hereby is, appointed to the position set against his name until Wednesday, May 17, 1989.

Dan Charnas, secretary, \$108 per week, part time.

On motion of Coun. YANCEY, the rules were suspended; **the order was passed.**

COMMITTEE ON PUBLIC SAFETY TO STUDY POSSIBILITY OF INSTALLING FLASHING CAUTION LIGHT AT 1985 CENTRE STREET, JAMAICA PLAIN

Coun. HENNIGAN CASEY offered the following:

Whereas, An extremely dangerous pedestrian safety situation exists in front of Friendly's Restaurant located at 1985 Centre Street, West Roxbury for years; and

Whereas, Billings Field, the local ballpark and playground has many children who use the park especially during the summer season, to cross to and from the park at the above location; and

Whereas, Area senior citizens as well as clients of the Boston aid to the blind use the pedestrian crossing at 1985 Centre Street for shopping and transportation needs; and

Whereas, Drivers of automobiles traveling along Centre Street have their view obstructed by an inclination of the roadway at this location; and now therefore be it

Ordered, That the Public Safety Committee study the possibility of installing a flashing caution light at 1985 Centre Street to prevent any serious accidents.

Referred to the Committee on Public Safety.

COMMITTEE ON GOVERNMENT OPERATIONS TO HOLD HEARING TO INVESTIGATE WHY CERTAIN VOTES WERE NOT RECORDED BY ELECTION DEPARTMENT

Coun. HENNIGAN CASEY offered the following:

Whereas, Elections are held in the City of Boston; and

Whereas, The Election Department is responsible for the operation of polling places throughout the City of Boston; and

Whereas, The Election Department is also responsible for the tabulation of votes for all candidates who are duly and properly placed on the ballot; and

Whereas, Some candidates have reported that their votes had not been counted, now therefore be it

Ordered, That the Committee on Government Operations hold a hearing to investigate why these votes were not recorded.

Referred to the Committee on Government Operations.

ORDER THAT COUNCIL SUPPORT COMMUNITY PROCESS TO HAVE BOSTON TRAILER PARK DESIGNATED LANDMARK

Coun. HENNIGAN CASEY offered the following:

Whereas, The Boston Trailer Park of West Roxbury is the last remaining trailer park in the City of Boston; and

Whereas, Mr. Clair, the recent owner of the Boston Trailer Park, has threatened the residents of the park with many lawsuits and is seeking to change the use of the land, thereby displacing the tenants; and

Whereas, The City of Boston has in the past taken actions to protect the residents of the park many of whom are living on low-income and seeks by obtaining landmark status for the Boston Trailer Park both to preserve the homes of the residents of the park as well as to promote within the Boston community the historical value of trailer parks as an important source of affordable housing; now therefore be it

Ordered, That the Boston City Council support the community process to have the Boston Trailer Park designated as a landmark by the Boston Landmarks Commission.

On motion of Coun. BYRNE, the order was referred to the Committee on Environment and Public Works.

EMERGENCY PREAMBLE

Coun. KELLY offered the following:

Under Rule 36 of the City Council, Rule 11 is hereby suspended and the following Order of an emergency nature is placed before the city council.

The nature of the emergency is as follows:

With regard to the Water and Sewer Commission, the Boston City Council already passed a Resolution on the matter. Because the Water and Sewer Commission chose to take no action on the unanimous council request, the council must once again assert its will in a timely and determined fashion on this matter.

The Emergency Preamble was adopted.

Rule 11 was suspended.

COMMITTEE ON CITY AND NEIGHBORHOOD SERVICES TO HOLD HEARING RE POSSIBILITY OF WATER AND SEWER COMMISSION CHANGING RULES GOVERNING BREAKS OR SAGS IN WATER AND SEWER LINES

Coun. KELLY offered the following:

Whereas, On November 2, 1988 the Boston City Council unanimously passed a Resolution asking the Water and Sewer Commission to consider changing its rules governing breaks or sags in water and sewer lines under city-owned sidewalks and streets; and

Whereas, On November 29, 1988 the Commission held a public hearing, attended by at least two city councilors who reiterated the concern of their colleagues and residents of the city; and

Whereas, The Commission stated at that public hearing that the matter was under review and would be seriously considered, since the projected cost to the Commission of said alteration in its rules would be minimal, and the public good would be served, especially for residents whose water or sewer line broke under a city-owned sidewalks or streets, at no fault of theirs; and

Whereas, The Boston City Council has taken a unanimous public position on the matter, and fully expected the Water and Sewer Commission to make every reasonable effort to comply with the Council's request; be it therefore

Ordered, That the Committee on City and Neighborhood Services hold a public hearing over the matter contained in the November 2, 1988 resolution, and that members of the Water and Sewer Commission be invited to attend to explain the current policy which forces residents to pay all expenses relative to digging into a street

or sidewalk to fix a broken water or sewer pipe beyond their property line.

Referred to the Committee on City and Neighborhood Services.

EMERGENCY PREAMBLE

Coun. KELLY offered the following:

Under Rule 36 of the city council, Rule 11 is hereby suspended and the following Order of an emergency nature is placed before the city council.

The nature of the emergency is as follows:

With regard to the day care facility, the work being performed is in progress. Since the city council has already acted to authorize and fund such a facility, the need to monitor the development in a responsible manner is imperative. Is the location chosen, immediately outside council windows an appropriate location? Is the area immediately surrounding the ventilation system environmentally prudent, given the closed nature of the space, and the lack of fresh air in Summer months? These questions must be answered prior to location at the above-mentioned area.

The Emergency Preamble was adopted.

Rule 11 was suspended.

APPROPRIATE COUNCIL COMMITTEE TO HOLD HEARING RE CITY HALL DAY CARE CENTER

Coun. KELLY offered the following:

Whereas, The City of Boston is committed to providing day care for city employees; and

Whereas, A facility for this purpose is currently under construction in the immediate area surrounding the air ventilation system in the center of city hall, and that area may be environmentally unsuitable for such a facility; and

Whereas, Noise during construction is disruptive to city employees directly adjacent to the work in progress; and

Whereas, There are questions regarding the noise level of children who will be playing or entertained in this area; and

Whereas, The location of a facility at this location may prove disruptive to the conduct of city business and/or meetings in the Piemonte Room; be it therefore

Ordered, That the appropriate committee of the city council hold a public hearing to ascertain among other things how many children will attend the center? What criteria will be used to accept children into the program? The cost of construction as well as the cost of the program.

Referred to the Special Committee on Equity.

MOTION RE DISPENSING OF PRINTING OF CRIME STATISTICS AS PART OF COUNCIL PROCEEDINGS

Coun. IANNELLA moved that the printing of crime statistics as a part of the City Council Proceedings be dispensed with and that the same be kept as Council records by the City Clerk.

Referred to the Committee on Public Safety.

PARKS DEPARTMENT CELEBRATES "CHRISTMAS ON THE COMMON"

Mayor Raymond L. Flynn and Parks Commissioner Larry Dwyer will host hundreds of area residents and holiday shoppers at the Parks and Recreation Department's 41st annual Christmas Tree Lighting ceremony Sunday, December 10, 1989 on Boston Common. Co-sponsored by WBZ-AM and Boston Edison, the Christmas program is scheduled from 2:00 to 4:30 p.m. behind Brewer's Fountain on Tremont Street.

In addition to a musical program, Boston's "Christmas on the Common" celebration will include appearances by Santa and Mrs. Claus and many children's storybook characters. The afternoon will feature the Lechmere Carolers and cast members the North Shore Music Theatre's production of "A Christmas Carol." The Boston All-City High School Choir and the Boston University Choir will also perform.

The Lechmere Carolers sing familiar carols as well as Victorian carols and folk songs from throughout the world. The Lechmere Carolers will perform under the direction of "A Christmas Carol" musical director, James Woodland, accompanied by the Music Theatre Holiday Orchestra.

This year's celebration will feature the lighting of a 50-foot Spruce and 40 other trees on the Common by Mayor Flynn. Each year, the children of New Brunswick, Canada, donate a Christmas tree to the children of the City of Boston as part of a friendship treaty begun in 1981.

Parks Commissioner Larry Dwyer said, "This holiday program is a great Boston tradition which provides residents and visitors the chance to celebrate the Christmas season in the nation's oldest park."

According to Dwyer, the Parks winter program will also include ice skating on the Public Garden Lagoon and cross-country skiing at Franklin Park, both scheduled to begin January 6, 1990. Members of the Boston Park Rangers will also lead winter walking tours throughout the wooded trails at Franklin Park.

UNITED WAY REPORTS FIRST CAMPAIGN OVER \$50 MILLION

\$2 million increase over a year ago.

The United Way of Massachusetts Bay announced recently that corporate contributions, individual pledges and foundation grants to the 1989 campaign will total a projected \$50,709,971. This is the first time in the organization's 55-year history that the annual campaign has raised over \$50 million.

Achievement of the milestone was formally announced to approximately 1,000 United Way volunteers gathered for a thank you dinner at the Sheraton-Boston Hotel and Towers.

"We have had a great campaign — a \$2 million increase over last year is an outstanding accomplishment," said Peter E. Madden, United Way campaign chairman and President of State Street Bank & Trust Co. "It says that despite a volatile economic environment, individuals, businesses and other organizations have come together to increase their commitment to help people in need."

Madden cited several factors which made the 1989 campaign a particularly challenging one. The relatively rapid softening of the economy during the last nine months affected many segments of the campaign, with layoffs or restructuring in a number of high-tech and manufacturing companies having a particularly significant impact.

THE ADOPT-A-STATUE PROGRAM

The goal of Adopt-A-Statue is to achieve funding for the restoration of thirty-nine pieces of outdoor public art and to establish a permanent maintenance endowment which would provide for the annual cleaning and maintenance of sixty-nine pieces.

To invite individuals, groups of individuals or corporations to "adopt" a piece of Boston outdoor public art by either:

- incurring the total cost of restoring and maintaining a particular piece of art or
- making a donation toward a general restoration and maintenance fund.

Gifts are tax deductible to the extent limited by law.

For further information on how to adopt a statue please contact the Environment Department at 725-3850 (Paula Mierzejewski) or Office of Arts and Humanities at 725-3245 (Mary Shannon).

Each week the *City Record* will publish a statue for adoption.

Once and For All.

United Way Report . . .

(Continued from front page)

Madden highlighted a number of specific successes that made the \$50.7 million campaign possible. These included:

- Nine separate campaigns which generated over \$1 million each
- 248 new workplace campaigns which reached 29,000 employees for the first time
- Over \$250,000 new dollars contributed through brokerage and investment firms
- An 11 percent increase from employees of accounting, consulting and law firms
- Over \$330,000 new dollars from individuals giving \$1,000 or more through the Leadership Gifts Division
- A 13 percent increase in the City of Boston employees campaign
- A 17 percent increase in giving from schools, municipalities and small businesses in 23 North Shore communities

"Thousands of people committed their time, energy and enthusiasm to this campaign," said Madden. "They have shown once again that individuals can make a real difference. I'm extremely proud of everyone who was a part of our team."

Over 85 cents of every dollar collected through the campaign will be distributed to 204 health and human service agencies and the American Cancer Society, the United Way of Massachusetts Bay's partner in education and fund-raising in business and industry. United Way agencies address such problems as substance abuse, hunger and homelessness, domestic violence and the lack of affordable child care.

"In a year of drastic cutbacks in human service budgets, the United Way's role as a reliable source of funding for human services and health care agencies is more critical than ever before," said Madden.

The public is reminded that there are still tremendous unmet human needs in our community. The United Way is keeping its campaign open through year end to accommodate any incomplete workplace campaigns and individuals or organizations who may not have had the opportunity to give.

Anyone who wishes to make a contribution is urged to contact the United Way of Massachusetts Bay at Two Liberty Square, Boston, MA 02109, or call (617) 482-8370.

It is the policy of the City of Boston to award at least 15 percent of the City's contract dollars to minority-owned businesses and at least 5 percent to women-owned businesses.

KELLY ASSISTS "TOYS FOR TOTS"

During the 1989 holiday season, Kelly Temporary Services is proud to assist the U.S. Marine Corps Reserves in gathering toys for needy children during their annual "Toys for Tots" program. We participated for the first time last year, and the response from our customers and temporary employees was excellent. We collected over 500 toys in 1988. Please help us increase our support.

The purpose of the program is to provide needy children with the pleasure of receiving a new toy for Christmas. In order for this program to be successful, at least 125,000 toys are needed, so Kelly Temporary Services is asking for your help.

We will be collecting toys and donations (made payable to "Toys for Tots" Program) from November 13 through December 15.

XI. HIGH COMMENDATION

On November 1, 1989, Box 12-3434 was struck

for a building fire at 784 Washington Street, District 8, an elderly housing high-rise complex.

Smoke was issuing from the second-floor rear. Ladder Company 29 was ordered to make a primary search of that area. Fire Fighter Ralph P. Walker of Ladder Company 29 proceeded to the rear of the building, climbed over an eight-foot locked gate and ascended to the second floor via the rear stairway. Upon entry into the common hallway he encountered a heavy smoke condition.

Another fire fighter was removing an elderly female via the rear stairway. Fire Fighter Walker began to search for other occupants. He opened the door to an apartment and while encountering heavy smoke and heat he located an elderly male in a wheelchair and removed the man into the hallway. He proceeded in checking for vital signs, removed his facepiece and placed it on the victim's face. With the aid of other firefighters, the man was removed to the street where CPRA was performed until relieved by Boston Health and Hospitals personnel.

The Fire Commissioner is pleased to highly commend Fire Fighter Ralph P. Walker of Ladder Company 29 for his actions which were performed at unusual personal risk, under difficult heat and smoke conditions, before ventilation was begun or lines placed and recommends his case be referred to the Board of Merit for further consideration.

XII. COMMENDATIONS

On October 21, 1989, Fire Fighters Stephen P. Paschal and Bartholemew Shea of Engine Company 41, while in quarters and off duty preparing for a paid fire detail, responded to Box 5164 (2 alarms) for 11 Barrows Street, District 11.

Upon arrival they reported to the officer in charge of Engine Company 41, the still alarm company and assisted with the attack line. While members of Engine Company 41 and Ladder Company 11 were operating on the second floor, Fire Fighters Paschal and Shea were notified by spectators of a woman in a second-floor apartment. They proceeded to the second floor, encountering smoke which had banked down, and succeeded in removing the woman to the street where she was treated at St. Elizabeth's Hospital for smoke inhalation.

The Fire Commissioner is pleased to commend Fire Fighters Stephen P. Paschal and Bartholemew Shea of Engine Company 41, for their selfless dedication to public service and makes this commendation a part of their personnel folder.

On October 13, 1989, at approximately 1930 hours, the K-4 Unit, while in quarters, were informed by a citizen that a person had just broken into a vehicle parked at the curb (vehicle later identified as belonging to a member). This citizen informed Inspectors Hiram Ortega and Paul Hicks that the suspect ran toward Chesterton Street, carrying a tool box on his shoulder. Members pursued the suspect on Chesterton to Allerton to Magazine Streets and Norfolk Avenue. At this time the suspect dropped the tool box and after a short foot chase, Inspector Paul Hicks apprehended this person.

K-4 notified Fire Alarm Office to have Boston Police meet them in quarters and the suspect was transported there and turned over to Boston Police.

Inspector Hicks pursued this suspect at great personal risk since Inspector Hicks was unarmed.

The Fire Commissioner is pleased to commend Fire Inspector Paul Hicks for his aggressive actions and makes this commendation a part of his personnel folder.

The Fire Commissioner is pleased to commend

Fire Fighter Francis J. Tierney, Rescue Company 1, for responding to and working at Box 1432, 9 alarms, October 12, 1989, while off duty, and makes this commendation a part of his personnel folder.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT Office Services

Dear Mayor Flynn:

I respectfully request authorization to dispense with public advertising in the award of a contract to the National Center for Municipal development, Inc., of 1620 Eye Street, N.W., Washington, D.C. 20006, in an amount not to exceed \$33,000, for the period of July 21, 1989, through June 30, 1990. This funding will be charged against appropriate 011-140-0150 with an additional encumbrance of \$33,000.

Under the terms of this contract, N.C.M.D. will continue to provide services to the City's Washington staff, all office services including Xerox, postage, telephone, supplies, etc., travel planning, advances, accounting services, and fiscal administration; and to lease office space to the City of Boston at 1620 Eye Street, N.W., Washington, D.C. 20006. The contractor has been providing this service to the City of Boston for the past ten years in a professional and timely manner. The amount of this contract for the three previous fiscal years, FY'89, FY'88, FY'87, was in the amount of \$45,000.

In view of the contractor's length of service and past performance, I believe that public advertising would serve no useful purpose.

Sincerely,

Raymond C. Dooley,
Director.

ASSESSING DEPARTMENT Microfilm, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Docutechs, Inc., 30 North Street, Canton, MA 02021, for microfilm, printing and looseleaf binding of records for recorded and registered land located at the Suffolk County Registry of Deeds.

On May 2, 1989, the Suffolk County Registry of Deeds advertised in the *City Record* for proposals for microfilming, printing and looseleaf bindings of records for the Recorded Land Section of the Registry of Deeds for Fiscal Year 1990 and Docutech, Inc., was the lowest bidder for the aforementioned services, at the rate of seventeen and one-half cents per page.

Under this contract, a duplicate set of these records will be furnished to the Assessing Department by the vendor at a cost of seventeen cents per page for printing and looseleaf binding. In addition, the vendor will also furnish a copy of each roll of microfilm at \$18 per roll. The total cost of this contract shall not exceed \$55,000, which I

have determined to be reasonable for the services to be provided.

These services are part of the Assessing Department's ongoing process of timely updating sales verification records which is necessary to fulfill its statutorily mandated function of assessing all taxable property in the City of Boston at full and fair cash value on an annual basis.

The terms of this contract shall be from August 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be provided, I believe that further public advertising would serve no useful purpose. In addition, selection of this vendor will likely result in the shortest delay for the Assessing Department to receive the updated records as well as the greatest monetary savings as this vendor has started to reproduce the same records for the Registry of Deeds.

It is necessary to receive such record in the least possible amount of time so as to ensure the efficient updating of the Assessing Department records for revaluation purposes and timely issuance of future real estate tax bills.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

HEALTH AND HOSPITALS DEPARTMENT Chaplaincy Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Shalom Stern, 384 Harvard Street, Brookline, for the period July 1, 1989, through June 30, 1990 at a cost not to exceed \$5,250.

Under this contract Rabbi Stern will provide chaplaincy services to Jewish patients at Boston City Hospital on Mondays, Wednesdays, and Thursdays totalling 13 hours per week, evenings and weekends included, for emergency purposes. Services will include visits to patients, contacts with families, and worship services as needed. Rabbi Stern will be paid monthly.

Fiscal year 1990 is the first year that a contract will be awarded to Rabbi Stern. Rabbi Strassfeld had provided these services in the past, and was awarded unadvertised contracts for the past three years in the amount of \$5,000. Rabbi Strassfeld resigned his position.

Because of the special fitness of Rabbi Stern to provide these services, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late because the documents were not received from the vendor after the start of the contract period.

Very truly yours,
Judith Kurland,
Commissioner.

Shelter Operation

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, Boston, for the period July 1, 1989, through June 30, 1990 at a cost not to exceed \$1,726,512.

Under this contract the Trustees of Health and Hospitals will supply, subject to departmental approval, personnel services for the operation of the Shelter for the Homeless of Long Island Hospital. The persons employed under this contract must be sensitive to the issue of homelessness and must have a long background in dealing with this complex problem. The contract will also include provision of specific services such as payroll, purchasing and financial reporting to the Department of Health and Hospitals.

Unadvertised contracts have been awarded to Trustees of Health and Hospitals of the City of Boston, Inc. for the last three fiscal years in the following amounts: 1989 — \$1,007,348; 1988 — \$721,128; 1987 — \$275,000.

Inasmuch as the Trustees of Health and Hospitals of the City of Boston, Inc., a non-profit organization, has demonstrated expertise in recruitment and fiscal management at a reasonable cost, no benefit would inure to the City by publicly advertising for bids.

Very truly yours,
Judith Kurland,
Commissioner.

PARKS AND RECREATION DEPARTMENT Lease of Premises

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising for the lease of certain premises, deemed necessary and convenient, by me, to be used as office and operation space by the Parks and Recreation Department.

The demised premises consists of 28,181 square feet at 1010 Massachusetts Avenue, third floor, Boston, MA 02118. The lessor is 1010 Massachusetts Avenue Trust, c/o Boston Realty Advisors, Inc., 268 Summer Street, Boston, MA 02210.

The term of the lease is August 1, 1989, to June 30, 1990. The \$12.50 square-foot rent, which I consider extremely reasonable for rental office and operation space cost the department \$408,000 annually. The cost of the contract shall not exceed \$408,000, which will be charged to the Parks and Recreation Department budget 011-300-0301-0490-PK02.

Since the Parks Department has occupied this space since May 1, 1989, and has determined its location to be convenient for various Park constituencies, it is my judgment that public advertising would serve no useful purpose. I respectfully request that your permission be forthcoming to commence this lease.

Very truly yours,
Lawrence A. Dwyer
Commissioner.

PUBLIC FACILITIES SERVICES Administer Funding, etc.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on December 9, 1988, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to the Boston Redevelopment Authority (BRA) located at One City Hall Square, Boston, MA 02201. Under the terms of this contract, the contractor will administer funding and oversee capital improvements in urban renewal areas as well as other housing and development projects.

Compensation under this contract shall not exceed \$2,197,684, which represents the unspent balance of two "Urgent Needs" (HUD funded)

contracts from 1977 and 1980. The term of this contract shall be from July 1, 1986, to June 30, 1991, to capture already incurred expenses from previous contractual agreements.

As the conditions of this contract are unusual, I would like to describe the circumstances that led to its initiation. Six contracts with BRA for Urgent Needs expenditures expired in 1986, when the projects were 80 percent to 90 percent complete. Most projects were complete, but some continued to incur expenses. Some projects budgeted were never realized. The Public Facilities Department and the Boston Redevelopment Authority agreed to spend the balance of the available funding and hence proceedings began in 1987 to renegotiate the scope of work. This request has been delayed due to these lengthy contract negotiations. Now, the revised scope of works requires that the term of this contract continue until June 30, 1991.

The submission of this request has been delayed due to negotiations of contract terms, and revisions of specific Scope of Services and budget allocations.

I believe that public advertising would serve no useful purpose therefore, I request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

SCHOOL DEPARTMENT Chapter 636

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Regis College, a corporation located at 235 Wellesley Street, Weston, MA 02193.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,667,938.

This contract shall be in effect during the period August 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$54,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide: tutoring (1,000 hrs.), training of tutors, community/family outreach, directed to 60-70 students at academic risk; five multi-cultural programs; musical training (woodwind/bass) through New England Conservatory; programs in art for students and teachers through Museum of Fine Arts; programs orientation, study skills, college Awareness for parents/students; award ceremony; evaluation of Pre-admission sessions and provision of Study Skills Manual.

Regis College is uniquely qualified to provide these services because Regis College has organized sufficient resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments to the 1965 Ra-

cial Imbalance Act); (2) the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under this agreement and the

expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1989 - \$60,000; 1988 - \$60,121; 1987 - \$46,704.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Phillips Academy, located at Main Street, Andover, MA 01810. The contract shall be in effect during the period from July 1, 1989, to August 31, 1989, and shall occur at a cost not to exceed \$20,000, which I have deemed to be reasonable. On May 23, 1989, the School Committee approved all of the FY 90 Chapter 636 proposals for the sum of \$5,677,938.

The contractor will provide the following services at the Phillips Academy:

Forty (40) BPS students from grades 9 to 12 will attend a 2-week summer writing camp at the Phillips Academy. Students will receive training in expository, critical, and creative writing. They will also analyze and discuss literature. In addition, they will be trained in peer editing and in setting up a writing workshop of their own.

At the end of the workshop, the students will create an anthology/magazine that consists of the best work they have done during the summer. On the last day of their workshop, the students will give a staged reading open to the public.

The contractor is uniquely qualified to provide the above services because: (1) the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); (2) the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan vs. McDonough*, Civil Action No. 72-911-G); (3) further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This agreement is to be executed without an appropriation of funds under provisions of General laws, chapter 44, s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1987 - \$0; 1988 - \$0; 1989 - \$20,000.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Amplification System

Dear Mr. Mayor:

Your authorization is requested for the award of a contract, without public advertising to Phonic Ear, Inc., 250 Camino Alto, Mill Valley, furnishing the Wireless True Binaural FM Amplification

System for auditory training at the Horace Mann School for the Deaf and hearing impaired. Service for the FM auditory training equipment will commence on September 5, 1989, through June 30, 1990.

Compensation under this contract including service for the period stated will not exceed \$6,616, a price I deem reasonable.

The auditory training equipment purchased from Phonic Ear, Inc. has been provided over a period of fifteen years. The company has trained technicians and an inventory of parts on hand. Due to the increase in enrollment of deaf students, additional FM auditory training equipment is necessary. In order to ensure compatibility with existing equipment, Phonic Ear will supply the specialized equipment. In addition, it is crucial to provide a pre-paid "FM Express" service in the event that a problem occurs with the auditory equipment. The audiologists will be able to utilize the pre-paid box and mail it directly to Phonic Ear, Inc. The service provided by Phonic Ear, Inc. is unique and avoids added expense or delay in repair of auditory training equipment. Immediate service is essential to a successful program.

Because Phonic Ear, Inc. has successfully provide service and maintenance and the cost is reasonable, I believe that public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 - \$5,880; 1988 - \$6,064; and 1989 - \$6,340.

Very truly yours,
Leo J. Burke,
Business Manager.

SNAP System

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization to award a contract without public advertisement, to SNAP Systems, Inc., P.O. Box 2410, Santa Monica, California 90406, for implementing SNAP Systems, Inc. cash register/management accounting system Schedule III, for the Boston Public Schools for the period August 15, 1989, through June 30, 1991.

Three companies were awarded contracts to conduct pilot programs after public bid of cash management system in seven schools for the Department of Food Services during fiscal year 1988-1989.

Under the terms of the contract SNAP will install within the satellite schools a cash management system according to Schedule III including training, technical assistance and warranty for the period FY'90 and FY'91. SNAP Systems will also be responsible for instituting the following prior to September, 1989:

- sturdy, lockable cash drawer with appropriate sized money bins and clips
- computer menu screens with only the options being utilized by Boston Schools
- name labels for cards that will not stick together and
- training/reference manual developed in collaboration with Boston Schools to include simplified cashier instructions to operate registers and specific manager instructions for computer operation.

Unless the schedule permits, the only cafeteria schools to have SNAP installed during September, 1989 include schools which tested a cash management system during the pilot program. These include Boston Technical High and En-

glish High. The remainder of the cafeteria schools will be installed the following school year. Implementation of the system is an outgrowth of leased equipment during the pilot program.

Because of the professional nature of the services to be provided under this agreement and the expertise of the Contractor in providing such services, it is my determination that the public interest would not be served by advertisement for bid.

Compensation to this vendor during the past fiscal year in the form of an advertised contract is as follows: CO4269(88-89) \$15,684.62.

Very truly yours,
Leo J. Burke,
Business Manager.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

HEALTH AND HOSPITALS DEPARTMENT Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Northland Industrial Trucking Company, 6 Jonspin Road, Wilmington, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$16,000.

Under this contract Northland Industrial Trucking Company repairs electrical carts, jacks and tractors located in the Laundry Department at Boston City Hospital.

This amendment will increase the contract by \$7,416.32, thereby increasing the City's total liability under this contract, as so amended, to an amount not to exceed \$23,416.32.

This amendment is to cover the costs of unforeseen repairs to the mechanical, electrical and structural parts of the trucks and electric carts.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Documents were sent to the vendor on May 1, 1989, and were not returned until September 1, 1989, therefore this amendment is being processed late.

Very truly yours,
Judith Kurland,
Commissioner.

CONTRACTS AWARDED

The Mayor has approved the award of the following contracts to the lowest eligible bidders:

NOTICE TO CONTRACTORS

**Invitation for Bids for Parapet Repair at South
Boston High School, Project No. 4801C, C.
149 Projects.**

The City of Boston acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44J, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Parapet Repair At South Boston High School."

SCOPE OF WORK includes new copper fascia on existing parapet, water repellent coating of the capstone, caulking, and repointing.

TIME AND PLACE FOR FILING BIDS: All GENERAL BIDS shall be filed with the Awarding Authority at the sixth floor, 26 Court Street, Boston, MA 02108, before twelve o'clock noon on December 21, 1989.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

The general contractor for this project must be certified by DCPO in Waterproofing.

PLANS AND SPECIFICATIONS will be available on or about December 4, 1989, at the Public Facilities Department to all interested parties who present a \$25 certified check payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check made payable to the City of Boston.

The attention of all bidders is directed to the Compliance Contract Supplement section of the specifications and the obligation of the contractor and its subcontractors to take affirmative action in connection with employment practices in the performance of this contract. The contractor and its subcontractors shall maintain the following ratios of workforce manhours in each trade: Minority: 25 percent of total manhours; Female: 10 percent of total manhours; Boston Residents: 50 percent of total manhours. Further, the bidder must give, in accordance with said provisions of the Compliance Contract Supplement section of the specifications, satisfactory assurance that at least 15 percent of its bid price shall be expended on Minority Business Enterprises and 5 percent on Women Business Enterprises. Bidders are hereby notified that this project is subject to M.G.L. c. 149, s. 27, and in accordance contractors must pay prevailing wages as set

by the Commissioner of Labor and Industries.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**Proposal for the Disposal of Damaged Street
Lighting Poles from Various Districts of
Boston for the period January 1, 1990, to
June 30, 1990.**

The Commissioner of Public Works, of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for the disposal of damaged street lighting poles from various districts of Boston for the period January 1, 1990, to June 30, 1990.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), City Hall. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for the Disposal of Damaged Street Lighting Poles from Various Districts of Boston for the period January 1, 1990, to June 30, 1990," and left at Room 714 (Contract Office), seventh floor, City Hall, before 2 p.m. of Thursday, December 21, 1989.

Proposal guaranty shall consist of a bid deposit of 5 percent of total bid price, but in no event less than one hundred dollars (\$100), nor more than fifty thousand dollars (\$50,000), in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening of bids. All proposals must be from bidders of record on file at Room 714 City Hall. There will be a charge of five dollars (\$5). NOT REFUNDABLE, for each set of contract documents taken out.

Anti-Discrimination Affirmative Action: During the performance of this contract the general contractor shall agree and shall require that his subcontractors agree to the following:

In connection with the performance of work under this contract the contractor shall not discriminate against any employee or applicant for employment because of race, color, religious creed, national origin, age or sex. The aforesaid section shall include but not be limited to the following: employment, upgrading, demotion or transfer, recruitment advertising, recruitment layoff, termination, rate of pay or other forms of compensation, conditions or privileges of employment and selection for apprenticeship.

Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it be for the best interest of the city to do so.

CITY OF BOSTON

Proceedings of City Council

Wednesday, February 15, 1989.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 1 p.m., President IANNELLA in the chair and all the members present.

Absent, Councillor YANCEY.

OPENING OF MEETING

Rabbi Terry Bard, Director of Pastoral Services at Beth Israel Hospital, delivered the invocation, and the meeting was opened with the salute to the flag.

VISITORS TO CITY COUNCIL

President IANNELLA introduced Councillor Travaglini who, for all the Councillors, presented a citation to Robert P. McIntosh, commending him for his professionalism and self-sacrifice in his care of the five special needs clients of the Life Focus Center in Charlestown who were riding with him when the van which he was driving was in an accident due to icy road conditions.

President IANNELLA introduced Councillor Hennigan Casey, who, for all the Councillors, presented a citation to John Powell, a senior at Roxbury Latin School, West Roxbury, who has recently been named to the 1988 *Boston Globe* All-Scholastic Independent School League Team in football for his outstanding performance during this season, commending him for his outstanding academic and athletic accomplishments.

President IANNELLA also welcomed, for all the Councillors, the Italian Women's Club of Boston, here as the guests of Councillor Menino.

DISAPPROVING ORDINANCE CREATING BOARD OF OVERSEERS FOR BOSTON PUBLIC LIBRARY

The following was received:

City of Boston
Office of the Mayor

February 13, 1989.

To the City Council.

Dear Councillors:

I return herewith, without my signature and disapproved, an ordinance passed by your Honorable Body on January 25, 1989, creating a Board of Overseers for the Boston Public Library.

The reason for my disapproval is that the Board, as an advisory body to the Trustees of the Public Library in the specific area of development, is more appropriately created by special law than by ordinance.

For this reason I must disapprove the ordinance.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

(Annexed hereto is the ordinance referred to.)

Assigned for further action.

APPROPRIATION OF \$485,069.92 FOR LIBRARY OF LAST RECOURSE

The following was received:

City of Boston
Office of the Mayor

February 13, 1989.

To the City Council.

Dear Councillors:

I am submitting herewith an appropriation order in the amount of \$485,069.92 to the Library Department for the Library of Last Recourse.

I respectfully recommend adoption of this order by your Honorable Body.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

Ordered, That in addition to the appropriations heretofore made, to meet salary expenses of the Library Department in the Fiscal Year commencing July 1, 1988, and ending June 30, 1989, that the sum of \$485,069.92 be, and the same hereby is appropriated, said sum to be met from the Commonwealth of Massachusetts under G. L. chapter 78, section 19C as amended by chapter 636 Acts of 1970.

011-110-0110-Library Department, Personal Services, \$485,069.92.

On motion of Coun. MENINO, the rules were suspended; **the order was passed.**

ORDER WAIVING PROVISIONS OF RESIDENCY ORDINANCE FOR CERTAIN TECHNICAL POSITIONS

The following was received:

City of Boston
Office of the Mayor

February 14, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an order waiving the residency requirements of City of Boston Code, Ordinances, Title 5, section 101A, with respect to the positions of Executive Assistant (Director of Valuation Standards MM-12), Assessing Department; Principal Data Processing Systems Analyst (MM-10), Assessing Department; Senior Administrative Analyst (Automated Mapping Manager MM-6), Assessing Department; and the Archivist (MM-11), Office of the City Clerk.

As you are aware, I am an advocate of requiring Boston residency for city employees. However, certain positions exist within the City of Boston which require highly technical training and expertise, and for which a competitive market exists. Even after extensive recruitment and advertising, the city is unable to attract competent applicants for these positions given current residency requirements.

I urge your Honorable Body to pass this order as expeditiously as possible so that we can avert potentially serious problems affecting the operations of these departments by allowing these positions to remain vacant.

Sincerely,

Raymond L. Flynn,
Mayor of Boston.

Whereas, City of Boston Code, Ordinances, Title 5, section 101A establishes a residency requirement for employees of the City of Boston; and

Whereas, Said residency ordinance provides that the Mayor, with the approval of the City Council, may determine it to be in the best interest of the public to waive the provisions of the ordinance with respect to a particular person or position; and

Whereas, Certain positions in the City of Boston re-

quire such highly technical training and expertise that only a very small percentage of the general population are qualified for those positions; and

Whereas, The citizens of the city are benefited by ensuring that highly qualified and competent individuals are employed in such important positions of the city; and

Whereas, It is not in the citizens' interest to leave important positions vacant for long periods of time solely because no qualified Boston residents are available for the positions, when other qualified non-residents are available; and

Whereas, The city's extensive efforts to fill the below-cited positions with qualified City residents have been unsuccessful; now, therefore, be it

Ordered, That it is hereby determined that it is in the best interest of the public to waive the provisions of City of Boston Code, Ordinance, Title 5, section 101A with respect to the following positions: Executive Assistant (Director of Valuation Standards MM-12), Assessing Department; Principal Data Processing Systems Analyst (MM-10), Assessing Department; Senior Administrative Analyst (Automated Mapping Manager MM-6), Assessing Department; and the Archivist (MM-11), Office of the City Clerk; provided, however, that this waiver shall only be applicable to the persons who next fill each of these positions and only for so long as they occupy such positions or are promoted within such positions.

Referred to the Committee on Government Operations.

NOTICE OF HEARINGS FROM DEPARTMENT OF PUBLIC UTILITIES

Notice was received from the Department of Public Utilities of a hearing on March 20, 1989, re Berkshire Cellular, Inc.

Notice was received from the Department of Public Utilities of a hearing on March 3, 1989, re Telefind Corporation.

NOTICE FROM CITY CLERK

Notice was received from the City Clerk in accordance with Chapter 6 of the Ordinances of 1979 re actions taken by the Mayor with regard to the papers acted upon by the City Council at its meeting of January 11, 1989.

Placed on file.

NOTICE FROM BOSTON RETIREMENT BOARD

Notice was received by the City Clerk from James F. O'Donnell, Executive Officer, Boston Retirement Board of the reappointment of John J. Jennings to be a member of the Boston Retirement Board for a term expiring September 30, 1991.

Placed on file.

REQUESTING TRANSFER OF QUINN ATHLETIC COMPLEX FROM SCHOOL DEPARTMENT TO PARKS AND RECREATION DEPARTMENT

Coun. TRAVAGLINI offered the following:

Whereas, The Quinn Athletic Complex in Charlestown is in the care, custody, management and control of the School Department; and

Whereas, Due to other budgeting priorities the School Department has been unable to provide adequate funds for the necessary maintenance and repair of the Complex; and

Whereas, In the past, it has been necessary for the Parks and Recreation Department to provide funds for the emergency repair and maintenance of the Complex; and

Whereas, It is necessary to utilize every facility available to meet the growing recreational needs of the community's children and the various athletic programs benefiting both young and old; and

Whereas, The Parks and Recreation Department is the city agency with the proper expertise and resources necessary to best maintain and utilize the Complex for the greatest public benefit; now, therefore, be it

Ordered, That the Boston City Council, in meeting assembled, call upon Mayor Raymond L. Flynn to have the Public Facilities Commission, under the provisions of chapter 642, s. 12 of the Acts of 1966, transfer the Quinn Athletic Complex in Charlestown from the care, custody, management, and control of the Boston School Department to the care, custody, management, and control of the Boston Parks and Recreation Department.

Passed under suspension of the rules.

ORDINANCE TO REGULATE THE SALE AND POSSESSION OF ASSAULT WEAPONS

Couns. SCONDRAS, BOLLING, HENNIGAN CASEY, McLAUGHLIN, McCORMACK, MENINO, SALLERNO, TRAVAGLINI, and YANCEY offered the following:

City of Boston

In the Year Nineteen Hundred and Eighty-nine
An Ordinance to Regulate the Sale and Possession of Assault Weapons.

Be it ordained by the City Council of Boston, in accordance with the provisions of Massachusetts General Laws chapter 43B, section 13, and any other applicable law, as follows:

Whereas, Incidents of the use of semi-automatic and automatic assault weapons being used to kill school children and others have occurred; and

Whereas, The National Association of Police Organizations has passed a resolution dated January 31, 1989, calling upon the United States Congress to ban such weapons as the AK-47 and other assault weapons; and

Whereas, No national or state legislation now exists to protect residents from the proliferation of assault weapons, the sales of which have rapidly increased; and

Whereas, The City of Los Angeles has passed a ban on such weapons as a result of its concern for the safety of the public; and

Whereas, AK-47s, AR-15s, UZIs, MAC10s and semi-automatic weapons easily converted to automatic weapons have only the purpose of killing people; and

Whereas, Action taken by the Boston City Council might both offer some protection to the residents of Boston and in combination with other cities create a climate in which the Commonwealth of Massachusetts and U. S. Congress might take action; now, therefore be it

Ordered:

Section 1. Legislative Intent.

By the adoption hereof, the Boston City Council makes a legislative judgment that certain semi-automatic and automatic assault weapons have no legitimate place or purpose within the City of Boston and constitute an immediate danger to the life and liberties of the residents of the city and therefore declares the same to be a public

nuisance and forbids the possession, sale, or use thereof within the city as provided below.

Section 2. Definitions.

(a) For the purpose of this ordinance, "assault weapon" shall mean:

(1) All semi-automatic action, centerfire rifles that accept detachable magazines with a capacity of ten rounds or more;

(2) All semi-automatic shotguns with a barrel of less than 19 inches and a folding stock or a magazine capacity of more than six rounds;

(3) All semi-automatic pistols which are modifications of rifles described in (1), that is, having the same make, caliber and action design but a shorter barrel or rear stock or are semi-automatic weapons originally designed to accept magazines with a capacity of ten rounds or more;

(4) Any firearm which may be readily restored to an operable assault weapon; and

(5) Any part or combination of parts, designed or intended to convert a firearm into an assault weapon or any combination of parts from which an assault weapon may be readily assembled if those parts are in the possession or under the control of the same person.

(b) As used in this ordinance, "shotgun" means a weapon which is designed or redesigned, made or remade, to fire a shotgun shell.

(c) As used in this ordinance, "rifle" means a weapon intended to be fired from the shoulder that is designed or redesigned, made or remade, to fire a fixed cartridge.

(d) As used in this ordinance, "semi-automatic" means a weapon which fires a single projectile for each single pull of the trigger and which employs a magazine.

(e) As used in this ordinance, "assault weapon" does not include:

(1) All weapons which do not use fixed ammunition, all weapons which were in production prior to 1898, all manually operated bolt-action weapons, all slide action weapons, all single-shot weapons, all multiple barrel weapons, all revolving cylinder weapons, all semi-automatic weapons with a fixed magazine capacity of ten rounds or less, all semi-automatic weapons which use exclusively mannlicher-style clips, all semi-automatic weapons in production prior to 1954, and all rimfire weapons that employ a tubular magazine;

(2) Any antique or relic firearm, movie prop or other weapon not functionally capable of firing a projectile and not intended for use as a functional weapon and which cannot be readily converted through a combination of available parts into an operable assault weapon;

(3) Any firearm that uses .22-caliber rimfire ammunition;

(4) Any firearm that is declared to be a legitimate sports or recreational firearm by the Commissioner; and

(5) Any assault weapon which has been modified either to render it permanently inoperable or to permanently make it a device no longer defined as an assault weapon.

(f) As used in this ordinance, "Commissioner" shall mean the Police Commission of the City of Boston.

Section 3. Restrictions on Assault Weapons.

(a) The possession, sale, purchase, barter, display, or transfer of an assault weapon is forbidden within the City of Boston. Any assault weapon which may be evidence of a violation hereof shall be seized and held as evidence by a police officer.

(b) Each item possessed, sold, purchased, bartered, displayed or transferred in violation hereof, and every day or part thereof of such violation shall constitute a separate offense; and not only the person so doing, but also his or her employer, partner, agent or servant involved in so doing shall be held to have violated this ordinance. Each violation of this ordinance shall be punished by a fine of two hundred dollars.

(c) The transport of an assault weapon from without the city through the city to a place without the city shall not be deemed a violation hereof provided prior notice is given the commissioner and the same is kept or packaged in accordance with any regulation the commissioner may make.

(d) The commissioner may promulgate such regulations not inconsistent with this ordinance to effectuate its purpose.

(e) The commissioner may revoke licenses granted under chapter 140, section 122 of the General Laws for violations of this Ordinance.

Section 4. Severability.

If any section or subsection or part thereof shall be held unconstitutional or otherwise invalid by any court of competent jurisdiction, the remaining sections, subsections or parts shall not be affected thereby.

Section 5. Transition Period.

Any person who on the effective date hereof has within the city any assault weapon shall within ten days register that fact with the commissioner in such form as the commissioner may prescribe and within six months of the effective date shall remove the same from the city and give notice of such removal to the commissioner. The simple act of possession during such six-month shall not be deemed a violation of this ordinance.

Referred to the Committee on Public Safety.

COMMITTEE ON CITY AND NEIGHBORHOOD SERVICES TO HOLD HEARING RE RICHMOND VERSUS J. A. CROSON CO. DECISION OF UNITED STATES SUPREME COURT RE CERTAIN CITY ACTIONS

Coun. KELLY offered the following:

Whereas, It was reported in the February 13, 1989, edition of both the *Boston Globe* and *Herald* that a contractor is challenging the City of Boston's set-aside program for Minority Business Enterprises; and

Whereas, The issue of set-asides based on color, race, sex or national origin have been declared unconstitutional, except when used to address specific deprivations incurred by those for whom the set-asides are designed to protect; and

Whereas, A set-aside may, in fact, discriminates against non-minority contractors, and as the Supreme Court has made clear, "The guarantee of equal protection cannot mean one thing when applied to one individual and something else when applied to a person of another color . . ."; and

Whereas, The City of Boston has fashioned executive orders and ordinances based upon legislative findings which have not been substantiated, and this practice has been declared as an invalid measure of actual discrimination; and

Whereas, In a letter dated February 1, 1989, the chairman of the City Council's Committee on City and Neighborhood Services has called upon the corporation counsel to answer specific questions relative to the Richmond case as it applies to the City of Boston, and the corporation counsel has not responded to the chairman of that Committee — but has by his assistant corporation counsel made public statements on the same matter, and therefore, must have same documentation to substantiate the statements from his office; be it therefore

Ordered, That the Committee on City and Neighborhood Services conduct a public hearing relative to the matter raised February 1, 1989 letter to the Corporation Council (attached).

(Annexed hereto is the documentation referred to.)

Coun. KELLY moved that the order be referred to the Committee on City and Neighborhood Services.

Coun. YANCEY moved that the order be referred to the Committee on Post Audit and Oversight.

Coun. SCONDRAS moved that the order be placed on the table.

The motion of Coun. SCONDRAS, by rising vote, was not carried.

The motion of Coun. YANCEY was not carried, yeas 6, nays 7:

Yeas — Councillors Bolling, McLaughlin, Salerno, Scondras, Travaglini, Yancey — 6.

Nays — Councillors Byrne, Hennigan Casey, Iannella, Kelly, McCormack, Menino, O'Neil — 7.

The motion of Coun. KELLY was not carried, yeas 6, nays 7:

Yeas — Councillors Byrne, Iannella, Kelly, McCormack, Menino, O'Neil — 6.

Nays — Councillors Bolling, Hennigan Casey, McLaughlin, Salerno, Scondras, Travaglini, Yancey — 7.

Referred to the Special Committee on Equity.

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Wednesday, February 22, 1989, the following-named person be, and hereby is, appointed to the position set against his name until Wednesday, May 24, 1989.

John F. Moynihan, secretary, \$400 per week, full time.

Passed under suspension of the rules.

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Wednesday, February 15, 1989, the following-named person be, and hereby is, appointed to the position set against his name until Wednesday, May 17, 1989.

Anthony Picarello, secretary \$500 per week, full time.

Passed under suspension of the rules.

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Wednesday, February 15, 1989, the following-named person be, and hereby is, appointed to the position set against her name until Wednesday, May 17, 1989.

Laura Wolfe, secretary, \$402.30 per week, full time.

Passed under suspension of the rules.

COMMITTEE ON PUBLIC SAFETY TO HOLD HEARING TO REVIEW MEASURES TO COMBAT AUTO THEFT

Couns. MENINO, O'NEIL, KELLY and McLAUGHLIN offered the following:

Whereas, Boston has, in the past, been named the "car theft capital of the world"; and

Whereas, The number of motor vehicles which are stolen in Boston each year continue to be a serious and persistent problem; and

Whereas, Preventative measures in other cities have proven successful in deterring auto thefts; and

Whereas, Similar measures can be implemented in Boston and administered by the Boston Police Department without additional staff; therefore, be it

Ordered, That the Committee on Public Safety hold a hearing to review measures to combat auto theft, and that the Boston Police Commissioner, Area Superintendents, representatives of the Commissioner of the Boston Transportation Department be invited to testify; and further

Ordered, That representatives from the automobile insurance industry, and public safety officials from other cities which have successfully implemented auto theft deterrent programs also be invited to attend.

Referred to the Committee on Public Safety.

COMMITTEE ON PUBLIC SAFETY TO HOLD HEARING RE HIGH-SPEED POLICE PURSUIT

Coun. McCORMACK offered the following:

Whereas, High-speed police chases in congested urban neighborhoods too frequently result in property damage, personal injury and tragic fatalities involving innocent pedestrians, motorists or police officers themselves; and

Whereas, In attempts to balance the needs of police officers to deter flight by criminals with the obvious public safety risks associated with the chase itself, law enforcement agencies in many jurisdictions have adopted tighter restrictions on high speed chases; and

Whereas, In Boston, a variety of law enforcement agencies, in addition to the Boston Police Department, have jurisdiction to engage in high speed pursuit on Boston's streets; and

Whereas, Each law enforcement agency or department should, for the safety of Boston's residents, have a policy regulative high speed pursuit that is clearly defined and carefully coordinated with that of the Boston Police Department; therefore, be it

Ordered, That the Boston City Council's Committee on Public Safety conduct a public hearing to review the policies and procedures governing high speed pursuit by the Boston Police Department and other law enforcement agencies with jurisdiction to engage in high speed pursuit on Boston's street.

Referred to the Committee on Public Safety.

EMERGENCY PREAMBLE

Coun. BYRNE offered the following:

Whereas, There is insufficient funding available for both the Mayor's war on drugs and the United States Youth Games; and

Whereas, Boston's youth relies on the Youth Games to learn about the role of sports in the game of life; and

Whereas, The Council will not be meeting next week; be it therefore

Ordered, That rules are suspended, the emergency preamble is adopted and the accompanying order is properly before the body.

The Emergency Preamble was adopted.

Rule 11 was suspended.

COMMITTEE ON CITY AND NEIGHBORHOOD SERVICES TO HOLD HEARING RE MATTER OF YOUTH GAMES

Coun. BYRNE offered the following:

Whereas, Notice has been sent from the Parks and Recreation Department stating that the City of Boston will not be participating in the 1989 Youth Games program; and

Whereas, Funding which was once used for the Youth Games will now be used for the substance abuse and drug prevention programs, as part of the Mayor's commitment to winning the war on drugs; and

Whereas, Participation in Youth Games enables the youth of the city to focus their energy and attention on worthwhile activities which offer self-development and at the same time, teach the value of sportsmanship; and

Whereas, The Youth Games have provided outlets for the City's youth for the past twenty-two years, and it would be a shame to discontinue this fine tradition; be it therefore

Ordered, That the Committee on City and Neighborhood Services conduct a public hearing relative to the matter of the Youth Games.

Referred to the Committee on City and Neighborhood Services.

ORDER APPROVING EXPENDITURES OF GRANTS IN AMOUNT OF \$1,998,806.14 FROM JOBS LINKAGE PAYMENTS TO NEIGHBORHOOD HOUSING TRUST

Coun. HENNIGAN CASEY moved that Docket No. 0142, message of the Mayor and order approving expenditures of grants in amount of \$1,998,806.14 from jobs linkage payments to Neighborhood Housing Trust, be taken from the table.

The motion was carried.

On motion of Coun. HENNIGAN CASEY, the rules were suspended; **the order was passed.**

LANDMARK DESIGNATION FOR ST. GABRIEL MONASTERY BUILDING

Coun. McLAUGHLIN moved that Docket No. 0331, order for landmark designation for St. Gabriel Monastery Building, be taken from the table.

The motion was carried.

Coun. McLAUGHLIN moved passage of the order.

The order was passed under suspension of the rules.

EMERGENCY PREAMBLE

Coun. KELLY offered the following:

Under Rule 36 of the City Council Rule 11 is hereby suspended and the following order of an emergency nature is submitted.

The nature of the public emergency necessitating this order is as follows: on September 28, 1988 the City Council passed an ordinance requiring the police commissioner to "prepare and furnish, each week to the City Council, a report on the number of crimes reported in the city during the previous week . . ."

On October 14, 1988, the Mayor submitted his veto message on the same, arguing that "the City Charter prohibits the City Council from directly or indirectly taking part in the executive or administrative business of the city . . ." The City Council overrode that veto in December of 1988.

Irrespective of the Mayor's veto message of October 1988, CBC, Ordinances, chapter 11-1, section 11-1.1 (revised edition) already requires that the police commissioner shall provide the City Council with weekly updates, and since it is unseemly for the police commissioner to be in flagrant violation of the law he is sworn to uphold, and since the City Council must act annually on the Police Department budget, and part of that budget review process necessitates an informed understanding of police operations throughout the city, and since the police commissioner is in a unique position to provide that accounting in a timely manner, and the assimilation of such information is critical to the public safety, health and well-being of all residents, and the absence of that information impedes the operation of the City Council's continuing oversight responsibility under the City Charter, the following order is appropriately introduced under the preceding rule.

The Emergency Preamble was adopted.

Rule 11 was suspended.

COMMITTEE ON PUBLIC SAFETY REQUESTED TO ESTABLISH REGULARLY SCHEDULED WEEKLY MEETING TO RECEIVE FROM MAYOR OR POLICE COMMISSIONER PERSONALLY CERTAIN HERETOFORE DETAIL INFORMATION

Coun. KELLY offered the following:

Whereas, the Mayor has stated that the City Council's ordinance of September 28, 1988 requesting information from the police commissioner is in violation of the City Charter; and

Whereas, The City Council disagrees with that reading of the charter and has overridden the Mayor's veto; and

Whereas, Irrespective of the veto message of the Mayor, the law is already on the books, viz CBC, Ordinances, chapter 11-1, section 11-1.1; and

Whereas, The City Council does have a charter responsibility to act annually on the Police Department budget, and part of that budget review process necessitates an informed understanding of police operations throughout the city; and

Whereas, The police commissioner is the only person qualified to provide that accounting in a timely manner; and

Whereas, The assimilation of such information is critical to the public safety, health and well-being of all residents, and the absence of that information impedes the operation of the City Council's oversight responsibility under the City Charter's oversight responsibility under the City Charter; and

Whereas, Under the provisions of 17F of the City Charter, "The City Council at any time may request from the Mayor specific information on any municipal matter within its jurisdiction, and may request his presence to answer written questions relating thereto at a meeting to be held no earlier than one week from the date of the receipt of said questions, in which case the Mayor shall personally, or through a head of a department or a member of a board or agency, attend such meeting and publicly answer all such questions . . ."; be it therefore

Ordered, That the Committee on Public Safety is hereby requested to establish a regularly scheduled weekly meeting (or meetings) for the purpose of ascertaining from the Mayor or police commissioner, personally, as the City Charter does provide, the information as detailed in CBC, Ordinances, chapter 11-1, section 11-1.1; and be it further

Ordered, That the City Council take such actions as are necessary under its statutory authority to compel attendance at such meetings for the purpose of gathering such information as provided by law.

Referred to the Committee on Public Safety.

CONSENT AGENDA

The chair moved adoption of a Consent Agenda in which the following-named Councillors offered resolutions honoring individuals or organizations as set forth after each Councillor's name:

Councillor Kelly: William H. Doran.

Councillor Yancey: Declaring March 6, 1989, "Crispus Attucks Day"; Drop-A-Dime Report Crime Intelligence Data, Inc.

Councillor Hennigan Casey: Marian Ego, John Powell.

Councillor Travaglini: Robert P. McIntosh, Joseph and Janice DiLuigi.

Councillor Byrne: Declaring February 20, 1989, "Daniel Leary Day."

Councillor Bolling: John Stephens.

On motion of Councillor Iannella, Rule 11 was suspended in order to add the following matters to the Consent Agenda:

Councillor McLaughlin: Walter Cusack.

Councillor Iannella: Declaring week of February 27 to March 2, 1989, "Music Education Week."

The matters contained within the Consent Agenda were severally adopted.

NEXT MEETING

Coun. MENINO moved that when the Council adjourn today it be to meet again on March 8, 1989, at 1 p.m.

The motion was carried.

Adjourned at 2:20 p.m., on motion of Councillor Menino, until Wednesday, March 8, 1989, at 1 p.m.

Note: All debate of City Council eliminated from proceedings in accordance with chapter 447, Acts of 1947.

AFFORDABLE HOUSING IN BOSTON GETS FINANCIAL BOOST IN NEW 'LINKAGE PARTNERSHIP'

To accelerate the City's linkage program, Mayor Raymond L. Flynn announced an arrangement with Metropolitan Life and The Prudential that will provide \$10.8 million to help expedite the production of 1,174 housing units this year. The financial package is being called a national model, and represents the first time a city has received this degree of confidence from the private sector to create affordable housing.

The 'Linkage Partnership' was announced by Mayor Flynn recently at 640 Tremont Street in the South End, one of the sites that will directly benefit from the financial package.

Mayor Flynn said, "The lack of decent, affordable housing remains an every day fact of life for the average family in communities all across America. This Partnership will help bring much needed affordable housing at prices Boston working, needy families can afford. With the federal government turning its back on America's cities, and the state experiencing financial difficulties, this 'Linkage Partnership' is absolutely essential.

"With the investment by these two socially responsible corporations, we can help address this pressing housing problem today, not a decade from now," said Mayor Flynn.

The investment, which brings to \$15.1 million the money awarded for linkage projects this year, will go to twenty-two housing projects that normally would have waited seven to twelve years for linkage funds, according to Larry Dwyer, Chairman of Mayor Flynn's Neighborhood Housing Trust, the agency that distributes linkage funds to community groups.

John F. Loehr, Regional Manager for Metropolitan Life Real Estate Investments, who presented a check for \$7.4 million to Mayor Flynn, said, "We support the efforts made by Boston to provide affordable housing for its citizens. This 'Linkage Partnership' demonstrates how the private sector can make prudent financial investments while helping communities meet a serious social need. We are delighted to be part of the national model for this innovative program."

The Prudential presented a check for \$3.4 million. Robert J. Walsh, Vice-President of Real Estate Development, said, "Quality, affordable housing remains a cornerstone of the American dream. Prudential is proud to join with Mayor Flynn in his commitment to develop unique ways to bring this dream to reality for families in Boston."

Others joining Mayor Flynn at the ceremony were BRA Director Stephen Coyle, Pine Street Inn Director Rich Ring, Neighborhood Housing Trust Chairman Larry Dwyer, Public Facilities Director Lisa Chapnick, and Clara Garcia, Director of the Inquilinos Boricuas en Accion (IBA), the South End community group developing the 640 Tremont Street project, where 27 affordable housing units are being created.

TAXI DRIVERS RECEIVE STAR DRIVER AWARDS FROM MAYOR FLYNN

Seventy-six Checker and Town Taxi drivers have been designated "STAR DRIVERS" by the American Transportation Insurance Company. They received gold and blue medals of distinguished service to the riding public from Mayor Raymond L. Flynn at special ceremonies in the Mayor's offices recently.

Each driver has qualified for the STAR DRIVER designation for safe driving and professional and courteous service to customers. The 76 drivers honored have 600 years of service, representing over fifty million miles of accident-free performance. Carol S. Parks, Executive Vice-President of American Transportation Insurance Company, introduced Mayor Flynn at the special awards ceremony.

Shortly after founding Checker Taxi

Company 68 years ago, Frank Sawyer established a safe-driver program, later introduced at Town Taxi and Red Cab in Brookline, that has become the hallmark safety program of the American Taxi Industry.

In addition to regular driving duties, Checker and Town drivers have also served the public as unofficial "Sentries of Safety" who report undetected fires or potential criminal activity to the Boston Police and Fire Departments.

According to Sawyer, "We have always been proud to help Boston and its people grow and prosper and provide its millions of visitors with the best and safest taxi transportation found anywhere. The 76 men and women we honor exemplify our credo of public service that began sixty-eight years ago."

PUBLIC DISCLOSURE IN DEVELOPMENT PROJECTS

The Boston Zoning Commission has unanimously approved an amendment to Boston's zoning code which establishes new, more stringent regulations governing public disclosure of all partners in any development project receiving city approval.

The amendment, which applies to projects of more than 100,000 square feet, requires identification of individuals even if their interest is through a trust. All beneficiaries of a project have to be disclosed, and if the interest held is higher than one percent, then the amount of the interest must also be disclosed.

The new amendment will take effect when Mayor Raymond L. Flynn signs the measure.

Mayor Flynn said, "We think this is a measure which will improve and enhance public confidence in the entire development review process carried out by city agencies.

The new regulation requires disclosure of the firms (law, architecture, planning, surveying, engineering, etc.) acting on behalf

(Continued on next page)

Public Disclosure . . .

(Continued from front page)

of a project. The disclosure requirement will be enforced by withholding approval of the project until a full disclosure statement is filed with the city.

Information provided the city must either be affirmed by oath or signed subject to the penalties of perjury.

The amendment was proposed to the Zoning Commission by the Boston Redevelopment Authority after a survey of disclosure requirements in various states and municipalities revealed that such regulations are generally lacking. The Boston amendment is generally considered to be the most stringent required by any city in the country. The Commonwealth of Massachusetts requires similar disclosure of beneficial interest in development projects, but the state measure applies only to projects developed on publicly owned land.

TUFTS UNIVERSITY ANNOUNCES SPRING REGISTRATION FOR CHILDREN'S PROGRAM

Spring Session 1:

January 13-March 24, 1990

Spring Session 2:

March 31-June 9, 1990

The Tufts Arena Theater is proud to announce spring registration for the new Tufts Stuff Children's Theater, a school year drama program for children in grades 2-7 (ages 7-12) focusing on the creative processes of drama. Workshops will be held every Saturday morning from 9:30-12:30 which will challenge the youngsters' natural creativity and will provide the opportunity for personal expression in and appreciation of the arts. There are two sessions scheduled for the spring. Spring Session 1 will run from January 13-March 24 and Spring Session 2 will run from March 31-June 9. Spring Session 2 will include a final production in the Tufts Arena Theater which will be open to the public.

For more information and for a brochure/application form, please call Joanne Barnett at 381-3493.

HCHP OPENS NEW CENTERS IN COPLEY, SOMERVILLE, AND CHELMSFORD

Between December 1, 1989, and January 2, 1990, Harvard Community Health Plan (HCHP) will open three new Health Centers located next to Copley Square, Somerville's Davis Square, and in Chelmsford.

The Copley Health Center is located on the corner of Dartmouth and Stuart Streets, a short walk from the T's Copley or Back Bay stations. The Somerville Health Center is located in the heart of Davis Square next to the T's Davis Square station. The Chelmsford Health Center is located on Route 129 just off the intersection of Routes 3 and 495.

Each center will offer primary care in internal medicine and pediatrics and services such as gynecology, mental health, obstetrics, optometry, general surgery, and orthopedics. The centers also have labs, x-ray services, a pharmacy, and an optical shop.

Upon joining HCHP, members will choose their own personal physician. In addition to a \$3 fee for most office visits and prescriptions, members can enjoy discounts to selected local area health clubs.

THE ADOPT-A-STATUE PROGRAM

The goal of Adopt-A-Statue is to achieve funding for the restoration of thirty-nine pieces of outdoor public art and to establish a permanent maintenance endowment which would provide for the annual cleaning and maintenance of sixty-nine pieces.

To invite individuals, groups of individuals or corporations to "adopt" a piece of Boston outdoor public art by either:

- incurring the total cost of restoring and maintaining a particular piece of art or

CONTRACTS AWARDED AFTER ADVERTISING ("Requests for Qualifications") ("Requests for Proposals") ("Technically Deficient Bids")

The Mayor has approved the awarding of the contracts based on the following communications:

CABLE COMMUNICATIONS Consulting Services

Dear Mr. Mayor:

In response to an advertisement published in the *City Record* of April 10, 1989, requesting proposals for technical consulting services related to the development and implementation of municipal communications services on the cable system's Public Institutional Network, one proposal was received, from: Appropriate Media Services, Inc., 30 Worthington Street, Boston, MA 02120.

After carefully reviewing the Appropriate Media Services proposal, I have reached the conclusion that Appropriate Media Services meets all of the City's qualifications and will very capably serve the needs of the City. I see no need for any further public advertising of this position.

Under the terms of this contract, Appropriate Media Services, Inc. will provide professional services to the Office of Cable Communications in an amount not to exceed \$10,000. The period of service for this contract will be July 1, 1989, to June 30, 1990, at an hourly rate of \$45.

Appropriate Media Services, Inc. will be advising the City on matters relating to cable services and equipment, specifically with respect to the suitability and configuration of the cable plant in delivering desired municipal services and programming on the Public Institutional Network (PIN).

Over the past three fiscal years, Appropriate Media Services, Inc. has been contracted for services by the Office of Cable Communications and has performed satisfactorily. Contracts were awarded in the following amounts: FY89 — \$10,000; FY88 — \$15,000; and FY87 — \$25,000. AMS also was awarded a video production contract in the amount of \$42,480 in FY88.

Sincerely,
Thomas P. Cohan,
Director.

JOBS AND COMMUNITY SERVICES Professional Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Karen S. Feldman, an individual residing at Somerville, for the purpose of providing professional services in support of homeless persons in the City of Boston on behalf of the Mayor's Office of Jobs & Community Services (JCS) and City of Boston's Long Island Shelter.

Under the terms of the contract, Ms. Feldman will assist in the development and implementation of a newly established Employment Services Program (ESP) for guests of the Long Island Shelter. As the Assistant Coordinator of Employment Services for the Homeless, she will report to the Coordinator and directly supervise the "job retention" portion of the ESP. Ms. Feldman was selected after a careful review of her credentials and background, based on her resume and letter submitted in response to advertisements in the *City Record* on May 8, 1989 and May 15, 1989, and the *Boston Sunday Globe* on May 14, 1989. She was one of six (6) persons who re-

sponded to the advertisements, and all were interviewed.

Compensation under the terms of this contract shall not exceed \$27,000, payment being made from funds awarded to the City of Boston from the United States Department of Housing and Urban Development (HUD) for Supplemental Assistance for Facilities to Assist the Homeless (SAFAH). The period of performance shall be for a period of one year from the date Ms. Feldman starts, which will be no earlier than July 17, 1989. The submission of this letter has been delayed due to the length of time involved in the candidate review and selection process.

As this is a negotiated contract for professional services at a reasonable cost, based upon a publicly advertised selection process, no public purpose would be served by further advertising.

Sincerely,
Theodore C. Landsmark,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Carol Fabian, an individual residing at Hingham, for the purpose of providing professional services in support of homeless persons in the City of Boston on behalf of the Mayor's Office of Jobs & Community Services (JCS) and City of Boston's Long Island Shelter.

Under the terms of the contract, Ms. Fabian will assist in the development of a newly established Employment Services Program (ESP) for guests of the Long Island Shelter. As Coordinator of Employment Services for the Homeless, she will report to JCS/JobStart Division and supervise another consultant serving as the Assistant Coordinator of the ESP. Ms. Fabian was selected after a careful review of her credentials and background, based on her resume and letter submitted in response to advertisements in the *City Record* on May 8, 1989 and May 15, 1989, and the *Boston Sunday Globe* on May 14, 1989. She was one of six (6) persons who responded to the advertisements, and all were interviewed.

Compensation under the terms of this contract shall not exceed \$32,000, payment being made from funds awarded to the City of Boston from the United States Department of Housing and Urban Development (HUD) for Supplemental Assistance for Facilities to Assist the Homeless (SAFAH). The period of performance shall be for a period of one year from the date Ms. Fabian starts, which will be no earlier than July 17, 1989. The submission of this letter has been delayed due to the length of time involved in the candidate review and selection process.

As this is a negotiated contract for professional services at a reasonable cost, based upon a publicly advertised selection process, no public purpose would be served by further advertising.

Sincerely,
Theodore C. Landsmark,
Director.

Transportation Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Mission Hill Link, Inc., a non-profit corporation, located at 1530 Tremont Street, Roxbury. Under the terms of the contract, the contractor will provide low cost bus transportation services to approximately 500 low- and moderate-income residents of the Mission Hill community.

The contractor was selected based upon an evaluation of its proposal submitted in response to a refunding Request for Proposals (RFP) issued by the Mayor's Office of Jobs and Community Services (JCS) on March 3, 1989. Costs were determined to be reasonable after extensive analysis by JCS staff. The extremely competitive proposal review process focused primarily on the contractor's performance during the prior contract period, but other selection criteria included administrative capability, the ability to serve the targeted client population, and the need for the proposed services. The issuance of this refunding document was the culmination of an exhaustive planning process which began in September of 1988. Citizen participation was crucial, for during the period from January 18, 1989, until February 9, 1989, 11 neighborhood meetings were held across the entire City to solicit community involvement and input in determining funding priorities, culminating in a City-wide hearing held on February 28, 1989. The public notice for the City-wide hearing was advertised in the *City Record* on January 30, 1989.

Compensation under the terms of this contract shall not exceed \$19,000, payment being made from the Community Development Block Grant (CDBG) program. The period of performance shall be from July 1, 1989, until June 30, 1990. This contractor has had contracts with this agency for this program for the previous three fiscal

years at the following funding amounts: FY87 — \$20,250; FY88 — \$27,000; and FY89 — \$20,000. This request has been delayed due to the length of time involved in the funding review process.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals submitted in response to a competitive, publicly advertised refunding process, I believe that further public advertising would serve no useful purpose.

Sincerely,
Theodore C. Landsmark,
Director.

Counseling, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the AIDS Action Committee of Massachusetts, Inc., a non-profit corporation, located at 131 Clarendon Street, Boston. Under the terms of the contract, the contractor will provide a variety of counseling and support services to approximately 175 clients with AIDS or AIDS-Related Complex, as well as provide informational services to high risk populations.

The contractor was selected based upon an evaluation of its proposal submitted in response to a refunding Request for Proposals (RFP) issued by the Mayor's Office of Jobs and Community Services (JCS) on March 3, 1989. Costs were determined to be reasonable after extensive analysis by JCS staff. The extremely competitive proposal review process focused primarily on the contractor's performance during the prior contract period, but other selection criteria included administrative capability, the ability to serve the targeted client population, and the need for the proposed services. The issuance of this refunding document was the culmination of an exhaustive planning process which began in September of 1988. Citizen participation was crucial, for during the period from January 18, 1989, until February 9, 1989, 11 neighborhood meetings were held across the entire City to solicit community involvement and input in determining funding priorities, culminating in a City-wide hearing held on February 28, 1989. The public notice for the City-wide hearing was advertised in the *City Record* on January 30, 1989.

Compensation under the terms of this contract shall not exceed \$32,300, payment being made from the Community Development Block Grant (CDBG) program. The period of performance shall be from July 1, 1989, until June 30, 1990. This contractor has had contracts with this agency for this program for the previous three fiscal years at the following funding amounts: FY87 — \$36,000; FY88 — \$38,000; and FY89 — \$34,000. This request has been delayed due to the length of time involved in the funding review process.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals submitted in response to a competitive, publicly advertised refunding process, I believe that further public advertising would serve no useful purpose.

Sincerely,
Theodore C. Landsmark,
Director.

Office Skills Training

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Oficina Hispana, a non-profit corporation, located at 125 Amory Street, Boston, for the purpose of providing vocational

training. Under the terms of the contract, the contractor will operate an office skills training program for approximately nine eligible participants. In addition, counseling and job placement services will be provided.

The contractor was selected based upon an evaluation of its performance during the FY 1988 and the first half period of FY 1989. This refunding process was extremely competitive, as there has been a significant reduction in funds available under the Job Training Partnership Act (JTPA) for adult skills training programs during FY 1990. While the program review process focused primarily on the contractor meeting negotiated performance standards, other selection criteria included administrative capability, the ability to serve the targeted client population, and the need for the proposed services. The planning for the FY 1990 JTPA program administered by JCS began in October of 1988. The public notice announcing the procurement process for adult skills training programs was advertised in the *Boston Sunday Globe* on March 5, 1989, and in the *City Record* on March 6, 1989.

Compensation under the terms of this contract shall not exceed \$27,000, payment being made from funds received under the Job Training Partnership Act (JTPA). The period of performance shall be from July 1, 1989, until June 30, 1990. This contractor has had contracts with this agency for this program for the previous three fiscal years at the following fund amounts (JTPA funds only): FY87 — \$40,050; FY88 — \$33,000; and FY89 — \$30,000. This request has been delayed due to the length of time involved in the funding review process.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and performance review as part of a competitive, publicly advertised refunding process, I believe that further public advertising would serve no useful purpose.

Sincerely,
Theodore C. Landsmark,
Director.

**PUBLIC FACILITIES DEPARTMENT
Consultant Services**

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 27, 1989, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to David M. Trietsch, an individual, residing at Brookline. Under the terms of this contract, the contractor will provide consulting services to the Director of Public Facilities for development, review and evaluation of the department's programs; guidance on State and Federal legislation and programs; and project review and management toward facilitating housing development.

Compensation under this contract shall not exceed \$57,750, payable at a rate of \$32 per hour. The contractor is under contract with Public Facilities for fiscal year 1989; compensation is for \$52,500, payable at a rate of \$30 per hour. Mr. Trietsch has also held contracts with this department for the previous two fiscal years; each compensated at a rate of \$30 per hour, which totaled \$45,000 in 1988 and \$50,000 in 1987. The term of this contract shall be from July 1, 1989, to June 30, 1990.

The contractor was selected based upon a thorough evaluation of his proposal submitted in response to a publicly advertised request for proposals in *The Boston Globe* on March 27, 1989

and *City Record* on April 3, 1989. Mr. Trietsch's proposal was one of two received and evaluated. Mr. Trietsch's proposal rated considerably higher based on the following criteria: familiarity with Public Facilities' policies, programs and activities; experience providing similar services; qualifications of respondent; approach to and methodology for outlined tasks; and quality of proposal. Furthermore, costs were determined to be at an acceptable rate for someone with considerable experience in community development; and legislation and policies of Federal and State government programs.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 22, 1989, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to AM-TECH engineers, Inc., a Massachusetts corporation, with offices at 99 Chauncy Street, Boston, providing design services for renovations to the Fire Alarm Headquarters Building at the Fenway. Scope of work will include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$29,300 (including \$6,000 for supplementary services), which is a fixed fee of 10 percent based on an estimated cost of construction of \$233,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for 36 months from the date of execution.

Following the advertisement of this project in *The Boston Globe* on April 10, 1989, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c.7, 38A 1/2 et seq. The Committee evaluated 4 proposals submitted by the applicants and determined AM-TECH Engineers, Inc. most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each Committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalist, in order of rank, was as follows:

AM-TECH Engineers, Inc., 99 Chauncy Street, Suite 808, Boston, MA 02111, 4; SAR Engineering, Inc., 335 Broadway, Cambridge, MA 02139, 8; Sheker & Associates, Inc., 775 Pleasant Street, #4, East Weymouth, MA 02189, 11.

I believe AM-TECH Engineers, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

**TREASURY DEPARTMENT
Operations Analyst**

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 3, 1989, William Arrigal, Dorchester, has responded and has been deemed qualified to provide professional services as Operations Analyst for the Treasury Department. Mr. Arrigal has previously worked for the Treasury Department and his previous contracts were FY 89 — \$25,000, FY 88 — \$12,459, not applicable for FY 87.

Under the terms of the contract, the contractor will be responsible for designing, organizing and implementing a comprehensive records storage and retrieving system, particularly as it relates to prior years' property tax records. This project is essential to the implementation of this department's goal of quickly resolving delinquent tax cases where research is necessary.

Therefore, I request your authorization for the award of a contract to William Arrigal in an amount not to exceed \$27,250, payable at a weekly rate of \$567.71, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Mr. Arrigal has in this area, it is my determination that no public purpose would be served by further advertisement.

Sincerely,
Lee F. Jackson,
Collector-Treasurer.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

**PUBLIC WORKS DEPARTMENT
Testing of Materials, etc.**

Dear Mr. Mayor:

On July 13, 1988, you approved the award of a contract to Thompson & Lichtner Co., Inc., of 111 First Street, Boston, for testing of materials and plant inspection of construction materials (portland cement concrete) SC-7330(89), at a cost not to exceed \$75,000, for the period July 1, 1988, to December 31, 1989.

Your permission is respectfully requested to amend this contract to provide for additional funds for work not anticipated in the original contract.

On August 10, 1988, an Addendum was added to this contract to provide for a testing service that was to be provided by another vendor. The other vendor requested to be relieved of this testing service and this was added to the Scope of Services of Thompson & Lichtner Co. This added service has added significantly to the original cost of the contract.

The cost of this amendment, which is effective on June 1, 1989, shall not exceed \$55,000, a fixed cost, which I have determined to be reasonable for the work. The contract, as amended, shall not exceed \$130,000.

This amendment is being prepared at this late date as the billings are one month behind and we just recently received bills for May and we were able to fully estimate the cost of the additional funds.

Inasmuch as this work is related directly to and in conjunction with an existing contract, I feel that public advertising would serve no useful purpose.

Sincerely,
Joseph F. Casazza,
Commissioner of Public Works.

Engineering Services

Dear Mr. Mayor:

On March 1, 1987, you approved the award of a contract without public advertising for bids, to Universal Engineering Corp., of 100 Boylston Street, Boston, for engineering services relative to the replacement of the north fender pier of the Andrew P. McArdle Bridge over Chelsea River, SC-7690 (87), at a cost not to exceed \$65,000, for the period February 1, 1987, to December 31, 1988, which was amended to \$72,500, and was extended to December 31, 1990.

A redesign of the dolphins, as well as the operation of the dredging and disposal of silt has resulted in a cost overrun, attributable to the U.S. Coast Guard directive to provide dolphins at each end of the fender pier.

The cost of this amendment, which is effective on July 15, 1989, shall not exceed \$10,100, which I have determined to be reasonable for the work. The contract, as amended, shall not exceed \$82,600.

Inasmuch as this work is related directly to and in conjunction with an existing contract, I feel that public advertising would serve no useful purpose.

Sincerely,
Joseph F. Casazza,
Commissioner of Public Works.

SCHOOL DEPARTMENT Audit Services

Dear Mr. Mayor:

Attached is a letter dated March 16, 1987, in which the School Department requested that a contract be awarded to Coopers and Lybrand, One Post Office Square, Boston, for the Audit of the School Bus Transportation Program (two years) for a total of \$110,000. The contract contains an option to renew for the years 1987-88 and 1988-89 at a 5 percent increase as stated in the Contract (see CO4668-87).

Also attached is a letter dated June 30, 1988, requesting approval of a second year option in the amount of \$57,750 (CO4668-88). This request was later amended to \$83,500 to allow for additional audit services, extension of contract date, etc. (Refer to letter dated May 8, 1989).

Inasmuch as we have advertised this contract in the *City Record* on Monday, June 26, 1986, and we have provided in the original contract the option to renew for a third year, we request your permission to implement the option to renew for the period June 1, 1989, through December 31, 1989, at a cost not to exceed \$70,637.50, a price I deem reasonable. This figure represents a 5 percent increase over and above the original figure of \$57,750 for the second year option (\$57,750 + \$2,887.50 = \$60,637.50).

Last year we found it necessary to amend the contract to provide additional services (e.g. Audit of fringe benefits and parts inventory of National School Bus Service and payroll audit of terminal employees at Transcom (I.C.B.M.). Since we cannot anticipate at the beginning of the

school year the full need of audit services against this contract we have added an additional \$10,000 for unanticipated services, if required.

Very truly yours,
Leo J. Burke,
Business Manager.

DEPARTMENT OF HEALTH AND HOSPITALS

Invitation for Bids to Provide Supplies and Services Necessary to Remove Infectious Waste (Etiological Agents) from Boston City Hospital.

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, Boston City Hospital, third floor, Administration Building, 818 Harrison Avenue, Boston, Mass., on or after twelve noon, Boston time, on Monday, November 27, 1989.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Monday, December 11, 1989, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

LIBRARY DEPARTMENT

**Invitation for Proposals for Supplying and
Delivering Janitorial Miscellaneous Supplies.**

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for supplying and delivering janitorial miscellaneous supplies, as specified, to the Boston Public Library.

Proposals will be received until 12 o'clock noon, Boston time, Wednesday, December 13, 1989, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston

Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation BID PROPOSAL, followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Monday, November 27, 1989, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

PUBLIC WORKS DEPARTMENT

Proposal for Utility Construction in Lorne Street, Wilbert Road and Wilbert Circle in West Roxbury.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass. after Monday, November 27, 1989.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, December 14, 1989, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority and Women Business Enterprise Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority and Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority and Women Participation section of this contract, the general contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for Women Business Enterprise. For the purpose of this paragraph, the term minority and women business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Native American, Asian, or Cape Verdean) or women.

Each general contractor must complete, sign, and file with his bid the Minority and Women Business Utilization Form. The Minority and Women Business Utilization Form shall be completed and signed by the Minority and Women Business Enterprise and the general contractor. FAILURE TO SUBMIT A COMPLETED MINORITY AND WOMEN BUSINESS UTILIZATION FORM WITH THE BID PROPOSAL WILL RESULT IN THE REJECTION OF THE BID.

The City of Boston Minority and Women Business Directory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority and Women Business Office, 43 Hawkins Street, Boston, MA 02114, telephone number 723-1400, Ext. 277. IF A CONTRACTOR WISHES TO USE A MINORITY AND/OR WOMEN BUSINESS THAT IS NOT LISTED IN THE DIRECTORY, HE MUST CONTACT THE MINORITY AND WOMEN BUSINESS OFFICE TO OBTAIN AN IDENTIFICATION STATEMENT, COMPLETE THE STATEMENT, AND SUBMIT THE STATEMENT WITH HIS BID. The dollar amount obligated to a non-certified (City of Boston) minority/women business will not count towards the minority/women business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority and Women Business Utilization requirements are invited to attend prebid conference to be held on Monday, December 4, 1989, at 10 a.m., in Room 714, Contract Compliance Office, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

PUBLIC WORKS DEPARTMENT

Proposal for Furnishing 31-Yard Packer Truck Totally Enclosed Steel Bodies for the Period January 1, 1990, to June 30, 1990.

The Commissioner of Public Works, of the City of Boston, Room 714 (Contract Office) City Hall, invites proposals for furnishing 31-yard packer truck totally enclosed steel bodies for the period January 1, 1990, to June 30, 1990.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), City Hall. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Furnishing 31-Yard Packer Truck Totally Enclosed Steel Bodies for the period January 1, 1990, to June 30, 1990," and left at Room 714 (Contract Office), seventh floor, City Hall, before 2 p.m. of Thursday, December 14, 1989.

Proposal guaranty shall consist of a bid deposit of 5 percent of total bid price, but in no event less than one hundred dollars (\$100), nor more than fifty thousand dollars (\$50,000), in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening of bids. All proposals must be from bidders of record on file at Room 714 City Hall. There will be a charge of five dollars (\$5). NOT REFUNDABLE, for each set of contract documents taken out.

Anti-Discrimination Affirmative Action. During the performance of this contract the general contractor shall agree and shall require that his subcontractors agree to the following.

In connection on with the performance of work under this contract the contractor shall not discriminate against any employee or applicant for employment because of race, color, religious creed, national origin, age or sex. The aforesaid section shall include but not be limited to the following employment, upgrading demotion or transfer, recruitment advertising, recruitment layoff termination, rate of pay or other forms of compensation, conditions or privileges of employment and selection for apprenticeship.

Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it before the best interest of the city to do so.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to Sarmiento Memorial, Commonwealth Avenue Mall, Boston, Mass.

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to Sarmiento Memorial, Commonwealth Avenue Mall, Boston, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, and equipment necessary to install a granite planter and paving repairs. Estimated cost, \$25,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, December 7, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, October 16, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Di-

rectory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department, Affirmative Action Office, 1010 Massachusetts Avenue, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services, Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods and services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, November 28, 1989, at 10 a.m., Boston time.

CITY OF BOSTON

Proceedings of City Council

Wednesday, February 8, 1989.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 1 p.m.. President IANNELLA in the chair and all the members present.

Absent, Councillor YANCEY.

OPENING OF MEETING

The Reverend Elizabeth Ellis-Hagler, Senior Minister of the Benevolent Fraternity of Unitarian Ministers, delivered the invocation, and the meeting was opened with the salute to the flag.

SUPPLEMENTAL APPROPRIATION OF \$16,035,000 FOR CERTAIN DEPARTMENTAL EXPENDITURES

The following was received:

City of Boston
Office of the Mayor

February 3, 1989.

To the City Council.

Dear Councillors:

I transmit herewith a proposed Supplemental Appropriation for the City of Boston, passage of which will cover certain departmental expenditures for the remainder of the current fiscal year. Revenue to support these appropriations will be drawn from available funds. There are, however, a number of significant facts concerning this request that deserve mention.

First, the proposed Supplemental Appropriation for FY89 represents the smallest request when compared to supplemental budgets over the past four years, even including the previously approved Supplemental Appropriation for the School Department. This Administration remains committed to its promise of maintaining a balanced budget. At the same time though, the request will also insure that the people of the City of Boston are provided with improved levels of city services, a commitment of comparable importance.

Second, passage of the Supplemental Appropriation will signal completion, one fiscal year ahead of schedule, of the requirement of c. 701 of the Acts of 1986 which mandated that the City of Boston include in its annual appropriation a Reserve Fund, set at 2½ percent of the preceding year's appropriations for city and county departments. The addition of \$3.9 million to the statutory Reserve Fund fulfills the requirements of c. 701, and signifies the commitment of this Administration to maintaining fiscal stability and long-term financial planning. It is also important to note that adoption of the Supplemental Appropriation means that over 24 percent of the money is earmarked not to be spent.

The largest proposed appropriation is for the Department of Health and Hospitals, and is designed to fund collective bargaining costs associated with the new contract covering wage increases for the city's registered nurses. There is also a significant increase in the amount of money in the budget for the Department of Health and Hospitals to improve AIDS treatment, plus new funds to cover costs for the city's homeless program, dollars which had originally been expected to be paid by the Commonwealth of Massachusetts.

The proposed appropriation for the Police Department is to cover overtime costs, resulting from increased Administration commitments to improve public safety within the City of Boston, especially in Area B, as well as improved efforts to control drugs and drug-related crimes throughout the city.

The proposed new spending level for the Inspectional Services Department deals with the unexpected need to assume the cost of the previously state-funded rodent control program, as the state has terminated funding for this important service. In addition, the city is adding funds in order to permit ISD to reinstitute a program of inspecting ground-water levels in certain sections of the City of Boston.

The proposed increment for the Real Property Department improves the level of care and maintenance of city-owned buildings, and in particular targets funds for mechanical systems repair.

Finally, the proposed Supplemental Appropriation for the Transportation Department adequately funds the city's effort to fully develop and implement an arterial street-sweeping program.

Your action on this request is appreciated.

Sincerely,

Raymond L. Flynn,
Mayor of Boston.

Ordered, That in addition to the appropriations heretofore made, to meet current operating expenses in the fiscal period commencing July 1, 1988, and ending June 30, 1989, the sum of \$16,035,000 be, and the same hereby is, appropriated in the amounts and to the respective accounts set forth below, said sum to be met from free cash as certified by the Director of the Bureau of Accounts:

011-211-0211 — Police Department, Personal Services, \$4,100,000.

011-610-0610 — Health and Hospitals Department, Personal Services, \$5,000,000; Contractual Services, \$1,950,000.

011-261-0260 — Inspectional Services Department, Personal Services, \$125,000; Contractual Services, \$30,000.

011-383-0383 — Reserve account, Special Appropriation, \$3,900,000.

011-180-0180 — Real Property Department, Personal Services, \$121,000; Contractual Services, \$248,000; Current Charges, \$6,000; Equipment, \$5,000.

011-251-0250 Transportation Department, Personal Services, \$550,000.

Referred to the Committee on Ways and Means.

APPROPRIATION OF \$300,000 FROM INCOME OF GEORGE F. PARKMAN FUND

The following was received:

City of Boston
Office of the Mayor

February 3, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an order appropriating \$300,000 from the income of the George F. Parkman Fund. The funds are to be expended under the direction of the Commissioner of Parks and Recreation for the maintenance and improvement of Boston Common and parks in existence on January 12, 1887.

I urge your Honorable Body to pass this order as expeditiously as possible so that the funds can be spent in accordance with Mr. Parkman's bequest.

Respectfully,

Raymond L. Flynn,
Mayor.

Ordered, That the sum of \$300,000 be, and hereby is, appropriated from the income of the George F. Parkman Fund to be expended under the direction of the Commissioner of Parks and Recreation for the maintenance and improvement of Boston Common and parks in existence on January 12, 1887.

Referred to the Committee on Ways and Means.

APPROPRIATION OF \$194,302.23 FOR EASTERN REGIONAL PUBLIC LIBRARY

The following was received:

City of Boston
Office of the Mayor

January 24, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an appropriation order in the amount of \$194,302.23 for the Eastern Regional Library from funds currently held by the Collector-Treasurer.

I respectfully recommend adoption of this order by your Honorable Body.

Very truly yours,
Raymond L. Flynn,
Mayor of Boston.

The Public Library
of the City of Boston

January 18, 1989.

Hon. Raymond L. Flynn,
Mayor of the City of Boston.

Dear Mr. Mayor:

It is respectfully requested that your Honor introduce into the City Council, an appropriation order whereby there will be made available in the Eastern Regional Library's budget (031-110-1012), the sum of \$194,302.23, which is currently being held by the Collector-Treasurer.

This appropriation order represents the State Reimbursement for the months of September and October, 1988 for the Eastern Regional Library system as provided in the Contract between the Commonwealth of Massachusetts, acting by the Board of Library Commissioners in its Department of Education and the City of Boston, acting by the laws of the Commonwealth of Massachusetts, c. 78, s. 19, which became effective on October 16, 1966.

This request is being made at this time in order that the Revolving Fund being used for the operation of the Eastern Regional Library System may be reimbursed.

Sincerely,
Arthur Curley,
Director and Librarian.

Ordered, That from State funds received by the city under chapter 78, s. 19 of the Massachusetts General Laws and held by the Collector-Treasurer, the sum of \$194,302.23 be, and hereby is, appropriated to the Board of Trustees in charge of the Library Department for the purpose of the Eastern Regional Public Library.

031-110-1012 — \$194,302.23.

On motion of Coun. MENINO, the rules were suspended; the order was passed.

GRANT OF \$67,119 FROM ACTION

The following was received:

City of Boston
Office of the Mayor

February 3, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an order authorizing the Mayor, acting by and through the Commission on Affairs of the Elderly to apply for, accept and expend on behalf of the City of Boston a grant of \$67,119 from ACTION.

These funds will be used for the operation of the Retired Senior Volunteer Program for the period January 1, 1989, through December 31, 1989.

I urge your Honorable Body to pass this order as expeditiously as possible.

Respectfully,
Raymond L. Flynn,
Mayor of Boston.

Ordered, That the Mayor, acting by and through the Commission on Affairs of the Elderly, be, and hereby is, authorized to apply for, accept and expend in accordance with section 53A of chapter 44 of the General Laws, a grant in the amount of \$67,119 for the operation of the Retired Senior Volunteer Program (R.S.V.P.). These funds are made available to the City by ACTION, The Federal Volunteer Agency, under Subchapter II, Part A of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 5001).

Referred to the Special Committee on the Elderly.

CERTAIN INFORMATION UNDER SECTION 17F RE EMPLOYEE PARKING LOT

The following was received:

City of Boston
Office of the Mayor

February 3, 1989.

To the City Council.

Dear Councillors:

Relative to a section 17F information request, passed by your Honorable Body on May 13, 1987, regarding the employee parking lot, please find the enclosed response.

Sincerely,
Raymond L. Flynn,
Mayor of Boston.

1. How many stickers and how many letters of authorization have been issued for the use of the BRA lot at Congress, Hanover, Blackstone, New Chardon Streets?
- A. 300 stickers have been issued for parking privileges at the BRA Lot, 200 of which are for city employees, and 100 of which are for BRA employees. Approximately 40 to 50 letters of authorization are issued.
2. Are any of the above for non-city employees?
 - a. No. No stickers are issued to non-city employees.
3. Do members of the Ancient and Honorable Artillery Company of Boston have the right to park at any time in this lot?
- A. Under a long-standing agreement with the city, the Ancient and Honorable may park in the BRA lot in the evenings when there are meetings at Faneuil Hall, but they may not park at any other times.
4. What is the capacity of the lot in parking spaces?
 - A. There are 180 spaces.
 - 4a: How many spaces are allotted to municipal vehicles?
 - A. 40 spaces are allotted to municipal vehicles.
 - 4b: How many spaces are allotted for city employee parking?
 - A. 140 spaces are allotted for city and BRA employees.
5. What steps are taken to ensure that only authorized persons use the lots?

- A. The BRA supplies personnel to attend to the BRA lot from 7:00 a.m. until 10:00 p.m., Monday through Friday. If for some reason the BRA lot attendant cannot be present at the lot, City Hall Security supplies an officer to watch the lot until the BRA personnel can be present.
6. Are periodic inspections made to ascertain whether or not there are abuses?
- A. Yes, periodic inspections are made. Also, any question or complaint is promptly acted upon and clarified.
7. Can arrangements be made for some of the city vehicles to use the North Station lot in order to free up spots for city employees?
- A. Such arrangements would have to be made through the Real Property Department, as I have no jurisdiction over the North Street lot.

REPORT ON ORDINANCE CONCERNING SECURITY IN ELDERLY/HANDICAPPED HOUSING DEVELOPMENTS

Coun. SALERNO, on behalf of the Special Committee on the Elderly, submitted the following:

Report on Docket No. 0220, ordinance concerning security in elderly/handicapped housing developments (referred January 11) — recommending passage of the ordinance in the following new draft:

An Ordinance Concerning Security in Elderly/Handicapped Housing Developments

Be it ordained by the City Council of Boston, as follows:

Section 1.

The City of Boston Code, Ordinance 9, as amended by chapter 19 of the Ordinances of 1981, and as further amended by chapter 26 of the Ordinances of 1984 and chapter 39 of the Ordinances of 1984, is hereby further amended in the following respects, by adding the following sections 500 through 505.

Section 500. Definitions.

For the purpose of sections 501 through 505 hereafter, the following definitions shall apply:

(a) "Building entrance," an entrance providing access from outside the building or from an entry vestibule to an interior corridor, lobby, or stairway which leads to an individual dwelling unit.

(b) "Building permit," a permit granted by the Inspection Services Department for the construction of any building or for any substantial alteration or addition thereto, as defined in section 1 of chapter 143 of the General Laws of the Commonwealth of Massachusetts.

(c) "Dwelling unit," the part of a building that is used as a home, residence, or sleeping place by one or more persons who maintain a household.

(d) "Elderly person," any person who is at least sixty-two years of age.

(e) "Handicapped person," any person who is physically handicapped as defined in section 13A of chapter 22 of the General Laws of the Commonwealth of Massachusetts or mentally handicapped as defined by 29 U.S.C. section 706(7)(b).

(f) "Elderly/handicapped multi-family housing development," any building, structure, development, or complex of ten or more dwelling units under common ownership, rented or offered for rent for dwelling purposes within the City of Boston, which is specifically designed or designated for rental by elderly or handicapped persons.

(g) "Landlord," the individual who holds title to any elderly/handicapped multi-family housing development including, without limitation, a partnership, corporation, or trust. For purposes of this ordinance, the rights and duties of the landlord hereunder shall be the obliga-

tion of anyone who manages, controls, or customarily accepts rent on behalf of the landlord.

(h) "Safety officer," a police officer of the City of Boston, or a special police officer appointed pursuant to applicable law to protect persons or property in public or subsidized housing, or a person employed as a guard or investigator by a duly licensed watch, guard, or patrol agency, as defined in section 22 of chapter 147 of the General Laws of the Commonwealth of Massachusetts.

(i) "Security plan," a plan for providing security for the tenants of an elderly/handicapped multi-family housing development, based upon a crime prevention survey, which meets the criteria set forth in section 502 and which has been developed according to the process set forth in section 503.

(j) "Tenant," a tenant, subtenant, lessee, sublessee, or other person, entitled under the terms of a rental housing agreement to the use and occupancy of any dwelling unit in an elderly/handicapped multi-family housing development.

Section 501. Security Requirements for Elderly/Handicapped Multi-Family housing Developments.

The Commissioner of the Inspectional Services Department shall promulgate regulations, pursuant to his authority under section 127A of chapter 111 of the General Laws, and consistent with the requirements of the State Sanitary Code and sections 500 through 505. These regulations shall take effect within ninety (90) days of the effective date of this ordinance, and shall require that every landlord of an elderly/handicapped multi-family housing development, within thirty (30) days of receipt of notice from the Commissioner, either elect to

(a) provide safety officers for such development on a twenty-four-hour per day, seven day per week basis. The safety officers' duties shall include, without limitation, the monitoring of all building entrances in such elderly/handicapped development;

(b) provide security measures as identified in a security plan which has been developed and approved in compliance with the provisions of sections 502 and 503.

Thereafter, once a landlord has elected to either provide safety officers as provided above or to provide a security plan, the landlord shall have the continuing duty to provide such officers or to provide the security measures identified in the security plan. A landlord may choose, after initially electing one of the above alternatives, to switch to the other with the approval of the Inspectional Services Department, but must continue to provide safety officers or the security measures mandated by the security plan pending such approval. The landlord's submission seeking approval for a switch in alternatives must be carried out in accordance with sections 502 and 503. Failure to continue to provide safety officers or the security measures mandated by a security plan shall constitute a violation of this ordinance and shall be subject to enforcement under section 505.

The Commissioner shall, within ninety (90) days of the effective date of this ordinance, identify all elderly/handicapped developments within its scope. In identifying these developments, the Commissioner shall consult with the Commissioner for the Elderly. Thereafter, the Commissioner shall notify all landlords of elderly/handicapped developments of the operation of this ordinance, and of their duty to elect to either provide safety officers on a twenty-four-hour basis, or to request a crime prevention survey. Such notices shall be sent out on a phased basis so that, within a twelve-month period, all elder/handicapped developments within the City of Boston shall have received such notices. Copies of this ordinance and the Commissioner's regulations shall be provided at no cost whenever an applicant seeks a building permit for an elderly/handicapped housing development covered by this ordinance.

If, within thirty (30) days after receipt of a notice under this section or a notice of non-compliance under section 505 for failure to provide security officers or have an approved security plan, a landlord has requested a crime prevention survey by the Boston Police Department, triggering the first stage in the provision of a security plan, the landlord shall be relieved of the responsibility of providing safety officers as required above unless and until a security plan has been approved.

Section 502. Criteria for a Security Plan.

A security plan shall be based upon a crime prevention survey which has been completed by the Boston Police Department, and shall incorporate all of the elements recommended by the crime prevention survey for the adequate protection of the tenants of the elderly/handicapped development, except as otherwise provided in section 503. Each crime prevention survey shall include both findings as to the security needs of the tenants of the development and recommendations as to how such needs shall be met through existing or new security measures, such as lighting, locks, safety officers, security stations, security systems, or other equipment, personnel, or programs. Each survey shall also include a one-page summary, on official Police Department stationery, itemizing the elements recommended.

A new crime prevention survey must be performed every three years. If a building permit is required by the Inspectional Services Department for substantial structural changes in the building entrances to an elderly/handicapped development before the expiration of the three-year period since a survey was last performed, a new crime prevention survey must be performed upon submission of the building permit application.

The landlord shall be responsible for arranging for a crime prevention survey by the Boston Police Department, and shall notify the Commissioner of the Inspectional Services Department in writing at the same time that he requests such survey from the Boston Police Department. No fee shall be assessed to the landlord for such survey. The Boston Police Department shall carry out such crime prevention survey and provide a copy of the same to the landlord and the Inspectional Services Department upon completion, as provided for in Ordinance 11, chapter 1 of the City of Boston Code as amended. Such surveys shall be carried out on a phased basis parallel to that of the notices sent under section 501 by the Commissioner of Inspectional Services. Such surveys shall be completed within thirty days of receipt of the landlord's request for a crime prevention survey.

Section 503. Process for Approval of a Security Plan.

(a) Approval of Security Plan Incorporating Security Measures Recommended by Crime Prevention Survey.

Within thirty (30) days of the receipt of the crime prevention survey, the landlord shall prepare a security plan for approval by the Commissioner of the Inspectional Services Department. Such plan shall be deemed to be in full compliance with this ordinance provided that: (1) the security plan mandates, at the very least, the provision of the security measures recommended in the crime prevention survey; and (2) the tenants have not articulated security needs which are not adequately addressed by the survey or the plan. If the crime prevention survey indicates that no security measures are needed additional to those already in effect at the development, the security plan shall be deemed to be sufficient so long as the landlord, in such plan, agrees to keep in effect all existing security measures. In all cases, the tenants must be given the opportunity to present their views to the Commissioner of the Inspectional Services Department at a hearing before the plan is accepted.

Following the posting of notice to tenants as provided in subsection (c) below, the landlord shall submit the plan to the Commissioner of the Inspectional Services Depart-

ment for approval. The Commissioner shall notify all affected parties of the date of the hearing on the plan. Such hearing shall take place within thirty (30) days of the Commissioner's receipt of the plan, and notice of the hearing date shall be given to all parties at least ten (10) days in advance of the hearing date. Notice of the hearing date shall be given to any tenants organization which exists in the development and shall be posted by the landlord at the development in a conspicuous location. At the hearing, the landlord and the tenants shall be given an opportunity to be heard, to present witnesses, or to submit documentary evidence, as to why the security plan should be approved or modified.

Following the hearing, the Commissioner shall approve or modify the security plan, consistent with the recommendations of the crime prevention survey and the security needs articulated by tenants. In reviewing the adequacy of the plan and reaching a decision thereon, the Commissioner shall consult with a certified crime prevention officer from the Boston Police Department, as provided for in Ordinance 11, chapter 1 of the City of Boston Code, as amended. The Commissioner's approval or modification shall be in the form of a written decision, and shall be furnished to all affected parties within ten (10) days of the hearing date.

(b) Petition for a Modified Security Plan: Approval Process.

Within thirty (30) days of receipt of the crime prevention survey, if the landlord of an elderly/handicapped multi-family development disputes the need for any of the specific security measures recommended by the crime prevention survey, or the method or the timetable for carrying out security measures, based on the fiscal or contracting constraints that apply to the particular development, or if the landlord and/or tenants of an elderly/handicapped multi-family development believes that the additional security measures mandated by the crime prevention survey are such as to be cost-prohibitive, given the economic circumstances of the tenants of the development and the inability of the landlord and/or the tenants to obtain sufficient funding, equipment, or services to cover the costs of such additional measures despite best efforts, as provided for in section 504, then the landlord and/or tenants can petition the Commissioner of the Inspectional Services Department for permission to submit a modified security plan which does not encompass all of the security measures mandated by the crime prevention survey. Such petition shall be accompanied by a proposed security plan. A landlord may only claim that the elements mandated by the crime prevention survey are cost-prohibitive if the increased costs must be passed along to the tenants of the development and absorbed by the tenants in the tenants' share of the rent. In all cases under this subsection, the tenants must be given the opportunity to present their views to the Commissioner of the Inspectional Services Department at a hearing before the petition and plan is accepted.

Following the posting of notice as provided in subsection (C) below, the landlord shall submit the petition for a modified security plan to the Commissioner of the Inspectional Services Department for approval. The Commissioner shall notify all affected parties of the date of the hearing on the petition. Such hearing shall take place within thirty (30) days of the Commissioner's receipt of the petition, and notice of the hearing date shall be given to all parties at least ten (10) days in advance of the hearing date. Notice of the hearing date shall be given to any tenants organization which exists in the development and shall be posted by the landlord at the development in a conspicuous location. At the hearing, the landlord and the tenants shall be given an opportunity to be heard, to present witnesses, or to submit documentary evidence, as to why the petition should be approved or modified.

If a landlord submits a petition for a modified security

plan, the landlord shall have the burden to show how any of the specific security measures recommended in the crime prevention survey are unnecessary, or given the fiscal or contracting constraints particular to the development, how changes are needed in the method or timetable for implementation of security measures. In the event that a party claims that the costs of the additional security measures are cost-prohibitive, the landlord shall state what the estimated costs of the security measures are. In such cases, the landlord shall also substantiate his/her current and projected operating expenses and revenues, and shall show what efforts s/he has made to otherwise cover the costs, as provided in section 504.

Following the hearing, if the Commissioner of the Inspectional Services Department finds that:

- (i) any of the specific security measures recommended in the crime prevention survey are unnecessary to meet security needs at the particular development;
 - (ii) Within the fiscal or contracting constraints that apply to the particular development, the landlord's proposed plan will provide a reasonable method or timetable for meeting security needs; or
 - (iii) the costs required to undertake the improvements mandated by the crime prevention survey are such as to make an security plan cost-prohibitive,
- the Commissioner shall either approve the petition for a modified security plan or make such modifications to the plan as are necessary.

In ruling on a petition where it is claimed that a security plan is cost-prohibitive, the Commissioner shall be guided by the principle, consistent with the security objectives articulated in the crime prevention survey, that the impact on tenants' rents should be minimized so that the cost of additional security measures will not have the likely effect of displacing elderly/handicapped tenants due to excessive rent increases. In such cases, the Commissioner shall consider reasonable alternative to the security measures called for by the crime prevention survey.

In reviewing the adequacy of the plan and reaching a decision thereon, the Commissioner shall consult with a certified crime prevention officer from the Boston Police Department, as provided for in Ordinance 11, chapter 1 of the City of Boston Code, as amended. Such approval or modification shall be in the form of a written decision, and shall be furnished to all affected parties within ten (10) days of the hearing date.

(c) Tenant Participation Requirements In Conjunction with Submission of Security Plans.

The landlord shall post a notice that s/he intends to submit a security plan or a petition for a modified security plan to the Inspectional Services Department in a conspicuous location within the development. This notice shall be in a form established by the Commissioner of the Inspectional Services Department. Such notice shall inform the tenants of the development that they may review and obtain copies of the landlord's security plan upon request, as well as the materials in support of the plan, and shall also notify them of their right to participate in hearings at the Inspectional Services Department concerning such plan. Such notice shall first be posted at least ten (10) days prior to the submission of the security plan or petition to the Inspectional Services Department under subsections (a) or (b) above. Such notice shall remain posted until such time as the Inspectional Services Department has made its final determination. It shall be deemed a violation of this ordinance, enforceable under section 505, for any landlord to fail to post such a notice in a conspicuous location or to intentionally or willfully cause such notice to be defaced, destroyed, or removed. If such a notice is defaced, destroyed, or removed by a third party, it shall be the landlord's obligation to immediately post a copy of the original notice.

If any tenant requests a copy of the proposed plan, it shall be provided by the landlord to the tenant, together with:

- (i) a copy of the findings and recommendations of the crime prevention survey (or the official Police Department summary);
- (ii) if applicable, a summary of the landlord's reasons for disputing the findings and recommendations of the crime prevention survey, for seeking alterations in the method or timetable for implementation of security measures, or for claiming that the additional security measures mandated by the crime prevention survey are cost-prohibitive, including a summary of the financial alternatives that s/he has explored to cover costs.

Such notice shall be required, and such documents shall be available upon request, even if the survey and the plan do not recommend additional security measures.

In developments that are subject to tenant participation requirements under 760 C.M.R. s. 6.00, 24 C.F.R. s. 245, or other applicable law and where there is a tenants organization, the landlord shall provide a copy of the security plan or petition and the above documents to such tenants organization at least ten days in advance of the submission of the plan or petition to the Inspectional Services Department. If the tenants participating in the organization vote that there are deficiencies in the security plan or petition, the landlord shall be required to meet with the tenants organization, at the tenants organization's request, to discuss the tenants' concerns and attempt in good faith to resolve such concerns. The tenants organization shall give written notice to the landlord, within the ten (10) day period after receipt of the plan and survey, of its desire to have such a meeting. The landlord shall meet with the tenants organization within two (2) weeks of receipt of the tenants organization's notice. To the extent that such meetings or discussions delay the finalization of the security plan, the landlord shall be permitted to submit the security plan late, but in no event later than thirty (30) days from the date of the tenant meeting. The landlord shall give notice to the Commissioner of the Inspectional Services Department of any requests received for tenant meetings. The Commissioner shall not schedule any hearing on the security plan until after such tenant meetings have taken place, and the thirty-day period for the Commissioner to hold a hearing after receipt of a plan shall be extended in such event. Failure of the tenants or the tenants organization to request a meeting with their landlord to discuss the plan shall not be deemed to constitute a waiver of the tenants' right to approve, oppose, or seek modifications in a plan or petition at the hearing before the Commissioner.

Section 504. Protection from Rent Increases.

Additional costs incurred by landlords in complying with the requirements of sections 500 to 505 and implementing security measures additional to those already provided or required in such developments shall not be passed on to elderly or handicapped tenants of elderly/handicapped multi-family housing developments unless the landlords has exhausted all reasonable alternatives to the passing on of such costs. In pursuing such alternatives, the landlord of an elderly/handicapped multi-family housing development shall use best efforts to seek and obtain such funding, grants, or donations of funds, equipment, or services, as may lessen or eliminate such additional costs. Such reasonable alternatives shall also include the seeking of relief from cost-prohibitive security measures as provided for under section 503(b). The costs incurred in complying with the requirements of sections 500 to 505 and implementing security measures additional to those already provided or required may be considered to be reasonable or necessary operating or capital expenses in any application for additional subsidy

or financing from the United States, the Commonwealth of Massachusetts, or any authority created under the laws thereof, as well as under chapter 34 of the Ordinances of 1984, as amended.

Section 505. Enforcement.

The Commissioner of the Inspectional Services Department shall notify the landlord of an elderly/handicapped multi-family housing development in the event the development is found to be in noncompliance with the provisions of sections 500 through 504, and shall order compliance. Said landlord shall have thirty (30) days from the date of notification in which to achieve compliance with the Commissioner's order. Upon the expiration of the thirty (30)-day period, the landlord of a housing development still in violation of the order shall be subject to a fine of \$150. Each day's failure to comply with the order thereafter shall constitute a separate violation of the Commissioner's order. Orders shall be enforced in a manner similar to that provided for enforcement of orders under Article II of the State Sanitary Code. Tenants and/or tenant organizations of elderly/handicapped multi-family housing developments shall have the right to request investigation by the Commissioner of the Inspectional Services Department if they believe that their landlords have failed to comply with the provisions of sections 500 through 504 and shall have the right to request a hearing from the Commissioner in a manner similar to that provided in G.L. c. 111, s. 127B if the Commissioner fails to make findings of non-compliance following an investigation, or if the Commissioner fails to issue orders upon a finding of non-compliance.

Section 2.

The City of Boston Code, Ordinance 11, chapter 1, as amended, is hereby further amended by adding a new section thereto, which shall be appropriately numbered by the City Clerk:

The police commissioner shall designate such personnel as he finds appropriate to undertake crime prevention surveys at elderly/handicapped multi-family housing developments, as provided for in sections 500 through 505 of the City of Boston Code, Ordinance 9, as amended. Such personnel shall be certified as crime prevention officers by the Criminal Justice Training Council or any future body providing similar certification. Such surveys shall be carried out on a phased basis parallel to that of the notices sent under section 501 by the Commissioner of Inspectional Services. Such surveys shall be completed within thirty days of receipt of the landlord's request for a crime prevention survey.

Each crime prevention survey shall be on a form which is jointly developed by the police commissioner and the Commissioner of the Inspectional Services Department. Each completed survey shall include both findings as to the security needs of the tenants of the development and recommendations as to how such needs shall be met through existing stations, security systems, or other equipment, personnel, or programs. Each survey shall also include a one-page summary, on official Police Department stationery, itemizing the elements recommended.

No fee shall be assessed to the landlord by the police commissioner for conducting the crime prevention survey, but such survey shall be carried out as a public service to the elderly/handicapped residents of the City of Boston. Upon completion of each crime prevention survey, the police commissioner shall insure that a copy of the same is provided to the landlord and to the Commissioner of the Inspectional Services Department within thirty (30) days of receipt of the landlord's written request.

The police commissioner shall designate one or more certified crime prevention officer(s) to assist the Com-

missioner of the Inspectional Services Department in the assessment of the adequacy of security plans, as provided for in section 503 of the City of Boston Code, Ordinance 9, as amended. Such personnel shall be certified by the Criminal Justice Training Council or a similar body as being properly qualified to carry out crime prevention surveys.

Section 3. Non-Liability of the City of Boston.

The provisions of this ordinance shall not be construed to establish any duty on the part of the City of Boston greater than the city's general public duty to protect its citizens' health, safety, security, and well-being. No determination by the Commissioner of the Inspectional Services Department or the Boston Police Department as to the adequacy of a landlord's security measures shall be construed as a warranty or guarantee of such security, and the sole responsibility for insuring that security measures are adequate to protect tenants from foreseeable harm or risk shall rest and remain with the owner of such property.

Section 4. Severability.

The provisions of this ordinance are severable and if any provision, or portion thereof, should be held to be unconstitutional or otherwise invalid by any court of competent jurisdiction such unconstitutionality or invalidity shall not affect the remaining provisions which shall remain in full force and effect.

Section 5. Effective Date.

This ordinance shall take effect upon passage.

The report was accepted; **the ordinance in the new draft was passed.**

ORDER TO APPROVE EXPENDITURE OF GRANTS OF \$1,998,806.14 FROM JOBS LINKAGE PAYMENTS TO NEIGHBORHOOD HOUSING TRUST

Coun. KELLY, on behalf of the Committee on City and Neighborhood Services, submitted the following:

Report on Docket No. 0142, message of the Mayor and order to approve expenditure of grants in an amount of \$1,998,806.14 from jobs linkage payments to the Neighborhood Housing Trust (referred December 7, 1988) — recommending passage of the order in the following new draft:

The Committee recommends that of the \$1,998,806.41, the following items be approved:

Chinatown Services	\$232,000
Hispanic Technical Development	\$160,000
Veterans Benefits Clearinghouse	\$ 47,000
Jewish Vocational Services	\$ 20,000
International Institute of Boston	\$ 35,000
Jackson/Mann Community School	\$ 45,000
Historic Neighborhood Foundation	\$ 15,000
Parents United For Child Care	\$ 18,000
Boston Jobs Academy	\$250,000
Children's Hospital	\$ 28,593
OJCS monitoring provisions	\$ 55,000
Conference of Boston Teaching Hospitals ...	\$200,000

The above expenditures requested by the Mayor total \$1,105,593. That amount is what the Committee authorizes with the following provisos:

(1) OJCS shall provide detailed quarterly reports of each agency receiving funds, listing how specific job training funds will be used in each agency. These reports shall include a detailed breakdown on salaries paid or to be paid from authorized funds, cost of supplies, nature of job training program, etc.; and

(2) Upon notification, OJCS shall arrange for the chair of the Committee or other interested councillor to personally visit each job training center and observe specific job training programs in progress.

The Committee notes that it has been asked to authorize (and has authorized) an expenditure of \$18,000 for Parents United for Child Care whose purpose is to support a survey of parents to assess their needs for and access to school-aged child care. Although the Committee recognizes the need for child care, it does not see how this appropriation is related to job training, and accordingly asks OJCS to provide a detailed explanation of the job training function utilized with this expenditure.

The additional appropriations requested in this docket were made pending further review. The Committee, therefore, shall not authorize expenditure of these funds for those programs until OJCS provides a specific request for a specific purpose, consistent with the requirements outlined hereinabove.

The funds approved above are not transferable.

Ordered, That the Neighborhood Jobs Trust of the City of Boston be, and hereby is, authorized, in accordance with G. L. c. 44, s. 53A, to expend \$1,105,593, for the purposes and amounts set forth below:

Chinatown Services	\$232,000
Hispanic Technical Development	\$160,000
Veterans Benefits Clearinghouse	\$ 47,000
Jewish Vocational Services	\$ 20,000
International Institute of Boston	\$ 35,000
Jackson/Mann Community School	\$ 45,000
Historic Neighborhood Foundation	\$ 15,000
Parents United for Child Care	\$ 18,000
Boston Jobs Academy	\$250,000
Children's Hospital	\$ 28,593
OJCS Monitoring Provisions	\$ 55,000
Conference of Boston Teaching Hospitals ...	\$200,000

The report was accepted.

On motion of Coun. HENNIGAN CASEY, **the matter was laid on the table.**

REPORT ON ORDINANCE RE STATEMENTS OF INTEREST BY CERTAIN OFFICIALS AND EMPLOYEES OF THE CITY

Coun. IANNELLA, on behalf of the Committee of the Whole, submitted the following:

Report on Docket No. 0122, ordinance re statements of interest by certain officials and employees of the city (referred July 13, 1988) — recommending the following:

1. Your Committee scheduled a public hearing on this docket for January 20, 1989. At the request of the principal sponsor, the same was postponed to January 27, 1989. Notice of the hearing was sent to the press and others.
2. No one appeared in favor of this ordinance at the public hearing. Your Committee appreciates the appearances and testimony of a representative of the State Ethics Commission. This witness, and the commission, neither favored nor opposed the ordinance. Several representatives of public labor organizations testified in opposition to the proposal. Together, these witnesses represent the great majority of unionized city employees. In sum, the witnesses felt that city employees are already subject to conflict of interest laws which forbid improper activity; that city employees have a right to privacy with respect to earnings and holdings that do not relate to their public employment; that unilateral adoption of the ordinance would constitute an unfair, and unlawful, labor practice.
3. Your Committee is cognizant of the multiplicity of laws which already protect the public from corrupt practices. Boston has had conflict of interest provisions in its charter for over one hundred years — it is the only city in the Commonwealth to have special legislation requiring employee and officer dis-

closure of potential conflict — public disclosure provisions already in effect are stricter than those applying to the state. Our current financial disclosure law is more strict than the proposed ordinance in that it requires immediate disclosure of potential conflict, and, provides an instant requirement of conflict-avoidance, neither of which are provided in the proposed ordinance. Boston municipal employees are subject to federal enactments which forbid partisan activity; which extend federal jurisdiction to any fraud involving the mails or telecommunication; which make a federal violation any denial of equity under guise or color of official position. In addition, all Boston employees and officers, elected and appointed, are subject to chapter 268A of the General Laws; elected officials (and to a lesser extent employees) are bound by criminal sanctions for violation of the provisions of chapter 59 of the General Laws; all officers and employees of the city are bound by rulings of the State Ethics Commission; the City Council and its employees have an additional statutory prohibition of conflict, and, our own Rule 31 requires public disclosure of possible conflict. Taken together, these enactments appear a whole cloth which the proposed ordinance would merely adorn.

4. Your Committee is concerned with the form in which the ordinance is drafted. By nature, any ordinance is inferior to the United States Constitution, the Massachusetts Constitution, the General Laws, and that body of laws known as our charter. The proposal before your Committee appears to contradict every one of these superior forms of law. Early on, the proposal offers a definition of "candidate" which differs materially from the definition in our charter and differs from the definition offered in chapter 59. The same definition makes reference to an ordinance-making power in the Election Commission, which, of course, is at variance with our charter. Also in conflict with the charter is the assignment of duties to the City Clerk, an action forbidden by CBC St., 2, s. 752.

Further complicating this imposition of duties on the City Clerk is the section 2 requirement that requires the Mayor to act at the Clerk's request. This confounds our charter as it provides that the Mayor not be subject to the Clerk's supervision. Similarly, provisions of the ordinance requiring School Committee Members, school employees, the City Clerk, the Licensing Board, the Retirement Board, the Transportation Department and the Finance Commission to make reports are void as forbidden by the charter.

The makeup of the commission is twice flawed from point of view of our charter. First, appointments would require confirmation by the City Council, forbidden by sections 8 and 9 of chapter 486 of the Acts of 1909, as amended. Second, commission members could be removed by vote of the City Council, violating section 14 of that act. In addition, by establishing limited grounds for removal, the section contradicts the statutory power of the Mayor under the act.

Also violative of the charter is the section 4 provision which seemingly allows the commission to spend monies on its appropriation, or at least, without an appropriation.

Our charter also establishes qualifications for municipal office. These qualifications provide, in essence, that any citizen who qualifies as a voter may be a candidate for public office in Boston, upon timely filing of a petition. (The only exception being persons convicted of corrupt practices.) The proposed ordinance, by forbidding commission members from becoming candidates, violates the charter.

The General Laws are no less abused by the proposal. In addition to the violation of chapter 150E noted above, the Freedom of Information Act, so-called, would be violated as those wishing to inspect filings would have to identify themselves which the law does not allow. The Open Meeting Law comes under attack from five different directions in that the notice of meeting provisions do not meet the law; the commission could meet in the absence of a quorum; the commission would be allowed to hold some meetings in private; and, the affected employee could not request an open hearing which is an employee's right under law.

An added violation of the General Laws occurs where certain commission actions are to be deliberated upon, and decided in secret, and, thereafter to be kept secret from the public. Such activities are violations of the Open Meeting Law.

Certain provisions of the proposed ordinance are contrary to the Massachusetts Constitution. Article 2 of the Amendments greatly enhanced the power of the city to make law, but, not to the extent that would allow adoption of the ordinance.

The proposed ordinance purports to allow the commission to impose civil penalties. This an ordinance may not do. There is a specific provision of the Home Rule Amendment which precludes the city from enacting, "private or civil law governing civil relationships . . ." The power of ordinance is by nature criminal, and penalties for violation must be assessed by a court, not by a city board. While the legislature has provided us an alternative "non-criminal disposition" system, the violation is still returnable to a court, and the penalty for a specific violation must be fixed. As the relevant section of the amendment concludes, ". . . nor shall the provisions of this article . . . diminish the powers of the judicial . . ."

A further provision of the Second Article of Amendment provides that in exercise of home rule, a town (or city) must limit its adoption of ordinances to such as, ". . . is not denied . . . by its charter." The section 8 powers of the legislature with respect to ordinances are those provisions which apply to more than one municipality. As the remedy for violation of ordinances has been set by the legislature for all cities and towns, Boston may not by ordinance, specify another.

The ordinance before us seeks to impose jurisdiction with respect to acts of the commission on the Boston Municipal Court. Further, the ordinance presumes to create a cause of action to enforce an order for damages. Jurisdiction and venue are province of the General Court so elemental to the separation of powers doctrine, that the General Court could not delegate, and certainly has not delegated the power!

The ordinance proposed lacks the due process required by the United States Constitution. Some, but not all, of this conflict would be obviated had the city an administrative procedure established by law as has been done at state and federal levels. In the absence of such procedure, the ordinance presents reminiscence of the Star Chamber:

No prior notice to an alleged offender is provided; No transcription of proceedings is required; No provisions for public hearing or public comment on rules of procedure is provided; Neither the alleged offender nor counsel is advised as to application of the rules of law or rules of evidence; Individual members of the commission may receive testimony; No record of the proceeding must be maintained; As noted above, evidence may be taken in private session. All deliberations of the commission must be held in closed session, secret from the public.

Your Committee is concerned that the restrictions on the commission and its employees violate their civil rights and liberties almost as severely as those who must

tile with it. The ordinance would forbid any of them from becoming a candidate for municipal office. Beyond the fact that this violates our charter by restricting ballot access, the provision is repugnant to the Constitution. Where is the logic that provides that a commission employee can contribute to the Mayor's campaign for Governor, while contributing to the Governor's campaign for Mayor is illegal? How does it offend justice if a commission member or employee chooses to stand at the polls for a candidate for library trustee in Norwood? How do we solve the legal conundrum of an employee being forbidden by law from being an employee as section 4 (f) (4) provides? Is it logical to allow a commission member to remain a member while a candidate for any of the thousands of public offices in the state at the same time forbidding the member from running for three offices? Does it serve the aim of the proponents that a commission member would be legally barred from belonging to a political committee that espouses, say, honesty in government?

5. Beyond these technical defects, your Committee has examined the ordinance from a practical standard: "Will it work?" Concerns have been expressed about the scope of the reporting. Under the Civil Service scheme of government organization, every employee of the city reports to a person "who holds a major policy-making position . . .", and thus, every employee of the city who qualifies by salary must report. In addition, employees who do not qualify by salary must also report if they head some "council, department, division, (etc.)" or if they exercise "primary executive authority" with respect to a laundry list of thirteen functions, which, taken together, describe virtually all facets of municipal government. Your Committee estimates that a filing would be due from some ten thousand or more city employees annually.

Filings in this number would overwhelm the Clerk's ability to receive, receipt for, copy, record, examine, index, access, and store the materials for the six years required by section 2H. The sheer number of filings would tend to reduce their usefulness. What intrepid reporter would sift through these ten thousand multi-paged filings?

In a tradition that has endured for the nearly three hundred and sixty years of our municipal existence, Boston is enriched by citizens who give of their time, energies, and expertise to sit, unpaid, on our many boards, councils and commissions. Our library and hospitals are run by these boards. Citizens sit without compensation on the Landmarks Commission, the Historic and Architectural District Commissions, on commissions for the homeless, the aged, the handicapped, on our Industrial Finance and Economic Development Commissions — on at least three dozen bodies that contribute to the service of the public. Your Committee is concerned that the requirement that these unpaid citizens must disclose their financial situation, and that of their spouses, will discourage the best from volunteering.

Your Committee fails to find a logical base for some of the items to be included or excluded. Why is it important to know that a school teacher owns municipal bonds from the town of Abington? Why does the ordinance exclude reporting, by the Mayor for example, of bonds of the Water and Sewer Commission, the Water Resources Authority, the MBTA all of which at least arguably raise potential conflict?

With the city spending well over a billion dollars a year, doing business with thousands of vendors from every state in the union and half the countries of the world, how would an employee — say the head of the Bay State Road Architectural Preservation District Commission, for example — know whether or not a particular creditor does business with the city? Is it fair to expose such an employee to penalty, public notice, and media attention for guessing wrong?

Under the ordinance, the Mayor would compile a list of those required to report. As the document is written, those the Mayor listed would then report or be fined for failure to report, even if under the law they were not required to report! If the Mayor failed to list an individual, there is no mechanism to require that person to report even if the law requires it! How is the Mayor to know the name of the School Department employee who disposes of old textbooks and for the reason must file a report?

Review of commission activities would, as the document is written, be had in the Boston Municipal Court. Would this be upon the record or *ab initio*? The ordinance doesn't say. Why would the draftsman choose the Boston Municipal Court which has only limited equity jurisdiction? Our statutes provide that enforcement of summonses and subpoenas be done in the Superior Court. Why would the action be split? To which court would an employee present an action to quash a subpoena?

How is justice served by requiring an employee to disclose that he or she is serving as a Scoutmaster with the local Scout Troop, as section 3 (d) (1) provides, but is not required to disclose a bribe of many thousand dollars?

How can an employee fairly judge whether the source of a reimbursement is a legislative agent when agents are not required to be registered. Why should an employee have to report a reimbursement of expenses from certain sources when gifts from the same source are not reportable?

Is there logic in a situation where an employee who receives a \$200 honorarium from a lobbyist must report it and an employee who receives a \$500 honorarium from the same lobbyist's boss does not have to report?

Why should an employee be required to report the ownership of a house in the city (which the city already has record of in the Assessing Department,) and not report property holdings outside the city (where the city has no such record?)

6. Your Committee is concerned that the proponents have confused form with substance. As noted, conflict of interest is already prohibited. Conflict in its most severe form — bribery — is not affected by the ordinance. Is there a sense of Pollyanna in the notion that a miscreant who is abusing the public trust will be deterred not by the lengthy prison term now provided in the law, but instead by a \$200 fine?

Michael Josephson, Director of the Government Ethics Center in California recently wrote for *The Nation*: "... most ethical lapses in the political realm would not have been prevented by more laws — because, in many instances, the conduct violated existing laws. For ethically committed persons, laws simply establish baseline standards of impropriety. Ultimately, ethically committed people seek to do what is right in terms of universal moral principles, such as honesty, integrity, promise-keeping, loyalty, fairness, caring and respect for others, law abidingness, pursuit of excellence, accountability and protection of the public trust. Laws cannot coerce these virtues."

Professor Josephson finds fault with enactments such as the proposal before us for several reasons. Among these are: (1) "... the rules focus on financial conflict of interests, a narrow part of the spectrum of ethical issues . . ." (2) Such a law "... encourages a legalistic approach to ethics that includes people to use narrow technical rules as the moral criteria of conduct . . . One can be dishonest, unprincipled, unfair and uncaring without breaking the law." (3) Such a law "... seems to endorse clearly inappropriate transactions so long as they are reported . . . (they invite) deliberately constructing transactions in ways that avoid . . . reporting . . . (they) add a substantial record-keeping burden to an already over-bureaucratized government." (4) They "trivialize ethics. Ethics is about right and wrong and how an honorable person should behave . . . (Such) rules reduce the concept

to onerous financial disclosures and small and petty prohibitions." (5) Reporting laws are "patchwork statutes with unjustifiable exceptions, intentional ambiguities and gaping loopholes." (6) "... most laws focus on potentially corrupting conduct rather than concrete acts of corruption."

7. Given the objections of the municipal unions, and the objections as to form noted above, your Committee was pleased to accede to the request of the principal proponent that the Committee delay its report from February first until this day.

Your Committee would note that any hesitation shown this draft cannot be determined a strategy to avoid providing the public with full information on financial matters. In 1988, at request of media representatives, the Mayor and virtually all members of the City Council voluntarily provided disclosure of the same information the proposed ordinance would require. Your Committee endorses such disclosure and suggests that candidates for municipal office, and current holders of such offices, make report of financial interest prior to August 1, 1989 (for calendar year 1988), in order that there is sufficient time before the Preliminary Election for the public to acquaint themselves with the information provided. Your Committee recognizes that some candidates may fail to offer the information, but, public opprobrium may well be more persuasive than a small fine.

8. In light of the foregoing, your Committee respectfully recommends:- Docket No. 890122 — OUGHT NOT TO PASS.

On motion of Coun. MENINO, the matter was laid on the table.

ORDER FOR PETITION FOR SPECIAL LAW RE POLICE CADET PROGRAM

Coun. O'NEIL offered the following:

Ordered, That a petition to the General Court, accompanied by a bill for a special law relating to the City of Boston to be filed with an attested copy of this order be, and hereby is, approved under clause (1) of section 8 of article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts, to the end that legislation be adopted providing precisely as follows, except for clerical or editorial changes of form only:

Section 1. Section 1 of chapter 174 of the Acts of 1978 is hereby amended by striking out the first sentence as amended by section 1 of chapter 560 of the Acts of 1979 and by chapter 277 of the Acts of 1984, and inserting in place thereof the following sentence: Notwithstanding the provisions of chapter 31 of the General Laws, any person who has completed not less than two years of service as a police cadet in the Police Department of the City of Boston, or a person who has completed any such service as a cadet; provided, however, that such person has also competed at least two years of service as a civilian employee of said department performing the same or similar function as performed while a cadet in the Police Department of said city under the provisions of section 21A of chapter 147 of the General Laws, or any employee who has completed two years of service as a civilian within said department; provided, further, that he is performing duties similar to those of police cadets and providing also that he, while of eligible age was unable to obtain appointment during the period from 1973 to 1979, when the cadet program was discontinued, may, subject to a program established by a police commissioner of said city and approved by the personnel administrator of the State Division of Personnel Administration and the Massachusetts Criminal Justice Training Council, be appointed to fill a vacancy in a position in the lowest grade in the police force of said city without certification from an eligible list prepared under the provisions of chapter

31 of the General Laws; and provided, further, that such person either is on a police entrance eligible list prepared under said chapter 3 or passes a qualifying examination to be given by said personnel administrator.

Section 2. This act shall take effect upon passage.

Referred to the Committee on Public Safety.

CERTAIN INFORMATION UNDER SECTION 17F RE SCHOOL DEPARTMENT

Coun. O'NEIL offered the following:

JAMES M. CURLEY HOUSE GIVEN LANDMARK STATUS

Historical Review by Carol Huggins and Jim Labeck, Environment Department.

The James Michael Curley House, 350 The Jamaica Way, is significant as the primary residence, for 41 years, of James Michael Curley, one of the most legendary figures in 20th century Massachusetts politics. Curley built the house on the Jamaica Way in 1915, during his first mayoral term, and lived there until 1956, the year after his last mayoral campaign. For seven decades, the Curley house has been a symbol of the evolving social, cultural and political presence of 19th century immigrants and their descendants.

Curley's parents emigrated from County Galway, Ireland, to Boston in the 1860s. James Michael was born on November 24, 1874, in a wooden tenement at 28 Northampton Street, Lower Roxbury. Throughout his childhood, Curley lived in the vicinity of Boston City Hospital, first at 5 Fellows Court and then at 81 East Lenox Street. Curley's father, Michael, died when the boy was ten. Exhibiting his industrious nature at

an early age, Curley took his first job as an errand boy for an apothecary shop, working before and after school.

Upon graduating from grammar school at age 16, Curley took a job at the New England Piano Company Factory. After the work began to take a toll on his health, Curley resumed work at the apothecary, clerking and collecting bills. Curley kept this position for 8 years, and during this period attended night school for two years. Curley got his first taste of politics in the 1890s, when he was asked to campaign in Ward 17 for Owen Galvin, a candidate for Mayor. Although Galvin lost, Curley was undaunted and decided to run for Common Council from Ward 17. His first campaign was unsuccessful, but in 1900, Curley was elected to the Council.

Curley's political ambitions grew and, in 1901, during his second term on the Common Council, Curley gained control of the Ward 17 Dem-

ocratic Committee. Also in 1901, Curley and his brother John established the Tammany Club of Roxbury, modeled after the political organizations he had seen in New York. He was elected to two terms to the Massachusetts House of Representatives in 1902-1903 and to the Board of Aldermen for five consecutive terms from 1904 to 1909. It was in 1904 that Curley took a civil service exam for a friend, and was sentenced to sixty days at the Charles Street Jail. This may be the first of the Curley legends, as he was reelected as alderman while he was serving the term in jail.

In 1906, Curley married Mary Emilda Herlihy; they moved to an apartment at 114 Mount Pleasant Avenue, Roxbury. Between 1907 and 1923, Mary Curley gave birth to nine children; only two of whom would outlive their father.

The structure of the city government changed in 1910, when the new city charter went into effect. At that time Curley was elected to the City Council for a term until 1911. Curley was elected to his first and second terms as Representative to Congress from 1911 to 1914. Many Republican politicians unsuccessfully tried to block his seat because of his 1904 jail term.

It is said that Curley's favorite political post was Mayor of Boston. Curley was elected Mayor in 1913, 1921, 1929 and 1945. He was defeated in 1917, 1937, 1941, 1949 and 1951.

In his first term as Mayor, Curley succeeded in cutting municipal expenditures. It was at this time that Curley befriended George Robert White and appointed him as the Chairman of the Statistics Department. Upon his death in 1922, White bequeathed to the City of Boston the income from a three million dollar trust. During his second

(Continued on next page)

Curley House . . .

(Continued from front page)

term, commencing in 1922, Curley established neighborhood health units in the North End, East Boston, Charlestown, South Boston, Dorchester, Roxbury and the West End with the income from the White Fund.

Curley was defeated by Andrew J. Peters in the 1917 Mayoral election. While Curley was not in public office, he was employed as the president of the Hibernia Savings Bank. In order to block Curley in the future, a provision was eliminated from the Boston Charter that allowed the mayor to serve two terms in a row.

During his second term as Mayor, Curley oversaw several public improvement projects in addition to the establishment of the neighborhood health units. Curley secured an eight million dollar bond issue from the state for improvements to the Boston City Hospital. Improvements to the public transit system were made including the alteration of the Maverick Station transit tunnel and the extension of the Dorchester line to Mattapan and Milton.

Mayor Curley was the first mayor of Boston to organize a municipally sponsored historic survey and study of the city's historic sites. The impetus for this idea came from the Sons of the Revolution Tablet Committee established in 1891. On June 5, 1924, "sensing the need of comprehensive public action in marking these historic landmarks," Mayor Curley created a commission known as the Commission for Marking Historical Sites. The function of the Commission was to mark the most significant events and places associated with Boston's history, with an appropriate tablet or memorial. Fifty-four markers were erected between 1924-1935, identifying people and events significant to Boston's history, education, religion, art, architecture, and science.

Unable to succeed himself as Mayor, Curley made an unsuccessful bid for governor in 1924; he was defeated by Alvan T. Fuller. In 1929 he ran, and was elected, for his third term as Mayor of Boston. During this term, the Sumner Tunnel was built at a cost of ten million dollars, and the Prado, or Paul Revere Mall, was created adjacent to Old North Church, using income from the

George Robert White Fund. Curley's first wife, Mary, died in 1930.

In the 1932 presidential election, Curley campaigned ardently for Franklin D. Roosevelt. For his efforts, Curley hoped for an appointment as the Ambassador to Ireland or Italy. When Roosevelt offered Curley the position of Ambassador to Poland, Curley refused.

In 1934, Curley made his first successful run for Governor of Massachusetts. He defeated his Republican opponent, Lt. Gov. Gaspar Bacon, by over 100,000 votes. In 1936, Curley was married to Gertrude M. Dennis, who brought to the family two sons from a previous marriage. The year 1936, however, marked the beginning of a string of defeats for Curley. That year, he ran for the U.S. Senate and was beaten soundly by Henry Cabot Lodge.

In 1938 Curley ran for a second term as Governor but was defeated by Republican Speaker Leverett Saltonstall. In 1940 Curley hoped to attain his fourth term as Mayor of Boston, but he was defeated by Maurice J. Tobin, an early protege.

In 1941, a Federal Grand Jury indicted Curley for his connection with the Engineers Group Inc., an enterprise which claimed to assist clients in securing government housing projects contracts and general war bonds. Curley was asked to be the organization's president by James G. Fuller, who was later sentenced to a five year prison term. Curley claimed that his association with the organization lasted only 3 months, and he never received any money for his association. The first indictment was set aside on technical grounds, but Curley was given a second indictment in 1944. He was convicted in 1946, and in 1947, received a sentence for 6 to 18 months at the Federal Corrections Institute in Danbury, Connecticut. Curley served only five months in prison; his sentence was commuted by President Truman.

While waiting for the outcome of the second indictment, Curley ran successfully for his third and fourth terms as U.S. Congressman. He was elected to Congress in 1942 and 1944. Of great consolation to Curley was his election as Mayor of Boston for the fourth term in 1945. While the indictment was still pending, Curley defeated John Kerrigan by a record margin and was a majority mayor for the first time.

Curley was sent to Danbury in the middle of his mayoral term. A special meeting of the state legislature was called to deal with the Boston emergency. It was determined that City Clerk John B. Hynes would be temporary Mayor, and that Curley would receive his salary and could resume office upon his release from Danbury.

In 1948, at age 74, Curley left elected office for the last time. In the following years, 1949, 1951 and 1955, he was defeated for Mayor three times by John B. Hynes. Between 1950 and 1957, Curley served as National Committeeman to the Democratic State Committee.

Throughout Curley's political career, his house on the Jamaicaaway served as a meeting place for both international guests and local constituents. Many celebrities, politicians and other well known figures visited the Curley's at their home. Those visitors included Eleanor Roosevelt, Sophie Tucker, Richard Rodgers and Oscar Hammerstein, Chiang Kai-Shek, and the Vienna Boys Choir. The Curley library often served as the greeting area for these guests. It was also in the library that Mayor Curley greeted constituents, listened to their complaints, and tried to address their concerns. This room and its uses were important both to Curley personally and to his political career.

In addition to many political setbacks, Curley suffered numerous personal tragedies throughout his life, particularly the death of seven of his children. In 1922, twins John and Joseph Curley died shortly after birth. Curley's second daughter, Dorothea, died at age 15 in 1925. In 1931, the oldest son, James Jr., died at age 24, while a student at Harvard Law School. In 1945, Curley's second son, Paul, died at age 32 while a student at Boston University Law School. In 1950, Curley's oldest daughter Mary and third son Leo, died within an hour of one another. Curley was survived by two sons, George and Francis Xavier.

Curley's fame increased when he appeared as the protagonist in the best-selling fictional novel by Edwin O'Connor, *The Last Hurrah*. The protagonist of the novel, Frank Skeffington, was clearly modeled after Curley. Although Curley professed to be upset by the fictional portrayal, he was pleased with the ending of the novel. On his deathbed, Skeffington overheard a character in the novel state that

he, Skeffington, would live his life differently if he had a second chance; Skeffington mutters: "like Hell I would." In 1957, Curley published his autobiography, *I'd Do It Again*.

Curley died on November 12, 1958, eight days short of his 84th birthday. Curley was in 33 campaigns during his public career which lasted over 50 years. He served four terms as Mayor, four as a U.S. Congressman and one as Governor of Massachusetts.

MHFA ANNOUNCES NEW 8.45 PERCENT MORTGAGE FUND

*Deadline To Save Homeownership
Programs Draws Near.*

Starting November 9, 1989, the Massachusetts Housing Finance Agency (MHFA)

in cooperation with the Executive Office of Communities and Development (EOCD) made available approximately \$38 million in 8.45 percent mortgages to help qualified Bay State residents buy or rehabilitate their first homes. The low rate is fixed for 30 years. The money is expected to benefit more than 400 households.

Of the funds, about \$28 million is reserved for MHFA's General Lending Program. It is important to note that for the first 90 days of the program, 50 percent of these funds will be set aside for "priority borrowers" who are Vietnam Era Veterans, low-income, minority, or physically disabled people. Another \$6 million is reserved for the Neighborhood Rehabilitation Program while \$4 million more is reserved for the New Construction Program.

This could be one of the last mortgage offerings of its kind if Congress does not extend the authority of MHFA and other housing finance agencies (HFAs) nationwide to fund these mortgages through the sale of federally authorized, tax exempt, Mortgage Revenue Bonds (MRBs).

Currently that authority is slated to expire December 31 of this year. With time running out, HFAs have intensified their efforts to convince Congress to extend the December deadline. Congressman Brian Donnelly (D. Mass.) and U.S. Senator Donald Riegle (D. Mich.) have played key roles in the extension battle, filing the initial legislation and then generating a broad base of support for the bill. Three hundred and forty house members and eighty-seven senators have co-sponsored legislation to extend MRBs through 1992.

MHFA Executive Director Marvin Siflinger said, "The preservation of this key resource is vital to our ability to continue to help low- and moderate-income families enter the housing market. This is particularly important in states like Massachusetts where housing costs have increased dramatically in recent years."

Many of these Massachusetts buyers were assisted by the Commonwealth's Homeownership Opportunity Program (HOP) which provides low-interest mortgages (as low as five and one-half percent for the initial years of the mortgage) and homes at prices well below market value.

Targeted to lower-income buyers, HOP has been successful in reaching families with an average income of \$27,000. This compares with the \$33,000 income of homebuyers benefitting from MHFA's other home mortgage programs. These averages present a striking contrast to the \$74,000 income needed to support a median priced

home in the Boston metropolitan area today.

Since 1979, through the use of federally authorized MRBs, MHFA has funded mortgages for more than 20,000 low- and moderate-income households across the state. Nationally more than one million people have benefitted from MRBs.

As noted above, MHFA's newest program sets aside 50 percent of the General Lending funds for 90 days for priority borrowers. The balance of the funds is available on a first-come, first served basis to borrowers who meet the Agency's general eligibility guidelines including income, credit and home acquisition cost requirements.

To apply for any of the mortgage funds, borrowers must have an executed Purchase and Sale Agreement or an Accepted Offer to Purchase Agreement on an eligible property.

For brochures about the Agency's various programs consumers should call MHFA's Office of Single Family Programs at (617) 451-2766. Also available to the public is an 8.45 percent mortgage booklet which lists certifying agencies and builders participating in the Neighborhood Rehabilitation and New Construction programs along with a list of participating lenders. In addition, upon request consumers will receive a "How To Buy A Home Guide" describing the homebuying process.

**THE HANDMAID'S TALE
AT TUFTS ARENA THEATER
DECEMBER 5 - 9**

Tufts Arena Theater will present the world premiere of Margaret Atwood's *The Handmaid's Tale*, with performance text and iconicity by Bruce G. Shapiro, on December 5-9, 1989 at 8:00 p.m.

Margaret Atwood's novel, *The Handmaid's Tale*, was first published in America in 1986. In the three years since, it has become one of the most widely read works of contemporary fiction. Taking place in a futuristic society, *The Handmaid's Tale* explores how an ultra-conservative United States has developed the power to force both women and men into strict gender roles for the sole purpose of serving their militantly patriarchal government. This version of *The Handmaid's Tale* is a world premiere, marking it as the first dramatic staging of the novel to be created and performed.

Tufts Arena Theater is located on Tufts' Medford Campus, about seven miles north of Boston. Tickets are \$2.00 on Tuesday, \$4.00 on Wednesday and Thursday, and \$5.00 on Friday and Saturday. MasterCard and Visa are accepted. Group rates are available. For more information, please call 381-3493.

THE ADOPT-A-STATUE PROGRAM

The City of Boston is the owner and steward of over one hundred pieces of outdoor art located throughout the neighborhoods and central city. Included in the collection are statues, plaques and tablets of various materials, including bronze, granite and marble.

The majority of Boston's outdoor public art has been a gift to the people of Boston. Some works, however, have been commissioned by the City. None of the pieces included in the Adopt-A-Statue Program have been accompanied by a maintenance endowment.

Boston outdoor public art, a treasured visual link with the past, has, during the past several decades, deteriorated dramatically. The damage caused by acid rain, auto emissions, and the elements has been extensive and insidious.

Recent research has proven that the green patina which eventually forms on untreated bronze sculptures is not protective. Rather, it is the product of a corrosive and potentially devastating environment. Acid rain dissolves the outer layer of bronze, destroy-

ing the sculptural qualities and compromising the artistic integrity of the work.

Acid rain also damages marble, dissolving its crystals thus creating a sugary consistency to the surface. Black crusts of efflorescence form through the reaction of acid precipitation and atmospheric soot on marble surfaces. Organic growth, such as algae and lichen, produce a variety of stains.

Unfortunately outdoor art is never completely safe from vandalism. Studies indicate that once graffiti appears more graffiti is encouraged if the initial markings are not immediately removed. Prompt response to this defacement must be a part of any maintenance program.

The Boston Art Commission has done extensive research on restoration techniques offered by conservators nationwide and has chosen to use several variations of current techniques for its restoration of such pieces as the William Lloyd Garrison Memorial on Commonwealth Avenue Mall and General George Washington Statue in the Boston Public Garden. The Art Commission, which is responsible for the maintenance of the City's art, has, for the past several years, received an average of \$10,000 annually from the City's Environment Department for restoration and maintenance. These funds, combined with several generous contributions from private donors, have helped restore thirteen statues. This restoration, however, represents only a fraction of what is needed on an annual basis. Of the sixty-nine major pieces of public art in Boston which are included in this campaign, thirty-nine require full restoration and all must be annually maintained.

Several years ago the City of Boston, through its Environment Department and the Office of the Arts and Humanities, began exploring ways to restore and permanently maintain Boston's outdoor public art. With the knowledge that the project would require funds in excess of \$1,200,000, it quickly became apparent that private contributions would have to be sought.

The goal of Adopt-A-Statue is to achieve funding for the restoration of thirty-nine pieces of outdoor public art and to establish a permanent maintenance endowment which would provide for the annual cleaning and maintenance of sixty-nine pieces.

To invite individuals, groups of individuals or corporations to "adopt" a piece of Boston outdoor public art by either:

- a. incurring the total cost of restoring and maintaining a particular piece of art or
- b. making a donation toward a general restoration and maintenance fund.

The funds will be held in trust by The Boston Foundation, a 501(c)(3) organization.

There shall be a Bronze Committee whose members shall be appointed by the Boston Art Commission. The membership of said committee shall consist of the following individuals: the Curator of American Decorative Arts and Sculpture for the Museum of Fine Arts, Boston; the President of the Friends of the Public Garden and Common; a member of the Boston Art Commission; a member of the American Institute of Conservators; and the Commissioner of Parks and Recreation. The Bronze Committee shall develop requests for proposals from qualified conservators and shall recommend to the Commission the selection of conservator(s) and conservation treatment for individual artworks.

Restoration and maintenance work will commence on an individual basis, as funding for each statue is obtained.

The Boston Art Commission shall act as Directors of the Adopt-A-Statue Program and shall have said authority over decisions and tasks pertaining to administration, personnel, restoration and maintenance schedules, and contract management.

The City of Boston, through the Office of the Arts and Humanities and the Environment Department, will provide staff assistance for the management of the Adopt-A-Statue Program.

Adopt-A-Statue is a historic campaign. Boston is the first city in the United States to undertake an art restoration project of this dimension. In addition, the establishment of a permanent maintenance endowment for each piece of outdoor public art is an unprecedented measure. Donors who contribute the entire amount needed for adoption, and those who make a substantial contribution toward the restoration and maintenance of the Brewer Fountain or the Soldiers and Sailors Monument, can become a part of Boston history as their civic contribution will be commemorated on a plaque to be placed near the piece which they have adopted.

Gifts are tax deductible to the extent limited by law.

For further information on how to adopt a statue please contact the Environment Department at 725-3850 (Paula Mierzejewski) or Office of Arts and Humanities at 725-3245 (Mary Shannon).

Each week the *City Record* will publish a statue for adoption.

NAME: SAMUEL ADAMS (1722-1803)
LOCATION: Faneuil Hall, Dock Square
ARTIST: Anne Whitney (1821-1915)
DATE OF FABRICATION: 1880
MATERIAL: Bronze on granite base
BACKGROUND: The statue is a bronze replica of the marble statue of Samuel Adams which was commissioned by the Commonwealth of Massachusetts for the Statuary Hall in the Capitol, Washington, D.C. It portrays Adams as he is supposed to have appeared before Lieutenant-Governor Hutchinson and the Council the day after the Boston Massacre. As chairman of the town meeting, he delivered the people's demand for the removal of British soldiers from the town, and stood with a resolute look awaiting Hutchinson's reply.
CONDITION: Restored in 1984 by the City of Boston Environment Department.
REQUIRED: MAINTENANCE ENDOWMENT

HELP FOR FIRST TIME HOME BUYERS

Boston residents will now be able to cut through the red tape that has traditionally been associated with buying a first home. On November 2, new and potential homeowners joined Mayor Raymond L. Flynn at the grand opening of HOMEBASE, the Home Buyers' Assistance Service located at 15 Beacon Street in Boston. HOMEBASE will provide one-stop shopping services for first-time home buyers.

"As we build affordable homes across the City, it is in our collective interest to make it

as easy as possible to get first-time buyers into these homes," said Mayor Flynn. "HOMEBASE is another step in our efforts to make homeownership a reality for more of our City's residents."

HOMEBASE is a collaborative effort between the City's Public Facilities Department (PFD), the Boston Redevelopment Authority, the State's Executive Office of Communities and Development (EOCD), and the Massachusetts Housing Finance Agency (MHFA). HOMEBASE will help first-time buyers determine whether they can afford to buy a home, and if so, how and where to begin. The services provided by HOMEBASE will include credit counseling, interpretation and a complete listing of Boston's affordable homes.

"HOMEBASE will not only help home buyers," said Lisa G. Chapnick, Director of PFD, "but we expect it will also help developers in marketing their units and assist bankers who will be able to sit down and do business with credit-worthy customers."

The buyer assistance officers at HOMEBASE will also provide information on special low-interest loan programs for eligible first-time home buyers. EOCD has contributed more than \$6 million in low-interest mortgages to the City through its Homeownership Opportunity Program.

"EOCD is happy to work with the City on the HOMEBASE initiative," said Amy S. Anthony, Secretary of EOCD, "as it matches eligible first-time buyers with over 500 units being created in Boston through the State's HOP program."

MHFA has contributed more than \$70 million in below-market rate mortgage financing this year to the City's affordable housing projects. MHFA also administers the Borrowers' Assistance Program, a City and State supported effort to provide low-interest loans to first-time home buyers for downpayment and closing costs.

"We are pleased to participate in HOMEBASE which will help low- and moderate-income home buyers find homes they can afford," said Marvin Siflinger, Director of MHFA. "First time home buyers need to know that affordable housing opportunities exist through programs such as HOP which have given hundreds of Boston residents the chance to own their own home."

In addition to the services being provided by HOMEBASE, the City's Clearinghouse, which has been located in the Real Property offices of City Hall, is also moving to 15 Beacon Street. The Clearinghouse provides information to Boston residents on the status and availability of tax-foreclosed vacant lots and abandoned buildings.

FBI STATISTICS

According to statistics released by FBI Director William S. Sessions, crime known to law enforcement rose 3 percent in volume during the first half of 1989 as compared to the same period in 1988. The increase was measured by a Crime Index of selected offenses for which law enforcement agencies nationwide provide data to the FBI's Uniform Crime Reporting Program. Like the Index, both the violent crime total and the property crime total showed increases; 5 and 3 percent, respectively.

Among violent crimes, robbery showed the greatest increase, up 7 percent. Murder rose 5 percent and aggravated assault, 4 percent. Forcible rape declined by 2 percent.

In the property crime category, reported motor vehicle thefts increased 11 percent, and larceny-thefts were up 3 percent. Arsons declined 4 percent in number, and the burglary total dropped 1 percent.

Geographically, all regions of the country recorded increases in the Crime Index total in the first half of 1989. The increases were 4 percent in the South and West, 3 percent in the Northeast, and 2 percent in the Midwest.

When grouped according to population size, the Nation's cities showed Crime Index increases ranging from 2 percent in those with populations from 10,000 to 24,999 to 5 percent in those with populations from 100,000 to 249,999. Both suburban county and rural county law enforcement agencies experienced a 2 percent rise.

1989 COBEC

"Now More Than Ever . . ."

\$1.50 buys a pack of cigarettes or 4 nights of emergency housing for a Boston family.

\$2.00 buys a bottle of imported beer or 3 days of protective care for an abused child.

\$6.00 buys a night at the movies or 20 hours of home nursing care for a disabled elderly Bostonian.

Remember:

- You can designate where your money goes.
- COBEC is extremely efficient — 94 cents of every dollar goes directly to services.
- In this year of State budget cuts, the poor, the elderly and disadvantaged youth need your help more than ever.

NEW HOMEOWNERS CELEBRATE IN DORCHESTER

A new three-decker on Milton Avenue in Dorchester, built through the City's Buildable Lots Program of Project 747, was the site of a housewarming celebration on Monday, October 30. Mayor Raymond L. Flynn joined the three new homeowners, neighbors, public officials and representatives from area banks as they marked the virtual completion of the first round of the Buildable Lots Program of Project 747, the Mayor's plan administered by the Public Facilities Department (PFD), to build affordable housing on City-owned vacant land.

"Project 747 and the Buildable Lots Program are a success because we have worked together, residents, the City, the State, builders and bankers, to deliver the promise of homeownership," said Mayor Flynn. "Homeownership builds the stability and gives the hope for the future that enables us to fight together to stop crime, and to work together to strengthen our neighborhoods."

Project 747 began in 1987 when Mayor Flynn pledged to dispose of all vacant City-owned buildable land by 1991. PFD dubbed the program Project 747 after determining that 747 lots, acquired by the City through tax-foreclosure could be used for new housing. The Buildable Lots Program packages groups of 3-5 small lots and offers the land through a competitive process to contractors and developers, based on the quality of design and its compatibility with the surrounding neighborhood, and the proposed price of the units. Project 747 also includes the development of large sites for multi-family homes. Thirty-four of the fifty-four three-bedroom units constructed as part of the first-round of the Buildable Lots Program have been sold or are under agreement for prices as low as \$72,000 and up to \$89,000.

"The buyers to date are paying an average of \$650 a month in mortgage, tax and insurance costs," said Lisa G. Chapnick, Director of PFD. "Nearly all of these first-time homeowners are paying less to own than they had been paying to rent."

Guy Demetrius, an electrical worker originally from Haiti, moved with his wife and children into the first floor unit in August. Mr. Demetrius, who spoke at the groundbreaking for the Buildable Lots Program last December, said at the housewarming that being able to own his own home meant "everything."

"I had always dreamed of owning my own home," said Mr. Demetrius, "a place to raise my family. This means the future for my children."

The new homes constructed as part of the Buildable Lots Program are affordable because of low-interest mortgage programs offered by the State Office of Communities and Development's Homeownership Opportunity Program and by the Massachusetts Housing Finance Agency (MHFA). MHFA also administers the Borrowers' Assistance Program, a City and State supported effort to provide low-interest loans to first-time homebuyers for downpayment and closing costs.

Construction will begin this month on Round II of Project 747's Buildable Lot Program. Most of the developers in Round III have been designated and a Round IV package of lots will be advertised in December.

Paul Revere House. Built around 1680, this is the last standing Boston house of the 17th Century. Patriot and silversmith Paul Revere bought it in 1770. Interpreters will tell you the "true story" of his ride, plus many other interesting details. Open 9:30 a.m. - 4:15 p.m. daily. Admission: adults, \$2; seniors, \$1.50; children, \$.50, located at 19 North Square, North End, 523-1676.

CAMPAIGN UPDATE

All about the United Way — concerns, questions and answers

Q. What if there were no United Way? What would it mean?

A. It would mean that the more than 200 health, family, child care, and youth-serving agencies that are part of the United Way family would be forced to severely curtail their services. Last year, United Way and its affiliated agencies served more than 1.7 million of our neighbors, young and old, healthy and handicapped.

Also, if there were no United Way it would mean that each of us, and business and industry, would again be subjected to the chaos of multiple fund-raising appeals.

The United Way of providing human services is the most economical, most efficient, and best method yet devised for providing those services. The United Way was created by the givers.

During these times of public funding cuts, your United Way contribution is an investment in the community that pays tremendous dividends. We all need the United Way and the United Way needs all of us now more than ever!

Q. How much does the United Way pay its staff?

A. The United Way of Massachusetts Bay pays its management staff (approximately 120 employees) competitive salaries and in return expects and receives a high level of performance.

The Executive Committee and a separate Compensation Committee of the United Way's volunteer Board of Directors are responsible for evaluating the performance and determining the annual salary of the President, who is the chief professional officer. The volunteers are also accountable for monitoring compensation for the balance of the senior management team.

The Executive Committee and the Compensation Committee consider a number of factors in setting the President's salary. These factors include salaries paid to the chief professional officers of similar size United Ways, compensation levels for CEOs of \$50-million companies in the private sector, the growing complexity of the position, and most importantly, performance.

Robert X. Chandler is the current President of the United Way of Massachusetts Bay, and the organization has thrived under his leadership. The record-breaking 1988 fund-raising campaign generated pledges of

more than \$48 million in 4 short months. The organization has allocated a total of more than \$125 million to human service agencies and programs during the past four years. And the United Way has been able to add 40 new affiliates to its family of agencies in just seven years.

As the United Way and a number of other charitable organizations have assumed increased responsibility in our society, they have chosen to offer compensation comparable to that of some private sector companies in order to attract top quality professionals. This has created a dilemma because many people, including those in the media, feel even the largest nonprofits should be fully staffed by volunteers and low wage earners. The salary of the chief professional officer for any large United Way often elicits surprise or dismay when it appears in a newspaper headline.

A number of recent studies on the human service staff shortage all agree that the image of work in human services must be improved and seen as respected and valued in society. According to the study, this must be done in order to attract and retain top quality management and a stable work force.

We have seen what happens when you do not pay competitive wages — 61 percent of human service jobs are "hard to fill," annual separation rates are 42 percent, and the need for new staff is projected to grow by 40 percent between 1984 and 1995.

Q. How do United Way staff salaries affect me as a donor? Doesn't this mean that less of any donation goes to help people in need?

A. No, definitely not. Quality management enables United Way of Massachusetts Bay to keep its administrative and fund-raising costs low.

The United Way of Massachusetts Bay continues to be one of the best buys for your charitable dollar. The Better Business Bureau says some nonprofit organizations distribute less than 50 percent of the funds raised to programs and people in need. The United Way of Massachusetts Bay distributes 85 cents out of every dollar you contribute to agencies and programs serving people in need.

And don't forget the valuable "consumer protection" which you get when you funnel your gift through the United Way. Few individuals have time to thoroughly research community needs, resources available to meet those needs, and the agency in which they are interested. When you give through the United Way you can be assured that

your dollars are going to agencies delivering quality services to those most in need.

Q. How does the United Way decide which agencies to fund?

A. The United Way of Massachusetts Bay is an open system, governed by and accountable to local volunteers who represent all segments of the metropolitan Boston community.

Applications for affiliation are accepted from any voluntary, nonprofit human service agency. Each year more than 150 volunteers (164 volunteers in 1988) spend countless personal hours visiting agencies and meeting with individuals from agencies who have applied for United Way funding.

In addition to meetings with agency personnel, allocations spend time reviewing written materials and meeting with each other to discuss an agency's relative merits. Through this process, each agency is reviewed and evaluated in several areas, including funding priorities, target groups served, program accountability, financing, and management. Most importantly, programs and services are evaluated in terms of how they meet the community's most pressing needs. This entire process is conducted by volunteers who live and work in the Massachusetts Bay area.

One important benefit of United Way's allocations process, is the opportunity to discourage duplication of effort within a given geographic area, and to encourage collaborative efforts and sharing of resources where appropriate.

United Way's financial support for human services is not limited to allocations for a set package of affiliated agencies. In addition to adding new affiliates (11 new affiliates in '89 which included 9 grass-roots agencies, 5 female-managed agencies, 3 suburban, and 1 minority-managed agency), United Way of Mass. Bay has committed financial resources to special community problem solving initiatives which address the problems of child care, housing and teens. In 1989, a total of nearly \$1 million has been committed to all three initiatives.

Distributing United Way dollars is a difficult task as our volunteers try to meet unlimited needs with limited dollars. The success of this year's campaign — and every annual campaign — determines whether or not the United Way can be there for its existing family of agencies, as well as providing support to meet new and emerging community needs.

FOUR BOSTON AGENCIES RECEIVE \$1.3 MILLION FOR GANG PRO- POSAL

Mayor Raymond L. Flynn announced that four Boston agencies — including two City of Boston Departments — were awarded a total of \$1.3 million from the U.S. Department of Health and Human Services to implement gang prevention strategies.

The four agencies to receive the funding are the City of Boston's Community Schools and Recreation Centers Department, Boston Chinese: Youth Essential Service, the Boston Housing Authority and the Dorchester Youth Collaborative.

Boston Community Schools, which runs 34 community schools and recreation centers throughout Boston's neighborhoods, was awarded \$800,000 — the largest amount of the gang monies routed to Boston — as a result of their 60-page Gang Deterrent Project proposal submitted to the Department of Health and Human Services in early June. The project is aimed at directly reaching 300, 10-14-year-old, males and females "strongly at risk" for gang membership through a case management approach.

Mayor Ray Flynn said, "Clearly the awarding of these grants to four Boston agencies speaks well for both the agencies that received the funding and the federal government's recognition that Boston needs their support. With state support dwindling, this grant sends the message that the federal government is willing to step up to the plate for our cities and towns."

United States Attorney Wayne Budd, who was also at the grant announcement added, "I am pleased that I was able to offer my support for the Gang Deterrent Project from the early application stages. I will continue to support this project in the months ahead.

The Gang Deterrent Project has three principal objectives:

- To break down the barriers to service delivery for youth at-risk for gang membership by developing systems of co-located health, education, counseling and advocacy services and using the facilities of, and expanding the service offerings of, neighborhood services and recreation centers.
- To build cohesion, share resources and coordinate service among the various public and non-profit providers working in education, recreation, vocational training and drug and gang prevention within the affected neighborhoods of Boston.
- To break the momentum of gang formation by directing 300, 10-14-year-

old, would-be gang members toward safe, constructive activities and surroundings which will address their social, educational and health needs, build their self-reliance and self-esteem and make them more resilient to the lure of gang activity.

The goals of the gang-deterrent project include:

- Preventing and reducing the participation of youth in the activities of gangs that engage in illicit drug-related activities.
- Promoting the involvement of youth in lawful activities in communities in which such gangs commit drug-related crimes.
- Preventing the abuse of drugs by youth, educate youth about such drug abuse and refer for treatment and rehabilitation those who abuse drugs.
- Facilitating coordination and cooperation among local education, juvenile justice, employment and social service agencies, and drug abuse referral, treatment and rehab programs for the purpose of preventing or reducing drug-related crimes.

Boston Community Schools and Recreation Centers Executive Director Bill Doherty said, "I am pleased that we have received the grant and are able to bolster some of our gang prevention efforts in the neighborhoods. We will be working closely with the other grant recipients as well as many community groups and leaders to make sure that we all do as much as we can with this funding."

Gang Deterrent Project Fact Sheet

Four Boston agencies — including two City of Boston Departments — have been awarded a total of \$1.3 million from the U.S. Department of Health and Human Services to implement gang prevention strategies. The four agencies and funding breakdowns are:

- City of Boston Community Schools and Recreation Centers Department, \$800,000
- Boston Chinese Youth Essential Service, \$150,000
- Boston Housing Authority, \$200,000
- Dorchester Youth Collaborative, \$147,000

The Gang Deterrent Project is a collaboration between Community Schools, Boston's municipal and neighborhood juvenile courts and Roxbury Youthworks. The Project will target 10-14-year-old, males

and females at risk for gang membership which includes:

- court involved youth
- younger brothers/sisters of gang members
- youth living in gang-infested areas

The Project will use a case management approach to:

- provide close supervision of each youth
- address the variety of internal and external forces which propel youths toward gang membership
- address the youth services he/she needs and provide direct services in education, health, counseling, recreation, etc.

The project is aimed at keeping 300 youth in school, off drugs and out of gangs and will create citywide and neighborhood groups which will share resources and focus community efforts on a coordinated gang prevention strategy.

Mayor Raymond Flynn and United States Attorney for Massachusetts Wayne Budd (not pictured) were in Roxbury to announce the awarding of a \$1.3 million grant to four Boston agencies for the implementation of gang prevention strategies.

NEW COMMUNICATION SYSTEM ON MBTA COMMUTER RAIL TO IMPROVE SAFETY

A new safety measure will be added to the T's commuter rail system thanks to a new contract approved by the T's Board of Directors. A communications system will improve safety by enabling direct contact with all trains.

The \$585,471 contract with Thomas K. Dyer, Inc., of Lexington, will allow MBTA dispatchers to be in immediate contact with each train in the system, enabling vital service and operating information to be relayed to engineers and other personnel on a moment's notice.

The new communications system will also allow the T to install a sophisticated public address and dispatching system throughout the commuter rail system, allowing announcements to be targeted to individual stations and platforms, or to all stations along one of the T's 11 rail lines.

In a related project beginning this spring, the T is scheduled to start installing call boxes in commuter rail stations which will be directly linked to MBTA's Police Department, providing an increased measure of security and emergency capabilities.

"This new communications system is a real plus for our passengers," MBTA General Manager Thomas P. Glynn said. "It will help make our rail system even safer by allowing us to communicate directly with our trains, to inform engineers of conditions on the track ahead, or allow them to tell us about train problems or emergencies."

The system will also allow the T to provide up-to-the-minute service updates about train delays or schedule changes, information about pass sales and other items, directly to passengers on platforms and in stations.

Since the system will initially utilize a radio broadcast system in some areas, the first phase of the project will examine how communications will be carried to each stop and will design the basic system. This is expected to take about 18 months. Following this first phase, actual construction and installation of the system will proceed. The contract will also provide plans for future expansion of the communication/dispatching system to meet the T's needs as the commuter rail system extends in coming years.

The communications project will take five years for total installation throughout the system, although portions of it will be used on a phased basis before it is completely installed.

Ridership on the T's commuter rail system has increased by 100 percent over the past six years, to over 70,000 passengers each weekday. It has proven to be one of the most popular and fastest growing of the T's services.

For information on routes and schedules, passengers should call the T's Customer Service Center at (617) 722-3200 or 1-800-392-6100.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

SCHOOL DEPARTMENT

Chapter 636 Programs

Dear Mr. Mayor:

As Superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Northeastern University, a corporation located at 360 Huntington Avenue, Boston, MA 02115.

On May 23, 1989, the School Committee approved all of the FY90 Chapter 636 proposals in the amount of \$5,677,938.

This contract shall be in effect during the period July 1, 1989, to June 30, 1990, and shall occur at a cost not to exceed \$222,031, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide for the North Zone coordination, consultant services, and support for Literature is Tops project in eight schools; will oversee planning and provide consultant services for Umbrella Arts Plus Program in three elementary schools.

The contractor will also provide for the West Zone: coordination, consultant services, and support for B.E.S.T. Reading Program in all West Zone schools. Plan and coordinate At-Risk and Student Leadership Projects at the Wheatly Middle School. Oversee planning of Visual Arts-Multicultural Calendar Project, Humanities-Wheatley Garden, and Humanities-Umbrella Arts Plus Projects service a total of two middle and three elementary schools.

Northeastern is uniquely qualified to provide these services because: Northeastern has organized sufficient resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); the institution has specifically designed services in conjunction with School Department personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, these services have been reviewed and approved by appropriate personnel at the State Department of Education.

Because of the professional nature of the services to be provided under the agreement and the expertise of the contractor in these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised con-

tracts is as follows: 1989 — \$255,484; 1988 — \$260,795; 1987 — \$266,450.

Very truly yours,
Laval S. Wilson,
Superintendent.

Computer Programs

Dear Mr. Mayor:

I request your authorization to award a contract, without public advertisement, to WICAT Corporation, located at 1875 South State Street, Orem, Utah 84058, for providing the Integrated Learning System series (WICAT copyright) courseware and services for kindergarten through grade 12 for the period June 15, 1989 through June 30, 1992. The cost of this contract will not exceed \$1,975,000.

The following companies responded to an RFP in September, 1988:

- Computer Systems Research (CSR)
- Education Systems Corporation (ESC)
- Instructional Services Inc.
- IBM
- Prescription Learning
- WASATCH
- WICAT Corporation

An extensive screening process identified two companies (WICAT Corporation and Education Systems Corporation) as manufacturers of com-

puter programs courseware most suitable to provide computer software for Boston's Integrated Learning System. The determining factor selecting WICAT Corporation was the educational quality of the (K-12) math and reading courseware. The Math and Reading Screening Committees outlined the sixty one "quality control" items that were missing from the products of the five companies that were not chosen, but were present in the two companies products selected.

Under the terms of this contract which is proprietary in nature and because the price is reasonable, I believe that public advertising would serve no useful purpose. There has been no fiscal activity in the form of unadvertised contracts with this company during the past three fiscal years.

Sincerely,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

I request your authorization to award a contract, without public advertisement, to Education Systems Corporation, 6170 Cornerstone Court East, San Diego, California 92121-3710, for providing the computer software and the license for the ESC Integrated Learning System courseware and services for kindergarten through grade 8. The period of the contract is June 15, 1989, through June 30, 1992 at a cost not to exceed \$1,900,000.

The following companies responded to an RFP in September, 1988:

- Computer Systems Research (CSR)
- Education Systems Corporation (ESC)
- Instructional Services Inc.
- IBM
- Prescription Learning
- WASATCH
- WICAT Corporation

An extensive screening process identified two companies (Education Systems Corporation and

WICAT Corporation) as manufacturers of computer programs courseware most suitable to provide computer software for Boston's Integrated Learning System. The determining factor selecting Education Systems Corporation was the educational quality of the (K-8) reading, language arts and mathematics courseware. The Math and Reading Screening Committees outlined the sixty one "quality control" items that were missing from the products of the five companies that were not chosen, but were present in the two companies products selected.

Under the terms of this contract which is proprietary in nature and because the price is reasonable, I believe that public advertising would serve no useful purpose. There has been no fiscal activity in the form of unadvertised contracts with this company during the past three fiscal years.

Sincerely,
Laval S. Wilson,
Superintendent.

Copier Machine Maintenance

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization to award a contract, without public advertisement, to Savin Corporation, 1480 Soldiers Field Road, Brighton, MA 02135, for the renewal of copier machine maintenance service and incidental supplies for the period of July 1, 1989, through June 30, 1990, at a cost not to exceed \$200,000.

The contractor will continue service under the terms and conditions of their 1988-1989 contract. The copier machines are located in various schools and district offices in the Boston School Department. Savin Corporation is specially qualified to provide the above services based upon its satisfactory performance of substantially the same service during July 1, 1987, through June 30, 1988. In addition, Savin Corporation has an available inventory of parts-on-hand that are compatible with Savin equipment. See attached inventory of machines within school system.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by advertisement for bid.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: C04426(87) — \$200,000; C04911(88) — \$200,000; and C04405(89) — \$170,000.

Very truly yours,
Leo J. Burke,
Business Manager.

Copier Rental

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization to award a contract, without public advertisement, to Savin Corporation, P.O. Box 1039 (ALPHA), Syracuse, N.Y. 13201, for the renewal of copier machine installment purchase agreements and rentals for the period July 1, 1989, through June 30, 1990, at a cost not to exceed \$200,000.

The contractor will continue service under the terms and conditions of their 1988-1989 contract. The copier machines are located in various schools and district offices in the Boston School Department. Savin Corporation is specially qualified to provide the above services based upon its satisfactory performance of substantially the same service during July 1, 1988, through June 30, 1989. Savin Corporation has an available inventory of parts-on-hand and has assisted in standardizing the copier machines. See attached inventory of machines within school system.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by advertisement for bid.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: C04426(87) — \$200,000; C04911(88) — \$200,000; and C04404(89) — \$200,000.

Very truly yours,
Leo J. Burke,
Business Manager.

Reading Machine Maintenance

Dear Mr. Mayor:

Your authorization is requested for the award of a contract, without public advertisement, to Kurzweil Computer Products, 185 Albany Street, Cambridge, MA 02139, for providing maintenance services for a Kurzweil Reading Machine (Model 1-111 KRM) located at Boston Latin School. The cost of this service for the period July 1, 1989, to June 30, 1990, will not exceed \$2,520, a price I have determined to be reasonable.

This machine has been on loan at no cost to the City from the Office of Special Education and would cost the School Department more than \$20,000 to purchase a new machine. For this reason, the Special Education designee recommends that we continue the maintenance contract with the above named company.

Since this equipment was furnished by the above named company and they are the only company who can supply this service effectively with specially trained technicians and have an inventory of parts on hand for these machines, I feel that the public interest would not be served by public advertisement for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$2,520; 1988 — \$2,520; and 1989 — \$2,520.

Very truly yours,
Leo J. Burke,
Business Manager.

TRANSPORTATION DEPARTMENT

Support Services

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 24, 1989, Hagop Jawharjian, 12 Benjamin Drive, North Providence, R.I. 02904, has responded and has been deemed qualified to perform adjudicatory support services for the Boston Transportation Department/Office of the Parking Clerk. Hagop Jawharjian has previously

worked for the Boston Transportation Department/Office of the Parking Clerk and his previous contract(s) was in FY87, FY88, FY89 in the amount of \$8,000, \$17,400, \$19,500.

Hagop Jawharjian will conduct hearings as required by law to adjudicate parking ticket and abandoned vehicle disputes. Subject to judicial review, he will make final disposition on ticket and abandoned vehicle disputes with guidelines established by law, interpret State Law and City Ordinance, and Boston Transportation Parking Rules and Regulations as required, and direct complainants requesting further service to appropriate Departmental personnel.

Therefore, I request your authorization for the award of a contract to Hagop Jawharjian in an amount not to exceed \$20,000 payable at an hourly rate of \$14, which is deemed to be reasonable, during the July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the expertise of Hagop Jawharjian in this area, it is my determination that no public purpose would be served by further advertisement.

Very truly yours,
Richard A. Dimino,
Commissioner.

TREASURY DEPARTMENT

Professional Services

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 3, 1989, Patrick O'Toole, Jr., 147 Cottage Street, Norwood, MA 02062, has responded and has been deemed qualified to provide professional services as Staff Analyst for the Treasury Department. Mr. O'Toole has previously worked for the Treasury Department and his previous contract(s) were FY 89 in the amount of \$17,000, and not applicable for FY 88 and FY 87.

Under the terms of the contract, the contractor will be responsible for research/analysis of accounts in tax title/tax possession, general systems analysis, particularly Cash Flow, verification of tax abatement calculations and handling special projects as assigned.

Therefore, I request your authorization for the award of a contract to Patrick O'Toole, Jr. in an amount not to exceed \$16,320, payable at an hourly rate of \$12, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Mr. O'Toole has in this area, it is my determination that no public purpose would be served by further advertisement.

Sincerely,
Lee F. Jackson,
Collector-Treasurer.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Daidra Gorham, 9 Hinkley Street, Dorchester, MA 02125, for professional services as Personnel and Budget Operations Assistant for the Treasury Department and Payment Coordinator of the City of Boston \$50 million Master Installment Sales Program. Ms. Gorham has previously worked for the Treasury Department and

her previous contract(s) were FY 89, FY 88 and FY 87 in the amounts of \$25,000, \$20,220, and \$15,500.

Under the terms of the contract, the contractor will be responsible for various monthly reports to the Office of Budget and Program Evaluation; coordination of the payment process for the City's \$50 million Master Installment Sales Program, record keeper and contract coordinator for the Treasury department's contractual services personnel, overseeing the delinquent excise collection program and overseeing the operations of the department's central clerical pool.

Ms. Gorham is specially qualified to do this work given her number of years of service to the Treasury Department in various capacities. Currently she is the record keeper and contract coordinator for the Treasury department's contractual service personnel, processes the bi-weekly payroll, oversees the payments for the City's \$50 million Master Installment Sales Program, oversees the weekly collection reporting for delinquent motor vehicle excise taxes.

Compensation under this contract shall not exceed \$27,250, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$567.71 per week.

The term of this contract shall be July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
Lee F. Jackson,
Collector-Treasurer.

Clerical Support

Dear Mayor Flynn:

In response to an advertisement in the *City Record* on April 3, 1989, Michelle Allix, 253 East Ninth Street, South Boston, MA 02127, has responded and has been deemed qualified to perform clerical support services for the Trust Division of the Treasury Department. Michelle Allix has previously worked for the Trust Office, and her previous contracts were FY 89 in the amount of \$9,800, FY 88 in the amount of \$5,700, FY 87 not applicable.

Michelle Allix is specially qualified to perform these services because of her past secretarial experiences, her ability to work productively and efficiently with little supervision, also her demonstrated ability to instruct others in office producers and the operation of office equipment. The contractor will be answering phones, typing memoranda and reports, using the Wang Word Processor and lotus computer, filing and other related work as needed. Ms. Allix is also proficient in the coordination of schedules and creation and implementation of new filing systems.

Therefore, I request your authorization for the award of a contract to Michelle Allix in an amount not to exceed \$15,743, payable at an hourly rate of \$8.65, which is deemed to be reasonable, during the period of July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, I believe that further advertising would serve no useful purpose.

Sincerely,
Lee F. Jackson,
Collector-Treasurer.

Dear Mayor Flynn:

In response to an advertisement in the *City Record* on April 3, 1989, Gena D'Amico, 167 Falcon Street, East Boston, MA 02128, has responded and has been deemed qualified to assist in accounting activities for the Treasury Department and her previous contract(s) were FY 89 \$7,000, FY 88 \$1,990, FY 87 not applicable.

Under the terms of the contract, the contractor will be responsible for the reconciliation of high volume checking accounts with the interrelation of the IBM main-frame system, Digital (Vax 11-780) mini computer systems and the IBM PC system. Ms. D'Amico will also be responsible for the reporting of adjusting entries necessary to bring the checking accounts into balance for a given period and the issuing of monthly reports.

Therefore, I request your authorization for the award of a contract to Gena D'Amico in an amount not to exceed \$7,000, payable at an hourly rate of \$8.80, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Ms. D'Amico has in this area, it is my determination that no public purpose would be served by further advertisement.

At my discretion, authorized overtime service in excess of a forty hour workweek, shall be compensated on a time-and-one-half basis.

Sincerely,
Lee F. Jackson,
Collector-Treasurer.

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 3, 1989, Kirsten Swenson, 118 Quincy Avenue, Winthrop, MA 02152, has responded and has been deemed qualified to assist in accounting activities in the Treasury Department. Ms. Swenson has previously worked for the Treasury Department and her previous contract(s) were FY 89 \$8,500, FY 88 \$1,990, not applicable FY 87.

Under the terms of the contract, the contractor will perform accounting activities required by the Treasury Department such as issuing/funding checks on our accounts payable system, process stop payments on lost checks and general accounting.

Therefore, I request your authorization for the award of a contract to Kirsten Swenson in an amount not to exceed \$8,017, payable at an hourly rate of \$8.30, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Ms. Swenson has in this area, it is my determination that no public purpose would be served by further advertisement.

Sincerely,
Lee F. Jackson,
Collector-Treasurer.

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 3, 1989, Richard Sexton, 755 Adams Street, Dorchester, MA 02122, has re-

sponded and has been deemed qualified to assist in accounting activities in the Treasury Department. Mr. Sexton has previously worked for the Treasury Department and his previous contract(s) were FY 89, FY 88 and FY 87 in the amounts of \$18,600, \$13,000 and \$12,000.

Under the terms of the contract, the contractor will perform duties required by the Treasury Department such as bank reconciliations and ascertaining data applying to court subpoenas, and other accounting activities as necessary.

Therefore, I request your authorization for the award of a contract to Richard Sexton in an amount not to exceed \$21,840, payable at an hourly rate of \$10.50, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Mr. Sexton has in this area, it is my determination that no public purpose would be served by further advertisement.

Sincerely,
Lee F. Jackson,
Collector-Treasurer.

Collection Assistance

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 3, 1989, Andrea Savino, 57 Cooper Street, Boston, MA 02113, has responded and has been deemed qualified to assist in the collection of delinquent real estate, personal property and motor vehicle excise taxes for the Collecting Division of the Treasury Department. Ms. Savino has previously worked for the Collecting Division and her previous contract(s) were FY 89 \$9,000, and FY 88 \$1,990, not applicable FY 87.

Under the terms of the contract, the contractor will prepare legal documents for conveyance and insurance claims, answer legal questions in reference to conveyance of properties, keep records and be responsible for data on municipal liens, balance daily and work on computers.

Therefore, I request your authorization for the award of a contract to Andrea Savino in an amount not to exceed \$7,000, payable at an hourly rate of \$6.55, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Ms. Savino has in this area, it is my determination that no public purpose would be served by further advertisement.

Sincerely,
Lee F. Jackson,
Collector-Treasurer.

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 3, 1989, Gia Savino, 57 Cooper Street, Boston, MA 02113, has responded and has been deemed qualified to assist in the collecting of delinquent real estate, personal property and motor vehicle excise taxes for the Collecting Division of the Treasury Department. Ms. Savino has previously worked for the Collecting Division and her previous contract(s) were FY 89 \$14,000, FY 88 \$7,190 and FY 87 \$4,000.

Under the terms of the contract, the contractor will prepare legal documents for conveyance and insurance claims, answer legal questions in reference to conveyance of properties, keep records and be responsible for data on municipal liens, balance daily and work on computers.

Therefore, I request your authorization for the award of a contract to Gia Savino in an amount not to exceed \$8,000, payable at an hourly rate of \$7.50, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Ms. Savino has in this area, it is my determination that no public purpose would be served by further advertisement.

Sincerely,

Lee F. Jackson,
Collector-Treasurer.

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 3, 1989, Audrey Cromartie, 8 New Terrace Road, Brookline, MA 02146, has responded and has been deemed qualified to assist in the collecting of delinquent real estate, personal property and motor vehicle excise taxes for the Collecting Division of the Treasury Department. Ms. Cromartie has previously worked for the Collecting Division and her previous contract(s) were FY 89 \$14,500, and FY 88 \$12,310, not applicable FY 87.

Under the terms of the contract, the contractor will assist the taxpayer service window, type, answer phones, and make out tax bills for the collecting department and other related work as necessary.

Therefore, I request your authorization for the award of a contract to Audrey Cromartie in an amount not to exceed \$15,808, payable at an hourly rate of \$8, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Ms. Cromartie has in this area, it is my determination that no public purpose would be served by further advertisement.

Sincerely,

Lee F. Jackson,
Collector-Treasurer.

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 3, 1989, Anne Whalen, 22 Weyanoke Street, Dorchester, MA 02124, has responded and has been deemed qualified to assist in the collecting of delinquent real estate, personal property and motor vehicle excise taxes. Ms. Whalen's previous contracts were FY 89, FY 88 and FY 87 in the amounts of \$16,200, \$9,166, and \$6,990.

Under the terms of the contract, the contractor will assist the taxpayer service window, research checks sent without remittance, research teller errors, process the mail for incoming payments and balance with the computer room and other related duties as necessary.

Therefore, I request your authorization for the award of a contract to Anne Whalen in an amount not to exceed \$16,200, payable at an hourly rate of \$13, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Ms. Whalen has in this area, it is my determination that no public purpose would be served by further advertisement.

Sincerely,

Lee F. Jackson,
Collector-Treasurer.

Dear Mr. Mayor:

In response to an advertisement in the *City Record* on April 3, 1989, Lisa Wheeler, 619 Morton Street, Boston, MA 02126, has responded and has been deemed qualified to assist in the collection of delinquent real estate, personal property and motor vehicle excise taxes for the Collecting Division of the Treasury Department. Ms. Wheeler has previously worked for the Collecting Division and her previous contract(s) were FY 89 \$15,500, FY 88 \$1,990, not applicable FY 87.

Under the terms of the contract, the contractor will provide taxpayer assistance with regard to tax collections and tax refunds, calculate late payment interest and charges, and operate a computer terminal for the purpose of tax payment inquiries and status reports.

Therefore, I request your authorization for the award of a contract to Lisa Wheeler in an amount not to exceed \$6,000, payable at an hourly rate of \$8, which is deemed to be reasonable, during the period July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, the experience and knowledge Ms. Wheeler has in this area, it is my determination that no public purpose would be served by further advertisement.

Sincerely,

Lee F. Jackson,
Collector-Treasurer.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to Sarmiento Memorial, Commonwealth Avenue Mall, Boston, Mass.

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to Sarmiento Memorial, Commonwealth Avenue Mall, Boston, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, and equipment necessary to install a granite planter and paving repairs. Estimated cost, \$25,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, December 7, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, October 16, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Di-

rectory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department, Affirmative Action Office, 1010 Massachusetts Avenue, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services, Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods and services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, November 28, 1989, at 10 a.m., Boston time.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and women-owned busi-

nesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department, Affirmative Action Office, 1010 Massachusetts Avenue, third floor, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services, Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods and services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, November 28, 1989, at 10 a.m., Boston time.

NOTICE TO CONTRACTORS

**Invitation for Bids for Installation of Cement
Concrete Monument Foundations at Fair-
view Cemetery, Hyde Park, Mass.**

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the projects listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Installation of Cement Concrete Monument Foundations at Fairview Cemetery, Hyde Park, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials and equipment necessary to install cement concrete monument foundations. Estimated cost \$10,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, December 7, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, November 20, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

REAL PROPERTY BOARD

**Invitation for Proposals for Leasing of Public
Parking Facility at Purchase and High
Streets, Boston, Massachusetts.**

The Real Property Board of the City of Boston, hereinafter called the Board, invites, from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, proposals for leasing the public parking facility situated in Boston at Purchase and High Streets, Boston, Mass., for the term of one (1) year beginning January 1, 1990, and ending December 31, 1990, unless earlier terminated in accordance with the terms and conditions as more fully set forth in the form of lease. Copies of the proposal and the lease, containing all applicable terms, conditions and covenants regarding the leasing of the Purchase and High Streets parking facility may be obtained daily (except Saturdays, Sundays, and holidays) between 9 a.m. and 5 p.m., at the office of the Board, One City Hall Square, Room 811, Boston, for a non-refundable fee of twenty-five dollars (\$25) for each proposal taken. The covenants and agreements contained in the lease will require, among other conditions, that the lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Board.

Bidders may be asked to provide the Board with evidence of ability to perform the terms and conditions of the lease. As part of their proposal, bidders must furnish the Board with information concerning past experience in managing and operating parking facilities.

Proposals shall be submitted in duplicate, on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked, "Proposal for Leasing of Public Parking Facility at Purchase and High Streets, Boston." One copy of the proposal shall be filed with the Board at its office on or before 10 a.m., on Tuesday, December 12, 1989, at which time and place all proposals will be publicly opened and read aloud. The copy of the proposal filed with the Board shall be accompanied by a bid deposit of five thousand dollars (\$5,000), made under the terms stated in the form of proposal, in the form of cash or a certified check, payable to the City of Boston. Additionally, the copy of the proposal filed with the Board shall be accompanied by a letter from a duly authorized agent of an insurance company certifying that a performance bond in the required amount as set forth in the proposal will be produced or, alternatively, the bidder shall accompany any proposal filed with the Board with cash or a certified check in the required amount as set forth in the proposal, payable to the City of Boston. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, One City Hall Square, Room M4, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

PRESIDENT, CITY COUNCIL

VOL. 81

NO. 46

BOSTON'S WINTER PLAN FOR THE HOMELESS

Emergency Shelter Commission — Raymond L. Flynn, Mayor; the Reverend Bernard McLaughlin, Chair; Ann Maguire, Executive Director.

Again this winter, the people of the City of Boston have made a commitment that no homeless person will be denied a bed, a meal, quality health care, and transportation to shelter.

City of Boston Expands Shelter Capacity

A vacant laundry building at Boston City Hospital is the site of the City's newest emergency shelter, as Boston continues to expand its emergency bed capacity.

Boston's Long Island Shelter will operate this new 160-bed facility. This new site adds 100 beds to the City's shelter operations. The other 60 beds will be transferred from the BCH Intake Center where overflow shelter has been provided for women. Renovations to the laundry building have been made to make the space appropriate for shelter use. Grants obtained through the federal McKinney Act as well as the City's Public Facilities Department, paid for the approximately \$950,000 in renovations. The new facility which opens this month will allow the City to expand its day programs and its nursing clinic for the homeless. It will also provide office space for job counseling. The number of shelter beds increased from 972 to 3,043 between 1983 and this winter. This represents a 213 percent increase since Mayor Flynn took office.

Homeless Are Guaranteed Transportation

For the past two winters, the Long Island Shelter began operating a homeless services van to transport people to overflow shelters and to reach out to others on the street in the evening hours. The Pine Street Inn also operates a rescue/outreach van from 9 p.m. to 5 a.m. daily. Both vans have proved to be vital in making sure that people have access to shelter, medical care, as well as blankets and hot drinks for those individuals

who do not desire transportation to a shelter. The Boston Police Department makes a vital contribution to our Winter Plan by providing 24-hour transport to shelter throughout the City of Boston.

Quality Health Care Available for the Homeless

Since 1985, Boston's Health Care for the Homeless program has provided comprehensive health care services for the City's homeless population. Through this program, health care teams — consisting of dedicated doctors, nurse practitioners and social workers — travel to close to sixty shelters, day programs, meal sites and hospitals to provide health care to guests at these locations. Health

MAYOR FLYNN REQUESTS FUNDS TO ASSIST THE HOMELESS

Mayor Raymond L. Flynn called upon the City Council to release a supplemental appropriation of \$198,000 to the Department of Health and Hospitals. The funds would be used to support a pilot program providing health care for homeless Boston families and others at the Boston City Hospital shelter, as well as literacy and job training services for the homeless.

The supplemental appropriation was made available through unanticipated revenue returns from defendants accused and

Care for the Homeless also offers a dental program, optometry services (including the provision of eyeglasses for homeless persons) and several other specialized programs to meet the particular needs of this at-risk population.

Health Care for the Homeless also operates an innovative respite program at the Shattuck Shelter in Jamaica Plain. The respite unit provides recovery care for homeless individuals who are too ill to be walking the streets each day but who do not require admission to acute or chronic care hospitals. The 25-bed unit provides comprehensive medical, nursing, social and psychiatric care for homeless patients who are unable or reluctant to follow routine treatment plans. This unit is very cost-effective as it provides a less expensive alternative to hospital care for individuals who are recovering from treatment. The average length of stay in respite is 17-20 days and they have had over 700 admissions since opening in the fall of 1985.

Dedicated Volunteers Make the Difference

There are many factors that contribute to the success of Boston's programs for the homeless. Perhaps most important are the volunteers and the donation of time, clothing, food and furniture. Emergency shelter and feeding programs rely heavily on volunteer labor and donations. In fact, it would be safe to say that many programs would not be able to function without so many dedicated and hard-working volunteers. In Boston the efforts of volunteers and other in kind donations have been valued at approximately \$50 million per year. Clearly, without the generosity of many Bostonians, the level of services being provided would be dramatically lower.

Overflow Shelters

In conjunction with the state government and the Greater Boston Adult Shelter Alliance, the Flynn Administration coordinated efforts to insure that every person who seeks shelter in Boston this winter will have it. Four hundred and fifty shelter beds will be added. Three hundred and fifty of these beds will be added for the winter season — 200 at the Newton Armory (operated by Positive Lifestyles) and 150 in small shelters throughout the Greater Boston area. One hundred additional beds will also be open at the Boston City Hospital.

HOMELESSNESS FACT SHEET

- Again this winter, the people of the City of Boston have made a commitment that no homeless person will be denied a bed, a meal, quality health care, and transportation to shelter.
- Nearly half of the homeless in Boston come from outside of the city — from other parts of Massachusetts or out of state.
- With 10 percent of the state's population, Boston currently hosts 66 percent of the shelter beds in the state and over half of these beds are occupied by chronically mentally ill persons. In other words, every night Boston shelters and other programs house 1,500 people with serious mental illness.
- The number of shelter beds has increased from 972 to 3,043 between 1983 and this winter. This represents a 213 percent increase since Mayor Flynn took office.
- Since January 1984, over \$63 million of public, private and foundation funds have been allocated for programs and projects to serve the homeless population in Boston. City resources totalling \$29 million have leveraged almost \$34 million in additional funding.
- Boston's Health Care for the Homeless Program at Boston City Hospital has provided comprehensive medical services to Boston's homeless population. Since 1985, the program's team of doctors, nurses and social workers have served over 12,000 persons.
- As Chairman of the United States Conference of Mayors Task Force on Hunger and Homelessness, Mayor Flynn worked with other mayors from across the country, homeless advocates and Congressional leaders to fight for the enactment of the Stewart B. McKinney Homeless Assistance Act. Boston has already received \$5.8 million in McKinney funds, which have been used by 97 non-profit agencies for a variety of housing, food, and health care programs.
- Despite the dramatic decline of federal housing programs, the Flynn Administration has mobilized every resource at its disposal both to preserve and produce affordable housing. Strong safeguards are in place for renters. The city has had over 15,000 housing starts since January 1984, the highest of any comparable-sized city.
- In the past five years, 2,200 vacant apartments have been substantially rehabilitated. The number of unlivable apartments has been reduced from 3,750 units

in 1979. Renovations are under way or funding has been found for all but 324 of the remaining apartments. At this rate, we are on schedule for full occupancy by the end of 1991, a status not seen for decades, nor existent today in many other large cities.

- A key element of the Flynn Administration's approach has been to go beyond basic shelter needs and to help homeless persons become more independent and self-sufficient. The cornerstone of this approach involves developing such programs as transitional and single-room occupancy (SRO) housing, job training and health care. In 1990, 245 new SRO and transitional units will be available to house people who would otherwise be living in emergency shelters.

Funds For Homeless . . .

convicted of stealing parking meter funds from the City.

Mayor Flynn stated, "The plight of homeless people in our community is a high priority to the City of Boston, and we will do everything within our power to address this serious problem. I'm pleased that additional resources have been made available to needy people in our city."

These funds, which will provide one-time assistance for homeless programs, provide Boston with minor relief from state budget cuts currently experienced by cities and towns across the Commonwealth.

"While the City simply cannot afford to take over the commitment which has been abandoned by the Commonwealth, we are conscious of the impact state cutbacks have had on the homeless. I will continue to work aggressively to seek out new sources of revenue and channel it to the people who have the most need," stated Mayor Flynn.

NEIGHBORHOOD MEETINGS TO DISCUSS BOSTON HARBOR PROJECT

The Massachusetts Water Resources Authority recently announced a series of public neighborhood meetings in Boston, Cambridge, Somerville and Chelsea to provide information about major construction plans which may cost \$650 million to \$1.2 billion for controlling sewage/stormwater discharges from the many combined sewer overflows (CSOs) in the four communities.

"Most people in New England and in the United States are aware of the Boston Har-

bor Project to stop our antiquated sewer system from polluting the harbor," said Paul F. Levy, MWRA Executive Director. "We are under a federal court order to accomplish this task, with certain specific timelines, supervised every month by Federal District Court Judge A. David Mazzone.

"What many people are still not aware of are the 87 overflow points included in the court order. Many of these CSOs discharge sewage and stormwater as often as 65 times a year, usually during heavy rainstorms, because the treatment plants at Nut Island, Quincy, and Deer Island, off Winthrop, cannot handle the heavy flow."

The CSOs are located along the shores of the Alewife Brook and Mystic River, the Charles River, the Inner Harbor, Dorchester Bay, and the Neponset Estuary.

"Beach closings, closed shellfish beds, and unpleasant floating materials are frequent conditions recognized by waterfront neighbors," Levy said.

Levy explained that current projects, such as improvements to MWRA headworks and pumping facilities should soon reduce CSO discharges to just over 5 billion gallons per year (bgy) instead of approximately 10.4 bgy now discharged.

"Why do these CSOs exist? They were state-of-the-art 'technology' in the late 1880s and early 1900s, in Boston and many other North American communities, because they diverted sewage and stormwater

from flowing in the streets," Levy said. "Is the CSO discharge harmful? Yes, that is why the MDC posts beaches with 'No Swimming' signs. Bacterial contamination can lead to gastro-intestinal diseases, earaches, diarrhea, and other complaints."

Levy explained that the neighborhood meetings would help people understand the CSO projects, for which planning began in January, 1988.

Pollution control can consist of:

- **SEWER SEPARATION.** Building separate sewers so that sewage is collected in one pipe and rainfall runoff in another
- **MANAGEMENT OF STORM-WATER.** Reduction of the rate at which runoff enters sewers
- **SATELLITE TREATMENT.** Treatment of sewage at each CSO or group of CSOs
- **STORAGE.** Treatment of underground-stored sewage and stormwater after the rainfall has stopped.

"The MWRA Board, after considerable study, decided that the solution to the CSO problem would be storage," Levy said. "Storage will provide the highest control at the lowest cost. Chicago is now operating a similar storage system, and Milwaukee has a storage project under construction."

Levy said the neighborhood meetings will feature design engineers and representatives of the MWRA Sewage Division. The impact of design and construction in each neighborhood will be discussed, and there will be a great deal of time devoted to questions from the audience.

"This project is influenced by a number of agencies and interests," Levy said. "Along with the federal court, the U.S. Environmental Protection Agency (EPA) and the Massachusetts Department of Environmental Protection (DEP) review all plans and require extensive comment from the people who will be affected. Everything we plan and build will be done in cooperation and coordination with local officials in Boston, Cambridge, Somerville and Chelsea."

Each neighborhood meeting will be announced separately. For more information about proposed neighborhood meetings, contact Ms. Carrie Fuchs, MWRA Public Affairs, 617/241-6057, or write Ms. Fuchs, MWRA, 100 First Avenue, Boston, MA 02129.

92nd YEAR FOR MUNICIPAL PRINTING PLANT

The Municipal Printing Plant was established in March of 1897 by Mayor Josiah Quincy for the purpose of supplying the city's printing needs. Mayor Hugh O'Brien was one of the four founders of Boston Typographical Union 13 and served as secretary-treasurer of the local.

The City Plant, headed by William Hanon, is capable of supplying the city with all its printing needs from business cards and social announcements to legal briefs, annual reports, and brochures. Many of the city's printing needs are unique in that they are required by law to be printed, but the small quantity needed is not considered worth the trouble of outside commercial printers. The plant is at 174 North Street, Boston, was built in 1932, and employs a total of fifty five unheralded, dedicated persons including compositors, proofreaders, pressmen, bindery workers, office staff, and maintenance men.

The top quality work produced at the plant is evidenced by the end result and the numerous encomiums received for a job well done.

The *City Record* (edited by William D. Stanton) is printed weekly at the Printing Plant, under the direction of Mayor

WOMEN IN THE BUILDING TRADES RECEIVES MASS. APPRENTICESHIP COUNCIL MERITORIOUS SERVICE AWARD

The Women in the Building Trades (WBIT) program received a certificate of meritorious service from the Massachusetts Apprenticeship Council at the Massachusetts AFL-CIO Convention held in early October. City officials joined union leaders and representatives of several neighborhood skills training programs at the convention as WBIT received the award and premiered its new video — a training film documenting the lives of women entering and working in the building trades.

WBIT, funded in part by Mayor Flynn's Office of Jobs and Community Services, trains women who are Boston residents for careers in the construction industry. Last year, WBIT received a grant from the federal Department of Labor to produce the video as a recruiting tool to give women an accurate presentation of what it is like to work in the construction industry since it is a viable career path not frequently chosen by women.

Licensed journeymen and apprentices, as well as women from several trade unions will attend the award ceremony/video premiere event.

"With the imminent start of the public megaprojects, it is crucial that we provide access to construction trade training for individuals who have historically been denied access to these fields. Women in the Building Trades is a fine example of a program which helps women access non-traditional careers. We congratulate the program on its award and video," said Ted Landsmark, Director of the Mayor's Office of Jobs and Community Services.

PARK STREET STATION — QUIET, EFFICIENT AND UNCLUTTERED? YOU BET!

The T approved, on October 18, a design contract which will allow the transformation of Park Street Station, the oldest sub-

way station in the nation, into a modern, smooth-flowing station ready to serve passengers well into the 21st century. Work at Park Street will match the T's impressive efforts over the last two years to modernize Red and Orange line stations in the downtown area.

Construction at the 92-year-old station will include new fare collection areas at the outbound entrance (toward Kenmore) and for the first time, at an adjacent historic "headhouse," that has been used only as an exit from the inbound platform (toward Lechmere). Additional features include a new information booth and concession kiosk, and new lighting, informational signs, and acoustical treatment to reduce station noise. The station will also be repainted.

T General Manager Thomas P. Glynn said, "Construction of the new entryway and fare collection area will nearly double the number of people who can enter the station at any given time. For folks who have stood in line to buy tokens, this is a tremendous improvement in customer service."

Glynn also noted that Park Street, with nearly 35,000 passengers passing through the Green and Red line station each weekday, is one of the most heavily used of the T's 117 subway and streetcar stations.

Design of the modernization project is being carried out for the T by Leers, Weinzapfel Associates. The 12-month construction project is scheduled to get under way next spring.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT

Health Benefit and Insurance Division

Insurance

Dear Mr. Mayor,

In accordance with Massachusetts General Laws chapter 32B, section 11D, the City of Boston is required to purchase accidental death insurance for eligible policemen and firefighters, on terms deemed to be in the best interest of the City and its employees.

This coverage provides a death benefit amount of nearly two times the policeman's/firefighter's annual salary, paid to his/her beneficiary, for loss of life due to bodily injury caused by an accident in the line of duty. The death benefit amount is determined by the insurance contained in M.G.L. chapter 32B, section 11A.

An employee considered eligible for this coverage if he/she is employed by the City of Boston

as an active full-time policeman or firefighter on a permanent basis and is under age 70.

Employee participation in this plan is on a voluntary basis. However, to ensure that each eligible person is contacted, he/she is required to submit a signed enrollment card either electing or rejecting the coverage.

In FY'88 the Health Benefit and Insurance Division received bids from seven (7) insurance companies interested in providing this coverage to the City. They were as follows:

Aetna Life Insurance Co., 5.5¢, Monthly Rate Per \$1,000/coverage

AIG Life Insurance Co., 3.0¢, Monthly Rate Per \$1,000/coverage

Boston Mutual Life Insurance Co., 10.0¢, Monthly Rate Per \$1,000/coverage

Continental Insurance Companies, 4.6¢, Monthly Rate Per \$1,000/coverage

Life Insurance Co. of North America, 5.0¢, Monthly Rate Per \$1,000/coverage

Lumbermans Mutual Casualty Co., 3.32¢, Monthly Rate Per \$1,000/coverage

Reliance Insurance Co., 5.0¢, Monthly Rate Per \$1,000/coverage

The contract was awarded to the lowest bidder, AIG Life Insurance Company, 10 Post Office Square, Boston, MA 02109 beginning in September 1987. AIG has agreed to hold the 3¢/\$1,000 rate for three years.

The contract amounts for the first two fiscal years that this contract has been in effect are as follows: FY'88 — \$70,000; FY'89 — \$85,000.

Your Honor's permission is requested to approve the renewal of the third year of the three year contract with AIG Life Insurance Company for Accidental Death Insurance for the period of July 1, 1989, to June 30, 1990, in an amount not to exceed \$70,000 from appropriation code 011-140-0148-HI04-0490.

Respectfully,

Irene Carrington,
Director.

Dear Mr. Mayor:

In accordance with Massachusetts General Laws chapter 32B, section 3, the City is required to purchase life and accidental death and dismemberment policies for eligible employees and retirees on terms deemed to be in the best interest of the City/County and its employees.

In response to an advertisement published in the *City Record* on March 7th and 14th, 1988 for a two-year contract for life insurance and accidental death and dismemberment coverage for eligible employees and retirees, the following bids were publicly open and read on April 1, 1988:

Boston Mutual Life Insurance Co., 120 Royall Street, Canton, MA 02021, Rate per \$1,000/coverage \$1.30.

Colonial Life & Accident Insurance Co., 18 South Main Street, Topsfield, MA 01983, Rate per \$1,000/coverage \$2.60.

Hartford Life & Accident Insurance Co., 100 Hopmeadow Road, Simbury, CT 06070, Rate per \$1,000/coverage \$1.50.

In as much as the Boston Mutual Life Insurance Company submitted the lowest bid and in as much as the bid was a reasonable one, the Boston Mutual Life Insurance Company was awarded the two-year contract.

Therefore, your Honor's permission is requested to approve the renewal of the second year of the two year contract with the Boston Mutual Life Insurance Company, 120 Royall Street,

Canton, MA 02021, for the period of July 1, 1989 through June 30, 1990 at a cost not to exceed \$1,100,000 from appropriation 011-140-0148-HI04-0490.

Respectfully,

Irene Carrington,
Director.

HEALTH AND HOSPITALS DEPARTMENT

Testing

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Brigham & Women's Hospital, 75 Francis Street, Boston, MA 02115, for the period July 1, 1989, through June 30, 1990, at a cost not to exceed \$40,550.

Under this contract Brigham & Women's Hospital will perform L/S Ratio Testing at a cost of \$92/test before 2:00 p.m., L/S Ratio Testing (STAT) \$92/test, after 2:00 p.m., L/S Ratio PG Testing, \$115/test, L/S Ratio PG Testing (STAT) \$115/test, Anti Plt Direct, \$135/test and Anti Plt Indirect, \$100/test. All of these tests are for Boston City Hospital patients.

Brigham & Women's Hospital has provided an excellent quality service in the past, which has met with the approval of physicians. Unadvertised contracts have been awarded to Brigham & Women's Hospital for the past three fiscal years in the following amounts: 1989 — \$40,550; 1988 — \$25,550; 1987 — \$35,000.

Therefore, because Brigham & Women's Hospital is the only vendor in the area that performs these tests on a stat basis, and also because the cost, in my opinion, is reasonable, no benefit would inure to the City by publicly advertising for bids.

Very truly yours,

Judith Kurland,
Commissioner.

Consultative Sessions

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to University Consulting Ophthalmologist, Inc., 80 East Concord Street, Boston, MA 02118, for the period July 1, 1989, through June 30, 1990, at a cost not to exceed \$6,720.

Under this contract University Consulting Ophthalmologists, Inc., will provide on-site consultative sessions in Ophthalmology at Mattapan Hospital. Each four (4) hour session will be scheduled every other week for 26 weeks. Reimbursement will be paid monthly at the rate of \$55 per hour. Twenty-four hour telephone availability for questions regarding ophthalmologic problems will be reimbursed at a flat rate of \$1,000.

Unadvertised contracts were awarded to University Consulting Ophthalmologists, Inc., for the past two fiscal years in the following amounts: 1989 — \$7,970 (Mattapan and Long Island Hospitals); 1988 — \$3,083.50 (Feb. 1, 1988 — June 30, 1988). Prior to that, Dr. Price was awarded an unadvertised contract in 1987 in the amount of \$7,700.

As University Consulting Ophthalmologists, Inc. employs individuals who are specialists in the field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,

Judith Kurland,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract to Daniel Seligman, D.P.M., Zero Governor's Avenue, Suite 21, P.O. Box 51, Medford, MA 02155, for the period July 1, 1989, through June 30, 1990, at a cost not to exceed \$15,600.

Under this contract Dr. Seligman will provide on-site consultative services in Podiatry to Mattapan and Long Island Hospitals. At Mattapan Hospital the on-site consultative sessions are to be scheduled in advance, not to exceed one session per week. Each four (4) hour session, the frequency and hours of which are to be determined by the Medical Director, shall be reimbursed at the rate of \$37.50 per hour to be paid monthly on a services rendered basis. On-site consultative sessions shall also be provided at Long Island Hospital, and each four (4) hour session, to be scheduled in advance shall be reimbursed at the rate of \$37.50 per hour to be paid monthly on a services rendered basis. Dr. Seligman must make coverage arrangements in the event of any absence, including vacation.

Dr. Seligman has provided the Department with excellent performance in the past. Unadvertised contracts have been awarded to Dr. Seligman for the past three fiscal years in the following amounts: 1989 — \$15,600; 1988 — \$15,600; 1987 — \$15,600.

Because of the special fitness of Dr. Seligman to provide these services, because of the professional nature of the services to be rendered, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,

Judith Kurland,
Commissioner.

Service Contract

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Coulter Electronics, Inc., 98 Mayfield Avenue, P.O. Box 4060, Edison, New Jersey 08818-4060, for the period July 1, 1989, through June 30, 1990, at a cost not to exceed \$13,200.

Under this contract Coulter Electronics, Inc. will provide a full service contract to include parts, labor and travel on a 24-hour basis, 7 days a week, with an on site response within 4 hours, for the Coulter S plus 4, serial No. 7167, located in the Hematology Department at Boston City Hospital.

For the past two fiscal years Coulter Electronics, Inc. was awarded unadvertised contracts for the following amount: 1989 — \$13,200; 1988 — \$13,200. In 1987 a contract was awarded, as a result of public bid, to Beckman Instruments, Inc. in the amount of \$13,200. However, delays

in repairs due to lack of system knowledge and parts were not uncommon, and therefore the department has chosen to return to the manufacturer for service of this sophisticated equipment.

Therefore, because Coulter Electronics, Inc. is the manufacturer and has the personnel specially trained to service this equipment, and as the cost, in my opinion, is reasonable, no benefit would inure to the City by publicly advertising for bids.

Very truly yours,
Judith Kurland,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to United X-Ray Corp., of Massachusetts, 5 Haffards Street, Fall River, MA 02723, for the period July 1, 1989, through June 30, 1990, at a cost not to exceed \$247,100.

Under this contract United X-Ray Corporation will provide the following services at Boston City

Hospital:

1. Service maintenance for Phillips X-ray Equipment located in A.C.C. X-Ray: Rooms 1, 2, 3, 4, 7, and Polytope System, to include parts, labor and travel between 8:00 a.m. and 5:00 p.m., \$148,632.75.

Repair contract on above equipment as needed, after 5:00 p.m., weekends and holidays, \$10,000.

3. Service maintenance for Angio Suite and Cystoscopy table, \$63,467.25.

4. To furnish x-ray tubes as needed, \$25,000.

United X-Ray Corporation has provided the Department with quality maintenance for over nineteen years. United X-Ray Corporation has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1989 — \$233,000; 1988 — \$247,080; 1987 — \$207,000.

Therefore, because United X-Ray Corporation is the sole distributor and the only company to service the Radiologic units and, because the cost, in my opinion, is reasonable, no benefit would inure to the City by publicly advertising for bids.

Very truly yours,
Judith Kurland,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Marquette Electronics, Inc., P.O. Box 23181, 8200 West Tower Avenue, Milwaukee, Wisconsin 53223, for the period July 1, 1989, through June 30, 1990, at a cost not to exceed \$2,664.

Under this contract Marquette Electronics, Inc. will provide all parts, excluding expendables, labor, routine and preventive maintenance checks to one (1) Marquette Case 12 and one (1) Treadmill located in the Heart Station at Boston City Hospital. All repairs and maintenance will be performed during normal working hours.

Fiscal year 1989 was the first year that a contract was awarded to Marquette Electronics, Inc. in the amount of \$2,664. Prior to that, the equipment was still under warranty.

Therefore, because Marquette Electronics, Inc. is the manufacturer, and has the personnel specially trained to service the above equipment, at a cost I consider to be reasonable, no benefit would inure to the City by publicly advertising for bids.

Very truly yours,
Judith Kurland,
Commissioner.

LAW DEPARTMENT

Professional Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Joseph Glannon, Esquire, a professor at Suffolk University Law School, Beacon Hill, Boston, Massachusetts 02114.

Under the terms of the contract, Attorney Glannon will provide services to the Law Department's Urban Affairs Bureau relating to the case of *The Society of Jesus of New England, et al., vs. The Boston Landmarks Commission*, Suffolk Superior Court, Civil Action No. 87-3168. Services will include research and writing relating to issues of historic preservation.

Attorney Glannon is specially qualified to do this work because he is a Suffolk University Law School Professor who is qualified and experienced in chapter 193C cases.

Compensation under this contract shall not exceed \$5,000 to be paid at the rate of \$90 per hour. I have determined this rate to be reasonable.

The term on this contract shall be from July 1, 1989, through June 30, 1990.

Because of the professional nature of the services to be performed, I feel that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertisement and to award a contract to Cathryn MacInnes, an individual located at 21 Stearns Street, Malden, MA 02148, for professional services on behalf of the Immigrant Rights Unit.

Under the terms of the contract, Ms. MacInnes will perform services as an Immigration Consultant for the Law Department in charge of coordination legal advice for aliens who contact the Immigrant Rights Unit. She will advise and assist groups and individuals in immigration-related matters, act as a liaison with federal and state agencies and private service providers. Additionally, she will coordinate with the pro-bono panel of Immigration Attorneys to ensure that those aliens in need of representation are provided with competent attorneys.

Ms. MacInnes is uniquely qualified to do this work because she has ten years experience in all aspects of immigration law, performance history in the department and is presently attending Suffolk University Law School, evening division.

Compensation under this contract will not exceed \$32,000. Payment shall be made at the rate of \$25 per hour. I have determined this rate to be reasonable.

The terms of this contract will be from July 1, 1989, until June 30, 1990.

Because of the professional nature of the serv-

ices to be performed and Ms. MacInnes' special qualifications, I believe public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.

POLICE DEPARTMENT

Drop-A-Dime

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Drop-A-Dime/Report Crime Intelligence Data, Inc. ("Drop-A-Dime"), located at 90 Warren Street, Suite 110, Roxbury, MA 02119, to assist in the investigative efforts of the Boston Police Department's Drug Control Unit.

The Boston Police Department shall provide fiscal assistance to the Drop-A-Dime Program which, in return, shall provide to the Boston Police Department any and all intelligence of which they become aware relative to criminal, especially drug, activity. Upon receipt of documentation, the Police Department shall reimburse Drop-A-Dime for the operating costs of the program.

Compensation under this contract shall not exceed \$20,000, which I have determined to be reasonable for the work to be performed. This funding will be charged against appropriation 011 211 0211 PD07 0290 with an initial encumbrance of \$1,666. The term of the contract shall be from July 1, 1989, through June 30, 1990.

Drop-A-Dime/Report Crime Intelligence Data, Inc. had a contract with the Police Department for \$20,000 in FY'88 and FY'89.

In light of the unique experience of the Drop-A-Dime Program, its personnel, and your Honor's commitment to the program, I submit that public advertising would serve no useful purpose.

Respectfully,
Francis M. Roache,
Police Commissioner.

POLICY OFFICE

Parents Notebook

Dear Mayor Flynn:

I respectfully request permission to dispense with public advertising and award a contract to the Citywide Educational Coalition, a non-profit corporation, for the production and distribution of certain materials related to the Boston Public Schools.

Under the terms of this agreement the contractor shall produce four issues of *Parents Notebook*, a monthly informational resource for the parents of elementary grade children in the Boston Public Schools and additional materials on student assignment. Additionally, the contractor shall conduct research and provide the Policy Office with quarterly oral and written reports on issues facing Boston Public School children and parents.

Compensation under this agreement shall not exceed \$12,000, a figure that I deem reasonable for the services to be rendered. The term of this contract shall be from April 1, 1989, through June 30, 1989.

Because of the professional nature of the services to be provided and the contractor's unique ability to provide such services I believe that public advertising would serve no useful purpose.

This award letter is being submitted late due to administrative delays in obtaining complete, signed documentation from the vendor.

Sincerely,
David Cortiella,
Director.

PUBLIC FACILITIES DEPARTMENT

Temporary Personnel

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 28, 1989, I respectfully request your Honor's written permission to dispense with further public advertising and enter into contracts with the firms listed below for the placement of temporary employees for clerical and technical positions on an as-needed basis:

Adia Personnel Services, 99 Summer Street, Boston; Olsten Services, One Bromfield Street, Boston; Exclusive Temporaries of Massachusetts, Inc., 10 Post Office Square, Boston; Yankee Contract Services, Inc., Malden; John Leonard Personnel Associates, Inc., 1 Post Office Square, Boston.

Your approval is hereby requested to award a contract to the firms listed above for the period July 1, 1989, to June 30, 1990, inclusive. In no event shall the payments to be made nor the maximum liability of the City under each contract for all firms in this category exceed \$150,000. It is my opinion that this cost is reasonable for the services to be provided.

The contractors were selected based upon a thorough evaluation of their proposals submitted in response to a publicly advertised request for proposals in *The Boston Globe* on March 13, 1989, and *City Record* on March 20, 1989. Eleven firms submitted proposals. They were evaluated and ranked based on the following criteria: turn around time, billing flexibility, quality control, week-end and afternoon hours service, minimum typing levels and reasonableness of fees. The five selected firms' proposals ranked highest of the eleven submitted.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Engineering Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 27, 1989, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Josef Brozek, AIA, Architect, a sole proprietorship, with offices at 91 Orchard Street, Somerville, MA 02144. Under the terms of this contract, the contractor will provide architectural and engineering services in support of the Neighborhood Development Bank and the Non-Profit Organization/Physical Improvement Program.

Compensation under this contract shall not exceed \$40,000, which I have determined to be reasonable for the services to be performed. The term of this contract shall be from July 1, 1989, to June 30, 1991. Funds for this contract shall come from those received under the Community Development Block Grant program.

The contractor was selected based upon a thorough evaluation of the proposal submitted in response to a publicly advertised request for proposals in *The Boston Globe* on March 19, 1989, and the *City Record* on March 20, 1989. Twenty-one proposals were submitted and evaluated. The six top rated firms were chosen. Josef Brozek's

proposal reflected high quality work with a good background of commercial and institutional design, and high standards of professionalism. Other selection criteria included past experience with similar projects, and reasonableness of hourly rates.

The submission of this request has been delayed due to the time involved in obtaining insurance coverage.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Emergency Repairs

Dear Mayor Flynn:

On May 4, 1989, the Public Facilities Department was notified by John Toomey of the Deer Island House of Correction that an emergency existed at the above referenced location. Upon viewing the site we found the hot water valves that supply hot water to the inmates' cells were malfunctioning and beyond repair. There are approximately 100 hot water supply valves to the inmates' cells left without hot water. These valves need to be immediately repaired so hot water can be restored.

We requested and received approval from the Division of Capital Planning & Operations to dispense with public advertising and immediately rectify this emergency work. Enterprise Equipment Company, Inc. a contractor normally engaged in this type of service, responded to our call.

Therefore, in accordance with Massachusetts General Laws, chapter 30, section 39M, I request your Honor's written approval to award a contract to Enterprise Equipment Co., Inc. of 857 Washington Street, Weymouth, MA 02188 for a sum not to exceed \$12,946.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

On May 8, 1989, the Public Facilities Department was notified by Health and Hospitals that an emergency existed at the above referenced location. This sign shop makes signs for the City of Boston using a variety of chemicals and materi-

als. Upon viewing the site we found the ventilation system was inoperable causing people to become ill from the toxic fumes that are expelled into the sign shop.

We requested and received approval from the Division of Capital Planning & Operations to dispense with public advertising and immediately rectify this emergency work. Bay State York Co., Inc., a contractor normally engaged in this type of service, responded to our call.

Therefore, in accordance with Massachusetts General Laws, chapter 30, section 39M, I request your Honor's written approval to award a contract to Bay State York Co., Inc. of 803 Summer Street, Boston, MA 02127, for a sum not to exceed \$45,720.

Sincerely,
Lisa G. Chapnick,
Director.

Invitation for Bids for Installation of Drywall Partitions at the John McCormack School, 325 Mt. Vernon Street, Dorchester, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J and 39K of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Installation of Drywall Partitions at the John McCormack School."

GENERAL BIDS will be received before twelve o'clock noon on Thursday, November 30, 1989, at which time and place they will be publicly opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, November 15, 1989, at the Department of Planning and Engineering to all interested parties. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check, or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise and the general contractor within five (5) business days after the award of the contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Au-

thority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

INVITATION FOR BIDS

The Trustees of Health & Hospitals of the City of Boston, Inc., hereinafter referred to as the Awarding Authority, hereby invites sealed bids for providing the following: construction of a metal canopy to be located at Boston City Hospital, 784 Massachusetts Avenue, governed by chapter 149, section 44A-H, in accordance with specifications accompanying the proposal forms which may be obtained from the Purchasing Department of the Trustees of Health and Hospitals located at 725 Massachusetts Avenue, Boston, MA 02118, on Monday, November 13, 1989, on or after twelve noon, Boston time.

Bidders are required to leave at the above office their bid proposal, accompanied by a bid deposit in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the Trustees of Health and Hospitals of the City of Boston, Inc., or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority, and conditioned upon the faithful performance by the principal of the agreements contained in the bid, in the sum of \$500, to become the property of the Trustees of Health and Hospitals of the City of Boston, Inc., if the proposal after acceptance is not carried out. The proposal must be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done.

Bids will be publicly opened and read on Wednesday, November 29, 1989, at twelve noon, Boston time, in the Purchasing Department, 725 Massachusetts Avenue, Boston, Mass. No bids will be accepted after twelve noon. The successful bidder must furnish a check in the amount of one dollar (\$1) payable to the Trustees of Health and Hospitals of the City of Boston, Inc. for the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest.

PUBLIC WORKS DEPARTMENT

**Proposal for Repairs to Roadways in Area I
of the City of Boston.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, November 13, 1989. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, November 30, 1989, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority and Women Business Enterprise Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority and Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority and Women Participation section of this contract, the general contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for Women Business Enterprise. For the purpose of this paragraph, the term minority and women business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Native American, Asian, or Cape Verdean) or women.

Each general contractor must complete, sign, and file with his bid the Minority and Women Business Utilization Form. The Minority and Women Business Utilization Form shall be completed and signed by the Minority and Women Business Enterprise and the general contractor. FAILURE TO SUBMIT A COMPLETED MINORITY AND WOMEN BUSINESS UTILIZATION FORM WITH THE BID PROPOSAL WILL RESULT IN THE REJECTION OF THE BID.

The City of Boston Minority and Women Business Directory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority and Women Business Office, at 43 Hawkins Street, Boston, MA 02114, Telephone Number 723-1400, Ext. 277. IF A CONTRACTOR WISHES TO USE A MINORITY AND/OR WOMEN BUSINESS THAT IS NOT LISTED IN THE DIRECTORY, HE MUST CONTACT THE MINORITY AND WOMEN BUSINESS OFFICE TO OBTAIN AN IDENTIFICATION STATEMENT, COMPLETE THE STATEMENT, AND SUBMIT THE STATEMENT WITH HIS BID. The dollar amount obligated to a non-certified (City of Boston) minority/women business will not count toward the minority/women business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority and Women Business Utilization requirements are invited to attend prebid conference to be held on Monday, November 20, 1989, at 10 a.m., in Room 714, Contract Compliance Office, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Hurley School," at an estimated cost of \$37,000.

SCOPE OF WORK: In general includes installing new oil burners and performing all related work as specified.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, November 15, 1989, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check, or cashier's check, payable to the City of Boston.

GENERAL BIDS will be received before twelve o'clock noon on Thursday, November 30, 1989, at which time and place they will be publicly opened and read aloud. General contractors must file with their bids a copy of a certification from DCPO showing that they are eligible to bid on projects in HVAC, up to a project amount and up to an aggregate limit, and with an update statement, DCPO form CQ3, summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits the bid.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise and the general contractor within five (5) business days after the award of the contract.

A performance bond, and also a labor and materials or payment bond, of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

REAL PROPERTY BOARD

**Invitation for Proposals for Leasing of Public
Parking Facility at Purchase and High
Streets, Boston, Massachusetts.**

The Real Property Board of the City of Boston, hereinafter called the Board, invites, from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, proposals for leasing the public parking facility situated in Boston at Purchase and High Streets, Boston, Mass., for the term of one (1) year beginning January 1, 1990, and ending December 31, 1990, unless earlier terminated in accordance with the terms and conditions as more fully set forth in the form of lease. Copies of the proposal and the lease, containing all applicable terms, conditions and covenants regarding the leasing of the Purchase and High Streets parking facility may be obtained daily (except Saturdays, Sundays, and holidays) between 9 a.m. and 5 p.m., at the office of the Board, One City Hall Square, Room 811, Boston, for a non-refundable fee of twenty-five dollars (\$25) for each proposal taken. The covenants and agreements contained in the lease will require, among other conditions, that the lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Board.

Bidders may be asked to provide the Board with evidence of ability to perform the terms and conditions of the lease. As part of their proposal, bidders must furnish the Board with information concerning past experience in managing and operating parking facilities.

Proposals shall be submitted in duplicate, on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked, "Proposal for Leasing of Public Parking Facility at Purchase and High Streets, Boston." One copy of the proposal shall be filed with the Board at its office on or before 10 a.m., on Tuesday, December 12, 1989, at which time and place all proposals will be publicly opened and read aloud. The copy of the proposal filed with the Board shall be accompanied by a bid deposit of five thousand dollars (\$5,000), made under the terms stated in the form of proposal, in the form of cash or a certified check, payable to the City of Boston. Additionally, the copy of the proposal filed with the Board shall be accompanied by a letter from a duly authorized agent of an insurance company certifying that a performance bond in the required amount as set forth in the proposal will be produced or, alternatively, the bidder shall accompany any proposal filed with the Board with cash or a certified check in the required amount as set forth in the proposal, payable to the City of Boston. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, One City Hall Square, Room M4, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

**Invitation for Bids for Maintenance and Repair
for Arterial Blood Gas Instruments IL 1312.**

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, Boston City Hospital, third floor, Administration Building, 818 Harrison Avenue, Boston, Mass., on or after twelve noon, Boston time, Monday, November 13, 1989.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500 as bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Tuesday, November 28, 1989, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

NOTICE TO CONTRACTORS

Invitation for Bids for Modification and Relocation of Existing Fire Alarm System at Boston City Hospital, Project No. 4940H, C. 149 Projects.

The City of Boston acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44J, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Modification and Relocation of Existing Fire Alarm System at Boston City Hospital."

SCOPE OF WORK includes Modification/Relocation of Existing Holsa-Cabot fire alarm loop on part of Boston City Hospital Complex.

TIME AND PLACE FOR FILING BIDS: ALL GENERAL BIDS shall be filed with the Awarding Authority at the sixth floor, 26 Court Street, Boston, MA 02108, before twelve o'clock noon on November 29, 1989, at which time and place respective bids will be opened forthwith and read aloud.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by the DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised, and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

Contractors submitting bids in connection with this project must be certified by DCPO in the category of Alarm Systems

PLANS AND SPECIFICATIONS will be available on or about November 13, 1989, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston, for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check made payable to the City of Boston.

The funding for this contract is backed with HUD/Federal Housing Administration (FHA) Section 242 Mortgage Insurance. Therefore, the schedule of minimum wage rates contained in the Supplementary Conditions section of the contract documents include both State and Federal prevailing wages to be paid to mechanics, apprentices, teamsters, chauffeurs and laborers employed under this contract. In every instance, the rate to be paid to each mechanic, apprentice, teamster, chauffeur and laborer shall be the higher of the two minimum wage rates contained therein.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

CHRISTOPHER A. IANNELLA
PRESIDENT, CITY COUNCIL

VOL. 81

MONDAY, NOVEMBER 6, 1989

NO. 45

MAYOR FLYNN CHAIRS U.S. CONFERENCE OF MAYORS MEETING

Statement issued at Advisory Board meeting, Chicago, Illinois, October 23, 1989.

The federal government is ending the decade the way it began, giving massive tax writeoffs to the well to do and bailing out the reckless savings and loan speculators while throwing a few crumbs to the poor and working families of America's cities.

Well, it is time to say enough is enough, it is time to get our nation's priorities back in order, and our nation's mayors must take the lead in making that happen. It's time to stop making excuses and apologizing for our poor and needy and time to start fighting to eliminate poverty and injustice.

You can't fight the drug lords with slogans, it takes resources. We don't need another drug bill filled with small programs that hundreds of cities apply for and only a few receive. We need to get substantial resources *directly* to our cities to turn our kids away from drugs and provide meaningful alternatives, from after-school recreation to career counseling to jobs.

We don't need ten different Congressional committees trying to figure out how to "reform" HUD, we need to figure out how to get HUD back in the business of providing affordable housing.

We don't need meaningless "summits" on education, we need a commitment to provide every young person with a learning experience that prepares them for the jobs of the future.

We don't need hours of debate on symbolic gestures, we need an "American Agenda" that will give every person access to housing, education and health care they can afford and a shot at real economic opportunity.

America's mayors are on the frontlines of our nation's unmet agenda every day. We have seen how the past decade has created a wider gulf between rich and poor, as the Census Bureau once again pointed out last week, and we cannot sit by in silence or in isolation.

In 1990, we must be more aggressive in pushing our agenda and we must forge strong relationships with organizations and individuals who share our agenda. We cannot let the Administration play us off against each other, fighting over limited resources. We need to make the pie larger for all of us.

Several weeks ago, I had the honor to represent the U.S. Conference of Mayors at the "Housing Now" march in Washington, D.C. I marched with representatives of organized labor who are fighting for their jobs, for their health benefits and for a decent wage for all working people. I marched with homeless persons who know better than anyone that shelters are not homes. And I marched with young families who are struggling to afford their first house.

We can't just let the "Housing Now" rally be remembered as a nice day of music and entertainment, we need to keep working to get Congress to give us the comprehensive housing legislation they've promised us for years now.

We need to get our points across on the drug issue. Don't let these funds disappear into the federal and state bureaucracies, get them to our police, our teachers, our outreach workers and our doctors. Let's free up those surplus federal properties that we need, whether it's to shelter our homeless or to provide needed prison and alternative corrections space.

And we shouldn't let the states off the hook either when it comes to a commitment to fight drugs or end homelessness. We want to see a

greater portion of the federal anti-drug funds which states receive passed through to local law enforcement, prevention and treatment efforts. We also want to see our state governments play a more positive role in supporting community-based residences for the mentally ill, instead of simply releasing deinstitutionalized persons into our communities.

It's time to roll up our sleeves and get to work. I look forward to working with our host, Mayor Richard Daley, with members of the Advisory Board and with the mayors of our country to put our issues back where they belong, at the top of America's agenda.

You CAN make a difference.

Can Share . . .

(Continued from front page)

families are served each month by 300 food pantries and soup kitchens. That's 7 million meals a year. As the holidays approach, food pantries need extra donations to meet the need and stock their pantries for the coming year. That's why the Can Share program was started.

Our Goal

Since its start in 1985, with just two dedicated companies, the Boston Can Share Food Drive has grown with vigor to involve employees from more than 150 Boston firms and government agencies.

The goal for 1989 is to collect 150,000 cans of food to provide more than 100,000 healthy meals to families in need.

How you can help

1. Pick up a few extra cans of nutritious food next time you shop or take a can or two from your cupboard. (See suggestions below.)
2. Drop off your contributions at your company's collection site *between November 6 through November 17*.
3. Your food donations will be transported to the Boston Food Bank, where it will be sorted, stored, and distributed to food pantries throughout Greater Boston.

Food Suggestions

- Canned tuna or salmon
- Meals in a can (ham, ravioli, chili)
- 100% all-natural canned fruit or fruit juice
- Whole-grain cereals
- Infant formula/evaporated milk
- Peanut butter

BUILDING OPPORTUNITIES PROJECT BRINGS CONSTRUCTION-RELATED CAREERS TO BOSTON'S NEIGHBORHOODS

Starting in January, a group of neighborhood-based training programs will begin preparing Boston residents for construction-related jobs on the Central Artery/third harbor tunnel and harbor cleanup projects. The training initiative, called the Building Opportunities Project, is sponsored by the state's Department of Employment and Training (DET), the Mayor's Office of Jobs and Community Services and Employment Resources, Inc. of Cambridge (ERI).

The Mayor's Office of Jobs and Community Services together with DET and ERI, recently issued a request for proposals to neighborhood education and skills training organizations to offer residents programs designed to prepare them for jobs during the pre-construction phase of the public megaprojects. Fields for which residents will be able to train include drafting, surveying, graphic design, and clerical/support services.

An agreement forged between the City of Boston and the state mandates that the aggregate number of employees hired for the three projects include 25 percent minorities, 25 percent women, 25 percent residents of neighborhoods impacted by the

projects, and 25 percent economically disadvantaged youth trained through the Building Opportunities Project.

In looking for proposals "we are particularly interested in programs that will create new opportunities and offer long-term career paths leading to economic self-sufficiency. We are particularly interested in innovative programmatic collaborations," said Ted Landsmark, Director of the Mayor's Office of Jobs and Community Services.

Boston Mayor Raymond L. Flynn said the Building Opportunities Project is the hard-won result of long-term negotiations between the City of Boston and the state. "We fought for better job training opportunities for our citizens, particularly those who historically have been left behind. We are working to ensure that all residents of this city have the opportunity to benefit from these projects."

BOSTON ECONOMIC DEVELOPMENT AGENCY WINS LAND RIGHTS SUIT AGAINST U.S. GOVERNMENT

In a decisive victory that will help secure the city's continued industrial growth, the Economic Development and Industrial Corporation (EDIC) of Boston has won a legal battle with the United States Government over rights to land in EDIC's Marine Industrial Park in South Boston.

The dispute centered on waterfront land that was deeded to the federal government by the Commonwealth of Massachusetts for use as a naval station during World War II. According to the deed, the land was to be returned to the Commonwealth when the government no longer required it for naval purposes.

Declared surplus by the government in the early 1970s, Massachusetts passed legislation that would give the land to the Massachusetts Land Bank, which was created to convert abandoned military property in the Commonwealth to new economic uses. The Land Bank was authorized to sell the site to EDIC for use as an industrial park. However, the U.S. Government, relying on an obscure Massachusetts law, sought to retain the land. With plans already under way for development of the area EDIC was allowed to purchase most of the parcel for \$1.8 million and began construction of the industrial park.

EDIC and the Land Bank initially brought suit in Federal District Court, seek

ing a court-ordered return of the remaining land and the purchase price to Massachusetts. After losing on appeal, EDIC and the Land Bank pursued a second related case in the Court of Claims, claiming that the government had effectively taken the Commonwealth's land without compensation, an unconstitutional act. Stephen Carr Anderson and Raymond J. Brassard, of the law firm Rackemann, Sawyer & Brewster, handled the case.

"The average age to start smoking in Massachusetts is now 10 years old," Mr. Ingala said. Of all current Massachusetts residents under age 19, more than 80,000 will eventually be killed by tobacco, according to Massachusetts Department of Public Health statistics. Ninety percent of lifetime smokers have started by the time they graduate from high school.

New Smokeout materials for 1989 include several items to encourage young audiences to either quit or not start smoking. A button for grade school students pictures a teddy bear with the message "Be beary healthy — please don't smoke." Mr. Spock from the television show *Star Trek* displays his "live long and prosper" greeting on a Smokeout poster and post card, telling the public that "quitting smoking is highly logical."

Co-chairing the Great American Smokeout nationally are actor Larry Hagman, known for his role as J. R. Ewing on television's "Dallas," and former U.S. Surgeon General C. Everett Koop, M.D. In a television spot to be released this fall, the two urge smokers to "leave the pack behind" on November 16.

Planning kits for companies, college campuses, hospitals, and schools, as well as order forms and more information about the Great American Smokeout, are available by calling local offices of the Society, or the Massachusetts Division headquarters at 1-800-952-7664.

AMERICAN CANCER SOCIETY'S GREAT AMERICAN SMOKEOUT BECOMES A TEENAGER, NOVEMBER 16

All superstition aside, the number 13 will be lucky for a record number of people who plan to give up cigarettes for 24 hours on November 16 — the day of the American Cancer Society's 13th annual Great American Smokeout.

The Smokeout enters its teen years with an ambitious goal — for 20 percent of the

nation's 50 million smokers to breathe only clean air for a day. If someone meets the challenge of quitting for one day, they're a step closer to becoming a permanent non-smoker, said Nick Ingala, chairman of the American Cancer Society's Massachusetts Division public information committee.

"It takes several tries for most people before they quit cigarettes for good," Mr. Ingala said. "The Great American Smokeout is a lighthearted celebration that creates an atmosphere of public support for quitters. The positive tide can help carry people through the difficult moments when the craving for nicotine strikes."

During the 1988 Smokeout, 18.4 million Americans participated by either quitting or cutting down during the 24-hour period. Of the participants, 3.4 million were still not smoking one to three days later.

"The Great American Smokeout is becoming a teenager at a time when smoking prevention and cessation for teens is emerging as a crucial issue," Mr. Ingala said. More than 50 percent of all current adult smokers were already hooked on cigarettes by the time they were 13, he said. Seven percent of sixth graders in Massachusetts today are already addicted to nicotine. Schools across the state will participate in the Smokeout, as will hospitals, companies, and community organizations.

After years of complex litigation, the Court of Claims found for EDIC and the Land Bank. To avoid the costly appeals process and more years of court battles, the parties reached a negotiated settlement, with the U.S. government agreeing to pay EDIC approximately four million dollars.

"We're extremely pleased with the outcome of this case because it represents an enormous victory for the economic and industrial health of the City of Boston," said Marilyn Swartz Lloyd, Director of EDIC. "These funds will allow us to pursue a number of key projects that might otherwise not have been possible."

Tim Bassett, Director of the Massachusetts Government Land Bank said, "That is a tremendous victory. Most importantly, it allows us to continue our partnership with EDIC in providing manufacturing jobs for Boston residents."

A portion of the settlement amount will be used to reduce EDIC's loan commitments to local lenders and to the Massachusetts Government Land Bank. Approximately two million dollars are needed for several EDIC development projects at the Marine Industrial Park, including maintenance and repairs to piers and jetties.

"Our goal is to continue to expand industry and to create hundreds of jobs on the working waterfront," said Swartz Lloyd. "With the favorable outcome of this case, we can redouble our efforts to make the Marine Industrial Park one of Boston's most impressive industrial achievements."

PRIVATE SUPPORT MAKES NEW BOSTON TRAINING PROGRAMS POSSIBLE

The new BTC training programs are being supported by private contributions from large employers in the Boston area. This support comes at a key time: rising demand for trained employees is coinciding with reductions in public funding for career training and education. Like other training institutions serving low-income people, the BTC must raise private funds necessary programs.

Kristen Moy of Equitable Life Assurance remarks that "the donation is good business for our firm. We have worked with the staff of the BTC to design a secretarial course that will provide us and other financial institutions with well qualified support staff. It's a good investment in training for our company." Other firms interested in developing specific courses in secretarial or manufacturing skills are encouraged to contact the Boston Technical Center at 482-7789.

Project ENTRY is a partnership with Chadis Printing, Artco Offset, Congress Press, Dynagraph, Mark Burton Inc., and Nimrod Press. It is funded with \$65,000 from the Neighborhood Jobs Trust, which supports job training and related programs with linkage funds paid by developers of large-scale buildings in Boston. City Councillor Thomas Menino, Midtown Cultural District Director Kristen J. McCormack and City Collector-Treasurer Lee Jackson are the trustees, and the Mayor's Office of Jobs and Community Services administers the Trust.

Several employers have contributed generously to the BTC's FIRE secretarial program, which required private support to supplement available public funds. Contributions have been made by:

Equitable Life Assurance	\$15,000
Au Bon Pain	7,500
Merrill Lynch Capital Markets	500
Fowler, Goedecke, Ellis	1,500
Bank of New England	5,000

MAYOR RAYMOND L. FLYNN'S ADDRESS ON CENTENNIAL ANNIVERSARY OF THE BOSTON ARCHITECTURAL CENTER, CO-PLEY PLAZA HOTEL, OCTOBER 21, 1989

Wednesday night at the annual meeting of the Massachusetts Taxpayers Foundation I spoke to many of the state's top business leaders and extended a challenge to them to help Massachusetts government overcome the political stalemate that is seriously damaging its credibility as well as restricting the economic growth that once led the nation.

At the meeting, Dick Manley was honored for his many years of hard work in establishing the important and necessary partnerships between business and government. John LaWare, a member of the Federal Reserve Board, also spoke out about the growing paralysis of leadership that is dulling our nation's competitive edge in the world economy. Others talked about Massachusetts' inability to resolve its serious financial issues in a timely, responsible, and professional way.

Now at the outset let's be clear that there are many reasons to be proud of our state. We have some of the best colleges and universities, medical centers, and cultural institutions anywhere; one of the lowest unemployment rates in the nation; high technology companies that are world leaders; the brainpower that is the envy of the nation; and a quality of life that brings tens of thousands of people to our state as visitors, as students and in many cases, as permanent residents.

Now, until recently, Massachusetts was being extolled as a "National Model" for progressive state policies in a number of areas — housing partnerships, financing higher education, leading the way in technology, promising health care for all — there wasn't a week that went by that some national publication wasn't reporting about how Massachusetts was so far ahead of the rest of the nation.

Then something happened. Things began to unravel. As the regional economy slowed down, state revenues fell off dramatically. And when revenues fell, the fingerpointing started. And now for more than ten months, we have seen an unprecedented level of finger pointing.

Now the other day I was at the State House and saw 15,000 students, teachers and parents, protesting the devastation of higher education in our state. At UMass-Boston — the hope of young people from poor and working families — enrollment

has been reduced by a thousand, 157 class sections have been dropped, 80 percent of the new computer and lab equipment has been axed, half the money for books and periodicals in the library has been shelved — overall UMass-Boston reports there has been a cut of 25 percent in state funding at their school in the last two years, at a time when applications are at an all time high.

Friday, at the 350th anniversary of America's oldest public school, we heard speaker after speaker, including the U.S. Secretary of Education, talk about how education is an investment in the future. All of us need to take that point seriously. And that is why we in Boston have been working very actively with public school parents from across the city on school reform. Yes, we need a fundamental change in the school system to make our schools more accountable to parents and to people in all the neighborhoods of Boston. Every kid deserves a chance to get a good education. We need a no excuses school system, one that doesn't blame the kids because of their social or economic backgrounds. And we need a school system with an up-to-date vocational education program that will enable Boston's young people to participate in the city's growth economy.

Now getting back to the student protest at the State House, these students have not been the only people to stand on the State House steps and march through its halls to protest the unfairness of the policies of state government. We have seen nurses, police officers, teachers, fire fighters, home care providers, and advocates for the elderly, the mentally ill, the homeless, as well as people from cities and towns all over Massachusetts which provide the essential services that people depend on every day.

I can think of no better signal that gives cause for joy to other states, other regions, even other countries, than the news that we will no longer be economically competitive. We might as well run up a white flag at the State House, and surrender the future of our state, our communities, and our children.

Where is the leadership which once made Massachusetts famous? Where is the leadership which fostered the birth of democracy in this nation? Where is the leadership that established the first public school in the nation — that was the first to say unequivocally that slavery was wrong — that so many times has been there for people in need when it wasn't popular? — Where is the leadership of Sam Adams, John Hancock, Martin Luther King, and John Fitzgerald Kennedy — that has led the nation to look to Massachusetts for leadership?

Let's stop the finger pointing and start

talking about how we're going to get this Commonwealth moving again.

Now, back in the mid-1970s, Massachusetts set up a series of economic development initiatives that virtually every state in the nation copied. These initiatives helped kick off our strong economic growth of the 1980s. But now other states such as Michigan and Ohio have surpassed us in creative economic policies.

And why can't we come to some agreement on the right thing to do for our working families and our neediest citizens — the mentally ill homeless who are being thrown out into streets, the young people who are working toward a college degree from our state universities, in many cases because they can't afford the rising cost of private schools, and our recent immigrants who lost the benefits of gateway cities programs and came close to losing the most basic survival benefits as well.

Let's face it, these are tough times for our state. But let's ask ourselves: why is it that other states that faced an economic downturn — Connecticut, New York, New Jersey and California among them, with two Democratic governors, and with two Republican governors — got their act together, made the necessary cuts, raised the necessary revenues and set their state back on course?

I'm here to tell you, we cannot afford to lag behind our neighbors, squabbling over who's to blame, while our economic competitors race into the 1990s unburdened by political gridlock.

What is it about our institutions at all levels, government and business, opinion leaders and opinion makers, that continue to allow this relentless display of fingerpointing rather than setting our Commonwealth on a sound economic footing? Unbelievably, Beacon Hill Democrats and Republicans can't even decide what the size of the deficit is, let alone balance the budget. Again, there's a lot of finger pointing but no specific solutions from either party. And let me say here and now, it's become convenient for everyone to lay the blame on the governor's doorstep. But that is unfair; the problem is much broader than that. Who is to blame? At this point, I don't know and I don't think anyone cares. It is time to move forward.

Why am I so concerned about what's happening at the state? Because it has a direct impact on the capital city and its quality of life. It directly affects Boston, its neighbors, and its people in a significant way. The federal government has completely walked away from needy and working families and told us to deal with their problems alone.

We cannot allow state government to do the same.

Now, Boston is widely known as the economic engine that drives the economy of the state and entire New England region. With less than 10 percent of the population in Massachusetts, Boston generates 17 percent of the jobs and 24 percent of the entire economic activity in our state.

Let me be clear, the best way to raise revenues is not through taxes but through economic growth. If our state's economy is to once again move forward, then the city's economy must grow also. And let there be no mistake about it; the state's political paralysis is stalling economic growth in the capital city.

Because of indecision and inaction, the first Parcel to Parcel Linkage Project at Ruggles Center in Roxbury is stalled. The revitalization of the Prudential Center is stalled. The productive use of the largely vacant land at Boston State Hospital is stalled. And we are ready to build a new federal courthouse with 150 to 200 units of housing on New Chardon Street. Together these four growth initiatives will provide nearly 8,000 construction jobs and 15,000 permanent jobs. In addition, development projects for the rebirth of Boston Harbor, fully endorsed by environmental groups, will be stopped by proposed state regulations. All told these projects provide the jobs which the people of Boston depend on to support their families and that provide hope and opportunity for future generations.

When major projects get held up, it's not Boston alone that loses. Economic growth means new jobs and new revenues for everyone. The economic activity being stalled today represents more than \$30 million to the city and \$50 million to the state in annual revenues without new taxes. As Mayor of Boston, I'm telling you today that I am ready to work with the governor. I am ready to work with the legislature. And I am ready to move these projects forward now.

Let's tell the people the truth about the state's financial situation and give them straight answers. We can solve some of these financial problems by working together. I'm out there every day and night in the neighborhoods and downtown. I know what people are saying and what they think. Some people are talking about drastic budget cuts — while others about new taxes to solve the state's problems.

Let's define the issues and get our priorities straight. I say that economic growth is the key to the future of Massachusetts and Boston. Clearly state budget cuts are neces-

sary to reestablish the credibility that has been lost in Massachusetts government. In Boston, we have consistently made the tough fiscal decision to put our city on solid financial ground. We have balanced our budget five years in a row after a decade of red ink. And our bond rating has been increased five times in the last four years — a feat not shared by any other major American city. We have worked hard to establish the credibility that has enabled us to secure unprecedented new revenues, and we have implemented policies to promote economic growth.

And finally, if new taxes directed to critical services are required to help working families and the most vulnerable people of our communities, then let's not be afraid to tell the people that. You see, I do believe we can help kids get off drugs and give them a new chance, but we need the money to do it. And let's not kid ourselves or the people — let's tell them the truth. Everyone knows, you either pay now or pay later.

This week we saw thousands of students from poor and working families at the State House. How many more people have to march on the State Capitol before action is taken — the elderly, homeless families, persons with AIDS, battered women, mentally ill persons? Or will the next march we see be made up of businesses and jobs, and skilled and unskilled workers leaving the state because government has pressed the hold button on economic opportunity? Where does it end?

This political gridlock is not only harming the present but destroying the future. Some things are so important that we cannot ignore them. We have to help the homeless, we have to protect the environment, we have to stop the plague of drugs from overwhelming our society, and we have to invest in our young people.

Let's not wait for the next poll results. It is time to be open and honest with the people about what our leaders need to do at this point. It is time for those on Beacon Hill to make the tough decisions that have to be made to make our state work again and to ensure that those most in need are not shunted aside. It is also time to act to release the development projects that fuel our economy and our future, to reduce the size of state government, and to raise sufficient revenues, fairly and equitably and taking into account a family's income level, to protect the most needy. It's time to get the job done.

In closing, let me say that you are the leaders in your fields — architects, contractors, engineers, unions, accountants. Some

of you may be Democrats and some Republicans, some from the city and some from the suburbs. But all of you are concerned about the direction of the Massachusetts economy. With your help, and with the momentum generated by all of us working together with the governor and the legislature, we can help provide the leadership that is needed to get Massachusetts back on track.

FIRE DEPARTMENT ORDERS

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Removal and Disposal of
Dead and Diseased Trees at Various Locations
in the City of Boston.**

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents entitled: "Removal and Disposal of Dead and Diseased Trees at Various Locations in the City of Boston."

SCOPE OF WORK includes: Furnishing all labor, materials, and equipment necessary to remove in the entirety, dead and diseased trees at various locations within the City of Boston and to properly transport and legally dispose.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, November 16, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA

02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, October 30, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/ Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department Affirmative Action Office, 1010 Massachusetts Avenue, third floor, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods and services. In the event that the bidder selects a minority/or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compli-

ance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, November 7, 1989, at 10 a.m., Boston time.

Invitation for Bids for Drywall Partitions and Related Work at the Paul Dever School, 325 Mount Vernon Street, Dorchester, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Drywall Partitions at the Paul Dever School," at an estimated cost of \$8,000.

SCOPE OF WORK: In general includes: installing drywall partitions and performing all related work as specified.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, November 8, 1989, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check, or cashier's check, payable to the City of Boston.

GENERAL BIDS will be received before twelve o'clock noon on Wednesday, November 22, 1989, at which time and place respective bids will be opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of

his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise and the general contractor within five (5) days after the award of the contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

ROBERT R. ROY,
Senior Structural Engineer.

NO. 44

MAYOR FLYNN APPOINTS JAMES BROOKS EXECUTIVE DIRECTOR FOR COMMISSION FOR PERSONS WITH DISABILITIES

Left to Right: City Clerk John Campbell, Assistant Director of Commission for Persons with Disabilities Peter Myette, Newly Appointed Director James Brooks, Director of Human Rights Commission Jim Williams and Councillor David Scodras.

James Brooks, co-founder of the Disabled People's Liberation Front, was named by Mayor Raymond L. Flynn to lead Boston's Commission for Persons with Disabilities.

A long-time activist for the disabled, Brooks, 43, was instrumental in changing the discriminatory policy of Sack (now Loew's) Theatres towards disabled people in the City of Boston. Brooks has also worked with the State Office of Handicapped Affairs, the Massachusetts Coalition with Citizens for Disabilities and the Boston Center for Independent Living. Brooks is currently on the Board of Directors of the Boston Center for Independent Living.

"James Brooks brings an outstanding record of advocacy for Boston's disabled community to his new position. I am confident the disabled community will benefit greatly under his leadership of the Commission for Persons with Disabilities," Mayor Flynn said.

Prior to his appointment, Brooks worked for more than four years at the Disability Law Center where he provided legal assistance to disabled people.

"I am very excited about working with Mayor Flynn and the City of Boston to expand opportunities for disabled people here in Boston, especially disabled minorities," Brooks said.

Brooks was sworn in as executive director at a ceremony in the Piemonte Room at Boston City Hall. More than 60 representatives from disabled advocacy organizations attended the swearing-in ceremony and reception.

NEW CITY TRAINING CENTER DEDICATED; MANAGEMENT EXCELLENCE AWARD ANNOUNCED BY PUBLIC-PRIVATE PARTNERSHIP

The City of Boston dedicated its new training center for City employees at the former Boston Police Precinct One police station in the North End on October 4. The new Management and Employee Development Center is the product of a unique partnership between the City and Boston-area companies to help the City provide management training. More than 50 leading Boston companies, including Polaroid, State Street Bank, and Gillette, and graduate schools of management from Suffolk to the Kennedy School of Government, are members of the Boston Management Consortium. All have donated resources, equipment, and trainers to this effort which has been cited by the U.S. Conference of Mayors as unique among major U.S. cities.

"We are dedicating this new Management and Employee Development Center to helping the managers and employees of the City to provide better services to the people of Boston," said Mayor Raymond L. Flynn. "I want to thank the 50 businesses and universities for supporting this innovative partnership and program.

"I want all of you to know the success of this program is recognized throughout the country since the U.S. Conference of Mayors last April named it the most innovative and extensive internal management program of any major U.S. city. This center is where our managers and employees work on new approaches to municipal problem solving in Boston," said Mayor Flynn.

At the dedication Richard Van Pelt, Chair of the Consortium, and CEO of Jordan Marsh, announced a new Management Excellence Award which Jordan Marsh will give for the improvement of a City service by an individual manager, and by a department as a result of participating in the new management training program.

"In the tight fiscal times we want to reward City managers who use this excellent training to provide better services. I am looking for creativity, initiative, and problem solving," Van Pelt said.

A recent city report of its 18-month-old management training program demonstrates the program was successful in helping

ing to prevent summer disturbances last year at Deer Island, as well as increasing the efficiency of the rodent control department by 700 percent, and implementing the early start-up of a neighborhood recycling effort.

The report credits a workshop on goal-setting last June with helping Deer Island managers prepare for a hot summer without major disturbances. Workshops in intra-departmental communication are cited for bringing the rat problem plaguing the city more under control. And a workshop on time planning skills is credited for the launching of an ambitious neighborhood recycling program six weeks ahead of deadline.

According to the U.S. Conference of Mayors' report released in April, the Flynn Administration's Management Performance and Development Program is the most innovative and extensive internal management program among the largest U.S. municipal governments.

Felix D. Arroyo, Director of Personnel Management for the city, said, "This is a successful program for City Managers. It is an educational system tailored to develop the necessary skills to perform as public servants. Building on their experiences, our neighborhoods will be served better."

"This fall, the program's focus is Skills for Managing with Limited Resources,"

said Dr. Bob Krim, the program director. The 49 workshops, ranging from fiscal management to motivational techniques for employees, are designed to help managers deal with the current fiscal crunch. Among workshop teachers are management training specialists from major area banks, the Cambridge commissioner of public works, and specialists from within Boston city government.

The Management Performance and Development Program is funded by the City and the Boston Management Consortium, a private-public partnership, of more than 50 Boston corporations and universities which donated to the city \$100,000 in cash and \$200,000 in the services of trainers, consultants, training space, equipment and materials. The Consortium was proposed by Mayor Flynn in August, 1988. The program operates out of the renovated former North End police station bordering on the Callahan Tunnel.

JORDAN MARSH AWARD FOR BOSTON MANAGEMENT DE- VELOPMENT EXCELLENCE

1. Award for an individual manager who has most improved as a result of applying management training to improving the quality of service which he/she provides.

Award: A brass plaque and trip to a professional conference of the recipient's choice, including all expenses (up to \$1,000).

2. Award for a program or department which has most improved its services as a result of using techniques learned in Management Performance and Development Program training.

Award: a brass plaque, and dinner for the managers of the program/department at Le Marquis de Lafayette Restaurant with the CEO of Jordan Marsh.

Selection Process:

1. Announcement of Award on October 4th by Richard Van Pelt.

2. Selection of nine-person Management Excellence Awards Committee — Richard Van Pelt appoints five private sector representatives; Four city leaders: Robert Consalvo, Felix Arroyo, Barbara Gottschalk (Budget Director), Robert Krim.

3. Committee decides on specific criteria for award (November).

4. Distribution of award selection materials to senior management and City managers.

5. Committee receives nominations: these may be self-nomination, by a super-

vising manager/department head, or by other City managers including the Management Performance and Development Program (January-March).

6. JM Awards Selection Committee makes decision (March) on finalists.

7. Finalists present their cases to Selection Committee at Boston Management Consortium semi-annual meeting on March 29th. Committee recesses and makes decision at meeting.

8. Richard Van Pelt makes award at end of meeting.

This process builds a sense of public competition for management excellence.

This type of competition is used by Boston College School of Management for their first-year MBA teams. BC Dean Jack Neuhauser (a member of the BMC Exec Committee) can attest to its usefulness in enhancing the training of managers.

Criteria for Individual Manager Award:

1. Manager must have been using MPP performance appraisal program on a regular basis; must have taken at least one management training course or workshop beyond the core training.

2. Potential Awardee will have improved the service he/she provides by applying the learning from management training; this improvement in City management/services should be observable.

Criteria for Program Excellence Award:

1. Program/Department must have been using MPP performance appraisal program. It should have also used a management development workshop or customized management development training beyond MPP.

2. Potential Awardee will have improved the service he/she provides by applying the learning from management training; this improvement in City management/services should be observable.

HEALTH NOTES FROM GERALDINE C. WYSE, R.N.

National Family Caregivers Week —
November 20

National Home Care Week — November 26

Remember all those Caretakers who unselfishly give of their time, energy and devotion to caring for loved ones. You are the heroes and heroines who seldom, if ever, ask for a thank you while caring for family and friends. You do the cooking, laundry, change TV stations, prevent bedsores, physical therapy, reorient patients to time and place, visit nursing homes knowing that the patient doesn't know you are even there.

You make a difference in someone's life because **YOU CARE**.

On behalf of a parent, spouse or child who is unable to say thanks, I personally thank each one of you.

NATIONAL DIABETES MONTH

Approximately 11 million Americans have diabetes. Millions more do not know they have diabetes. Diabetes is the 7th leading cause of death in the United States. Diabetes causes kidney and nerve damage, doubles the risk of heart attacks and is the leading cause of new blindness in adults. Untreated diabetes can lead to death.

Diabetes is a treatable disease. For more info and treatment, please contact your doctor.

GREAT AMERICAN SMOKEOUT, THURSDAY, NOVEMBER 16

According to the American Cancer Society, for every package of cigarettes sold America pays \$2.17 in treatment of smoking-related diseases and in lost productivity.

On November 16, **LEAVE THE PACK BEHIND**. Join millions of smokers in the United States who will give up their cigarettes to observe the American Cancer Society's Great American Smokeout. For more info, contact the American Cancer Society. **MICROWAVE OVENS**

Microwaves are a wonderful invention. They warm and cook food in a fraction of time.

Like all electrical appliances, microwaves should be placed on a safe and sturdy stand away from water and stoves/burners.

1. A potential problem with microwaves is burns. Steam escapes from the container when the plastic wrap is removed. To avoid steam burns, **PUNCTURE THE PLASTIC WRAP BEFORE HEATING FOOD**.

2. Scalding from liquids can be avoided if you remember that the outside of the container stays cool while the inside liquid is bubbling. Remove container from oven slowly and wear insulated oven mitts.

3. Food cooks unevenly. You must stir the food when the cooking is half done. Even if there is a rotating table, the mixture must still be stirred. Be especially careful when cooking for young children. To avoid burned mouths test the food before giving to young children and babies.

4. Many pediatricians discourage new mothers from using a microwave for heating baby's formula and food. The baby can be scalded when the disposable plastic liner bursts when the baby is drinking. The liner has been known to burst when the bottle is being shaken.

NEVER PLACE A BLANKET IN THE MICROWAVE TO HEAT IT. Uneven heating patterns in the oven can cause hot spots or ignite the material. Hot spots inside a blanket can smolder or even ignite in the oven. When the blanket is exposed to oxygen, it can smolder or ignite and cause a fire.

Don't take a chance with your microwave. Read all directions pertaining to your microwave. If you have any questions, contact your dealer.

Flu vaccine will be available to all during the month of November. Contact your neighborhood health center or family doctor. The three strains expected this winter are: A Taiwan, A Shanghai, and B Yamagata.

PROPER TRASH DISPOSAL CITY OF BOSTON

The fine for early or improper residential trash disposal is \$25. Here are the rules for proper residential trash storage and disposal:

- **When** to put out the trash: After 5 p.m. the night before scheduled trash pickup.

- **What** to put out: Household trash and garbage, empty boxes, small amounts of wood and brush clippings. It is illegal to place building and construction materials on the street for trash pickup.

- **How** to put out the trash: Trash must be kept in closed plastic bags in trash receptacles, not in paper bags or cartons. Boxes must be stacked neatly, and wood or brush must be tied securely in bundles, with no piece exceeding 30 inches in length.

To report a trash problem, call the Code Enforcement Division at 725-4896.

MWRA LAUNCHES WATER CONSERVATION EDUCATION IN HIGH SCHOOLS

This fall, the Massachusetts Water Resources Authority is introducing hundreds of high school teachers to a new series of 24 student activities which will help create awareness of the Quabbin/Wachusett water supply and water conservation issues.

Teacher workshops have been held at Cambridge, South Boston, Marblehead and Swampscott high schools. October workshops took place at the Boston Harbor Educators Conference on October 21, in Cambridge on October 24 for Cambridge parochial schools, and at a meeting of the Massachusetts Association of Science Teachers on October 28. November work-

shops are scheduled in Framingham, Hyde Park, and Needham.

The high school program, named *Water Wisdom*, is the third part of an MWRA-sponsored series, completing a sequence begun with *Water Wizards* for elementary classes and *Water Watchers* for junior high students.

"A reliable supply of clean water is one of the fundamental components of a healthy society," said Paul F. Levy, MWRA Executive Director. "The growing awareness causing students, householders, municipalities, and industries to save water is a critical element in the MWRA's plan to meet the long-range needs of the Greater Boston area. By increasing efficiency, we will be able to avoid the enormous cost to ratepayers of finding and developing new water supplies."

Water Wisdom consists of "stand-alone" activities and teacher support materials. Most of the activities can be completed in one class period, while some may extend into a second class. Many of the activities are relevant to a wide range of disciplines and age groups. Lessons are divided into categories: The Water Cycle; Water and Society; Keeping Water Pure; Visualizing Volumes; The Economics of Water Use; Domestic Water Conservation; and Auditing Your School, a comprehensive water audit of the school itself. The program also contains other activity ideas, articles and readings for class discussion and independent research; recommended films, a glossary, and a bibliography of water in literature.

For more information about *Water Wisdom* and other available teacher workshops, call Neil Clark or Teresa Quinton, MWRA, 617-242-6000.

1989 COBEC

"Now More Than Ever . . ."

\$1.50 buys a pack of cigarettes or 4 nights of emergency housing for a Boston family.

\$2.00 buys a bottle of imported beer or 3 days of protective care for an abused child.

\$6.00 buys a night at the movies or 20 hours of home nursing care for a disabled elderly Bostonian.

Remember:

- You can designate where your money goes.
- COBEC is extremely efficient — 94 cents of every dollar goes directly to services.
- In this year of State budget cuts, the poor, the elderly and disadvantaged youth need your help more than ever.

NOW YOU CAN

The Need

One out of 5 families in Greater Boston live at or below poverty level. All are at risk of being hungry. More than 15,000 of these families are served each month by 300 food pantries and soup kitchens. That's 7 million meals a year. As the holidays approach, food pantries need extra donations to meet the need and stock their pantries for the coming year. That's why the Can Share program was started.

Our Goal

Since its start in 1985, with just two dedicated companies, the Boston Can Share Food Drive has grown with vigor to involve employees from more than 150 Boston firms and government agencies.

The goal for 1989 is to collect 150,000 cans of food to provide more than 100,000 healthy meals to families in need.

How you can help

1. Pick up a few extra cans of nutritious food next time you shop or take a can or two from your cupboard. (See suggestions below.)
2. Drop off your contributions at your company's collection site *between November 6 through November 17*.
3. Your food donations will be transported to the Boston Food Bank, where it will be sorted, stored, and distributed to food pantries throughout Greater Boston.

Food Suggestions

- Canned tuna or salmon
- Meals in a can (ham, ravioli, chili)
- 100% all-natural canned fruit or fruit juice
- Whole-grain cereals
- Infant formula/evaporated milk
- Peanut butter

Give us what you can.

Boston Can Share Food Drive, November 6-17, Mayor's Hunger Commission, Boston City Hall, Room 603, Boston, MA 02201, (617) 725-3459, (617) 725-4507.

BOSTON AWARDED \$6.5 MILLION FOR ELDERLY HOUSING

Mayor Raymond L. Flynn and Congressman Joseph P. Kennedy (D. Mass.) announced recently that two low-income elderly housing developments, in Charlestown and Brighton, have been granted \$6.5 million in below-market rate loans through the Section 202 program of the office of Housing and Urban Development (HUD). Approximately \$2.8 million of the funds will be used by the National

Council of Senior Citizens to turn the former Charlestown Municipal Building into 43 efficiency apartments. Also \$3.7 million will go to the B'nai Brith for the construction of 50 units of housing at Washington Street and Egremont Road in Brighton.

"This is very welcome news for two very worthy projects," said Mayor Flynn. "There is a great demand for affordable elderly housing throughout the City and federal financial assistance is critical if we are to meet the needs of our elderly population."

"Senior citizens have devoted their lives to building up this country," said Congressman Kennedy. "The least we can do is to provide affordable housing for all our senior citizens. I'm glad to see the federal government take this step forward to begin to meet our commitment to seniors in Brighton and Charlestown."

The City of Boston is providing additional assistance to the Charlestown development by assigning staff from the Public Facilities Department to help the project sponsor, the National Council of Senior Citizens, and by agreeing to sell the former Charlestown Municipal Building for only \$1. Future residents of the site, at 112 Bunker Hill Street, will also benefit from the wide variety of elderly services provided by the Kennedy Center, which is located nearby.

Tenants in both the Charlestown and Brighton developments will receive rent certificates through the federal Section 8 program to help make their monthly payments.

The two Boston projects competed with nearly 400 applications for Section 202 funds from across the country. HUD selected 155 projects in 39 states to receive \$327.1 million for the construction or substantial rehabilitation of low-income elderly housing. Section 202 loans cover up to 100 percent of total development costs and may be repaid over a 40-year period at below-market interest rates.

The City of Boston has helped create nearly 250 units of low-income elderly housing in the last three years by offering financial assistance and surplus properties, including two former schools, Roslindale High School and the O'Reilly School in South Boston, to nonprofit developers.

FIRE DEPARTMENT ORDERS

October 18.

General Order No. 62

I. SUSPENSIONS

In accordance with the provisions of Section 20.10 of the Rules and Regulations of the Boston Fire Department, the following-named members are suspended as follows:

Fire Fighter Cashus Johnson, Ladder Company 1, for five days, without pay, effective 0800 hours, October 2, 1989, for violation of Rule 18.44 (f).

Fire Fighter Lawrence K. Hughes, Engine Company 9, for five days, without pay, effective 0800 hours, October 6, 1989, for violation of Rule 18.44 (f).

Fire Fighter John J. Bottary, Engine Company 37, for five days, without pay, effective 0800 hours, October 10, 1989, for violation of Rule 18.44 (f).

II. CHANGES IN DESIGNATION OF FIRE ALARM BOXES

Company commanders shall change the designation of the following-numbered fire alarm boxes to read as follows:

16-1235, Constitution Landing Office Condominiums, 440-448 Commercial Street.

13-2375, New England Baptist Hospital, Power House, Enter from Fisher Avenue at Estes Street.

III. FIRE ALARM BOXES ESTABLISHED

The following-numbered fire alarm boxes will be established effective 0800 hours, October 20, 1989, and will be installed in the near future. Company commanders shall insert the running cards issued with this order in their proper sequence.

13-1291, Office Building, 200 High Street.

13-1334, One Bowdoin Square Building, Enter from 15 Chardon Street.

14-1582, 349-351 Newbury Trust, 349-351 Newbury Street.

13-2327, Office and Medical Lab, 120 Brookline Avenue.

12-2856, Newfield Woods Condominiums, 95-100 Newfield Street.

12-514, Marty's Corner, 191-199 Harvard Avenue.

IV. COMMENDATIONS

The Fire Commissioner hereby commends Deputy Fire Chief Paul A. Christian and all members of the department who responded to and worked at Box 1432, 9 alarms, commencing on October 12, 1989. This commendation also includes all members of the Fire Prevention Division, Investigation Unit, Fire Alarm Office, Air Supply Unit as well as those in the fire fighting force.

This was one of the most difficult operations in several years because of the problems that were beyond the control of the fire department, yet the fire was brought under control in an extremely professional manner and there is no question that a major disaster was averted.

The department is also grateful to the Boston Police Department, the Health and Hospitals Department, the Inspectional Services Department, and all other municipal and state agencies that supported the operation.

On August 21, 1989, at 1530 hours, members of Engine Company 33 and Ladder Company 15, while on the main floor of quarters, heard shouts for help coming from the Boylston Street area in the vicinity of the Hynes Convention Center. Upon investigation, they observed a man being chased by an employee of a nearby retail store. Fire Lieutenant Robert J. Crawford, Ladder Company 15, Fire Fighters John J. Forristall and Martin J. Fernandes, both of Engine Company 33, immediately gave chase on foot and after a struggle which knocked one member to the ground, the suspect was apprehended. The suspect was brought to Engine Company 33's quarters and detained until the arrival of the Boston Police who subsequently arrested the man. The stolen property was then returned to the merchant.

The Fire Commissioner is pleased to commend Fire Lieutenant Robert J. Crawford, Ladder

Company 15 and Fire Fighters John J. Forristall and Martin J. Fernandes, Engine Company 33, for their aggressive action, reflecting credit upon themselves and the Boston Fire Department, and makes this commendation a part of their personnel folder.

On August 23, 1989, at approximately 2100 hours, Fire Fighter Kevin L. Kelly of Ladder Company 21, while off duty and walking to a neighborhood store on Neponset Avenue, District 7, observed two men acting suspiciously. Upon returning from the store he noticed one of the men carrying a VCR. He summoned the police and upon return to the street, observed the second man carrying a television from another home. He proceeded to follow the suspects to a side street, where the articles were stored. The two men then proceeded to break into a third home and while inside were arrested by Boston Police.

The Fire Commissioner is pleased to commend Fire Fighter Kevin L. Kelly of Ladder 21 for his diligent action, reflecting credit upon himself and the Boston Fire Department, which resulted in the identification, capture and subsequent arrest of the suspects and makes this commendation a part of his personnel folder.

On September 30, 1989, at approximately 1700 hours, Fire Fighter James W. Rodgers of Ladder Company 26, while off duty and driving along American Legion Highway, observed a vehicle swerve into a tree at a fair rate of speed. Fire Fighter Rodgers immediately stopped his vehicle to render assistance. Investigation revealed an elderly male and female occupant in need of immediate medical attention. Fearing a vehicle fire, he proceeded in removing an unconscious male and while administering CPR instructed and encouraged a spectator tending the elderly female occupant who was bleeding profusely and trapped under the dash. Another spectator was instructed to summon assistance. Fire Fighter Rodgers succeeded in restoring the man's vital signs.

Engine 52, Ladder 29, Rescue 2 and Emergency Medical Services arrived and extricated the elderly woman.

The Fire Commissioner is pleased to commend Fire Fighter James W. Rogers of Ladder Company 26, for his quick actions and dedication to duty, reflecting great credit upon himself and the Boston Fire Department, and makes this commendation a part of his personnel folder.

The Fire Commissioner is pleased to commend Fire Fighter Stephen F. MacDonald of Tower Company, for responding to and assisting the Tower Company with laying 4-inch feeder lines and securing water at Incident No. 36033, 9 alarms, on October 12, 1989, while off duty, and makes this commendation a part of his personnel folder.

IV. CORRECTION — COMMENDATION

The incident number listed in General Order No. 58, c.s., Paragraph VIII — Commendations, should have read Incident No. 16895.

It is the policy of the City of Boston to award at least 15 percent of the City's contract dollars to minority-owned businesses and at least 5 percent to women-owned businesses.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

ASSESSING DEPARTMENT

Revaluation Services

Dear Mr. Mayor,

On July 25, 1988, your Honor approved the award of a contract with advertising for bids, to Douglas E. Franklin, 14 Willard Street, Braintree, MA 02184, for expert revaluation and assessment administration services. The contract is for the period from July 1, 1988, through June 30, 1989, at a cost not to exceed \$45,000.

Your approval is requested to amend this contract to provide for additional support, which was not anticipated. The contractor will: 1) Management review of valuation function in Assessing Department with recommendation for improvements in the planning, control, management information, valuation and valuation defense systems; 2) Management review of property tax exemption process for charitable organizations with recommendations relative to procedure and systems for collection of appropriate property data and review of that information by units of the Department; 3) Draft appropriate taxpayer information brochures for Citi Net, Real Net, motor vehicle excise tax, and boat excise tax; 4) Management review and recommendations relative to motor vehicle repair/dealer plate assessment process.

The cost of this amendment which is effective June 1, 1989, shall not exceed \$5,000, which I have determined to be reasonable. The contract as amended shall not exceed \$50,000. The rate of compensation will remain the same.

The terms of this contract shall remain unchanged.

Because of the professional and technical nature of the services to be provided and the need to have such services performed in a timely manner, and because this is an amendment of a previously advertised and approved contract, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.
Commissioner.

CABLE COMMUNICATIONS

Maintenance

Dear Mr. Mayor:

On August 31, 1988, your Honor approved the award of a contract, with public advertising for bids, to Video Designers, P.O. Box 212, Somerville, MA 02143, to provide for service and ongoing maintenance for industrial grade audio and video production equipment, during the period of September 1, 1988, through June 30, 1989, at a cost not to exceed \$6,000.

Your approval is requested to amend this contract to provide for anticipated expenditures and expansion in the scope of services provided by Video Designers, to the Office of Cable Communications. This expanded role is directly related to repairs needed on malfunctioning cablecasting equipment and additional design work needed for edit system installation.

The cost of this amendment, which is effective on May 19, 1989, shall not exceed \$1,400, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$7,400. This funding will be charged against appropriation 011 0146 CT02 0270.

Because of the technical nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This amendment is late due to delay in receipt of paperwork.

Very truly yours,
Thomas P. Cohan,
Director.

HEALTH AND HOSPITALS DEPARTMENT

Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Siemens X-Ray, Inc., 30 Wexford Street, Needham, MA 02194, for the provision of preventive maintenance to the Radiology equipment at Boston City Hospital for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$332,000.

This amendment will increase the contract sum by \$65,000, thereby increasing the City's total liability under this contract, as so amended, to an amount not to exceed \$397,000. In addition, the responsibilities of the vendor have been expanded to include the rental of a mobile CAT scanner for use by Boston City Hospital.

During the installation of the new Siemens CAT scanner at Boston City Hospital a mobile scanner was parked next to the Ambulatory Care Center and all the CAT scans were performed in this mobile unit while the old scanner was removed and remodeling was done for the installation of the new scanner. The cost of the three month rental for BCH is approximately \$45,000.

A second scanner is presently being installed at BCH and an additional \$20,000 is being added to the contract to cover any after hour repairs that may be required.

Both scanners owned by the Department at Boston City Hospital are covered by warranties but these warranties do not include after hours, holiday or week-end repairs. These machines are used 24-hours per day and must be repaired immediately when they break down.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,
Judith Kurland,
Commissioner.

MAYOR'S OFFICE

Technical Assistance

Dear Mr. Mayor:

On August 16, 1988, you approved an award of a contract without public advertising for bids to Michael Alves of 414 Canton Avenue, Milton, MA 02186, for technical assistance and consultation services with regard to student assignment in the Boston Public Schools during the period from August 29, 1988, to June 30, 1989, at a cost not to exceed \$40,000.

Your approval is requested to amend this contract to provide for additional services within the original scope of the contract. These additional services, which will include meeting with the School Department officials regarding the implementation of the assignment plan, preparing for and attending additional community meetings, and preparing for and testifying in court, and due to delays in the School Committee in approving a new school assignment plan, and the suit brought against the City by the lawyers for the plaintiffs in the original school desegregation case. The cost of this amendment, which is effective April 8, 1989, shall not exceed \$8,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$48,000.

Because of the professional nature of the services to be performed and the contractor's unique ability to provide such services, I believe that public advertising would serve no useful purpose.

This amendment is being submitted late due to administrative delays.

Sincerely,
Robert Cansalvo,
Operations Director.

PUBLIC FACILITIES DEPARTMENT

Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 13, 1989, I respectfully request your Honor's written permission to dispense with further public advertisement and amend a contract approved by your Honor on March 1, 1988 awarded to Todd Lee/Clark/Rozas Associates, Inc., with offices at 286 Congress Street, Boston, MA 02210, for the design of renovations to the Police Training Academy. The cost of this amendment shall not exceed \$37,260. The amended cost

of this contract shall not exceed \$104,380 (including \$15,760 for Supplementary Services) which is a fixed fee of 12.66 percent based on an estimated cost of construction of \$700,000. The original cost of construction was \$300,000.

Said amendment is necessary due to the increased scope of service required of the designer. Under the terms of the amended contract, Todd Lee/Clark/Rozas Associates, Inc. shall provide additional services including the upgrade of electrical service, exterior brick cleaning, interior and exterior lighting and landscaping.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Under delegation from the Public Facilities Commission to the Director of the Public Facilities Department dated November 19, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and amend a contract approved by your Honor on December 8, 1986 awarded to Architects & Associated Designers, Inc., with offices at 286 Congress Street, Boston, MA 02210, for the design of renovations to eight branch libraries: Egleston, Faneuil, Grove Hall, Parker Hill, Roslindale, Uphams Corner, Codman Square and East Boston. The cost of this amendment shall not exceed \$25,000. The amended cost of this contract shall not exceed \$150,119 (including \$44,113 for Supplementary Services) which is a fixed fee of 12.3 percent based on an estimated cost of construction of \$861,845. The original cost of construction was \$625,600.

Said amendment is necessary due to the increased scope of service required of the designer. Under the terms of the amended contract, Architects & Associated Designers, Inc. shall provide additional services including miscellaneous repairs and new roofing at Codman Square, Egleston and Parker Hill Libraries and additional Supplementary Services for asbestos removal at Egleston Square and East Boston Libraries.

In view of the technical and professional nature of the services required, the expertise and familiarity of the

(Continued on next page)

designer with all existing conditions, and the reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,

Lisa G. Chapnick,
Director

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 27, 1989, I respectfully request your Honor's written permission to dispense with further public advertisement and amend a contract approved by your Honor on May 22, 1987, awarded to ASEC Corporation with offices at 13 Clover Street, Boston, MA 02122, for the design of repairs to Boston City Hall Plaza, Phase II. The cost of this amendment shall not exceed \$33,026. The amended cost of this contract shall not exceed \$84,979 (including \$40,429 for Supplementary Services) which is a fixed fee of 9.00 percent based on an estimated cost of construction of \$990,000. The amended term of this contract shall be extended to January 2, 1991.

Said amendment is necessary due to the increased scope of service required of the designer. Under the terms of the amended contract, ASEC Corporation shall provide additional services due to an increase in construction from \$625,000 to \$990,000. The additional work will include a tot lot and window wall for the new City Hall Child Care Center and additional masonry repairs.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,

Lisa G. Chapnick,
Director

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 8, 1989, I respectfully request your Honor's written permission to dispense with further public advertisement and amend a contract approved by your Honor on August 8, 1988, and awarded to Ganteaume and McMullen, Inc. a Massachusetts corporation with offices at 99 Chauncy Street, Boston, MA 02111, for design of the renovations to eleven Fire Department buildings. The cost of this contract as amended shall not exceed \$178,942, including \$51,610 for supplementary services. This \$16,610 amendment is necessary due to the increased cost of construction (\$972,000 to \$1,052,000 associated with design and removal of the asbestos containing materials at these facilities. Under the terms of the amended contract Ganteaume and McMullen, Inc. shall provide detailed working drawings and specification, as well as air monitoring services, for removal of the asbestos.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,

Lisa G. Chapnick,
Director

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 27, 1989, I respectfully request your Honor's

written permission to dispense with further public advertisement and amend a contract approved by your Honor on September 8, 1988, awarded to William H. Rowe & Associates with offices at 3 Appleton Street, Boston, MA 02116, for the design of renovations to the Dowling Building for the Pediatrics Emergency Department at Boston City Hospital, Phase IV. The cost of this amendment shall not exceed \$124,600. The amended cost of this contract shall not exceed \$458,000 (including \$90,000 for Supplementary Services) which is a fixed fee of 11.5 percent based on an estimated cost of construction of \$3,200,000.

Said amendment is necessary due to the increased scope of service required of the designer. Under the terms of the amended contract, William H. Rowe & Associates shall provide additional services due to an increase in cost of construction. The original cost of construction for this project was estimated at \$2,600,000. Upon completion of contract documents, the final estimate is \$3,200,000. Also, due to hidden asbestos which was exposed during demolition, additional asbestos monitoring services will be required.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,

Lisa G. Chapnick,
Director

Rehabilitation, etc.

Dear Mayor Flynn:

I respectfully request your Honor's written permission to dispense with public advertisement and amend a contract approved by your Honor of September 9, 1986, to Codman Square Housing Development Corporation for the purpose of rehabilitating, marketing and selling 18 units of abandoned property under the Abandoned Housing Program during the period April 15, 1986, to April 15, 1987, at a cost not to exceed \$67,000.

On March 10, 1987, your Honor approved an amendment for continuation of same services. The contract, as amended, extended the period of performance to December 31, 1987.

On February 3, 1988, your Honor approved to further amend this contract for continuation of same services. The contract, as amended, extended the period of performance to December 31, 1988.

Your approval is requested to further amend this contract to provide for continuation of same services. The cost of this amendment shall not exceed \$13,000 which I have determined to be reasonable. The contract, as amended, shall not exceed \$81,000. The period of performance shall remain the same. This amendment will fund additional soft costs (lawyer's fee, upcoming insurance payments and electrical costs) through the duration of the contract.

Because of the professional nature of the services to be provided, and the qualifications of the contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,

Dear Mr. Mayor:

On June 30, 1988, your Honor approved an Award of a Contract C04585(89) based on public advertising for bids to Apple Computer, Inc., 5130 Parkway Plaza Blvd., Charlotte, NC 28224 for the Purchase of computer hardware, software, and related supplies for Ap-

ple computers FY 88/89 during the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$200,000.

Your approval is requested to amend this contract for an additional \$100,000, increasing the not to exceed figure of the contract to \$300,000. The period of the contract will remain the same.

The reason for the need to amend this Contract is due to the recent award to the Boston School Department's Office of Technology entitled "Writing Across Curriculum." This Grant was funded by the Massachusetts State Department of Education of March 1, 1989. These funds were received only after a lengthy competitive proposal process and were not anticipated at the time this contract was processed.

Very truly yours,

Leo J. Burke,
Business Manager

Dear Mr. Mayor:

On June 21, 1988, your Honor approved an award of a contract based on public advertising for bids to Wells Fargo Armored Services Corporation, Inc., 1105 Main Street, P.O. Box 37, Wakefield, MA 01880, for the collection of parking meter receipts for the Boston Transportation Department, during the period February 15, 1988, through February 15, 1989, at a cost not to exceed \$302,400.

Your approval is requested to amend this contract for provide for a continuation of collection services for parking meter receipts through the end of the fiscal year (1989). The cost of this amendment, which is \$57,600, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$360,000. This funding will be charged against appropriation 011-251-02510TRT-5-0290, with an initial encumbrance of \$57,600. The period of performance of this contract shall be extended from February 15, 1989, through June 30, 1989.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Richard A. Dimino,
Commissioner

TREASURY DEPARTMENT

Professional Services

Dear Mayor Flynn:

On June 16, 1989, your Honor approved an award of a contract, without public advertising for bids, to Coopers / Lybrand for the financial feasibility of the rebuilding of Boston City Hospital during the period October 15, 1988, to March 31, 1989, at a cost not to exceed \$114,000.

Your approval is requested to amend this contract to provide for an increase in the dollar amount and time period of this contract. The cost of this amendment, which is effective on March 31, 1989, shall not exceed \$110,000, which I have determined to be reasonable. The contract, as amended shall not exceed \$224,000. The period of performance shall be extended to June 30, 1989, the increase is due to several rounds of unforeseen revisions in the feasibility study necessitated by substantial changes in the hospital reimbursement methodology and hospital operations, including changes in hospital capital costs, analysis of hospital workplan, changes in plans and timing of construction, and analysis of trends in treatment of AIDS. These revisions were required to fully update the feasibility study for the FHA insurance application submission of June 12th.

because Coopers / Lybrand is especially qualified in the area of financial feasibility studies for Boston City Hospital, and because this firm has previous experience

with the financial affairs of the City of Boston, I believe that public advertising would serve no useful purpose.

Very truly yours,

Lee F. Jackson,
Collector-Treasurer.

PUBLIC FACILITIES DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for General Bids for Hospital Parking
Lots at Various Locations, Project No.
5224, C.30 Projects.**

The City of Boston, acting by its Director of the Public Facilities Department, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for "Hospital Parking Lots at Various Locations, Project No. 5224."

Bids will be received up until twelve o'clock noon, Boston time, November 16, 1989, at the office of the Awarding Authority, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, certified check, treasurer's check or cashier's check made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing proposals and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide for the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed during the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the Compliance Contract Supplement section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices in the performance of this contract. The contractor shall maintain the following ratios of workforce manhours: Minority, 25 percent of total manhours; Female: 10 percent of total manhours; Boston Residents: 50 percent of total manhours. Further, the bidder must give, in accordance with said provisions of the Compliance Contract Supplement section of the specifications, satisfactory assurance that at least 25 percent of its bid price shall be expended on Minority Business Enterprises and 5 percent of Women Business Enterprises. Bidders are hereby notified that this project is subject to M.G.L. C.149, s. 27, and in accordance contractors must pay prevailing wages as set by the Commissioner of Labor and Industries.

PLANS AND SPECIFICATIONS will be available on or about October 30, 1989, at the Public Facilities Department to all interested parties who present a \$25 certified check payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond and labor and materials payment bond of a surety company qualified to do

business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any items of a bid, if it be in the public interest to do so.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Removal and Disposal of
Dead and Diseased Trees at Various Locations
in the City of Boston.**

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents entitled: "Removal and Disposal of Dead and Diseased Trees at Various Locations in the City of Boston."

SCOPE OF WORK includes: Furnishing all labor, materials, and equipment necessary to remove in the entirety, dead and diseased trees at various locations within the City of Boston and to properly transport and legally dispose.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, November 16, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA

02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, October 30, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/ Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department Affirmative Action Office, 1010 Massachusetts Avenue, third floor, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods and services. In the event that the bidder selects a minority/or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compli-

ance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, November 7, 1989, at 10 a.m., Boston time.

**MASSACHUSETTS BAY TRANSPORTATION
AUTHORITY**

**Pre-Advertising Conference
Contract No. S8CN01
North Station Underground Garage and Subway
Structure**

The MBTA will hold a pre-advertising conference on Wednesday, November 8, 1989, in Conference Room No. 1 of the State Transportation Building, 10 Park Plaza, Boston, Mass., from 9:30 a.m. to 12 noon, for the information of interested construction contractors in regard to Contract No. S8CN01 scheduled for advertising in late December 1989. This contract has an estimated value of \$85 million.

The work is part of the North Station Transportation Improvement Project and includes the construction of a five (5)-level, 1,300 car, underground garage in an open site behind the Boston Garden. Construction will include approximately 1,700 linear feet of slurry walls penetrating into rock, and deep foundation elements to be constructed by the slurry method. Top-down construction will be required and provisions will be made to permit simultaneous construction above, of a new sports arena by others, supported on the garage walls and deep foundation units. Twelve (12) commuter rail tracks and six (6) platforms will be extended over the garage and will be included in this contract.

As an integral part of the garage, provisions will be made for relocation of the Authority's Green Line, light rail line. Only the shell for two tracks plus two lay-up tracks will be included in this contract. Future contracts will complete the Green Line relocation between Haymarket and Science Park Stations.

The work includes all the ventilation, electrical, mechanical, elevator and other installation systems required to make the garage fully operable.

The pre-advertising conference will include a presentation by the Authority outlining the highlights of the project, and the opportunity immediately afterwards for questions regarding the work.

CITY TO HONOR VETERANS WITH NEW MEMORIALS FOR KOREA AND VIETNAM

October 30, 1949, Mayor Curley at the original Dedication of the White Fund Veterans Memorial.

Secretary Edward J. Derwinski of the U. S. Department of Veterans Affairs, has accepted Mayor Raymond L. Flynn's invitation to be the guest speaker at the dedication of two new memorials honoring those Boston Military Personnel who were killed in action in the Korean and Vietnam conflicts.

The date will be Sunday, November 5, 1989, at 11:00 a.m., in the Fenway at the site of the World War II Monument which has been refurbished and the surrounding grounds landscaped. This is located opposite the rear of the Museum of Fine Arts and adjacent to Roberto Clemente (formerly Fens) Stadium.

"Boston, which led the nation in erecting a neighborhood Vietnam Memorial in South Boston stands as one of the first major cities to remember the victims of what has come to be known as 'The Forgotten War' in Korea," said Mayor Flynn.

"With the addition of these two memorials we continue in the fine tradition of the City by paying this tangible tribute to its gallant heroes. This passive 'Veterans Park' reminds us all of the terrible price we pay to protect and preserve the way of life we all enjoy," he added.

The \$825,000 grant was provided by the Trustees of the George Robert White Fund of which Mayor Flynn is Chairman. This money will be used in part to refurbish the existing monument which honors veterans from World War II with the balance designated for the design and construction of the Korean and Vietnam Monuments. The George Robert White Fund was established in 1922 for "creating works of public utility and beauty for the inhabitants of the City of Boston." This dedication falls almost 50 years to the day from the October 30, 1949, dedication by then mayor, James Michael Curley. The new memorials were designed by architect

Andrew Rojas, Principal of Rojas Vogt Associates of Cambridge, construction was supervised by the City of Boston Public Facilities Department.

Everyone is encouraged to attend and assist in the dedication.

MWRA SEWERS TO BE METERED

The Massachusetts Water Resources Authority announced recently that it will install a \$5.1-million sewer metering system to more effectively measure the flow of wastewater being generated from its 43 sewer use communities. It is the first time in the history of the eastern Massachusetts sewer system that sewers will be metered.

MWRA Executive Director Paul F. Levy said, "Since the turn of the century, sewer bills have been estimated. We want to make sure that each community is not paying more than it should. These new meters will help us bring the sewer system into the 21st century.

Currently the MWRA estimates wastewater flow and each town's sewer charge by using population figures.

The data generated by the flow meters will help the MWRA to plan its collection systems and treatment plants; determine the volume of clean water discharges in the sewer system known as inflow and infiltration; and evaluate the effectiveness of a flow based rate structure similar to that used for assessing water rates. The new meters will be operational by 1991.

The metering project, which has completed the initial planning stage, now includes the award of three separate contracts for site preparation work; construction services and the purchase of wastewater flow metering equipment.

The first contract awarded was to the firm of Whitman and Howard, Inc. of Wellesley for consultant services during installation of the wastewater meters for \$180,747. Whitman and Howard was the firm the MWRA used during the design and planning stage of the project.

A second contract for site preparation work and installation of equipment was

awarded D & C Construction Company, Norwell, for \$874,620. Under the terms of the contract, D & C will install 157 flow meters in sewer manholes, pump stations, and headworks operated by the MWRA and service area communities. The construction work involves sewer and manhole cleaning, bracket mounting, meter and sensor installation, and telemetry line connections to telephone poles.

D & C was the low bidder and meets all of the MWRA's MBE/WBE requirements.

The third contract for supply of the meters was awarded to American Digital Systems (ADS), Inc. of Huntsville, Alabama, for \$4,076,567. Under the terms of the contract ADS will supply 157 flow meters, provide calibration, data collection and equipment maintenance services for the first year of the operation of the system.

Director of the MWRA's Sewerage Division Richard Davison said, "This project will mean that we now have specific information we can work with. It will allow us to plan for the future and step out of the past."

The MWRA has received three grants totaling approximately \$3.4 million from the Department of Environmental Protection for this project.

MWRA PROPOSES ADDITIONAL WATER CONSERVATION REGULATIONS TO TOWNS TO PROMOTE LONG- TERM CONSERVATION

*Authority will assist communities
with revolving loan program.*

The Massachusetts Water Resources Authority Board of Directors, on September 27, voted to propose new regulations that would require all communities receiving MWRA water to conduct regular leak detection surveys, repair leaks promptly, and accurately meter all water use. The board also adopted a technical assistance program which will provide incentives and monetary assistance to communities in implementing the new water conservation programs.

Highlights of the program include:

- An MWRA 5-year, \$19.7 million, revolving loan program for meter rehabilitation and installation
- MWRA leak-detection training for local public works employees
- Availability of MWRA staff for planning, analysis, and contracting, and assistance with grant applications
- Availability of MWRA leak-detection instruments and crew for hard-to-find leaks (now available)
- Community use of MWRA leak-detection contractors, with costs to be billed on a fee basis; repayment to MWRA would be through an annual charge for actual costs incurred in the previous calendar year.
- A similar billing program for the use of MWRA meter-testing contractors

The draft regulations will be released through the office of the Secretary of State for public comment and two public hearings, one at Newton City Hall, October 23, and one at Medford City Hall, October 25.

"The payback on water-conservation expenses is quick and gratifying," said Paul F. Levy, MWRA Executive Director. "This is an enormous step on the road to the long-range water supply program required by the legislature when it established this agency and the conservation program adopted by our Board of Directors in November, 1986. These regulations will reduce the amount of water used. This means accountability for our water every step of the way, from the reservoirs to the users."

MWRA staff developed the regulations with members of the MWRA Advisory Board, representing 46 communities receiving all or some water from the MWRA system, and representatives of the Massachusetts Department of Environmental Protection; the Massachusetts Water Resources Commission; water department officials from Belmont, Boston, Marblehead, and Newton; the Metropolitan District Commission; and the Water Supply Citizens Advisory Committee.

During the past year, the MWRA completed its first system-wide leak detection and repair program in a decade and assisted communities with an MWRA-funded leak detection program. Leaks totaling about 24 million gallons a day were discovered, and most have been repaired. The resulting water savings, combined with savings realized by businesses and householders, brought the 12-month average-use number to 298 million gallons a day — the first time it has gone below 300 MGD in twenty years.

EAST BOSTON PZAC TOURS EDIC'S MARINE INDUSTRIAL PARK

Members of the East Boston Planning and Zoning Advisory Committee (PZAC) got a firsthand look at how good, clean industry can thrive in the City of Boston during a recent tour of EDIC's Marine Industrial Park in South Boston.

The PZAC has been working with the Economic Development and Industrial Corporation of Boston (EDIC) on the development of a light industrial space at the former site of the Car Barns on Eagle Street. EDIC extended the invitation to visit the Marine Industrial Park at a recent PZAC meeting.

EDIC Director Marilyn Swartz Lloyd said "although the Marine Industrial Park is a much larger undertaking that took 10 years to develop, we wanted the PZAC members to see that industry can be a good neighbor while providing well-paying jobs for Boston residents." Longtime East Boston PZAC member Elvira Pixie Palladino said "we were impressed with the cleanliness of the Park, and also with the quality of the companies operating there."

EDIC's Marine Industrial Park is home to 154 companies, including printers, medical equipment manufacturers, seafood processors and other blue-collar employers. Four thousand people are em-

played at the Park, 35 percent are residents of Boston. The Park was developed on the site of the former South Boston Naval Annex and Army Base. Recently, the Marine Industrial Park was cited with three prestigious awards for urban design. The Top Honor Award from the Waterfront Center in Washington, D.C., for "Excellence on the Waterfront" went to the silos, terminal and public green-space developed by Coastal Cement and EDIC. Awards also came from The Boston Society of Architects and The Society of Environmental Graphic Designers.

In addition to the tour, PZAC members and EDIC officials met informally at the Boston Technical Center, also located at the Marine Industrial Park, and discussed the community's role in planning and other topics related to the PZAC's work.

A HARBOR IS A TERRIBLE THING TO WASTE

The Massachusetts Water Resources Authority co-sponsored The Third Annual Harbor Educators Conference on October 21. The conference was designed to promote water-related education in elementary and secondary schools. Through innovative workshops and exhibits, participants gained information and tools to effectively teach children about the environment. The Boston Harbor became the focal point of many academic disciplines, including creative and critical writing, social studies, and the arts. Last year's conference was attended by over 300 participants.

Paul F. Levy, Executive Director of the MWRA, said, "The need to teach students about water pollution, reduction of toxins and water conservation has never been more important. Children today are much more concerned with environmental issues and eager to learn. In response to the changing times, we must all work together to support environmental education in Massachusetts."

The conference took place Saturday, October 21, 1989, from 8:30 until 3:30 at The University of Massachusetts Boston Harbor Campus. The workshop registration fee was \$15 and an optional \$10 lunch was available. Some curriculum materials were included in the registration fee and additional material was available for purchase.

The Boston Harbor Educators Conference was sponsored by: Habitat Institute

for the Environment, Institute for Learning and Teaching at UMass/Boston, Massachusetts Marine Educators, Massachusetts Water Resources Authority, and Save The Harbor/Save The Bay.

FBI STATISTICS

Seventy-eight law enforcement officers were feloniously killed and 77 officers lost their lives in accidents during the performance of their duties in 1988. In addition, 16 of every 100 officers were assaulted during the year according to figures in the publication, "Law Enforcement Officers Killed and Assaulted," recently released by William S. Sessions, Director of the FBI.

Two of the officers feloniously killed were females, and 76 were males. Twelve of the victims were under the age of 25; 12 were between the ages of 25 and 30; 31 were ages 31 through 40; and 23 were over 40 years of age. Seventy-one of the slain officers were white, and 7 were black. The victims had an average of 9 years of law enforcement service.

Thirty-three of the officers were slain during arrest situations — 3 were killed by burglarly suspects, 7 by robbery suspects, 12 during drug investigations or arrests, and 11 while attempting arrests for other offenses. Twenty-two were killed while investigating suspicious persons or circumstances, 7 upon responding to disturbance calls, 7 were ambushed, 6 were enforcing traffic laws, 2 were handling or transporting prisoners, and 1 was killed by a mentally deranged person.

Firearms continue to be the weapons most used in the slaying of officers. Handguns were used in 62 of the murders, rifles in 12, and shotguns in 2. The most common types of handguns used against officers in 1988 were .38 caliber and .357 magnum. These two weapons jointly accounted for 38 deaths.

Law enforcement agencies have cleared 76 of the 78 slayings. Of 120 suspects identified in the killing of law enforcement officers, 80 had prior arrests with 43 previously convicted. Thirty-five of the suspects had prior arrests for crimes of violence, 24 for drug violations, and 18 for weapons violations.

Of the 77 officers who were accidentally killed, 48 were victims of automobile, motorcycle, or aircraft accidents; 15 were struck by vehicles; 7 were accidentally shot; and 7 were victims of other types of accidents.

Eighty-three percent of the assaults on law enforcement officers during 1988 were committed with hands, fists, or feet, and 36 percent of these resulted in

personal injury to the officers. Firearms were used in 5 percent of the assaults, knives or cutting instruments in 2 percent, and other dangerous weapons in 9 percent. Ninety-four percent of the assaults on law enforcement officers were clearly by arrest during 1988.

CITY STUDENTS GO ON LOCATION TO SEE CAREERS IN FILM AND VIDEO PRODUCTION

South Boston High School students learned how video and film projects are created as they went on location to a Waltham office park with a multi-media production firm located in the Fort Point Channel area.

The students, enrolled in drama courses at South Boston High, got a chance to talk with camera operators, sound and lighting technicians and other crew members about jobs in the video and film production industry, as well as the skills and training this work requires and the rewards it can offer.

Video and film production in the Boston area — including television commercials, documentaries, feature films and corporate training videos — has grown in recent years and provides opportunities for good careers for people with specialized skills. The production observed by the students was a corporate training video for IBM, and was produced by Witcom Associates, a division of Envision, Inc. It was part of the Industrial Careers Program sponsored by the Economic Development and Industrial Corporation (EDIC).

"Many local industries have good career paths to offer," said EDIC Director Marilyn Swartz Lloyd, "but sometimes students, their teachers and counselors aren't aware of the opportunities, such as those in local video production. The Industrial Careers Program is designed to get the word out."

"Making sure Boston's young people have access to opportunity is one of my central goals," said Mayor Raymond L. Flynn. "The Industrial Careers Program is one of the ways we hope to reach the youth of Boston and let them know there are solid career possibilities for their future."

The Industrial Careers Program introduces middle school and high school students to a variety of technical and industrial career options that are available to them after high school. It is one way EDIC works to ensure that Boston residents are able to qualify for and obtain jobs in the City's changing economy.

Previous tours have taken South Boston High and Gavin Middle School students to

Au Bon Pain (food processing), Balco, Inc. (heating, ventilating and air conditioning systems), Digital (computer assembly), and Midnight Oil Studios (graphic design).

Halloween is a fun time for all involved—Let's make sure we make it a safe time as well by following these important safety tips:

- 1 Be sure you stress the importance of your child showing you all the contents of his/her trick-or-treat bag *before* he/she eats or uses any of the collected goodies.
- 2 Have your child wear a safety patch on the back of his/her costume or jacket for extra visibility.
- 3 Your child should "trick-or-treat" only in groups with an adult present, and stay in your own neighborhood.
- 4 As an alternative to traditional trick-or-treating, have a fun Halloween party for your child and his/her friends.

ASD/PURCHASING DIVISION

Invitation for Bids for the Delivery and Installation of Movable Wall Systems, Solicitation Number 238.

The City of Boston, acting through the Purchasing Agent, ASD/Purchasing Division, invites sealed bids for the performance of the work generally described above, and as set forth in the contract documents. The Purchasing Agent has determined that it would be impractical to prepare initially a definitive purchase description to award a contract solely on the basis of price. Therefore, a multi-step bidding procedure shall be used. Accordingly, interested suppliers should note the following:

1. Every offer shall be submitted in duplicate, and shall be comprised of (i) an unpriced Technical Proposal, and (ii) a Cost Proposal. The Technical Proposal and the Cost Proposal shall be individually sealed and marked on the outside identifying the solicitation Number (#238) and the contents of the envelopes, and the offeror's name.
2. Bids shall be submitted on, and in accordance with, the contract documents which may be obtained at the Office of the Pur-

chasing Division, Room 808, Boston City Hall, on and after Monday, October 23, 1989.

3. A mandatory on-site bidders conference will be held at the location identified in the contract documents on Monday, October 30, 1989.
4. All bids for this project shall be subject to all applicable provisions of the law and in accordance with the terms and conditions set forth in the contract documents.
5. Offerors shall submit two bids: the original (and the bid deposit) to the Purchasing Agent, ASD/Purchasing Division, Room 808, Boston City Hall; a duplicate of the original to the Office of the City Auditor, Boston City Hall.
6. The bid deposit shall be in the amount of \$250 which shall be in the form of a certified check, treasurer's check, or cashier's check, made payable to the City of Boston.
7. Because of the two-step process, Cost Proposals will be considered only from those bidders whose unpriced Technical Proposals are found acceptable; and the contract shall be awarded to the lowest responsible bidder.
8. The Purchasing Agent reserves the right to waive any informalities in, or to reject any and all bids, if it be deemed in the best interest of the City to do so.
9. Questions pertaining to the non-technical aspects of this solicitation shall be gladly received.
10. Bids will be opened on Friday, November 3, 1989, at 3:00 p.m.

NOTICE TO CONTRACTORS

**Invitation for General Bids for Dudley Terrace
Pocket Park, Project No. 5520, C. 30 Pro-
jects.**

The City of Boston, acting by its Director of the Public Facilities Department, 26 Court Street, sixth floor, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for "Dudley Terrace Pocket Park — Project No. 5520."

Bids will be received up until twelve o'clock noon, Boston time, November 15, 1989, at the office of the Awarding Authority, 26 Court Street, sixth floor, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in a envelope, sealed, and plainly marked with the description of the work to be done. The proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, certified check, treasurer's check or cashier's check made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing proposals and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time thereof.

The successful bidder will be required to provide for the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed during the contract, and sufficient proof of compliance

with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the Compliance Contract Supplement section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices in the performance of this contract. The contractor shall maintain the following ratios of workforce manhours: Minority: 25 percent of total manhours, Female: 10 percent of total manhours; Boston Residents: 50 percent of total manhours. Further, the bidder must give, in accordance with said provisions of the Compliance Contract Supplement section of the specifications, satisfactory assurance that at least 30 percent of its bid price shall be expended on Minority Business Enterprises and 5 percent on Women Business Enterprises. Bidders are hereby notified that this project is subject to M.G.L. c. 149, s. 27 and in accordance contractors must pay prevailing wages as set by the Commissioner of Labor and Industries.

PLANS AND SPECIFICATIONS will be available on or about October 23, 1989, at the Public Facilities Department to all interested parties who present a \$25 certified check payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any items of a bid, if it be in the public interest to do so.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Furnishing and Installation of Signs for Emerald Necklace Parks, City of Boston.

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents entitled: "Furnishing and Installation of Signs for Emerald Necklace Parks, City of Boston."

SCOPE OF WORK includes: Furnishing all labor, materials, and equipment necessary to furnish and install both wood and etched anodized aluminum signs in downtown and neighborhood parks. Estimated cost \$45,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, November 2, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, October 16, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Di-

rectory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department, Affirmative Action Office, 1010 Massachusetts Avenue, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services, Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods or services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, October 24, 1989, at 10 a.m., Boston time.

MAYOR ADDRESSES BOSTON TECHNICAL CENTER GRADUATES

The Boston Technical Center (BTC), the job training affiliate of the Economic Development and Industrial Corporation (EDIC) of Boston has awarded certificates in a variety of technical and business trades to 105 Boston area residents. Graduates completed training in Business Machine Repair, Pile Drivers' Pre-Apprentice, Medical Secretarial, General Labor and Machine Tool Setup and Operation.

About 300 graduates, family and friends gathered at Faneuil Hall to celebrate the students' hard work and dedication to professional achievement.

For many graduates, who come from South Boston, Roxbury, Dorchester, East Boston, Chinatown and other neighborhoods throughout the city, the BTC certification represents their first academic achievement. "The commitment you've shown to learning new skills is truly admirable," Marilyn Swartz Lloyd, BTC Chair and Director of EDIC, told the graduates. "You are ready now to meet the exciting career challenges ahead."

The BTC's career counseling and placement staff assist BTC graduates in securing jobs in business and industry throughout metropolitan Boston. A significant number of trainees are placed through cooperative arrangements with more than 25 private sector employers, including the New England Medical Center, Offtech, Townsend-Textron and Cashman Marine Enterprises. Some of these companies also lend their support to the BTC by donating money, equipment, and suggestions on course design.

The BTC has expanded its curriculum this year with a finance, insurance and real estate (FIRE) secretarial program and Project ENTRY, a program that combines training in the printing industry with basic educational skills and reading, writing and math.

The BTC strives to provide programs in skill areas that are in demand and that offer good pay," said Swartz Lloyd. "With more and more employers requiring skilled and semi-skilled workers, the BTC graduates have a definite advantage in the job market."

Boston Mayor Raymond L. Flynn congratulates 105 graduates of Boston Technical Center at ceremonies at Faneuil Hall. On stage, from left to right, Steve Bonkowski, Operation Manager of BTC; Marilyn Swartz Lloyd, EDIC Director and BTC Chair; Ro-Adrienne Davidson, Director of 50/50 Program at Bay State Skills Corporation; Carla Pina, BTC Graduate and Student Speaker.

EDIC AND MASSPORT TEAM UP TO DE-MYSTIFY EXPORTING

"Exporting is simpler than many companies think." That's the encouraging message delivered to a group of local manufacturers at a recent breakfast seminar co-sponsored by Boston's Economic Development and Industrial Corporation (EDIC) and Massport.

EDIC has been working with a team of graduate business students and other city and state agencies to help Boston businesses get ready for the opening up of European markets in 1992. The breakfast seminar at the World Trade Center brought a number of business people together to hear from Margie Foley, Export Manager for the Kryptonite Corporation in Dorchester.

EDIC helped the maker of the famous bicycle and automobile locks expand its export business two years ago by organizing a market research study (carried out by graduate business students at Boston College).

EDIC also put Kryptonite in touch with Massport's Foreign Trade Unit staff at the World Trade Center and in London. The research convinced Kryptonite it would make sense to put one of its employees in Europe full time. Margie Foley took the assignment and Kryptonite's foreign sales now represent almost a quarter of company sales. According to Ms. Foley, "if Massachusetts manufacturers have a good product domestically it can almost certainly be marketed successfully in Europe too. And, companies shouldn't be afraid to "test the waters" and start selling abroad."

Trade specialists Charles Garcia of Arthur Young and Rob Duggan of Palmer and Dodge also attended the seminar and answered questions on setting up distributorships, financing export sales, getting ready for 1992, and other aspects of selling abroad.

(continued from front page)

Exporting...

(Continued from previous page)

"Exporting needs to be de-mystified," said EDIC Director Marilyn Swartz Lloyd. "This first breakfast seminar was organized to give Boston businesses a down-to-earth idea of what it means to sell abroad."

The seminar was the first in a series of programs EDIC is planning in conjunction with other agencies specializing in international trade issues including Massport, the Small Business Administration, the International Business Center and the State's Office of International Trade and Investment. The program will also tap the expertise of international marketing faculty at several local graduate business schools such as Boston College, Suffolk University, Bentley College, University of Massachusetts/Boston, Boston University, Babson College, and Northeastern University.

CITY DEVELOPMENT CORPORATION FUNDS EXPANSION OF JAMAICA PLAIN MANUFACTURER

Lenox-Martell, Inc., a Jamaica Plain manufacturer and distributor of carbonated beverage products, will enlarge its facilities and increase its workforce by an estimated 15 to 20 percent. Expansion of the company, which also leases and services food equipment to wholesale and retail businesses, is being funded in part by a \$220,000 loan from the Boston Local Development Corporation (BLDC), a financing affiliate of the Economic Development and Industrial Corporation (EDIC) of Boston.

BLDC offers a variety of financing programs specifically designed to help smaller companies grow. Lenox-Martell's expansion will allow the 20-year-old company to increase productivity and provide at least 8 to 10 new jobs to city residents in the service, manufacturing, delivery and warehousing departments.

"The financial partnership between BLDC and Lenox-Martell is a good example of cooperation between the city and private industry," said Mayor Raymond L. Flynn. "The growth of successful businesses helps anchor neighborhood economies and provides job opportunities for Boston residents."

"This funding comes at a crucial time for our business," said Burt Kline, President and CEO of Lenox-Martell. "The ability to expand will give us the space we need to continue to grow and will provide better facilities for our employees."

Lenox-Martell will be enlarging its operations by 16,000 square feet in a building adja-

cent to its current quarters at 89 Heath Street. The company currently employs 53 people, of whom 38 percent are Boston residents, 38 percent are minorities, and 65 percent are low- to moderate-income workers.

"Lenox-Martell has a proven track record of equal opportunity hiring," said Marilyn Swartz Lloyd, Director of EDIC and BLDC Vice-President. "I'm pleased that BLDC has been able to help with an expansion project that will keep a local business growing and at the same time provide valuable training opportunities for city residents."

Lenox-Martell's commitment to employee excellence is reflected in the company's in-house and on-the-job training for service and maintenance personnel. The company boasts one of the largest and most professional service fleets in the refrigeration industry.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

TRANSPORTATION DEPARTMENT

Commuter Alternatives

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to CARAVAN for Commuters, Inc., a non-profit corporation located at 10 Park Plaza, Suite 2180, Boston, for CARAVAN to develop and manage the City of Boston Commuter Mobility Program. This firm was selected because it is the sole provider of comprehensive commuter transportation brokerage services in the Commonwealth and because of its reputation for quality service. The contract will address the department's need to expand its staff capabilities on a short term basis with respect to commuter transportation and traffic issues.

Under the terms of the contract, CARAVAN for Commuters, Inc. will hire a Commuter Mobility Manager and provide marketing and supervisory staff to carry out a scope of services aimed at developing commuter alternatives to the single occupant vehicle, which includes, but is not limited to:

1. promoting the creation of commuter mobility programs in buildings/companies not covered by a Transportation Access Plan.
2. develop customized commuter mobility programs, which shall include providing information on how companies can implement commuter mobility programs on-site; establishing MBTA pass programs; providing transportation matching systems; and designing favorable parking policies for HOV's and the short term parker.
3. assisting building managers and major employers in designating and training transportation coordinators to implement commuter mobility programs.
4. working in conjunction with the Department's Access Plan Project Manager to monitor and ensure compliance with commuter mobility elements of Transportation Access Plans.
5. acting as a liaison to Transportation Coordinators in buildings and companies with newly instituted commuter mobility programs.
6. refining and publicizing the department's commuter mobility statement.
7. establishing commuter mobility information stations within public buildings owned by the City.
8. working with BTB staff on the implementation of a vanpool boarding area program for passenger drop-off and pick-up.
9. participate in a regional approach to commuter mobility programs by working with communities outside of downtown Boston.

Compensation under this contract shall not exceed \$60,000 per annum which I have deemed to be reasonable for the work to be performed. Funds will be encumbered by the Transportation Department upon approval of this letter.

The term of this contract shall be from July 1, 1989, through June 30, 1990.

Very truly yours,

Richard A. Dimino,
Commissioner.

ADVERTISEMENT BOSTON REDEVELOPMENT AUTHORITY

INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for Douglass Plaza Street Improvements, Contract No. 1, in the South End Project area, Mass. R-56, located in the City of Boston, Massachusetts, until 12:00 noon, Boston time, on October 17, 1989, at One City Hall Square, ninth floor, Room 910, Boston, Massachusetts, Attention: Kane Simonian, Executive Director's Department, at which time and place all bids will be publicly opened and read.

A prebid conference to discuss scheduling of the work and other matters will be held at the Boston Redevelopment Authority, Harbor Planning and Development, Building No. 34, One First Avenue, second floor conference room, Charlestown Navy Yard, on October 10, 1989, at 10:00 a.m.

The work will consist of the reconstruction of a new street to be called Douglass Park, the reconstruction of Camden Street, both between Columbus Avenue and Tremont Street, and a new plaza area to be called Frederick C. Douglass Plaza. The work will include the demolition and removal of existing pavements and the construction of new roadways, brick and concrete sidewalks and plaza area, new street lighting, new water main, other related utility work, new plaza planter, landscaping, and all incidental work.

Proposed forms of contract documents, including drawings and technical specifications are on file at the office of the Boston Redevelopment Au-

thority, Room 910, ninth floor, One City Hall Square, Boston, MA 02201.

Copies of the contract documents may be obtained by paying one hundred dollars (\$100), non-refundable, in cash or a certified check payable to the Boston Redevelopment Authority for each set of documents so obtained.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check, on or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority, and (c) conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid. Bid deposit shall be in the amount equal to at least 5 percent of each proposal for Douglass Plaza Street Improvements, Contract No. 1, base bid or alternate bid, whichever is greater.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

The attention of all bidders is called to Massachusetts General Laws c. 30, sec. 39, which became effective July 1, 1981, and which is set forth in its entirety in section 304 of the General Conditions of the contract.

Attention is called to Page 2a notice to bidders, and is also called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex or national origin. Attention is also called to the requirements relating to Workmen's Compensation and conditions of employment and to the Boston Redevelopment Authority's Equal Opportunity Compliance Policy adopted July 25, 1988, the City of Boston Resident Jobs Policy, Minority/Women Business Participation and the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program.

The above requirements are included in the bid specifications. A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Contract Compliance, in the Charlestown Navy Yard Office, Building No. 33, third floor, Charlestown Navy Yard, Charlestown, Mass., at 11 A.M., on October 10, 1989.

The Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest so to do.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Installation of Burial
Vaults and Site Improvements at Fairview
Cemetery, Hyde Park, Mass., Fall 1989.**

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Installation of Burial Vaults and Site Improvements at Fairview Cemetery, Hyde Park, Mass., Fall 1989."

SCOPE OF WORK includes: Furnishing all labor, materials and equipment necessary to install burial vaults, concrete foundations, drainage, loaming and seeding.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, October 26, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Tuesday, October 10, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and Women-owned busi-

nesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department Affirmative Action Office, 1010 Massachusetts Avenue, third floor, telephone 725-4505 ext. 6110 or from the Mayor's Office of Jobs and Community Services Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods or services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Furnishing and Installation of Signs for Emerald Necklace Parks, City of Boston.

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents entitled: "Furnishing and Installation of Signs for Emerald Necklace Parks, City of Boston."

SCOPE OF WORK includes: Furnishing all labor, materials, and equipment necessary to furnish and install both wood and etched anodized aluminum signs in downtown and neighborhood parks. Estimated cost \$45,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, November 2, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, October 16, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Di-

rectory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department, Affirmative Action Office, 1010 Massachusetts Avenue, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services, Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods or services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, October 24, 1989, at 10 a.m., Boston time.

WHAT IS THE CITY OF BOSTON EMPLOYEES CAMPAIGN (COBEC)?

CHAIRMAN LEE JACKSON EXPLAINS

The COBEC is the only "on the job" fund-raising drive that gives city employees a chance to support health and welfare agencies organized, qualified, and recognized by the U.S. Internal Revenue Service under 26USC 501(c)(3).

"How much money actually goes to help people?"

Last year, nearly 94.2 cents of every dollar given to COBEC went to the agencies that comprised the COBEC. Only 5.8 cents was spent to conduct the campaign.

"Can I designate my gift to specific agencies?"

Yes. In fact, one of several unique features of this campaign is that you are encouraged to designate all or part of your gift to a specific agency or agencies. Each agency is identified with a number on the inside of the COBEC brochure. You may enter these numbers on the front of your pledge card.

"Why should I give through payroll deduction?"

Most people want to give a generous amount, but often it's hard to contribute a large sum all at once. Payroll deduction — giving a little at a time — is an easy and efficient way to give.

"Why do some agencies charge fees for services?"

COBEC agencies don't receive their entire operating budget from COBEC, so each must have other sources of income. Fees, however, are usually charged on a sliding scale based on one's ability to pay. By charging those who can afford a fee, the agency can help more people. Agencies never refuse anyone just because he or she can't afford to pay.

"None of the COBEC agencies helps me or my family, why should I give?"

Many people benefit — directly or indirectly — from COBEC agencies and don't realize it. Chances are that you or your family has been served by or benefited from such agencies as the Boy

Scouts, Girl Scouts, Massachusetts Division of the American Cancer Society, American Heart Association, Camp Fire, March of Dimes, Big Brother and Big Sister Associations, UNICEF, YMCA's and YWCA's, Medic Alert Foundation, Foster Parents Plan, American Association for the Blind, day care centers, home health care agencies, and many others. Also, by helping others in your community, you enhance the quality of life for everyone.

"Why is my spouse asked to give at work, if I've already given?"

The COBEC asks everyone who is employed to give. This seems fair when you consider that everyone in your family may benefit from COBEC agencies.

"What happens to my contribution if I don't designate it?"

Undesignated gifts will be given to the Local Campaign Manager, the United Way of Massachusetts Bay, to be distributed by volunteers in an equitable manner. In 1988 the distribution of undesignated dollars was based on the total

dollars expended on programs and services. All participants in the City of Boston Employees Campaign were eligible to submit to the Local Campaign Manager the total dollars spent within the local campaign area on programs and services. (Exceptions formula was used for ISA.) The total dollars spent within the local campaign area on programs and services were added together for each agency or federation to form a dollar base. The undesignated dollars from the 1988 campaign were then distributed pro rata from this base of programs and service dollars. See agency listing brochure for actual amounts distributed.

"How may I benefit directly from COBEC?"

If you have a personal problem or know of someone who does, call the Information & Referral Service, (617) 482-1454 in Greater Boston, (617) 599-6800 in Lynn, or (508) 741-3450 in Salem. Trained specialists will try to help you find the agency or service you need.

MAYOR FLYNN CALLS ON CONGRESS TO IMPROVE LENDING PRACTICES IN URBAN NEIGHBORHOODS

Testimony of Mayor Raymond L. Flynn before the U.S. House of Representatives Committee on Banking, Finance and Urban Affairs, Boston, September 29, 1989.

Chairman Gonzalez, Congressman Kennedy, Congressman Frank, Congressman Neal, and members of the Committee:

I would like to welcome you to Boston and thank you for holding this public hearing on such an important topic — access to credit for all neighborhoods.

I am particularly pleased that you have come to Boston to hold this important hearing on the Community Reinvestment Act. This reflects your commitment to making the CRA an important vehicle in revitalizing our urban neighborhoods for the benefit of low- and moderate-income residents,

(Continued on next page)

particularly minority residents. In a few minutes, I will make three specific recommendations on how Congress might help us expand the lending activities of financial institutions — banks, private mortgage companies, insurance companies, and pension funds — in our underserved neighborhoods.

As you know, under the Community Reinvestment Act, banks have a responsibility to meet the credit needs of every neighborhood. A new report by the Federal Reserve Bank of Boston suggests that Boston's banks may be discriminating on the basis of race and geography in their lending practices in Boston's neighborhoods.

I commend the effort that the Federal Reserve Bank of Boston, and its President, Dick Syron, have made in compiling this report. These findings are more than disturbing. They are unacceptable. We cannot tolerate discriminatory practices by banks.

I am calling on Boston's banks to remedy this situation — in fact, to make a major commitment to the future of our city. Indeed, the continuation of the Boston area's economic vitality depends, in large measure, on our ability to provide affordable housing for our expanding workforce. In recent weeks, in response to the public debate on banking practices in Boston's neighborhoods, both the Massachusetts Bankers Association and the Community Investment Coalition have made proposals to expand the availability of credit in underserved neighborhoods. With this collective good will and energy, I believe that we can make significant progress.

Now is the time to act. Toward this end, I am going to meet with the leaders of Boston's banking community within two weeks. The time has come to transform the proposals and the discussions into a workable program that will put families into homes and businesses into neighborhoods.

As well, I will be meeting with community groups and leaders to ensure that their proposals are being fairly addressed. I will ask Boston's major lenders to make a positive commitment to the city's future in at least four priority areas: access to home mortgages, affordable housing construction, neighborhood banking services, and economic development. By the end of this calendar year, my goal is to have a concrete action program in place and ready to be implemented.

Boston's Housing and Community Development Program

The Federal Reserve Study suggests that Boston's banks may be working at cross-purposes with the goals of my Administration. My major goal is to guarantee that all residents and all neighborhoods, benefit from the city's economic prosperity. That includes providing opportunities for affordable housing, decent jobs, and vibrant, liveable neighborhoods. That cannot occur if Boston's banks are not full partners in our efforts to share the city's economic prosperity with those who might otherwise be left behind.

During the past decade, Boston's economy has made a spectacular recovery. It has been an attractive location for many kinds of investment. Boston has added about 14,500 new jobs per year. Our unemployment rate — just over 3 percent — is among the nation's lowest. And after three decades of population decline, Boston's population is now growing. Since I was elected Mayor in 1983, we have developed a comprehensive program for managing growth and for linking economic growth with economic justice.

A key component of our program is our successful effort to expand affordable housing opportunities, and promote community economic development. Providing decent, affordable housing for the city's residents and its expanding workforce is a key element in sustaining Boston's prosperity and

meeting its commitment to preserving social diversity. More and more local governments and businesses are finding that the shortage of affordable housing is a major obstacle to economic growth — especially the ability to attract and keep employees in areas with high housing prices.

Boston has done more on the housing front than any other city in the United States. And it has done so under the most difficult circumstances. As you know, nationwide, the 1980s have been hard times for housing. These include a decline in homeownership (particularly for young families), skyrocketing rents, and a rising tide of homelessness.

Just when it was needed most, the Reagan Administration virtually withdrew the federal government from the housing business. Housing assistance shouldered the largest cutbacks of any federal program — from over \$33 billion in 1981 to less than \$8 billion today. And now our state government — after several years of fostering progressive housing programs — is retrenching its housing programs as a result of its fiscal crisis.

One city, on its own, cannot fill this large vacuum. But Boston has made enormous progress in preserving and producing affordable housing, using all available resources — and inventing new ones — to meet the housing needs of the city's residents.

During the past six years, the city has experienced a significant increase in the overall housing supply — a result of our efforts to forge partnerships with the private sector, non-profit developers, and state government. Since 1984, more than 15,000 housing units have been added to the city's housing inventory — an unprecedented level of production. City-assisted housing alone amounts to 5,800 units with a total development cost in excess of \$580 million.

The long waiting lists for our affordable units suggests that there is a strong demand for this product. It also suggests that banks are missing an opportunity for profitable investment in these neighborhoods and among these potential homebuyers.

We are particularly proud of our efforts to utilize city property for production of affordable housing: We sell vacant city-owned land, or surplus public buildings, for as little as one dollar in order to foster the creation of affordable housing. We have worked closely with, and expanded the capacity of, community-based, non-profit housing developers. They have been the backbone of our housing programs. The Boston Housing Partnership — an umbrella

of government, business and non-profit community development organizations — has become a national model of successful public-private-community collaboration. By combining the resources and expertise of these three sectors, the Boston Housing Partnership helps community-based non-profit groups build and renovate an unprecedented number of low-income and moderate-income housing in our neighborhoods. The leadership of William Ederly, chairman of the State Street Bank and founding chairman of the Boston Housing Partnership, and Dick Driscoll, vice-chairman of the Bank of New England and current chairman of the Boston Housing Partnership, has been critical for the success of this creative housing program. In fact, as you know, it served as a model for the Community Housing Partnership Act, which this Committee — with the leadership of Chairman Gonzalez, and Congressmen Kennedy and Frank — has strongly supported.

Boston's linkage program is another policy that has received national recognition. Through the linkage program, developers of downtown commercial projects contribute funds — six dollars per square foot — for the development of affordable housing and job training programs. So far, developers have committed over \$50 million to the program. We have allocated almost \$20 million of those linkage funds, which have helped develop over 2,000 units of affordable housing.

Another cornerstone of our economic development program is a new and innovative policy we call "parcel to parcel." It is a policy designed to link downtown commercial development with neighborhood commercial development. For example, two years ago, we invited major local and national developers to submit proposals to build a 900,000 square-foot office building on a city-owned downtown site in the heart of the financial district. The proposal included a number of important provisions. We linked the downtown site with a 5-acre city-owned site at the edge of Roxbury, Boston's largest minority neighborhood. The site is located next to a new subway line — 10 minutes from downtown Boston — that makes it a perfect location for office space. Last year, we selected a development team consisting of a consortium of Boston's minority entrepreneurs and the Chicago-based Metropolitan Structures — a subsidiary of the Metropolitan Life Insurance Company. The plan calls for an 800,000 square-foot office, hotel, and retail complex. The two linked projects will in-

corporate 200 child care spaces. The combined projects will generate over \$8 million in linkage funds to be used for affordable housing and another \$15 million will be targeted for a community development fund. The Roxbury project alone will generate 1,500 construction jobs and 2,200 permanent jobs — helping to catalyze the redevelopment of this low-income neighborhood. Groundbreaking will occur early next year.

Through these and other efforts, Boston is doing more than just building housing and office buildings. It is rebuilding neighborhoods. It is building bridges between the downtown and the residential communities. And it is sustaining economic prosperity along with economic justice for all people.

The Importance of Private Credit

But, as I have said, we cannot make significant progress in rebuilding neighborhoods without Boston's banks as full partners. With the cutbacks of federal housing resources, and the retrenchment of state housing programs, it is more important than ever that the city's lending institutions work cooperatively with the City, and with community groups, to meet the credit needs of every neighborhood. It is critical that potential first-time homebuyers, homeowners seeking home improvement loans, developers of affordable housing, and small businesspersons in every neighborhood have access to credit so that we can improve the residential and commercial conditions in our neighborhoods.

It is also critical that information about the banks' lending practices be publicly available in order to shape public policy at all levels of government. Persistent questions being raised about the inadequacy of credit available across the city led me last January to urge the Boston Redevelopment Authority to provide a systematic, comprehensive and objective study of home mortgage lending in Boston's neighborhoods. This report, by economist Charles Finn of the University of Minnesota, will be completed shortly.

Earlier this week, I signed two executive orders creating a "linked deposit" program and a Community Banking Commission to encourage Boston lending institutions to meet the credit needs of poor and working families in all of Boston's neighborhoods. The linked deposit policy instructs the City Treasurer to evaluate the performance of Boston banks in meeting neighborhood credit needs before deciding where to invest city funds. Under this policy, the Treasurer will examine Boston banks' records on home mortgages, affordable housing devel-

opment, hiring practices, provision of services such as neighborhood branches and automated teller machines, small business loans, and participation in city-sponsored housing and neighborhood improvement programs. City dollars will be deposited in a manner that is both fiscally prudent and that encourages banks to meet standards that contribute to the improvement of our neighborhoods. As such, this will be the most comprehensive linked deposit program in the nation. To assist the Treasurer in evaluating the performance of local lenders, as well as to advised me on a range of community credit needs, I have also established a Community Banking Commission.

Next Steps for Improving Access to Credit

Many Boston residents remember the devastating economic and social chaos that unfair banking practices had in Boston's neighborhoods during the 1970s. At the time, "redlining" became a major controversy. Boston's community groups joined with their counterparts across the country to demand federal action. The 1977 Community Reinvestment Act was the result of those efforts.

Now, more than a decade later, the issue of unfair banking practices is back on the public agenda — not only in Boston, but in other cities as well. Congress — through the leadership of Chairman Gonzalez and Congressman Kennedy — took important steps earlier this year to strengthen the provisions of the Community Reinvestment Act and the Home Mortgage Disclosure Act — particularly improving public disclosure of information regarding banks' lending practices. I was pleased to work closely with my colleagues in the U.S. Conference of Mayors to advocate for the strengthening amendments.

But, as I am sure you will agree, more needs to be done if we are to guarantee every American access to credit, decent affordable housing, and economic opportunity. In view of our experiences here in Boston and the Federal Reserve Bank study, and in light of my conversations with fellow mayors through my role as chairman of the Advisory Committee of the USCM, let me make a few suggestions.

First, I would urge the Congress to expand the public disclosure requirements of the Community Reinvestment Act and the Home Mortgage Disclosure Act. Requiring banks to make public information about the income, gender, race, and neighborhood of mortgage recipients, and requiring the Federal Reserve Bank to disclose the banks' CRA ratings are important new tools. But

(Continued on next page)

even with this new information available, the burden is still on consumer and community groups to make sense of the data, to compile it in an accessible format, and to figure out for themselves whether banks are meeting their neighborhoods' credit needs. Cities like Boston should not have to hire their own consultants to evaluate this data. Nor should we have to rely on the good will and public spirit of leaders like Dick Syron to issue a report on whether the banks are complying with the CRA. I would urge you to require each regional Federal Reserve Bank to issue, on an annual basis, a report of banks' performance under the CRA. This report should include not only an aggregate analysis of all banks (such as the Boston Federal Reserve Bank study), but also a comparative analysis of each bank. And it should be made public in an accessible format that will help local governments and community groups evaluate the banks' behavior. It would certainly be useful, for example, in helping us carry out our new linked deposit policy.

Second, I would urge Congress to clarify the CRA, if necessary, to specify that commercial lending is a critical part of a bank's responsibility in meeting community credit needs. I would also urge the Congress to consider enacting a Commercial Loan Disclosure Act as a companion to the Home Mortgage Disclosure Act. This new legislation would require banks to disclose their lending practices with respect to commercial loans. As you know, commercial activity is critical to the health of neighborhood economies. Neighborhood business districts and small businesses require credit if they are to create the jobs and the services that neighborhood residents need. New legislation would encourage banks to meet these needs and provide the public with information to monitor whether they are doing so.

Third, I would urge Congress to explore steps that can be taken to encourage non-bank financial institutions — private mortgage companies, pension funds, and insurance companies — to expand their community reinvestment efforts. These institutions are a critical part of the financial services industry and their investment activities impact heavily on our neighborhoods. They are currently not subject to Congressional regulation, such as the Community Reinvestment Act. But I would hope that Congress could find ways to encourage these institutions — with their large investment portfolios — to play a stronger role in meeting the credit needs of low-income and

minority neighborhoods. One possibility would be to involve these institutions in a national secondary market for neighborhood-oriented commercial and housing loans.

Finally, let me congratulate Chairman Gonzalez and this Committee for your leadership in putting the issue of affordable housing back on the national agenda. After almost a decade of severe cutbacks, we need to bring the federal government back into the housing business. Some people may try to use the current HUD scandal as an excuse to further dismantle the federal role in housing. We cannot let that happen. Instead, we should see the HUD scandal as an opportunity to forge new directions in national housing policy. One such policy is embodied in Congressman Kennedy's Community Housing Partnership Act, which I was pleased to help draft. It would give community-based non-profit developers a greater role in the creation of permanent affordable housing. I appreciate the fact that Chairman Gonzalez has incorporated this program into his comprehensive housing bill. I hope that a major housing bill will pass Congress soon.

Our cities are starved for housing funds and private housing credit. Both the private banks, and the federal government, must become full partners with our cities, and our community groups, in rebuilding neighborhoods and fulfilling the promise of a decent home for every American.

Thank you.

A MESSAGE FROM THE MAYOR OF BOSTON

Dear City of Boston Employees:

Now more than ever we need your participation in the City of Boston Employee Campaign (COBEC).

As you know, human service providers in Boston are feeling the pain of unprecedented State budget cuts. If we do nothing, essential programs such as home care for the elderly, day care for working mothers, job training for young people, and housing for the homeless will be drastically cut. I am fighting hard to obtain additional revenues to fund human services at the State and local levels but the battle is almost over for the current fiscal year. Giving to COBEC is something we can all do now to help soften the impact of budget cuts on our neediest citizens.

Supporting COBEC is not only the right thing to do, it is also a sound investment in Boston's future. We all benefit from the

hope and opportunity that COBEC programs provide our young people. Dollars spent today on job training and drug counseling mean far fewer dollars spent tomorrow on unemployment relief and correctional facilities.

By participating in COBEC you can help ease the pain to our most needy friends and neighbors caused by State budget cuts and make an important investment in our future. That is why your participation is so important this year. Please be as generous as you can.

Sincerely,

Raymond L. Flynn
Mayor of Boston

A MESSAGE FROM YOUR COBEC CHAIRPERSON

Dear Fellow City of Boston Employees:

I urge you to be as generous as you can in supporting the City of Boston Employees Campaign (COBEC).

Human service needs are greater than ever in Boston. Yet, badly needed programs have been cut to the bone as a result of the State fiscal crisis. Therefore, it is imperative that we, as employees of this great City, do what we can to help needy Bostonians.

COBEC supports a broad range of programs that reach every neighborhood in Boston. These programs include counseling for drug addicts and alcoholics, home care services for the elderly, recreational and educational programs for young people, and day care for working mothers, just to name a few. We all know someone who has benefited from COBEC-supported programs.

Please join the Mayor and me in supporting the COBEC agencies and the vital services they provide. Remember that you can designate on your pledge card which agencies will receive your support. Now more than ever, Boston needs your help.

Sincerely,

Lee F. Jackson
1989 COBEC Chairman

COBEC
Once and For All.

MAYOR ANNOUNCES C.O.B.E.C. KICKOFF

The City of Boston Employee Campaign is under way, and once again we appeal to you to assist as much as you can. The goal this year is high, but the needs are even higher. Many agencies of all sorts, from Boy Scouts, Home Nursing, American Lung Association to needy recipients overseas, depend upon the funds raised. Each dollar is essential and is used with care.

The City of Boston Employee Campaign, in the best tradition of community concern, works only because of voluntary effort and giving. Please help us reach our goal, either through payroll deduction or the largest donation you can manage.

MBTA RECEIVES \$15 MILLION SUPPLEMENTAL BUDGET

The Massachusetts Bay Transportation Authority, on September 12, received approval from the MBTA Advisory Board of a \$15-million supplemental budget for fiscal year 1990 budget, which began July 1, 1989.

The request for a supplemental budget comes in the wake of a \$30-million shortfall brought about by a recent arbitration award of wages and benefits to the T's unions. The MBTA had initially requested a supplemental amount of \$18.2 million. After discussions with the Advisory Board's finance committee, that figure was trimmed to \$15 million.

In doing its part to respond to the problem, the T has begun an aggressive program to cut \$3.6 million in administrative costs, including freezing or eliminating 125 jobs, saving \$2 million through reassignment of work, and cutting \$1.6 million in transportation services.

The T is also increasing revenue by \$9.5 million.

T Chairman and Secretary of Transportation Frederick P. Salvucci noted that in addition to approval of the supplemental budget, state legislature action is still needed to allow the T to continue to manage its budget. This legislation includes establishing a cap on tort liability claims against the Authority, authorization to join the New England Power Pool (NEPOOL) to lower the cost of purchasing power, and support of restoration of \$17 million removed from the 1989 fiscal year budget.

T General Manager Thomas P. Glynn said, "We have been working with elected

officials and other representatives of the cities and towns in our district to manage this budget problem through firm control over expenditures and a concerted effort to increase revenues. With the cooperation we've received so far, I am certain that we are going to be able to meet this financial challenge."

Glynn said that administrative savings include cuts in the following areas:

- subscriptions
- telephone costs
- elimination of 12,000 hours in overtime pay
- implementation of caps on health, workers compensation and unemployment insurance costs
- realization of savings through an improved pension program.

"Cutbacks would be devastating to many of our passengers, and to the T's resurgence as one of the best transit systems in the country. Passengers have continued to use the T at a time when transit ridership nationally has been going down. It would be a shame to reverse the trend in Boston after so much has been invested in the system, and particularly, in anticipation of the need for public transportation once reconstruction of the Central Artery and third harbor tunnel begins."

Glynn noted that when factored for inflation since 1982, T growth is at an average of 2 percent while the cost of providing services has dropped by 5 percent per mile.

The T provides over 650,000 trips each weekday. Its fiscal year 1990 operating budget is \$614.6 million.

The T is raising \$9.5 million in additional revenue through an increase this year in subway and commuter rail fares, sales of the newly introduced visitors pass, and increased sales of monthly passes. Plans are also under way to increase fares on commuter boats and fees at parking facilities and, for the first time, institute parking charges at suburban commuter rail stations. Additional advertising revenue and investment income are also being sought.

The T has also instituted a hiring freeze which will result in the reduction of 25 administrative positions, the elimination of 50 jobs through work reassignments and 50 jobs in service reductions.

Service cuts being considered include the cancellation of the planned expansion of the Ride, elimination of the 10 least used of the T's 157 bus routes and minimal service reductions of other bus routes and of weekend subway service.

BRIGHT PICTURE FOR BOSTON'S INDUSTRIAL REAL ESTATE MARKET

There is good news on the industrial side of the Boston real estate market. The latest issue of EDIC's *SITEFINDER* shows that demand for affordable, quality industrial space in the City of Boston remained constant during the past quarter and increased by five percent from a year ago. Demand for industrial space is expected to increase during the year as wholesale trade and manufacturing firms require additional space.

The Economic Development and Industrial Corporation (EDIC) of Boston monitors the industrial real estate market in Boston by following industrial leasing, sales and development activities in the City. EDIC maintains an industrial site inventory database of this information and twice a year publishes *A SITEFINDER*, a comprehensive list and assessment of leasable industrial sites in Boston.

"By tracking trends in the City's industrial real estate market," said Boston Mayor Raymond L. Flynn, "we're helping companies find out what so many firms already know: that Boston is positioned to help industries grow."

"EDIC provides businesses with a number of tailored services such as financing and customized workplace training from the Boston Technical Center," said EDIC Director Marilyn Swartz Lloyd. "The *SITEFINDER* is an invaluable tool for those companies that also look to EDIC for real estate assistance."

The *SITEFINDER* classifies leasable industrial space into three types:

- Type I — "quality" industrial space with appropriate lease terms;
- Type II — high quality space primarily used by high-tech and/or R&D firms;
- Type III — low-end industrial space which requires significant capital investment or has unfavorable lease terms.

The latest *SITEFINDER* also indicates a strong market for research and development space, as both stock and demand grew — 5.7 percent and 8.2 percent respectively. Further, there was a simultaneous drop in the stock of, and demand for, low-end space. The decline in the stock of leasable low-end sites was largely a result of the space being upgraded to quality industrial or office space.

BOSTON LOCAL DEVELOPMENT CORPORATION'S FIRST WORKING CAPITAL LOAN FUNDS EXPANSION OF ROSLINDALE FIRM

A Roslindale company is expanding into a new product line and adding more jobs as a result of a working capital loan from the Boston Local Development Corporation (BLDC). Kinetic Systems, Inc., which specializes in the manufacture of vibration isolation systems, will purchase inventory to manufacture a new optical table product with the \$57,000 loan. The funding is BLDC's first working capital loan.

BLDC is a financing arm of Boston's Economic Development and Industrial Corporation (EDIC). It combines private bank loans, its own federally supported loan program and Small Business Administration loans to meet the capital needs of growing businesses in Boston.

"Industries like Kinetic Systems, that offer good jobs to Boston residents, have helped to spur growth in the local economy," said Marilyn Swartz Lloyd, EDIC Director and BLDC Vice-President. "We're pleased this loan will allow them to continue their efforts. It is our goal to help more Boston firms with working capital loans in the future."

"The BLDC loan has helped make it possible for us to keep pace with the technological demands of the laser, electro-optics and holography industries," said Mike Gertel, President and founder of Kinetic Systems. "Keeping pace with the technology means we're also able to grow and add six more jobs to our staff." The company currently employs 37 people, of whom 35 percent are Boston residents, 29 percent are minorities, and 66 percent are low- to moderate-income workers.

"Helping neighborhood businesses grow and create more jobs is an essential part of balanced economic development in Boston," said Mayor Raymond L. Flynn. "Kinetic Systems helps provide well-paying jobs to Boston residents."

This is the second BLDC financing project with Kinetic Systems. In 1984, BLDC and USTrust joint forces to fund the company's purchase of its current headquarters in Roslindale. Kinetic will use the new financing to purchase additional inventory and create engineering, technical and assembly

line jobs. The new Vibraplane optical tables, which prevent ambient vibrant in sensitive laser and optical equipment, have already been sold to the U.S. Air Force research labs, Martin Marietta Corporation and research departments in universities throughout the country.

To be eligible for BLDC funding under the working capital loan program, companies must be located in Boston, have one to three years of operating history and demonstrate that the financing will result in the retention and creation of jobs.

VIII. COMMENDATIONS

The Fire Commissioner is pleased to commend District Fire Chief Paul S. Miller, Headquarters, and Fire Fighters Martin N. Andrews and Carl M. Bowman of Ladder Company 29 for their professional conduct at incident 1122 on May 12, 1988, and during the subsequent jury trial that followed, and makes this commendation a part of their personnel folder.

The Fire Commissioner is pleased to commend Fire Lieutenant Thomas C. Reardon and Fire Fighter John J. Harding, Jr., Engine Company 18,

for their professionalism and dedication to duty, on September 4, 1989, while assisting in the capture of a suspect lighting multiple fires along Dorchester Avenue, District 8.

Both members followed an adult male in their own vehicles. After flagging down the responding apparatus, Fire Lieutenant Reardon continued the pursuit in his own car while Fire Fighter Harding rode with Car 8 in order to identify the suspect. Lieutenant Reardon assisted the police in apprehending the suspect at the rear of the Carney Hospital.

This commendation shall be made part of their personnel folders.

On August 18, 1989, at 1531 hours, Fire Fighter (Inspector) Joseph Manley of the Fire Prevention Division, while on duty and driving on Woodrow Avenue, District 8, encountered a young woman in distress pointing to a porch and screaming that a baby was not breathing. Fire Fighter (Inspector) Manley immediately instructed the woman to pull the fire alarm box. He then ascended to the porch where a woman was holding a baby who was not breathing and blue in color. Upon examination, Fire Fighter (Inspector) Manley proceeded with the Heimlich Maneuver, dislodging food from the baby's throat and then commenced C.P.R.

Upon the arrival of Engine Company 52 and Ladder Company 29, the baby had regained consciousness and was transported by the Emergency Medical Services ambulance to the Boston City Hospital for observation.

The Fire Commissioner is pleased to commend Fire Fighter (Inspector) Manley of the Fire Prevention Division and makes this commendation a part of his personnel folder.

NOTICE TO CONTRACTORS

**Invitation for Bids for Miscellaneous Repairs to
Passenger Cars and Trucks — Contract R-2.**

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents entitled:

Contract R-2
Miscellaneous Repairs to Passenger
Cars and Trucks.

SCOPE OF WORK under this contract consists of miscellaneous repairs to cars and trucks. Estimated cost is \$15,000.

Bids shall be submitted before 2 p.m., Boston time, on Thursday, October 19, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit, previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, October 2, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least zero

percent of his bid price shall be expended for minority business enterprise and at least zero percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained

from the Parks and Recreation Department Affirmative Action Office, 1010 Massachusetts Avenue, third floor, telephone 725-4033 or from the Mayor's Office of Jobs and Community Services Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods or services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The general contractor will be required to have certain public liability and property damage insurance.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, on October 10, 1989, at 10 a.m. Boston time.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Installation of Burial
Vaults and Site Improvements at Fairview
Cemetery, Hyde Park, Mass., Fall 1989.**

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Installation of Burial Vaults and Site Improvements at Fairview Cemetery, Hyde Park, Mass., Fall 1989."

SCOPE OF WORK includes: Furnishing all labor, materials and equipment necessary to install burial vaults, concrete foundations, drainage, loaming and seeding.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, October 26, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Tuesday, October 10, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and Women-owned busi-

nesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department Affirmative Action Office, 1010 Massachusetts Avenue, third floor, telephone 725-4505 ext. 6110 or from the Mayor's Office of Jobs and Community Services Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods or services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, October 17, 1989, at 10 a.m., Boston time.

Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Tuesday, October 10, 1989, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

CITY OF BOSTON

Proceedings of City Council

Wednesday, February 1, 1989.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 1 p.m., President IANNELLA in the chair and all the members present.

OPENING OF MEETING

The Reverend John Sarantos of Transfiguration Greek Orthodox Church, Lowell, delivered the invocation, and the meeting was opened with the salute to the flag.

VISITOR TO CITY COUNCIL

President IANNELLA introduced Councillor HENNIGAN CASEY who presented, on behalf of all the Councillors, a citation commending former Chairman of the Boston Redevelopment Authority Robert Farrell for his many years of service to the City of Boston and wishing him many years of continued success, health and happiness. Mr. Farrell thanked the Councillors for their good wishes and stated how much he had enjoyed working with all of them over the years.

ELECTION OF CITY CLERK

Coun. IANNELLA moved that the City Council now proceed to the election of a City Clerk to serve for the term of three years beginning with the first Monday in February, 1989, and until his successor is elected and qualified.

The motion was carried.

Assistant City Clerk McDonough called the roll with the following result:

For John P. Campbell — Councillors Bolling, Byrne, Hennigan Casey, Iannella, Kelly, McCormack, McLaughlin, Menino, O'Neil, Salerno, Scondras, Travaglini, Yancey — 13.

John P. Campbell was declared elected City Clerk for the term of three years, beginning the first Monday in February, 1989.

REPORT ON ORDINANCE REQUIRING HARMONY CLAUSES IN CONSTRUCTION CONTRACTS

Coun. HENNIGAN CASEY, on behalf of the Committee on Government Operations, submitted the following:

Report on Docket No. 0308, ordinance requiring harmony clauses in construction contracts (referred January 25) — recommending passage of the ordinance in the following new draft:

City of Boston,

In the Year Nineteen Hundred and Eighty-nine.

An Ordinance Requiring Harmony Clauses in Construction Contracts.

Be it ordained by the City Council of Boston, as follows:

Whereas, Massachusetts General Laws, chapter 30, section 39M(c) requires that "the lowest responsible and eligible bidder" on any public work project shall also "certify that he is able to furnish labor that can work in harmony with all other elements of labor employed or to be employed . . ." on new construction, rehabilitation, renovation or remodeling work; and

Whereas, It is in the public interest for the City of Boston to minimize delays and disruptions caused by the inability of certain contractors and subcontractors to furnish labor in compliance with state law; and

Whereas, Residents of the City of Boston suffer when disruptions occur at worksites covered by contracts entered into by the City of Boston with contractors and subcontractors who are unable to meet the requirements of G.L. c. 30, s.39M(c), inasmuch as there are delays which are costly in terms of lost worker hours and cost overruns; and

Whereas, The Massachusetts Supreme Judicial Court in *Modern Continental Construction Co. Inc. v. Massachusetts Port Authority*, 343 Mass. 362 (1976) upheld the language and legislative intent of G.L. c. 30, s.39M(c); now, therefore, be it ordained by the City Council of Boston, as follows:

Section 1. City of Boston Code, Ordinances, Title 4, is hereby amended by adding thereto the following new sections:

Section 100. It is the policy of the City of Boston to insure that all city departments, authorities, commissions and agencies serving as awarding authorities for contracts for new construction, rehabilitation, renovation or remodeling work require the contractor and/or subcontractor to certify in writing that he or she shall furnish labor who can and will work in harmony with all other labor employed in any work or at the worksite which is the subject of the written contract.

Section 101. The requirements contained herein shall continue in effect unless specifically repealed, notwithstanding any repeal of G.L. c. 30, s.39M(c).

Section 2. This ordinance shall take effect upon passage.

The report was accepted; the ordinance in the new draft was passed.

Councillor HENNIGAN CASEY requested that it be recorded that were she present when Docket Nos. 0327 and 0160 come up she would vote in the affirmative on them.

LOAN OF \$170,000 FOR PURPOSE OF RECONSTRUCTING BOSTON CITY HOSPITAL

The following was received:

City of Boston
Office of the Mayor

January 31, 1989.

To the City Council,
Dear Councillors:

I transmit herewith for your approval an appropriation order in the amount of \$170,000,000 for the purpose of reconstructing Boston City Hospital. The bonds to be issued to finance this project will be in such form and with such approval of the security as the Collector-Treasurer, with the approval of the Mayor, may deem appropriate.

within the parameters of the city's home rule petition, chapter 659 of the Acts of 1986.

I urge your Honorable Body to pass this order.

Sincerely,

Raymond L. Flynn,
Mayor of Boston.

Ordered, That the sum of \$170,000,000 be, and hereby is appropriated to be expended on the costs of the construction, equipping and furnishing of a structure as a replacement for all or a portion of the current facility of the acute care community hospital known as Boston City Hospital and the demolition, renovation, equipping and furnishing of all or a portion of the current hospital facilities, including any costs necessary or incidental thereto or to the financing thereof (the "Project"); and that to meet said appropriation the Collector-Treasurer be, and hereby is, authorized under the provisions of section 2 of chapter 659 of the Acts of 1986 ("Act") to issue from time to time, on the request of the Mayor, bonds, notes or certificates of indebtedness up to said principal amount ("Hospital Bonds"); and that the proceeds of the sale of such Hospital Bonds may be applied to pay the principal of and interest on any notes issued to finance temporarily some or all of the costs of the Project, including without limitation, notes issued in anticipation of bonds pursuant to that certain loan order passed by the City Council on November 5, 1986, and November 19, 1986, under clause 3 of section 7 of chapter 44 of the General Laws and approved by the Mayor on December 5, 1986, as amended.

Ordered, That the Collector-Treasurer be, and hereby is, authorized, with the approval of the Mayor, to issue the Hospital Bonds in any one or more of the forms described in section 3(a) of the Act, including without limitation, special obligation bonds described in section 8 of chapter 643 of the Acts of 1984 secured by a mortgage of certain real and personal property.

Ordered, That, in connection with the issuance of the Hospital Bonds, under the provisions of section 4 of the Act, the Collector-Treasurer be, and hereby is, authorized to execute and deliver, on behalf of the City of Boston, with the approval of the Mayor, a mortgage and an assignment of interest in property, in such forms as determined by the Collector-Treasurer with the approval of the Mayor and mortgaging and assigning the city's interest in such real and personal property as authorized by law and determined by the Collector-Treasurer with the approval of the Mayor.

Ordered, In the discretion of the Collector-Treasurer and the Mayor, the Hospital Bonds may be secured by one or more trust or security agreements in accordance with the provisions of section 9 of chapter 643 of the Acts of 1983.

Ordered, That, in connection with the issuance of the Hospital Bonds, under the provisions of section 4(c) of the Act, the Collector-Treasurer be, and hereby is, authorized to obtain insurance from the federal housing administration and to execute and deliver, on behalf of the City of Boston, such documents, contracts and instruments, including without limitation, an application for such insurance, a regulatory agreement, a building loan agreement, a servicing agreement and a mortgage note, as the Collector-Treasurer, with the approval of the Mayor, may deem necessary or appropriate in connection with obtaining said insurance, in such forms as determined by the Collector-Treasurer with the approval of the Mayor.

Ordered, That, in accordance with the issuance of the Hospital Bonds, under the provisions of section 9 of chapter 643 of the Acts of 1983, the Collector-Treasurer

be, and hereby is, authorized to procure such letters or lines of credit or other credit facilities as the Collector-Treasurer, with the approval of the Mayor, may deem necessary or appropriate, and to execute and deliver reimbursement agreements with the issuers of such credit facilities in such forms as determined by the Collector-Treasurer with the approval of the Mayor.

Referred to the Committee on Ways and Means.

LOAN OF \$2,050,000 FOR DEFRAYING COSTS OF DEVELOPMENT, ACQUISITIONS AND OPERATION OF CAMPUS HIGH URBAN RENEWAL PROJECT

The following was received:

City of Boston

Office of the Mayor

January 31, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an appropriation order in the amount of \$2,050,000 to be expended in aid of the Boston Redevelopment Authority for defraying certain costs of development, acquisitions and operations of the Campus High Urban Renewal Project.

I urge your Honorable Body to pass this order.

Sincerely,

Raymond L. Flynn,
Mayor of Boston.

Ordered, That the sum of \$2,050,000 be, and hereby is, appropriated to be expended in aid of the Boston Redevelopment Authority for defraying such part of the costs of redevelopment, acquisition and operations of the Urban Renewal Campus High Project as will not be met by loans (other than temporary loans) or by contributions or grants from the Federal Government or from any other source; and that to meet said appropriation the Collector-Treasurer be, and hereby is, authorized under the provisions of clause (2) of section 20 of chapter 121B of the General Laws, as amended, to issue from time to time, on request of the Mayor, bonds, notes or certificates of indebtedness of the city up to said amount.

Referred to the Committee on Planning and Development.

Later in the session Coun. MENINO moved reconsideration of the foregoing referral; reconsideration prevailed.

On motion of Coun. MENINO, the order was referred to the Committee on Ways and Means.

AMENDING LOAN OF \$9,505,000 FOR CONSTRUCTION OF BUILDINGS OR ADDITIONS THERETO FOR HEALTH AND HOSPITALS

DEPARTMENT, PASSED BY CITY COUNCIL 11/5/85 AND 11/19/86, APPROVED BY MAYOR 12/5/86, TO INCREASE AMOUNT TO \$17,665,000

The following was received:

City of Boston
Office of the Mayor

January 31, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an appropriation order to amend an appropriation order passed by your Honorable Body on November 5, 1986, and November 19, 1986, and approved by me on December 5, 1986. The original appropriation order was \$9,505,000 for the construction of buildings or for additions to such buildings, including the cost of original equipment and furnishing of said buildings, for the purposes of the Department of Health and Hospitals. The proposed appropriation order would raise the amount from \$9,505,000 to \$17,665,000.

The amount of this loan order is being increased from \$9,505,000 to \$17,665,000 to allow for the issuance in the near future of bond anticipation notes to finance temporarily the pre-construction costs of the Boston City Hospital re-construction project.

I urge your Honorable Body to adopt this order.

Sincerely,

Raymond L. Flynn,
Mayor of Boston.

Ordered, That the sum of \$9,505,000, as appearing in an appropriation order passed by your Honorable Body on November 5, 1986, and approved by me for on December 5, 1986, be, and hereby is, amended by inserting in place thereof the sum of \$17,665,000, for the construction of buildings or for additions to such buildings, including the cost of original equipment and furnishing of said buildings including the Department of Health and Hospitals; and that to meet said appropriation the Collector-Treasurer be, and hereby is, authorized under clause (3) of section 7 of chapter 44 of the General Laws, to issue from time to time, on request of the Mayor, bonds, notes or certificates of indebtedness of the City up to said amount.

AMENDING RULE 28 OF RULES OF BOSTON CITY COUNCIL

Coun. MENINO offered the following:

Ordered, That the rules of the City Council be

amended for the year 1989 by striking the first two paragraphs of Rule 28 and substituting the following:

Rule 28: The president of the City Council shall appoint all standing committees, all special committees, shall fill any committee vacancy and designate the rank of the members of each committee unless specifically directed otherwise by a majority of the Council. All standing committees shall consist of five members, provided, however, that the Committee of the Whole shall consist of all Council members and the Committee on Ways and Means shall consist of nine members. All special committees shall consist of three members, unless otherwise specified by the president.

The role of the City Council's committees shall be to provide members a structure for in-depth review and analysis of all city departments, agencies, and boards and a forum for corrective measures through legislative leadership. Committees are designed to focus on two broad areas of study; (1) Public Policy; and (2) agency performance. In order to adequately address these two issues, it will be necessary for the committee to identify the mission of the city office or program, evaluate the office's performance of that mission or success of the program and make legislative corrections, deletions, or clarifications as necessary. Each committee shall perform three basic functions (a) data collection, (b) analysis and evaluation of programs, and (c) legislative oversight.

Passed under suspension of the rules.

ENDORING HOUSE BILL 1221

Whereas, Ratepayers have been burdened with increased costs for the operation of the Massachusetts Water Resources Authority; and

Whereas, Proposed legislation would provide an increase in the amount of state money for the purpose of meeting the local share of project costs; now, therefore, be it

Resolved, That the Boston City Council, in meeting assembled, hereby endorses House Bill No. 1221 and requests that a copy of this resolution be forwarded to the Governor, to the President of the Senate, to the Speaker of the House of Representatives and to the Committee on Natural Resources and Agriculture by the City Clerk upon its passage.

Passed under suspension of the rules.

Coun. O'NEIL requested that he be recorded as voting in the negative on the foregoing resolution.

EMERGENCY PREAMBLE

Coun. IANNELLA offered the following:

Whereas, Restructuring of the School Department has been suggested in many quarters; and

Whereas, Any significant change would require approval of this body, the Mayor, and the legislature; and

Whereas, If any change is to be made, it ought be as result of an informed study of options available and goals to be achieved; and

Whereas, This body should act quickly so that any needed change can be implemented without delay; therefore, be it

Ordered, That this emergency preamble be adopted to the end that the ordinance and motion annexed are properly before the body.

The Emergency Preamble was adopted.

Rule 11 was suspended.

**ORDINANCE CREATING FOR A LIMITED TIME A
SPECIAL COMMISSION ON PUBLIC EDUCA-
TION**

Couns. IANNELLA, McCORMACK, MENINO,
O'NEIL, SALERNO, SCONDRAS, and
TRAVAGLINI offered the following:

City of Boston

In the Year Nineteen Hundred and Eighty-nine,
An Ordinance Creating for a Limited Time a Special
Commission on Public Education.

Be it ordained by the City Council of Boston, in accord-
ance with the provisions of Massachusetts General
Laws Chapter 43B, Section 13, and any other appli-
cable law, as follows:

Section 1. There shall be within the city a special com-
mission, to be known as the Special Commission on Pub-
lic Education, consisting of seven members appointed by
the Mayor, of whom two shall be educators or persons
especially knowledgeable about the field of education;
two shall be parents of children currently enrolled in the
Boston Public Schools who have demonstrated interest in
the operation and management of the schools; one shall
be the President of the City Council or said President's
designee, ex officio, and, two shall be appointed to rep-
resent the public at large. Neither the parent members
nor the public members shall be employees of the city.
The Mayor shall designate the chair of the Commission.
Members (except the member serving ex officio,) shall
be deemed Special Municipal Employees for the pur-
poses of chapter 268A of the General Laws. The Com-
mission shall report directly to the Mayor and to the City
Council, but, for purposes of administrative support
shall be considered a part of the Administrative Services
Department.

Section 2. The Commission is hereby charged with
conducting a study of the Boston Public Schools, with
particular regard to, the current drop-out rate, low scores
on national tests, the general lack of confidence in the
schools evidenced by the number of Boston parents who
seek alternative education for their children, and, the
high level of school spending. The Commission shall re-
port its findings and recommendations, including any
recommendation with respect to abolition or restruc-
turing of the School Committee, and/or, the transfer of

any of the committee's powers to the Mayor or to another
official, within thirty days of its formation. Upon the fil-
ing of such report, the terms of the Commissioners shall
end and this ordinance shall expire.

Referred to the Committee on Public Education.

Coun. IANNELLA moved that with respect to the
foregoing ordinance, the Committee on Public Educa-
tion be, and hereby is, requested and instructed to make
its report at the next meeting of the Council.

The motion was carried.

CONSENT AGENDA

The chair moved adoption of a Consent Agenda in
which the following-named Councillors offered resolu-
tions honoring individuals or organizations as set forth
after each Councillor's name:

Councillor Byrne: Kathleen Marie Connolly.

Councillor Hennigan Casey: Robert Farrell.

Councillors Travaglini, McCormack, and O'Neil:
James W. Conway.

Councillor Iannella: Joseph Linane.

On motion of Councillor Yancey, Rule 11 was sus-
pended in order to add the following matters to the Con-
sent Agenda:

Councillor Yancey: James Mack Williams, Oliver Sa-
muels.

The matters contained within the Consent Agenda
were severally adopted.

Adjourned at 2:15 p.m., on motion of Councillor Sa-
lerno, to meet on Wednesday, February 8, 1989, at 1
p.m.

YOUTH CAMPAIGN SPONSORS "I'M T SMART" PROGRAM

The Boston Transportation Department, the MBTA and Camp Fire Boys and Girls of Greater Boston joined forces recently to present the public transportation education program "I'm T Smart" to 27 youth from the Harborside Community School in East Boston. This event was held as part of the Boston Youth Campaign and was designed to give youth exposure to the advantages of public transportation in Boston.

This mini-workshop, held at the State Transportation Building, was an abbreviated version of a six-session, hands-on workshop series that utilizes games, role playing and supervised field trips as its teaching tools. The program helps children accomplish the following goals:

- to make connections with other young people in different neighborhoods, towns or cities;
- to use public transportation in a safe, responsible manner when traveling in unfamiliar areas;
- to use public transportation to access recreation and other activities.

"We started to develop this program two years ago," commented Cynthia Beaudoin, Executive Director of Camp Fire. "It was clear to us that many elementary school children need to know how to use the MBTA system and its services. Kids can be taught to be smart about how they respond to situations when not under the care or supervision of an adult. That's what 'I'm T Smart' and our other self reliance programs are all about," said Beaudoin.

Kit Wang, Camp Fire's Community Response Programs Director, helped to develop this special version of "I'm T Smart" for fourth and fifth graders. She says that "I'm T Smart" has three major objectives: 1) to break down the City's neighborhood barriers by helping kids obtain access to the many resources of the City (including people, places and activities); 2) to teach safe use skills; and 3) to teach appropriate T behavior.

Richard A. Dimino, Transportation Commissioner for the Boston Transportation Department, stated that the "I'm T Smart" program was just one of several Youth Campaign events being sponsored by the City's Transportation Department. Says Dimino, "I'm T Smart" is not only a lot of fun but also very educational. These kids are taking home valuable skills that they can use each day."

Camp Fire has worked over the past two years, in collaboration with the MBTA, to develop and field test "I'm T Smart." To date, more than 300 people have participated in the program which has been piloted and delivered in area child care programs, schools, summer camps and Camp Fire clubs. "Our goal is to reach every fifth and sixth grader in the Boston Public Schools. The ability to use public transportation successfully, safely, and without intimidation is an essential skill for kids in the Boston area," said Kit Wang.

Those who are interested in participating in Camp Fire programs should call the Camp Fire Council of Greater Boston at (617) 876-9800.

MBTA ESTABLISHES "SUPERFUND" TO DEAL WITH ENVIRONMENTAL HAZARDS

In an innovative approach to responding to potential hazardous materials problems, the MBTA recently established a \$2 million "Superfund" to improve its capacity to deal with leaks, spills or disposal problems, should they arise on MBTA property.

"We're taking this unprecedented step because we're concerned about the potential negative effects, on the community and our neighbors, of substances we use in providing service,"

said MBTA General Manager Thomas P. Glynn. "The growing awareness about the need to protect our environment, and the ever-increasing list of substances now classified as hazardous, demands that we be able to respond quickly and effectively to a variety of emergency situations."

The T's action comes in response to the growing list of materials that have been redefined as potentially hazardous, including fuels, lubricants, paints, cleaning solutions and other substances used by the T for the operation and maintenance of the system. The T already follows all regulatory standards for the storage and disposal of such substances.

As part of the creation of a superfund, the T is also developing a listing of qualified, licensed contractors and estimated costs for the cleanup of a variety of substances. This will enable the T to contact firms quickly if necessary, even allowing for competitive bidding by phone.

"This will enable us to move quickly and comprehensively in the event of an accident or problem," Glynn said. "Our ability to be prepared and respond effectively is of the utmost importance."

TAKE A WEIGHT OFF YOUR HEART

Are You Overweight?

Losing extra pounds is good for your heart health. Overweight people may have more health problems such as high blood pressure and high blood cholesterol. These problems can lead to heart disease. But losing weight can really help. Blood pressure and blood cholesterol levels drop when the extra pounds come off.

Weight control is a question of balance. You get calories from the food you eat. You burn off calories by exercising. Eating fewer calories or burning off more calories will take weight off. The best way to lose weight is to do both: eat fewer calories and exercise more. The more calories you burn, the more weight you'll lose. Most people try to lose weight just by cutting back on what they eat. This can lead to being hungry all of the time. After a while, hungry people quit their diets. They can end up

gaining back all of the weight they lost — and more!

In fact, eating too few calories can slow down your body's metabolism. If your body thinks that you're starving, it tries to save energy. So a starving diet can decrease the rate at which your body burns calories and can make it even harder to lose weight. The best way to lose weight is to work at both sides of the balance. Eat fewer calories, and get more exercise.

Eat Fewer Calories

We get calories every day from foods and drinks. Some foods have lots of calories packed in small servings. Other foods have just a few calories in large servings. To lose weight without going hungry, choose foods that have fewer calories. Fat is twice as packed with calories as starch (carbohydrates) or protein. But watch out: many high-protein foods like steak also contain a lot of fat. On the other hand, complex carbohydrates such as potatoes, rice, beans, and pasta have more fiber and less fat. Not only are there fewer calories, but you can eat enough of them to feel full. So, go easy on fatty foods, and enjoy more low-calorie foods.

Ideas to Help You Eat Fewer Calories

- Choose foods with less fat. Try lean meats, poultry without skin, and fish, in place of hotdogs, luncheon meats,

or fatty cuts of meat. Replace high-fat snack foods like potato chips, ice cream, and cookies with pretzels, fresh fruit, and sherbet. Watch out for fried foods. Limit rich sauces and gravies. You'll also find a lot of fat in salad dressings, mayonnaise, whole milk, and milk products like cheese, cream cheese, and sour cream. Try lower-fat products like light dressings and mayonnaise, skim or low-fat milk, yogurt, and reduced-fat sour cream.

- Fill up on high-fiber foods. Help yourself to another piece of whole wheat bread, but watch the butter! Enjoy spaghetti and rice, but try tomato sauce instead of cream or cheese sauces. Eat fewer meatballs and sausage. Don't give up pizza! Skip the pepperoni, sausage, and extra cheese. Instead, top your pizza with vegetables for a healthy change.
- Don't go hungry. Being hungry makes losing weight too hard. You can still enjoy lots of foods. Small changes in your diet make it easier to keep at it. Little changes can add up to big results. If you drink 2 cups of milk a day, switching from whole milk to 1% milk can save 12 pounds a year. If you switch to skim milk, you'll lose even more. Here are some other ideas. Replace creamy salad dressing with a low-calorie one. Try oven-baked chicken (without the skin) instead of fried chicken.
- Help yourself. Serve yourself at each meal so that you can control *what and how much* you eat. Help yourself to more of the side dishes — salads, vegetables, potatoes, and bread. Take a smaller portion of the main course or high-fat dishes, and save calories. If you're eating out, feel free to take home leftovers in a doggie bag.

Don't forget that you need to eat a variety of foods for good health. These include fruits, vegetables, low-fat dairy products, whole grains and cereals, and lean meats, poultry without the skin, and fish. Gradually cutting back on fatty foods while adding low-calorie foods will help you lose weight. You can eat well and keep the pounds off, too.

Exercise

There's more to weight than what you ate. When it comes to weight control, exercise is the opposite of eating. Eating equals calories in. Exercise equals calories out. In fact, most of the calories

you burn each day keep your body working. These calories keep your body warm, your heart pumping, and your blood circulating. Any other calories you burn are used to keep you moving. This can be walking, working, climbing stairs, or any activity you choose. The more you move, the more calories you burn. The more calories you burn, the more weight you can lose. This doesn't mean you have to start jogging. Walking one mile burns the same number of calories as running the same distance. It just takes more time.

Ideas to Help You Burn Up Calories

- Look for ways to burn calories in your everyday routine. Take the stairs rather than the elevator whenever you can. When you drive, park a little farther away and walk to where you're going.
- Get up and move. If you have a desk job, get up, stretch, and move around several times during the day. Use part of your lunch break to take a brisk walk. Watching TV? Don't go to the kitchen for a snack during commercials. Instead, try standing up and moving around during those breaks.
- Exercise regularly. Briskly walking 1 mile every day will take less than 20 minutes. But over one year, you may lose 14 pounds! Small changes add up to more weight lost or pounds kept off.
- If you like sports, you can burn even more calories. Join a fitness class with a friend, go swimming, or join a sports team. Even if you don't like sports, start walking more. Or how about going dancing? Meet new people, have fun, and get some great exercise.
- Don't forget to exercise when you're traveling or on vacation. Pack comfortable walking shoes or a swimsuit. Get out and see the sights on foot instead of by car.
- No matter what exercise you choose, start slowly and build up over time. Walk a few blocks this week. Each week, add another block until you're getting a good workout. If you have any health problems, check with your doctor first.

Exercise is more than burning calories. For most people, exercise is fun, helps reduce stress, and keeps you in good shape. It makes you feel alive, and you'll have more energy. So find an activity you like, and you'll be fit for life.

Keep It Off for the Long Run

Eat less and exercising more is the best way to lose weight and keep it off. But try these changes one step at a time. Many people make the mistake of changing their diet or exercise habits too fast. Most fad diets totally change the way you eat for a short time. You lose the weight quickly. Then you go off the diet. What happens? You go back to your old eating habits and gain it all back again. Or you decide to start exercising. You buy an expensive stationary bike and ride 20 miles a day for 10 days in a row. On the 11th day, sore and tired, you quit your exercise program.

When you make healthy changes a little at a time, it becomes the new you. You aren't still eating the foods you like. You may have just changed the serving sizes, cut out some fatty foods, or changed to lower-fat foods. At the same time, you've added some more exercise. You may walk more at work, around the house, or just for fun. You may take the stairs up a flight instead of the elevator. These small changes become a part of your life.

Now you're living healthy. There's no crash diet, no crazy exercise plan. This program is just for you. The way you eat and the way you exercise are in balance. You'll take pounds off and keep them off — for good.

PRESENT AND UPCOMING EXHIBITIONS MUSEUM OF FINE ARTS

TEXTILE MASTERPIECES.

September 27 — December 31, 1989

A selection of the most beautiful and important textiles from Europe, Asia, North America and Peru will be displayed in *Textile Masterpieces*, the first major exhibition of textiles from the permanent collection held at the Museum of Fine Arts in eight years. Many textiles in the exhibition are recent acquisitions on view for the first time, including an Inca shroud, woven in the mid-sixteenth century, that is considered to be one of the best examples in the world of the highly developed Peruvian weaving art.

Sections of *Textile Masterpieces* will be devoted to Peruvian, Asiatic and European works of art. From Peru are stunning examples of Paracas embroidery, all the more remarkable for their age as they were made in 300-200 B.C. A Huari tunic that dates from 700-1100 A.D., a feather panel, Inca weavings, and a tapestry made during the Spanish Colonial period will also be on display. The selections reflect the diversity of one of the finest collections of Peruvian textiles outside of South America. The Asiatic section will feature Indian, Turkish, Persian, Chinese, Indonesian and Turkestan textiles. Among these objects will be an eighteenth-century Chinese temple hanging made for a Lamaist monastery in Beijing that depicts a dragon and Buddhist emblems woven in gold gilt paper on deep blue silk. Another glittering textile on view will be an Indian courtier's sash (*patka*) embroidered with gold and iridescent beetlewings. A Persian cut silk velvet patterned with hunting scenes, captured at the rout of the Ottoman army at Vienna in 1683, was once used to decorate a Pasha's tent ceiling. A beautiful green carpet from sixteenth-century Egypt, intricately patterned with reds and blues, will also be on display. The European section includes textiles from France, Italy, Spain, and England. Beautiful brocades, embroideries and velvets dating from the Renaissance to the twentieth century reproduce floral motifs, arabesques, and figural designs. An eighteenth-century embroidered panel from a bed hanging, decorated with the mythological Greek musicians Orpheus, irises, roses, and many other flowers in shaded silks, is paired with its valance decorated with a golden crown. Other furnishing fabrics, made during the time of the French emperor Napoleon III, are outstanding for their rich colors and designs. A sampling of the Museum's collection of Medieval textile fragments, one of which comes from the tomb of San Pedro de Osma dating from 1100, will also be on view.

The textile collection at the Museum of Fine Arts, Boston, was founded in 1871. Now one of the best textile collections in the world, it is noted for its holdings of Coptic, Medieval, Indian, Pre-Columbian and Spanish Colonial, Turkish, and European textiles. New England embroideries, including bed

hangings, chair seats, and purses, form another important part of the collection. African-American folk art is represented by a remarkable nineteenth-century narrative quilt made by Harriet Powers. European tapestries from the fifteenth through the eighteenth centuries comprise one of the finest tapestry collections in the United States. Highlights from these areas will be feature in *Textile Masterpieces*.

HIGH BLOOD CHOLESTEROL: IS YOUR NUMBER UP?

So you've gotten the news. Your blood cholesterol level is high. Well, you're not alone. More than 60 million Americans have high blood cholesterol. So, for your heart's sake, take a few minutes to learn what you can do to lower it.

High blood cholesterol is one of the three major controllable risk factors for heart disease. Cigarette smoking and high blood pressure are the other two. A risk factor is a habit, trait, or condition that raise your chance or risk of getting a disease. In other words, if you have high blood cholesterol, you have a greater chance of getting heart disease. That's the bad news. The good news is that you can do something about it. you can take steps to lower your blood cholesterol, which will lower your risk for heart disease.

What Is Cholesterol?

Cholesterol is an odorless, fat-like substance. Your body uses it to make cell walls and hormones as well as for other functions. The amount of cholesterol in your blood is affected by the amount of cholesterol your body makes as well as the saturated fat and cholesterol in the foods you eat. Since your body makes all the cholesterol it needs, you don't need to eat more.

Why Is High Blood Cholesterol Bad?

The higher your blood cholesterol level, the greater your chances of developing heart disease. When a lot of cholesterol is carried around in your blood, it builds up on the artery walls, along with other materials, and the opening in the artery begins to narrow. Over time, the opening in the artery gets more and more narrow, and the heart does not get enough blood to stay healthy. This is known as heart disease. A heart attack occurs when these

arteries are so clogged that blood flow to the heart stops.

What Exactly Does Your Doctor Measure?

First, your doctor will measure your "total" cholesterol — all the cholesterol that is in your blood. Since the results of this test are not affected by what you eat, it doesn't matter if you eat or drink before your blood is taken. Depending on what your total cholesterol level is, you may need to have another test that will determine LDL-and HDL-cholesterol levels. The results of this test are affected by what you eat so your doctor will ask you not to eat or drink anything for 12 hours before your blood is taken. This second measurement better predicts your risk of getting heart disease.

How Much Blood Cholesterol Is Too Much?

Ask your doctor what your total cholesterol level is. If it's 200 mg/dL (milligrams of cholesterol per deciliter of blood) or higher, your doctor will re-check it to make sure that the number is right. Check the chart below to find out where your number falls.

Desirable	
Blood Cholesterol	Less than 200 mg/dL
Borderline-High	
Blood Cholesterol	200-239 mg/dL
High	
Blood Cholesterol	240 mg/dL and above

Note: These categories apply to anyone 20 years of age or older.

Desirable blood cholesterol. If your blood cholesterol level is less than 200 mg/dL, it's in the desirable range. Have it checked again within 5 years.

Borderline-high blood cholesterol. Do you have other risk factors for heart disease? Check the risk factors below that apply to you.

- high blood pressure (140/90 mm Hg or greater)
- cigarette smoker
- family history of heart disease before the age of 55
- diabetes
- vascular disease
- obesity (30 percent or more overweight)
- male

If you have not checked any of the boxes above and you don't have heart disease but your blood cholesterol level is between 200 mg/dL and 239 mg/dL, you may need to watch your diet. Your blood cholesterol should be re-measured in 1 year.

Having two or more risk factors along with borderline-high cholesterol increases your chances of getting heart disease even more than just having borderline-high cholesterol alone. If your blood cholesterol level is between 200 mg/dL and 239 mg/dL and you already have heart disease or if you have checked two or more of the risk factor boxes, your doctor will measure your LDL-and HDL-cholesterol levels.

High blood cholesterol. If your total blood cholesterol is 240 mg/dL or greater, your doctor will measure your LDL-and HDL-cholesterol even if you don't have any other risk factors.

What Are LDL-and HDL-Cholesterol?

Cholesterol is carried around in your blood in little "packages." Low density lipoproteins (LDL's) are one of the packages that carry cholesterol through your blood to tissues in your body so the cholesterol can be used. The cholesterol in LDL's is what builds up on the artery walls, which is why LDL-cholesterol is often called "bad" cholesterol. High density lipoproteins (HDL's) are the packages that help remove cholesterol from the body, preventing the buildup of cholesterol on the artery walls; HDL's are often referred to as "good" cholesterol. Along with your total blood cholesterol level, your LDL-AND HDL-cholesterol levels provide more information on your risk of getting heart disease.

Does Your LDL-Cholesterol Level Increase Your Risk for Heart Disease?

If your doctor measured your LDL-cholesterol, check the chart below to see where your LDL-cholesterol level falls:

Desirable	
LDL-Cholesterol	Less than 130 mg/dL
Borderline-High Risk	
LDL-Cholesterol	130 to 159 mg/dL
High Risk	
LDL-Cholesterol	160 mg/dL or above

Note: These categories apply to anyone 20 years of age or older.

If your LDL-cholesterol is in the desirable range, you need only have your total cholesterol measured again within 5 years; continue to eat foods low in fat, especially saturated fat, and cholesterol. If your LDL-cholesterol level is in the borderline-high-risk range and you already have heart disease or if you checked two of the risk factor boxes, your doctor will treat you as if your LDL-cholesterol is in the high-risk range.

If your LDL-cholesterol is in the high-risk range, your doctor will look carefully at your medical history and decide the best way to treat your high cholesterol. Most people can lower their blood cholesterol level by eating less fat, especially saturated fat, and cholesterol and losing weight if overweight. Because you are at a higher risk for heart disease, you will be asked to make more changes in the way you eat than a person who is at a lower risk, and your doctor will follow your treatment more closely. Basically, for the rest of your life, you will be eating foods low in saturated fat and cholesterol as well as keeping your weight at a good level. Your doctor will set a cholesterol goal and remeasure your cholesterol regularly to check on how well the changes in your diet are working.

Will You Have to Take Medication to Lower Your Cholesterol?

In most cases, changing your diet is the only step necessary to lower your blood cholesterol level. However, if your LDL-cholesterol level is still too high after you've been on your diet for 6 months, your doctor may decide to include medication as part of your treatment. In addition, if your cholesterol level is unusually high or if you have other major risk factors for heart disease, your doctor may prescribe medication to lower your blood cholesterol even sooner.

If your doctor does prescribe medication, you must continue your cholesterol-lowering diet since the combination may allow you to take less medication to lower your level. And because diet is still the safest treatment, you should always try to lower your level with diet alone before adding medication.

Is Your HDL-Cholesterol Important?

Yes, your HDL-cholesterol is important, especially if your LDL-cholesterol is in the borderline-high-risk or high-risk range. A low HDL-cholesterol level is a

risk factor for heart disease. The lower your HDL-cholesterol level, the greater your risk for heart disease. An HDL-cholesterol level below 35 mg/dL is too low! Quitting smoking, losing weight, and exercising may help raise your HDL-cholesterol level.

Remember, if you have high blood cholesterol, you can do something to lower your risk of getting heart disease. Get that number down! Eat the low-fat, low-saturated-fat, low-cholesterol way. And lose weight if you're overweight.

For more information on high blood cholesterol and how to lower it, write Geraldine C. Wyse, R.N., Boston City Hall, Room 115, Employee Health Services, Boston, MA 02201.

TRAFFIC IMPROVEMENTS

Mayor Raymond L. Flynn announced recently that bids will be received September 21, 1989, for the following Traffic Improvements in the following locations at an estimated cost of \$225,000.

East Boston District:

PRESCOTT STREET, from Bremen Street approximately 200 feet south-erly.

Eagle Square:

EAGLE STREET, from Chelsea Street to Eagle Street.

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

PENAL INSTITUTIONS DEPARTMENT

July 18, 1989.

Mr. Felix Arroyo, Director,
Supervisor of Personnel.

Dear Mr. Arroyo:

On May 31, 1989, Mr. Ronald F. Calabrese was provisionally appointed to the position of Director of Social Services (RC-17) for the Penal Institutions Department.

Mr. Calabrese will serve as the Director of Classification at the Suffolk County House of Correction. He will be responsible for development, implementation, and ongoing supervision of a classification system for state and county inmates.

Mr. Calabrese has three (3) years of full-time line and supervisory experience in corrections. He has developed and managed home release programs for sentenced inmates and pre-trial detainees. Mr. Calabrese has been responsible for direct client services, including crisis intervention, individual service delivery brokerage and developing and maintaining client support services and follow-up.

He has developed and prepared employability plans as well as worked with potential employers to provide opportunities for ex-offenders. He also created and conducted Life-Skill seminars and was a member of the weekly classification board at Suffolk County House of Correction.

Mr. Calabrese attended Northeastern University from 1960 to 1962. From 1977 to 1986, he was an office manager and was responsible for supervising a small staff and for controlling all financial activity. He also managed a supported work program with predominantly unexperienced AFDC recipients in addition to ex-offenders, ex-alcoholics and dropout youth.

Because of Mr. Calabrese's extensive experience, training and skills, it is respectfully requested that his second, third, fourth, fifth and sixth year increments in the position of Director of Social Services be determined under Rule 15(f) of the Classification and Compensation Plan for officers and employees effective May 31, 1989.

Sincerely,
ROBERT G. WALSH, JR.
Commissioner.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

LAW DEPARTMENT

Special Outside Counsel

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Albert L. Hutton, Jr., an attorney with offices located at 6 Beacon Street, Boston.

Pursuant to an Order passed by the City Council on August 17, 1988 and approved by your Honor on September 6, 1988, I have designated Albert L. Hutton, Esquire, "Special Outside Counsel." The Order classifies that position as a special municipal employee in accordance with G.L. c. 268A, section 1(n), the so-called "ethics law."

Under the terms of the contract, Attorney Hutton will provide legal services and representation to Police Officer John Crowley in the case of *Eloise N. Pate v. John Crowley, et al.*, which is presently being tried in Suffolk Superior Court, C.A. No. 67186. The City of Boston Law Department cannot provide such services because of a possible conflict of interest. Attorney Hutton is uniquely qualified to provide these services because of his expertise and experience in the trial of police misconduct cases. In addition, Mr. Hutton represented Officer Crowley in past fiscal years and this new contract will allow him to continue.

Compensation under this contract shall not exceed \$20,000. Payment will be made at the rate of \$100 per hour for Mr. Hutton's time and \$75 per hour for the time of his associate, Mr. William Madden. I have determined these rates to be reasonable.

Unadvertised contracts have been awarded to Albert L. Hutton for the past three years in the following amounts:

Fiscal Year 1989 — \$40,000.

Fiscal Year 1988 — \$10,000.

Fiscal Year 1987 — \$10,000.

The term of this contract shall be July 1, 1989 through June 30, 1990.

This contract, a continuation of a fiscal year 1989 contract, is being submitted late due to the fact that Attorney Hutton, currently engrossed in the details to the Pate trial which is ongoing, was unable to meet the submission deadline for the fiscal year 1990 contract documents.

Because of the professional and on-going nature of the services to be performed, I feel that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Robert F. Muse, an attorney with offices located at 44 Bromfield Street, Suite 900, Boston.

Pursuant to an Order passed by the City Council on August 17, 1988 and approved by your Honor on September 6, 1988, I have designated Robert F. Muse, Esquire, "Special Outside Counsel." The Order classifies that position as a special municipal employee in accordance with G.L. c. 268A, section 1(n), the so-called "ethics law."

Under the terms of the contract, Attorney Muse will provide legal services and representation to Police Officers Robert Buccafusca and Thomas Montgomery in the case of *Eloise N. Pate v. John Crowley, et al.*, which is presently being tried in Suffolk Superior Court, C.A. No. 67186. The City of Boston Law Department cannot provide such services because of a possible conflict of interest. Attorney Muse is uniquely qualified to provide these services because of his expertise and experience in the trial of police misconduct cases. In addition, Mr. Muse represented Officers Buccafusca and Montgomery in past fiscal years and this new contract will allow him to continue.

Compensation under this contract shall not exceed \$20,000. Payment will be made at the rate of \$100 per hour for Mr. Muse's time and \$75 per hour for his associates, Christopher J. Muse and Ronald Kovner. I have determined these rates to be reasonable.

Unadvertised contracts have been awarded to Robert F. Muse for the past three years in the following amounts:

Fiscal Year 1989 — \$39,000.

Fiscal Year 1988 — \$20,000.

Fiscal Year 1987 — \$20,000.

The term of this contract shall be July 1, 1989 through June 30, 1990.

Because of the professional and on-going nature of the services to be performed, I feel that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Richard G. Shalhoub, P.C., with offices located at 150 Charles Street, Boston.

Pursuant to an Order passed by the City Council on August 17, 1988 and approved by your Honor on September 6, 1988, I have designated Richard G. Shalhoub "Special Outside Counsel." The Order classifies that position as a special municipal

employee in accordance with G.L. c. 268A, section 1(n), the so-called "ethics law."

Under the terms of the contract, Attorney Shalhoub will provide legal services and representation to Police Sergeant Jose Garcia in the case of *Eloise N. Pate v. John Crowley, et al.*, which is presently being tried in Suffolk Superior Court, C.A. No. 67186. The City of Boston Law Department cannot provide such services because of a potential conflict of interest. Attorney Shalhoub is uniquely qualified to provide these services because of his expertise and experience in the trial of police misconduct cases. In addition, Mr. Shalhoub represented Police Sergeant Garcia in past fiscal years and this new contract will allow him to continue.

Compensation under this contract shall not exceed \$20,000. Payment will be made at the rate of \$100 per hour. I have determined these rates to be reasonable.

Unadvertised contracts have been awarded to Richard G. Shalhoub for the past three years in the following amounts:

Fiscal Year 1989 — \$40,000.

Fiscal Year 1988 — \$10,000.

Fiscal Year 1987 — \$10,000.

The term of this contract shall be July 1, 1989 through June 30, 1990.

Because of the professional and on-going nature of the services to be performed, I feel that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.

LICENSING BOARD Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising in the awarding of a contract to Camille F. Sarrouf, Esquire, of Sarrouf, Tarricone & Fleming, 95 Commercial Wharf, Boston, for legal services to be rendered to this Board. Mr. Sarrouf has agreed to perform these services for a fee of \$100 an hour. This is less than half of his usual hourly rate and is far below the market rate for such services in Boston. The total cost of this contract will not exceed \$10,000. This contract shall be for the period of July 1, 1989, through June 30, 1990.

Mr. Sarrouf performed legal services for the Board in the past three fiscal years and we have been most pleased with his responsiveness to the Board's legal needs and with the quality of his legal work.

He has been an attorney for twenty-eight years and is a past president of the Massachusetts Academy of Trial Attorneys.

Because of the personal nature of the attorney/client relationship, it is important for the Board to have an attorney with whom it can have a good working relationship and in whose abilities it has the highest confidence. Since Mr. Sarrouf fulfills these qualifications and is also willing to perform the services at an acceptable "city rate" there would be no benefit to the Board or to the public in advertising this contract for public bidding.

Very truly yours,
Andrea W. Gargiulo,
Chairwoman.

Public Information Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising in the awarding of

a contract to Peter Woloschuk of 2032 Dorchester Avenue, Dorchester, for public services to be rendered to this Board. Mr. Woloschuk has agreed to perform these services for a fee of \$50 per hour. This is less than half of his usual hourly rate and is well below the market rate for such services in Boston. The total cost of this contract will not exceed \$15,000. This contract shall be for the period of July 1, 1989, to June 30, 1990. A Board vote confirming this agreement was made on May 12, 1989.

Mr. Woloschuk will prepare public information packages to inform and educate the public about the activities of the Board. He has performed this function in the past fiscal year. It is the opinion of the Budget Department and the Board that a full-time staff person is not required for this function.

It is important that this task be performed by a person who has a good working relationship with the Board and someone in whose abilities the Board has the highest confidence. Since Mr. Woloschuk fulfills these qualifications and is willing to perform the service at an acceptable "city rate", there would be no benefit to the Board or to the public in advertising this contract for public bidding.

Very truly yours,
Andrea W. Gargiulo,
Chairwoman.

PARKS AND RECREATION DEPARTMENT Food Services, etc.

Dear Mr. Mayor:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record* and to award a contract to the Police Athletic League, 440 Summer Street, Boston, for the period July 15, 1989, through June 30, 1990.

It is our intention that P.A.L. will provide food services, support staff and game equipment for various park programming events. They will also furnish a Sportsmobile which is equipped with sports and recreational equipment which includes basketballs, volleyballs and jump ropes. These services will be provided at the Mayor's Youth Olympics, Field Days, Park Openings, Fishing Derbies and other special events as needed by the Parks and Recreation Department.

The P.A.L. staff and police volunteers will provide instruction and supervision for the various events. Food services, to be provided by P.A.L. at summer park events, will be at the rate of \$2.25 per person. P.A.L. is able to provide these food services at a reasonable rate because they are a volunteer non-profit organization with the ability to purchase food at market rate.

The Boston Police Athletic League is an independent, non-profit organization incorporated as the official youth program of the Boston Police Department. P.A.L.'s founders believe that positive interaction between police and youth in a park, playground or in a gym will foster a peaceful bond among youth in the diverse neighborhoods of Boston.

P.A.L.'s year-round programs are overseen by an "all volunteer" Board of Directors with representatives from the neighborhoods, businesses, educational communities, the City Administration and the Boston Police Department.

The services, which have been provided in Fiscal Year '89, will assist in the successful implementation of the various Park Department programs. Therefore, your permission is requested to dispense with inviting sealed bids by advertising in the *City Record* pursuant to the authority granted un-

der the City of Boston Code, st. 4, sec. 5. The sum to be paid will not exceed \$10,000 and will be charged to 011-300-0301-0290-PK04.

Sincerely,
Lawrence A. Dwyer,
Commissioner.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for the Installation of Baseball Backstops and Little League Backstops at Various Locations, City of Boston.

The City of Boston, acting by the Parks Commission, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Installation of Baseball Backstops and Little League Backstops at Various Locations, City of Boston."

SCOPE OF WORK includes: Furnishing all labor, materials, and equipment necessary to install canopy type baseball backstops in parks and playgrounds. Estimated cost \$40,000.

Bids shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, October 12, 1989, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority, 1010 Massachusetts Avenue, third floor, Roxbury, MA 02118, accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, September 25, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS
Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and women-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department Affirmative Action Office, 1010 Massachusetts Avenue, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods or services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, October 3, 1989, at 10 a.m., Boston time.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. R8CN21, Parking and Platform Improvements, Reading Station, Reading, Mass. (Class 1 — General Transit Construction or Class 7 — Buildings, Project Value 18.00) will be received by the Assistant Director of Construction, at the Contract Administration Office, fifth floor, Room 5610, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on October 17, 1989. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of renovations to Reading Station parking lot and platform, including excavation, embankment, full depth bituminous concrete pavement, granite curbing, timber curbing, drainage system alterations, railroad signal relocation, lighting, landscaping, pavement markings, signing and other incidental work.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after September 14, 1989, Monday through Friday, at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January 1980, is available at a charge of \$15 per copy. The MBTA's Standard Plan entitled "MBTA Railroad Operations — Book of Standard Plans — Track and Roadway," is available at a charge of \$25 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient and reasonable efforts to meet the stated DBE goal of 18 percent.

Bidders will affirmatively ensure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors

will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, age, or national origin in consideration for an award.

Bidders will be required to comply with Federal Equal Employment Opportunity Regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Mr. James L. Eng, Project Manager, 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-5806. An inspection tour to view the existing conditions will be conducted on October 2, 1989 at 10:00 a.m. Prospective bidders wishing to accompany the tour should meet at the indicated time at 21 Arlington Avenue, Charlestown, Mass.

A prebid conference will be held on October 3, 1989, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum State wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, September 25, 1989, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

ATTENTION TO ALL BIDDERS

Minority/Women Business Requirements:

No bid for award of this project will be considered acceptable unless each bidder complies fully with the following requirements for Minority/Women Business Enterprise Utilization.

Pursuant to the Supplemental Minority/Women Participation section of this contract each bidder must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise and at least 5 percent of his bid price shall be expended for women business enterprise.

Each bidder shall submit with the bid completed Minority/Women Business Utilization Form (M/WBU-F). The Minority and Women Business Utilization Form shall be completed and signed by the M/WBE and the bidder. Failure to submit a Minority and Women Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority/Women Business Directory lists all minority and women-owned busi-

nesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Parks and Recreation Department Affirmative Action Office, 1010 Massachusetts Avenue, telephone 725-4505, Ext. 6110, or from the Mayor's Office of Jobs and Community Services Minority Business Office, 43 Hawkins Street, Boston, MA 02114. Telephone number 723-1400.

Bidders may exercise their own judgment in selecting the Minority/Women Business Enterprise to perform any portion of the work or to be a supplier of goods or services. In the event that the bidder selects a minority or women business that is not included in the Minority/Women Business Directory provided by the Minority/Women Business Office, then a Certification Application completed by the non-certified business must be filed with the bid proposal. If the Minority/Women Business Enterprise is not eligible for certification, the dollar amounts obligated to a non-certified minority or women business will not count toward the contractor's minority/women business percentage requirement.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 1010 Massachusetts Avenue, Roxbury, MA 02118, on Tuesday, October 3, 1989, at 10 a.m., Boston time.

THE CUSTOM HOUSE

The Custom House, built by Ammi B. Young in 1834-47, originally stood at the water's edge. It was built to replace the first Boston Custom House constructed by Uriah Cotting earlier in the century. Greek Revival style with a striking Doric colonnade, the two-story structure was capped by a saucer dome, now visible only from the interior. In 1913 when Customs needed additional space but had no budget for acquiring a new site, a 30-story tower was built over the dome, thereby preserving the structure for the future. As a federal building, the Custom House was exempt from the city's 125-foot height restriction placed on all construction in 1904. The Custom House thus became the first "high-rise" in Boston and remained the tallest structure in the city until the construction of the John Hancock Building in 1949. The Custom House observation platform on the top floor is open to the public, free of charge, and offers an outstanding view of the city.

Proceedings of City Council

Monday, January 2, 1989.

First meeting of the City Council for the year 1989 held in the Council Chamber, City Hall, at 10 a.m., Councillor IANNELLA, senior member, presiding. Absent, Councillor O'NEIL.

Chairman IANNELLA requested that the members and all present rise for a moment of silence, and the meeting was opened with the salute to the flag.

REGISTER OF DEEDS FOR SUFFOLK COUNTY

Register of Deeds-elect Paul Tierney was in attendance.

The oath of office was administered to the Register of Deeds for the County of Suffolk by Chairman IANNELLA.

ELECTION OF PRESIDENT

On motion of Councillor Bolling, the Council voted to proceed to the election of a president for the municipal year 1989.

For Christopher A. Iannella — Councillors Bolling, Byrne, Hennigan Casey, Iannella, Kelly, McCormack, Menino, Salerno, Scondras, Travaglini — 10.

For Charles C. Yancey — Councillors McLaughlin, Yancey — 2.

Councillor Iannella, having received ten votes, was declared elected president for the municipal year 1989.

Coun. YANCEY moved that the vote for Councillor Iannella be made unanimous.

The motion was carried.

COMMUNICATION FROM COUNCILLOR O'NEIL

The following was received:

Boston City Council

January 2, 1989.

To The City Council.

Councillors:

I wish the record of the City Council meeting of this date to reflect the fact that, if I were able to be present for the balloting for City Council President for 1989, I would have cast my vote for Christopher A. Iannella.

Very truly yours,

Albert L. O'Neil.

Placed on file.

ADDRESS OF THE PRESIDENT

1989 closes out a decade of problems, promise, and progress for Boston. As we move toward the final decade

for the millenium, we are left, not with "new" tasks, but with "old" tasks to finish up.

We entered the decade of the eighties with abandoned buildings dotting the city, and some parts of our city nearly abandoned as will. It was this body that urged that those abandoned buildings be stockpiled rather than destroyed. The plea fell on deaf ears and fine old structures that could be housing Boston families were torn down. This body was throughout this period generous with those "unpopular" neighborhoods. We voted funds for new health centers, for street lighting, street repairs, school construction and reconstruction. We weren't, history proves, sending good money after bad — we sent good money to good neighbors, and helped those neighborhoods over tough times. The repopulation of these parts of Boston is evidence of the Council's well-placed faith.

Boston's linkage program — the Neighborhood Housing Trust — these concepts were born here in the City Council, not across the hall, not on Beacon Hill, not in the Hall of Congress, but here in the Council, the voice of Boston neighborhoods.

In this year, we must continue efforts to produce more housing — housing that real people can afford. In addition to new opportunities for ownership, and construction of rental units, I hope we can take action to preserve, and expand, the supply of single-room occupancies throughout the city. Too many lodging houses and rooming houses have been lost to speculators.

In the eighties, this Council adopted significant, fair housing and human rights ordinances, underlining our commitment to the principle that Boston's very essence is, historically and today, its diversity. I think we can report progress here also, but this is another task not finished. There is still unjust discrimination in our city — we can't call the jobs done while any vestige of hate remains.

Of late, Boston's historic commitment to education has faltered. When the history of education in America is recited, the name "Boston" resounds repeatedly. The first public school in America — Boston; the first High School in America — Boston; the first tax supported library in America — Boston; the first school for the deaf in America — Boston; the first municipal college for teachers in America — Boston.

Thanks to the Boston Compact, every graduate of the Boston Schools is guaranteed a job, or admission to higher education. That is another Boston first.

Boston spends one-third of its financial resources to support public education. In this five-year cycle, the City Council has provided another \$50 million in capital funds for school buildings. This brings our capital expenses for schools in recent years to the half billion dollar mark. Our "per pupil" cost for education is twice the national average. Despite this tremendous investment of public funds, many thousands of Boston parents have turned away from the school system. They have so little faith in Boston schools, they abandon our city for the suburbs, or, invade their budgets to pay for private education. This is a sorry truth that tarnishes Boston.

Now that they have gotten the courts out of the classroom, the School Committee must act to get our tax money out of Court Street and into the classroom.

In this year, and in the next decade, major portions of our downtown transportation system will be reconfigured. City Square is already emerging from under hundreds of tons of steel and concrete highways. The third harbor tunnel promises that East Boston neighborhood streets will no longer be highways for airport travelers. The Central artery — which never should have been allowed to divide our neighborhoods, isolate our harborfront and blight our skyline — will disappear below ground to yield up acres of land for parks and develop-

ment. As needed as these projects may be, they cannot be done without effect on Boston neighborhoods and businesses. It will be the job of this Council to advocate for those affected — to ensure that no neighborhood, no business, is unnecessarily disrupted.

Unfairly, it has been left to Boston and the water-takers of nearby towns to pay the lion's share of the long-delayed cleanup of Boston harbor. The harbor is filthy due to nearly three hundred and seventy years of state inaction — and state action. When the city controlled our sewerage system, we did so with only minor impact on the harbor. The state forced us to join, pay for, but have no vote on, the M.D.C. The M.D.C. became the largest polluter in the Commonwealth. Bostonians used to summer on our islands — not since the state began to use it as a cesspool. Almost two decades ago, this body — the City Council — demanded that the M.D.C. develop a plan to cure the pollution of the harbor. The state refused to act until forced by the courts. Now, we are being asked to pay to remove the filth placed by a state agency — placed over our objections. Boston fairly demands that the state acknowledge its role in this problem and offer its support to restore the damage done by it. We cannot accept burdening our ratepayers with these costs.

Our tasks for 1989 are not easy, but I am confident that the council, selected by our citizens as their eyes, ears and voices, is ready to give Boston the full effort these tasks demand.

The members of the Council rose and applauded.

TEMPORARY RULES OF CITY COUNCIL

Counc. IANNELLA offered the following:

Ordered, That the Rules of the City Council of 1988 except Rules 20, 28, and 36 be adopted as temporary rules of this Council.

Passed under suspension of the rules.

DISAPPROVING ORDINANCE RE ESTABLISHING TEMPORARY EMERGENCY PROVISIONS RELATIVE TO DISPOSAL OF INFECTIOUS AND/HAZARDOUS MEDICAL WASTE

The following was received:

City of Boston
Office of the Mayor

December 23, 1988.

To the City Council.

Dear Councillors:

I return herewith, without my signature and disapproved, an ordinance passed by your Honorable Body on December 7, 1988, which would require labeling and proper wrapping of infectious or hazardous medical waste in the City of Boston.

My reason for disapproval is that proposed regulations of the Massachusetts Department of Public Health which address the same subject are currently under review. I have attached a copy for your information. These draft regulations will insure a uniform standard for the safe storage and disposal of infectious and physically dangerous medical waste. Moreover, they clearly define these terms and the procedures required of physicians and other professionals who dispose of medical waste.

The state will conduct public hearings in February which will provide city health officials and Council members an opportunity to comment on the proposed regulations. It is expected that following the hearings

these regulations will be approved by the Public Health Council and implemented and enforced throughout the Commonwealth before Memorial Day. The hearings will be an opportunity to educate doctors, veterinarians, laboratory workers and persons whose illnesses result in the production of medical waste in their homes about the safe and proper disposal of such waste. The timely implementation of these regulations is critical to public health and the safety of the city's sanitation workers.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

(Annexed hereto is the documentation referred to.)

Assigned for further action.

DISAPPROVING ORDINANCE RE PROTECTING HOUSING FROM DAMAGE CAUSED BY LOW GROUND WATER TABLE.

The following was received:

City of Boston
Office of the Mayor

December 27, 1988.

To the City Council.

Dear Councillors:

I return herewith, without my signature and disapproved, an untitled ordinance passed by your Honorable Body on December 7, 1988, Docket Number 1093, which would direct the Building Commissioner to take certain action with respect to monitoring ground-water levels.

The reason for my disapproval is that the city does not presently have a legal duty to identify or to determine the remedy for general ground-water problems. This is a highly complex technical area. Litigation is currently in progress and experts are not yet in accord on the precise nature or extent of ground-water problems nor what the correct remedies are. The ordinance, however, contemplates that the city assume new responsibilities and that the Building Commissioner (now the Inspectional Services Commissioner) be required to accurately identify the causes of low ground-water and correctly recommend actions to raise the ground-water table. The City activities stated in the ordinance will likely create new and substantial legal exposure for the City.

The ordinance would also provide for the Building Commissioner examining observation wells in order to determine ground-water levels. While I am not signing the ordinance, this particular proposal is a good idea and I shall instruct the Inspectional Services Commissioner to immediately undertake such examinations.

Sincerely,

Raymond L. Flynn,
Mayor of Boston.

(Annexed hereto is the ordinance referred to.)

Assigned for further action.

POLICE DEPARTMENT CRIME STATISTICS FOR OCTOBER AND YEAR TO DATE (JANUARY THROUGH OCTOBER)

The following was received by the City Clerk:

City of Boston

December 16, 1988.

To: Councillor Albert O'Neil,

Councillor Charles Yancey,

Public Safety Committee.

From: Francis M. Roache, Police Commissioner.

In response to the Boston City Council ordinance requesting crime statistics the attached has been provided for your review. The attached materials have been submitted in lieu of materials specifically requested for which the department does not have the current capacity to provide. Due to the complexity of the programming which is required, we are still in the process of developing a format to meet your needs. In the interim, the department is submitting to you the following monthly statistics that we currently prepare for federal reporting requirements:

- Uniform Crime Report statistics which reflect Part One crimes by type and by District for the month of October and for this year to date (January through October).
- A trend chart which reflects Part One crime levels over a two-year period.
- Citywide drug arrests broken down by month and by Area.
- A bar chart which illustrates the number of citywide drug arrests reported during the January through October time periods for the years of 1985 through 1988.
- A table which details the dramatic increases in cases cleared pursuant to investigation. It should be noted that cases cleared are those cases "solved" pursuant to the arrest or positive identification of a felon responsible for a number of crimes.
- Statistics which measure crime within high crime areas (Impacted Reporting Areas) across the city which have been targeted with directed, preventative patrols.*
- A personnel chart which reflects the sworn complements assigned to each of the Command Areas as of July, 1988.

*Because there have been new Reporting Areas reflected for impacting beginning in October, 1988, trend charts will not be available until the November monthly statistics have been completed.

A review of these statistics will reveal several developments. Area B, while the focus of a great deal of negative publicity, reports a year to date decrease in Part One crimes of 1 percent. Area D reports the largest year to date decrease of 4 percent. Area A also reports a decrease of 2 percent. Area C reports a 5 percent increase while Area E reports an increase of 2 percent. Overall, Part One crime in the City of Boston has decreased by 1 percent; there have been close to 400 fewer Part One crimes committed this year through October compared to last year through October.

Citywide drug arrests increased 27 percent during the January through October time period. During the first nine months of the year, Part One arrests increased 5 percent (our arrest statistics run one month behind) while case clearances have increased 70 percent for the time period of January through October. It should be noted that an arrest results in the clearance of one or more crimes; frequently one arrest of a felon results in the clearance of numerous crimes. As indicated by the statistics, improved investigative procedures have resulted in an improved clearance rate.

If you have any questions regarding this material, please do not hesitate to contact Ellen Daley, Director of Administrative Services, at 247-4577.

CITY OF BOSTON

Proceedings of City Council

Wednesday, January 11, 1989.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 1 p.m., President IANNELLA in the chair.

Absent, Councillor O'NEIL.

OPENING OF MEETING

The Reverend William C. Francis, Boston Police Chaplain and Pastor of St. Paul's Parish, Dorchester, delivered the invocation, and the meeting was opened with the salute to the flag.

VISITOR TO CITY COUNCIL

President IANNELLA introduced Councillor SALTERNO who presented a resolution, for all the Councillors, to former City Councillor Rosemarie Sansone, Director of Business and Cultural Development for her outstanding achievement in directing the 68th Annual Congress of Cities and Expositions entitled "Building on the Past; Preparing for the Future," which was held in Boston in December and hosted 8,000 people in sixty workshops on many topics.

Ms. Sansone thanked the Members of the Council and accepted the resolution on behalf of the hundreds of people who were responsible for the Congress. She wished the Members of the Council a very happy New Year.

DISAPPROVING ORDER THAT DIRECTOR OF ADMINISTRATIVE SERVICES REPORT TO CITY COUNCIL GOALS FOR AFFIRMATIVE ACTION AND COMPLIANCE WITH MINORITY/WOMEN'S BUSINESS ENTERPRISE ORDINANCE AND EXECUTIVE ORDER

The following was received:

City of Boston
Office of the Mayor

January 3, 1989.

To the City Council.

Dear Councillors:

I return herewith, without my signature and disapproved, an order passed by your Honorable Body on December 14, 1988, Docket 1280, which would direct each department, through the Director of Administrative Services, to report certain data on a quarterly basis to the City Council. The data, specifically, pertains to affirmative action goals and compliance with the Minority and Women-Owned Business Enterprise Ordinance (M/WBE Ordinance) and Executive Order (M/WBE Executive Order).

My reasons for disapproval are several. First, the City Charter prohibits the City Council from directly or indirectly taking part in the conduct of the executive or administrative business of the city. See St. 1948, c. 452, s. 17G, as appearing in St. 1951, c. 376, s. 1. Moreover, the Council's order requires the city to report information which the city does not have. The city does not have numerical quotas for minority hiring — nor does the city "allocate" contract amounts for minority or women-

owned businesses. Therefore, the city does not have, nor is it required to have, the information which the Council seeks.

Although the Charter requires that I disapprove this order, the city does compile much of the information sought by the Council. I am instructing the city M/WBE coordinator to furnish to the City Council quarterly and annual performance reports specifying the following information: total contract dollars awarded to minority and women-owned businesses; percentage of total contract dollars awarded to minority and women-owned businesses; annual departmental goals for the award of contract dollars to minority and women-owned businesses prior to the start of the next fiscal year. I am further instructing the city Affirmative Action Director to furnish to the City Council quarterly affirmative action reports on a departmental basis which detail the number of new hires, terminations, and promotions of minority and women employees.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

(Annexed hereto is the order referred to.)

Assigned for further action.

GRANT OF \$12,000 IN COMMUNITY TRAFFIC SAFETY PROGRAM FUNDS FROM GOVERNOR'S HIGHWAY SAFETY BUREAU

The following was received:

City of Boston
Office of the Mayor

January 10, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an order authorizing the city to accept and expend a grant of \$12,000 in the form of Community Traffic Safety Program funds from the Governor's Highway Safety Bureau of the Commonwealth of Massachusetts.

This order is necessary so that the city can use the funds in furtherance of the objectives and purposes for which the funds were granted.

I urge your Honorable Body to pass this order as soon as possible so that the city can use these funds.

Respectfully,

Raymond L. Flynn,
Mayor of Boston.

Ordered, That approval be, and hereby is, given in accordance with section 53A of chapter 44 of the General Laws of the Commonwealth, for the acceptance and expenditure by the Mayor of Governor's Highway Safety Bureau funds in an amount not to exceed \$12,000.

Passed under suspension of the rules.

APPROPRIATION OF \$1,685,000 FROM EDWARD INGERSOLL BROWNE FUND FOR VARIOUS PROJECTS

The following was received:

City of Boston
Office of the Mayor

January 10, 1989.

To the City Council.

Dear Councillors:

I transmit herewith for your approval an order appropriating from the Edward Ingersoll Browne Fund the sum of \$1,685,000 for projects described in the attached order. The Edward I. Browne Fund Commission met on December 8, 1988, and voted to approve these projects. It

is my belief, and that of the Commission, that these projects will indeed "ornament the city's streets, ways, squares, and parks" as Mr. Browne directed in his will in the year 1892.

Sincerely,

Raymond L. Flynn,
Mayor of Boston

Ordered. That the sum of \$1,685,000 be, and the same hereby is, appropriated from the income of the Edward I. Browne Fund, pursuant to a vote of the Edward I. Browne Fund Commission and further that the said sum be expended as follows:

For the Hernandez School in Roxbury, to supplement a previous \$100,000 appropriation for a total project cost of \$550,000, for the creation of a multi-use neighborhood park to include new fencing, brick paving, benches, trees, lighting, wooden play structures, landscaping, an artistic mural and an amphitheater — \$250,000.

For Adams Park, to fund Phase II of the restoration of this park located in Roslindale Square. This project will include concrete pathways with brick edging, the replacement of bollards, lighting repairs and improvements to various memorials located within the park, as well as a grant of \$7,500 for the development of a neighborhood art-piece — \$200,000.

To the Hyde Park Board of Trade for design and art fees to develop a plan for ornamental and artistic site improvements in the Cleary Square business district — \$15,000.

To the Mattapan Board of Trade for design and art fees to develop a plan for ornamental and artistic site improvements in the Mattapan Square business district — \$30,000.

To the Parks and Recreation Department in association with the Mattapan Messenger Street Neighborhood Association for design fees to develop a landscape program for the passive areas of Almont Park in Mattapan — \$15,000.

For Union Park in the South End, toward a total project cost of \$225,000, for the restoration of this historic passive park. The project would include landscaping, fence repair and restoration, lighting improvements and the repair of other 19th century ornamental elements — \$100,000.

For Richard Cardinal Cushing Park at Bowdoin Square in the West End, toward a total project estimated at \$1,500,000, for the reconstruction of this park. The reconstructed park would be brought up to street grade and would include extensive brick and granite paving, new trees, shrubs, sod, a water fountain, decorative lighting and art pieces representative of the Cardinal's life — \$300,000.

For the Arlington Street Church in the Back Bay, toward a total project cost of \$169,000 for improvements to the public area surrounding this National Historic Site. This funding will be limited to the installation of wrought iron fencing and improvements to the concrete wall which abuts the public way — \$50,000.

For Harbor Village Square at the Mary Ellen McCormack Housing Development in South Boston, toward a total project cost of \$750,000 for Phase II costs associated with the reconstruction of this square into a multi-use community park. This funding will include extensive brick and granite paving, new trees, fencing, lighting fixtures, a tot lot, three separate art elements and the creation of a central raised podium for community events and functions — \$350,000.

For the Commonwealth Avenue Mall in the Back Bay for improvements to the area abutting the Sarmiento Statue, this would include the enlargement of the con-

crete pathway, granite edging and landscaping — \$25,000.

For capital improvements and repairs on an as-needed basis for various Browne Fund Sites as required by Mr. Browne's Will — \$75,000.

For the establishment of a special Contingency Fund, monies from this fund would be used to, fund unexpected cost escalations at currently funded Browne Fund sites planned for construction in calendar year 1989. These are Thompson and Hayes Squares in Charlestown, Oak Square in Brighton, Lincoln Square in South Boston, and Westland Ave. in the Fenway — \$275,000.

Referred to the appropriate committee when appointed.

APPOINTMENTS BY THE MAYOR

Notice was received by the City Clerk from the Mayor of the following appointments to the Boston Employment Commission for a term expiring December 30, 1990:

Nora F. Moran and Raymond G. Torto.

Severally placed on file.

PERMANENT RULES OF CITY COUNCIL FOR YEAR 1989

Coun. IANNELLA offered the following:

Order, That the accompanying rules be adopted as the Permanent Rules of the City Council for the year 1989.

Meeting Time and Date

Rule 1. Unless otherwise ordered from time to time, and except on holidays, the regular meeting of the City Council shall be held on every Wednesday at one o'clock p.m. in the Council chamber, City Hall, 1 City Hall Square, Boston. Special meetings may be called by the president at his discretion, provided, however, that no special meeting of the Council shall be called, except in the case of an emergency, and with the consent of two-thirds of all the members, upon less than forty-eight hours from the time the notices are mailed or dispatched by special messenger.

Quorum

Rule 2. A quorum of the City Council shall consist of seven members. If at any time any meeting is called to order, or if during a meeting a roll call shows less than a quorum present, the presiding officer shall declare a recess of not more than ten minutes, after which time, if a quorum is not present, the meeting shall be adjourned; provided, that any member may call for a roll call on the question of the presence of a quorum.

Presiding Officer

Rule 3. The president of the Council shall assume the chair at the hour set by the previous adjournment; shall call the members to order and after a roll call showing a quorum present, shall proceed with the regular order of business. If no president has been chosen, the senior member by age present shall preside as temporary president until a presiding officer is chosen.

Rule 4. The presiding officer may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal from the decision of the chair, but no appeal shall be considered unless properly seconded. No other business except a motion to adjourn or to lay on the table shall be in order until the question on appeal has been decided. The question shall be put as follows:

"Shall the decision of the chair stand as the judgment of the Council?" The vote shall be by a roll call, and it shall be decided in the affirmative unless a majority of the votes are to the contrary.

Rule 5. The presiding officer may at any time, during debate or otherwise, declare a recess for not more

than ten minutes, and such action shall not be subject to appeal, nor shall any motions apply thereto.

Rule 6. The presiding officer shall propound all motions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, provided that in anming sums and fixing times the largest sum and the longest time shall be put first.

Rule 7. Subject to the provisions of these rules, the presiding officer shall, without debate, decide all questions relating to priority of business to be acted upon.

Rule 8. The presiding officer shall, at the request of any member, make a division of a question when the sense will admit of it.

Rule 9. The presiding officer shall declare all votes; but if any member doubts a vote, the president shall cause a rising vote to be taken and, when two members so request, shall cause the vote to be taken by a roll call.

Rule 10. When the presiding officer shall desire to vacate the chair he may call any member to it but the president or the president pro tempore, as the case may be, may resume the chair at will.

Rule 10A. The president of the City Council, in the case of his absence, shall appoint a president pro tempore who will conduct meetings and assume all duties and responsibilities of the president of the City Council during said absence.

Agenda

Rule 11. The original and sixteen copies of any message, ordinance, resolution, vote or other measure submitted by the Mayor shall be delivered to the office of the City Clerk before one p.m. on the regular work day preceding any meeting of the Council as a prerequisite to its consideration at such meetings; the original and two copies of any order, ordinance, resolution or committee report submitted by a Councillor (excepting reports of the committee of the whole voted during a recess of a Council meeting) shall also be delivered before such time to such place as a prerequisite to its consideration at such meeting. Upon his receipt of the same, it shall be the duty of the city messenger to promptly deliver a copy of any such message, report or other document to each Council member.

Rule 12. It shall be the duty of the city clerk, acting as the clerk of the Council, to prepare and cause to be printed for each meeting a list in detail of matters submitted for consideration to the Council in accordance with Rule 11 and it shall be known as the agenda, which shall be divided into two sections, the latter of which shall be known as the consent agenda.

Said agenda shall include unfinished business of preceding meetings, matters on the table, assignment, and thirty-day and sixty-day orders not acted upon in previous meetings. Said matters shall be listed in accordance with the order of business as described in Rule 13.

Rule 12A. In the event that resolutions of the same subject matter are filed with the city clerk for consideration by the Council, the clerk shall cause to have entered on the agenda only that resolution which was first filed and the name of the sponsor(s) to the similar resolution shall be added as a sponsoring member to the resolution which is placed on the agenda. Such action, however, shall not preclude any member from offering an amendment to said resolution.

Resolutions of condolences and congratulations shall be listed upon the consent agenda; provided, however, that upon the objection of any member to the clerk of the City Council, prior to the scheduled start of said meeting, the matter being objected to by said member shall be removed from the consent agenda and placed on the agenda of regular Council business. No such resolution

shall bear the name of any Councillor not indicating consent to sponsorship.

All matters contained on the consent shall be ready as one and the question of adoption or passage of all said matters shall be by a single motion. The question shall be put as follows:

"The question now comes on approval of the various matters contained within the consent agenda."

Said agenda shall be delivered to each member of the Council by four o'clock p.m. on the regular work day preceding the scheduled meeting.

Order of Business and Debate

Rule 13. At every regular meeting of the Council the order of business shall be as follows:

1. Communications from the mayor.
2. Presentation of petitions, memorials, and remonstrances.
3. Reports of city officers and others.
4. Unfinished business of preceding meetings.
5. Reports of committees.
6. Orders and resolutions.
7. Consent agenda.

Rule 14. When a question is under debate the following motions only shall be entertained and shall have precedence in the order in which they stand arranged:

1. To adjourn.
2. To lay on the table.
3. The previous question.
4. To close debate at a specified time.
5. To postpone to a day certain.
6. To commit.
7. To amend.
8. To postpone indefinitely.

Motions and Orders

Rule 15. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost shall not preclude amendment, or a motion to stike out and insert.

Rule 16. A motion to adjourn shall be in order at any time, except on an immediate repetition or pending a verification of a vote; and that motion, the motion to lay on the table, the motion to take from the table, and the motion for the previous question shall be decided without debate.

Rule 17. No motion or proposition of a subject different from that under consideration shall be admitted under color of an amendment.

Any motion, order, or resolution which in the opinion of the presiding officer does not have a direct bearing on the business of the Council shall be referred without debate to the Committee of the Whole, and shall not be further considered by the Council except upon report by that committee. There shall be no appeal from the decision of the chair hereunder, and this rule shall not be subject to suspension. No motion shall apply, nor shall unanimous consent to speak on the matter so referred be in order.

The committee of the whole may report that any motion, order, or resolution so referred to it is out of order because of not having a direct bearing on the business of the Council, and its report shall be a final disposition of the matter, subject to an appeal which shall be governed by the same provisions as those governing appeals from rulings of the presiding officer.

Rule 18. Any order, ordinance, resolution, vote, or other measure submitted by the mayor shall be rejected without prejudice, unless when it is filed with the city clerk, it bears the certificate of the corporation counsel that, if adopted or passed in the form submitted by the mayor, it will be in accordance with law.

Rule 19. After a motion has been put by the presiding officer it shall not be withdrawn except by unanimous

consent and every motion to amend shall be reduced to writing and copies of it given to the members.

Committee Assignment and Action

Rule 20. When a petition, order, or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the Council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motions shall be put in the following order:

1. To a standing committee of the Council.
2. To a special committee of the Council.

Any member offering a motion, order, or resolution which is referred to a committee may be given a hearing on the same by the committee before a report is made thereon if he so requests at the time of offering the same or before final action thereon by the committee.

If, within twenty-one days, a matter referred to a committee other than a committee of all the members is not reported upon, it may be called by a majority vote of all members.

If, after twenty-one days, a matter referred to a committee other than a committee of all the members is not reported upon, it may be recalled by a standing vote of four members of the Council.

If, after forty-two days, a matter referred to a committee is not reported upon, any member may recall such matter from the committee, and such matter shall not again be committed to any committee other than the committee of the whole. A majority of any committee may refer all or part of any matter referred to it to another committee of the Council.

After the last regular meeting of the year, any matter which has been in committee longer than forty-two days and not reported on, shall be placed on file by the city clerk.

Voting

Rule 21. In all votes, the form of expression shall be "Ordered" for everything by way of command, and the form shall be "Resolved" for everything expressing opinions, principles, facts, or purposes.

Rule 22. Upon the request for a call of the ayes and nays, the president shall hold the calling open for a period no longer than five minutes, during which time the city messenger shall summon all members who are absent from the chamber. The clerk shall then call the names of the members in alphabetical order without interruption. Each member shall respond to his name as it is called by the clerk. No member shall be recorded after the name of the next member has been called in the prescribed manner, except by unanimous consent of all the members present.

Rule 23. Every member who shall be present when a question is put, unless he is excluded by interest, shall give his vote in the affirmative or negative or shall respond "present" unless the Council for special reason shall excuse that member from voting.

Rule 24. In the event that the sponsoring member of any order, resolution, or other matter, excepting those contained upon the consent agenda, is not present when the clerk reads said matter, the presiding officer shall instruct the clerk to withdraw said matter from consideration at the meeting.

Reconsideration

Rule 25. When a vote has been taken any member may move reconsideration thereof only at the same meeting. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall occupy more than five minutes, but on a vote upon any subsidiary or incidental question debate shall be limited to ten minutes, and no member shall occupy more than two minutes.

Rule 25A. When a motion to reconsider has been decided that decision shall not be reconsidered, and no

question shall be twice reconsidered unless it has been amended after the reconsideration; nor shall any reconsideration be had upon the following motions:

1. To adjourn.
2. The previous question.
3. To lay on the table.
4. To take from the table.
5. To close debate at a specified time.

A motion to reconsider may be laid on the table or postponed indefinitely, and the effect of such action in either case shall be to defeat the motion to reconsider.

Readings

Rule 26. Except for matters listed on the consent agenda, every ordinance, order and resolution, unless reported upon by a committee or rejected, shall have two separate readings, both of which may take place at the same session unless objection is made; provided that all orders for the expenditure of moneys, unless reported upon by a committee of the Council, shall lie over for one week before final action thereon. Whenever the second reading immediately follows the first reading, the document may be read on the second occasion by its title only. All orders releasing rights or easements in or restrictions on land, all orders for the sale of land, all appropriations for the purchase of land, and all loans voted by the Council shall require a vote of two-thirds of all the members of the Council, and shall be passed only after two separate readings and by two separate votes, the second of said readings and votes to be had not less than fourteen days after the first, except in cases in which a shorter period is authorized by law. Any order rescinding an order for any of the foregoing purposes shall require the same number of readings and of votes as was required for the passage of the original order.

Rule 26A. No ordinance may be adopted at the meeting at which it is submitted.

Committee Structure

Rule 27. No meeting of any committee shall be called upon less than forty-eight hours from the time the Council staff shall have mailed the notices or dispatched them by special messenger; provided that meetings of the committee of the whole may be held upon a two-thirds vote of the Council, at the completion of regular Council business and prior to the final adjournment of any meeting of the Council without such notice.

At the start of any committee hearing or meeting the committee chairman shall state the procedure by which the hearing shall be governed. Unless changed by a majority of the committee members, the chairman's procedure shall govern. The chairman and members of any committee shall speak and question witnesses for not more than ten minutes at a time; provided that the sponsor or sponsors of the various committee proposals shall be given the opportunity to make the initial presentation.

No committee unless authorized by an order of the Council shall incur any expense, including, but not limited to advertising and stenographic costs. No committee meeting, except the committee of the whole, shall be conducted on the day of any regular meeting of the Council. The chairman of each committee, prior to scheduling a committee hearing, shall consult with each member of the committee, and before reporting on any matter pending before said committee shall obtain a majority of the votes of the committee in favor of the said report.

The staff director shall, upon the scheduling of a committee meeting or hearing, promptly post a record of time, place, and subject matter of such meeting or hearing and the time at which such meeting or hearings is scheduled and shall cause a written notice thereof to be delivered to all Councillors.

Committees

Rule 28. The president of the City Council shall appoint all standing committees, all special committees,

shall fill any committee vacancy and designate the rank of the members of each committee unless specifically directed otherwise by a majority of the Council. All standing committees shall consist of five members, provided, however, that the Committee of the Whole shall consist of all Council members and the Committee on Government Finance shall consist of seven members. All special committees shall consist of three members, unless otherwise directed by the president.

The role of the City Council's committees shall be to provide members a structure for in-depth review and analysis of all city departments, agencies, and boards and a forum for corrective measures through legislative leadership. Committees are designed to focus on two broad areas of study; (1) Public Policy and (2) Budget Oversight. In order to adequately address these two issues, it will be necessary for the committee to identify the mission of the city office or program, evaluate the office's performance of that mission or success of the program and make legislative corrections, deletions, or clarifications as necessary. Each committee shall perform three basic functions (a) data collection; (b) analysis and evaluation of programs; projects and budgets; and (c) legislative oversight.

There shall be the following standing committees:

Committee of the Whole — which shall concern itself with any litigation involving the Council and all other matters referred to it.

Committee on Arts and Humanities — which shall concern itself with encouragement of the arts and humanities within the city, including cultural development, museums, music, performing arts, public art, art education, the support and funding of private art and cultural amenities within Boston, protection of artists' work and living space, and locations and opportunities to display and/or present art works. The committee shall exercise budgetary review and oversight with respect to the Art Commission, the Boston Arts Lottery Council, the Commission on Arts and Humanities and the Office of Business and Cultural Development.

Committee on City and Neighborhood Services — which shall concern itself with the delivery of municipal services to the residents and neighborhoods of Boston, especially as they impact on youth, the disabled and infirm, veterans, and jobless persons. The said committee shall maintain policy oversight with respect to vocational training, adult literacy, public health, cable television and the MBTA. The committee shall exercise budgetary review and oversight with respect to the Handicapped and Boston Employment Commissions; the Health and Hospitals, Veterans' Graves, Veterans' Services, Parks and Recreation, Library, Constituent Services and Community Participation departments; the Cable Television Office, and the White and Browne funds.

Committee on Commerce and Consumer Concerns — which shall concern itself with the various inspectional, regulatory and licensing activities of the city (including Council-issued licenses and permits); and, commerce, trade and consumer concerns including the promotion of fair practices, equal access, consumer education and protection. The committee shall exercise budgetary review and oversight with respect to the Licensing Board, Board of Appeals, the Office of Consumer Affairs and Licensing, Zoning Commission, Transportation and Inspectional Services departments and, the Parking Clerk.

Committee on Council Rules and Administration — which shall concern itself with City Council rules, budget, facilities, equipment, staff, and supplies.

Committee on Public Education — which shall concern itself with the cost and quality of the Boston Public Schools, including structure of the School Department. The committee shall monitor educational policy espe-

cially as regards English language fluency, special education, and the need to link technical education to employment availabilities. The committee shall work to strengthen cooperation among the city, private enterprise, and institutions of higher learning. The committee shall exercise budgetary review and oversight with respect to the School Department, Community School Commission, and loans for school purposes.

Committee the Environment and Public Works — which shall concern itself with the natural and historic resources and landmarks of the city, including wetlands, the harbor, and the harbor islands. The committee shall have oversight with respect to the care, management, custody and use of public lands and buildings, except park land. The committee shall involve itself in the promotion of tourism; the relationship between the city and the Metropolitan District Commission, the Water and Sewer Commission, and, the Massachusetts Water Resources Authority; the problems of pollution, conservation, and energy. The committee shall exercise budgetary review and oversight with respect to the Real Property, Public Works and Environment Departments.

Committee on Government Finance — which shall concern itself with the fiscal policy of the city, city debt, the operating budget, revenue projections, and which shall have referred to it the annual appropriation and tax orders, supplementary appropriations, the capital budget, and all loan orders of a general nature. Prior to making its report on the budget to the Council, the said committee shall solicit and receive the comments of each other committee as those portions of the budget as concern the work of each such committee. The committee shall exercise budgetary review and oversight with respect to the entire budget, and particularly with respect to the Collecting, Treasury, and Assessing Departments, N.D.E.A., and the Finance Commission.

Committee on Government Operations — which shall concern itself with the organization of and structure of city government, including departmental fees and charges. The committee is charged with analysis and evaluation of the effectiveness of the city's organization as it relates to the delivery of services. The committee shall exercise budgetary review and oversight with respect to the Administrative Services, Election and Law Departments, the Office of the Mayor except those components assigned to other committees, City Clerk, Registrar and Records, Group Insurance, Executions of Courts, Workers' Compensation, Retirement Board, and pension liabilities.

Committee on Housing — which shall concern itself with public policy involving the preservation, creation, and rehabilitation of housing in the city, including public housing programs. The committee is charged with evaluation of policies and programs of the city to insure an adequate supply of affordable housing; to insure fair practices and consumer protection in residential housing; to encourage the maintenance of existing housing; and, to advocate toward the goal of safe, decent and affordable housing for all Bostonians. The committee shall exercise budgetary review and oversight with respect to the Boston Housing Authority, the Mayor's Office of Housing, and the Institutional Expansion and Rent Equity Boards.

Committee on Planning and Development — which shall concern itself with the physical and economic preservation and development of the city; transportation policy; the relationship of the city to the Metropolitan Area Planning Council, and to the State Department of Public Works; the planning of public buildings; and, the adverse impact of development on the peoples and neighborhoods of the city, with special regard to the I-93 Connector, Orange Line replacement, proposed third harbor tunnel and the central artery depression, the harbor

cleanup, jail construction, and large-scale private development. The committee shall attempt mitigation of adverse impact by coordinating scheduling, seeking compromise in matters of noise abatement, trucking of construction materials and debris, safeguarding access to homes and businesses during construction, avoidance of water table disturbance, damage due to blasting, and the like. The committee shall exercise budgetary review and oversight with respect to the Industrial Development Finance and Boston Redevelopment Authorities, the Public Improvement, Public Facilities, and Economic Development and Industrial Commissions.

Committee on Post Audit and Oversight — which shall concern itself with evaluating the efficiency of city operations, the effectiveness of city programs, and, administration compliance with the intent of legislation, including administrative regulations of departments, agencies, and programs. The committee shall exercise budgetary review and oversight with respect to the Auditing Department, the Community Development Block Grant Program and the Job Training Partnership Act.

Committee on Public Safety — which shall concern itself with all public efforts to protect the citizens of Boston from crime and fire. It shall ensure the delivery of fire and police protection to all neighborhoods of Boston. The committee shall exercise budgetary review and oversight with respect to the Police, Fire, and Penal Institutions Departments, the Suffolk County Jail, anti-crime efforts financed by the state and federal governments, and, county matters.

Committee on Substance Abuse and Neighborhood Crime Prevention — which shall concern itself with the causes and effects of substance abuse; programs available to discourage abuse, treat substance abusers, and support and assist those impacted by another's substance abuse; and, encourage, develop, evaluate and facilitate community-based and public educational programs related to substance abuse. The committee shall also study citizen driven neighborhood programs to prevent crime, including arson, vandalism and youth crime, assault, housebreak, and crime committed as a vehicle of prejudice. It shall be concerned with those impacted by crime, and, encourage, develop, evaluate and facilitate community-based and public educational programs related to crime prevention, including neighborhood crime watch programs, physical measures to make homes and businesses more safe from crime, and, awareness of the social, economic and personal costs of crime. The committee shall be cognizant of the inexorable interplay of crime and substance abuse.

Special Committee on Equity — which shall concern itself with promoting equal and fair access to public and private services and facilities for all Bostonians, including males, females, minorities, veterans, and those of any religious persuasion, race or ethnicity, to the end that within our city, the rights and privileges espoused as the American ideal are not denied. The committee shall exercise budgetary review and oversight with respect to the Women's, Comparable Worth, Fair Housing and Human Rights Commissions.

Special Committee on the Elderly — which shall concern itself with the provision of services to elderly persons and the special problems of aging, including personal safety, access to health care, the promotion of independent living, home health services, nutrition, and transportation. The committee shall exercise budgetary review and oversight with respect to the Commission on the Affairs of the Elderly.

Special Committee on the Hungry and the Homeless — which shall concern itself with the problems of hunger and of homeless persons within the city, including coordination of public and private efforts to alleviate such

problems. The committee shall exercise budgetary review and oversight with respect to the Commission on the Homeless and the Emergency Shelter Commission.

Special Committee on University-Community Relations — which shall concern itself with developing an improved relationship between our neighborhoods and academic institutions impacting them, including the encouragement of construction of undergraduate student housing, university master plans which respect neighborhood concerns, equitable agreements for services and payments in lieu of taxes, effective programs to curtail student misbehavior, and, mutually beneficial programs allowing university students to gain practical experience while assisting Boston schoolchildren, Boston residents and our neighborhoods.

Special Committee on Waste Management — which shall concern itself with resource recovery, protection from improper storage, transportation and disposal of hazardous liquids and substances, reclamation of dump lands, and the means and costs of disposition of waste products by the city, and from business within the city.

Conduct in City Council

Members:

Rule 29. Every member when about to speak shall rise, address the chair, and wait until he is recognized. No member shall be recognized when seated or when away from his desk. In speaking he shall refrain from mentioning any other member by name, shall confine himself to the question, shall not use unbecoming, abusive, or unparliamentary language and shall avoid personalities. Any member who, in debate or otherwise, indulges in personalities or makes charges reflecting upon the character of another member, shall make an apology in open session at the meeting at which offense is committed or at the next succeeding regular meeting and, failing to do so, shall be named by the president or held in contempt and suspended from further participation in debate until said apology is made.

Rule 30. No member shall speak more than once on a question when another member who has not spoken claims the floor, and no member speaking shall, without his consent, be interrupted by another, except upon a point of order.

A member may speak upon a matter for no more than ten minutes at a time. A member who has not spoken on a matter shall have priority and recognition by the chair whenever said member shall rise. The assistant city clerk acting as assistant clerk of the Council shall inform the president whenever a member has spoken longer than ten minutes.

Rule 31. No member shall engage in any business or transaction or shall have a financial or other private interest, direct or indirect, which is in conflict with the proper discharge of his official duties. A member who has a direct or indirect financial or other private interest, distinct from the public interest, in any proposed legislation shall publicly disclose, on the official record of the Council, the nature and extent of such interest, and upon doing so shall be excused from voting on said question.

Guests:

Rule 32. No person except a member of the Council shall at any time be permitted to occupy the seat in the Council chamber of any member of the Council. The city messenger shall enforce this rule.

Rule 33. No person excepting officials connected with the Council shall be allowed in the anterooms or upon the floor of the Council chamber, except upon invitation of the presiding officer. Seats reserved for the press, both electronic and print media, shall be reserved solely for accredited members of the press, or upon the direction of a Councillor, a member of his or her staff

when seats are available. Members of the press in attendance shall refrain from discussion within the Council chamber and with Council members during a Council meeting.

Guests will be allowed in the gallery of the Council chamber when the Council is in session, but no one will be admitted to said gallery after all the seats are occupied. No demonstrations of approval or disapproval from guests shall be permitted, and if such demonstrations are made the gallery will be cleared. The city messenger shall enforce this rule.

Rule 34. No person, who for compensation or reward acts to promote, oppose, or influence a matter pending before the City Council shall be admitted at any time to the Council chamber or anterooms thereof unless said person has registered with the city clerk stating the nature of his business.

Further Rules, Amendment, and Suspension

Rule 35. Unless inconsistent with any provision of these rules, the proceedings of the Council shall be governed by Robert's Rules of Order.

Rule 36. The foregoing rules shall not be altered, amended, suspended, or repealed at any time, except by the votes of two-thirds of all members of the Council. Provided, however, that Rule 11 may be suspended only in the case of an order, ordinance, vote, committee report, or other measure submitted by the mayor or by a Councillor calling for action by the Council, that is of an emergency nature, namely that which involves the peace, health, safety or convenience of the people or their property. In which case a preamble, which describes said emergency in clear and specific terms must be read and offered as part of the motion to suspend said rule and provided further, that Rule 26A may be suspended only by a unanimous roll call vote of all those present.

Coun. MENINO moved to amend the foregoing order as follows:

Strike the paragraph titled "Committee on Government Finance" and substitute the following: Committee on Ways and Means, which shall exercise general oversight over the City of Boston and all other component units that compromise the "governmental reporting entity" as defined by National Council of Governmental Accounting (NCGA) Statement 3. The committee, which shall consist of nine members, shall have referred to it all matters concerning appropriations, the city budget, expenditures and loans; and, further, no appropriation, budget, expenditure or loan shall be voted out of committee except upon a majority vote of members of the committee.

Strike from all other committee descriptions the words "budgetary review and."

The motion was carried by rising vote.

The order, as amended, was passed.

ORDINANCE CONCERNING SECURITY IN ELDERLY/HANDICAPPED HOUSING DEVELOPMENTS

Couns. BOLLING and SALERNO offered the following:

City of Boston

In the Year Nineteen Hundred and Eighty-nine.

An Ordinance Concerning Security in Elderly/Handicapped Housing Developments

Be it ordained by the City Council of Boston, as follows:

Section 1. The City of Boston Code, Ordinance 9, as amended by chapter 19 of the Ordinances of 1981, and a further amended by chapter 26 of the Ordinances of 1984 and chapter 39 of the Ordinances of 1984, is hereby further amended in the following respects, by adding the following sections 500 through 505.

Section 500. Definitions.

For the purpose of sections 501 through 505 hereafter, the following definition shall apply:

(a) "Alternative security plan," a plan for providing security for the tenants of an elderly/handicapped multi-family housing development which meets the criteria set forth in section 502 and which has been developed according to the process set for in section 503.

(b) "Building entrance," an entrance providing access from outside the building or from an entry vestibule to an interior corridor, lobby, or stairway which leads to an individual dwelling unit.

(c) "Building permit," a permit granted by the Inspectional Services Department for the construction of any building or for any substantial alteration or addition thereto, as defined in section 1 of chapter 143 of the General Laws of the Commonwealth of Massachusetts.

(d) "Dwelling unit," the part of a building that is used as a home, residence, or sleeping place by one or more persons who maintain a household.

(e) "Elderly person," any person who is at least sixty-two years of age.

(f) "Handicapped person," any person who is physically handicapped as defined in section 13A of chapter 22 of the General Laws of the Commonwealth of Massachusetts or mentally handicapped as defined by 29 U.S.C. section 706(7)(b).

(g) "Elderly/handicapped multi-family housing development," any building, structure, development, or complex of ten or more dwelling units under common ownership, rented or offered for rent for dwelling purposes within the City of Boston, which is specifically designed or designated for rental by elderly or handicapped persons or in which at least 75 percent of the units in such complex are occupied by elderly or handicapped tenants.

(h) "Landlord," the individual who holds title to any elderly/handicapped multi-family housing development including, without limitation, a partnership, corporation, or trust. For purposes of this ordinance, the rights and duties of the landlord hereunder shall be the obligation of anyone who manages, controls, or customarily accepts rent on behalf of the landlord.

(i) "Safety officer," a police officer of the City of Boston, or a special police officer appointed pursuant to applicable law to protect persons or property in public or subsidized housing, or a person employed as a guard or investigator by a duly licensed watch, guard, or patrol agency, as defined in section 22 of chapter 147 of the General Laws of the Commonwealth of Massachusetts.

(j) "Tenant," a tenant, subtenant, lessee, sublessee, or other person, entitled under the terms of a rental housing agreement to the use and occupancy of any dwelling unit in an elderly/handicapped multi-family housing development.

Section 501. Security Requirements for Elderly/Handicapped Multi-Family Housing Developments.

The Commissioner of the Inspectional Services Department shall promulgate regulations, pursuant to his authority under section 127A of chapter 111 of the General Laws, and consistent with the requirements of the State Sanitary Code and sections 500 through 505. These regulations shall take effect within thirty (30) days of the effective date of this ordinance, and shall require that every landlord of an elderly/handicapped multi-family housing development, within sixty (60) days of the promulgation of the regulations, either elect to

(a) provide safety officers for such development on a twenty-four hour per day, seven day per week basis.

The safety officers' duties shall include, without limitation, the monitoring of all building entrances in such elderly/handicapped development; or

(b) provide security measures as identified in an alternative security plan which has been developed and approved in compliance with the provisions of sections 502 and 503.

Thereafter, once a landlord has elected to either provide safety officers as provided above or to provide an alternative security plan, the landlord shall have the continuing duty to provide such officers or to provide the security measures identified in the alternative security plan. A landlord may choose, after initially electing one of the above alternatives, to switch to the other alternative with the approval of the Inspectional Services Department, but must continue to provide safety officers or the security measures mandated by the alternative security plan pending such approval. The landlord's submission seeking approval for a switch in alternatives must be carried out in accordance with sections 502 and 503. Failure to continue to provide safety officers or the security measures mandated by an alternative security plan shall constitute a violation of this ordinance and shall be subject to enforcement under section 505.

If, within sixty (60) days after the promulgation of regulations by the Inspectional Services Department under this section, or within thirty (30) days after first receipt of a notice of non-compliance under section 505 for failure to provide security officers or have an approved alternative security plan, a landlord has requested a crime prevention survey by the Boston Police Department, triggering the first stage in the provision of an alternative security plan, the landlord shall be relieved of the responsibility of providing safety officers as required above unless and until an alternative security plan has been approved.

Section 502. Criteria for an Alternative Security Plan.

An alternative security plan shall be based upon a crime prevention survey which has been completed by the Boston Police Department, and shall incorporate all of the elements recommended by the crime prevention survey for the adequate protection of the tenants of the elderly/handicapped development, except as otherwise provided in section 503. Each crime prevention survey shall include both findings as to the security needs of the tenants of the development and recommendations as to how such needs shall be met through existing or new security measures, such as lighting, locks, safety officers, security stations, security systems, or other equipment, personnel, or programs. Each survey shall also include a one-page summary, on official Police Department stationery, itemizing the elements recommended. A new crime prevention survey must be performed every three years. If a building permit is required by the Inspectional Services Department for structural changes in the elderly/handicapped development before the expiration of the three-year period since a survey was last performed, a new crime prevention survey must be performed upon submission of the building permit application.

The landlord shall be responsible for arranging for a crime prevention survey by the Boston Police Department, and shall notify the Commissioner of the Inspectional Services Department in writing at the same time that he requests such survey from the Boston Police Department. No fee shall be assessed to the landlord for such survey. The Boston Police Department shall carry out such crime prevention survey and provide a copy of the same to the landlord and the Inspectional Services Department within thirty (30) days of receipt of the landlord's written request, as provided for in Ordinance 11, chapter 1 of the City of Boston Code as amended.

Section 503. Process for Approval of Alternative Security Plan.

(a) Approval of Security Plan Incorporating Security Measures Recommended by Crime Prevention Survey.

Within thirty (30) days of the receipt of the crime prevention survey, the landlord shall prepare an alternative security plan for approval by the Commissioner of the Inspectional Services Department. Such plan shall be deemed to be in full compliance with this ordinance provided that: (1) the alternative security plan mandates, at the very least, the provision of the security measures recommended in the crime prevention survey; and (2) the tenants have not articulated legitimate security needs which are not adequately addressed by the survey or the plan. If the crime prevention survey indicates that no security measures are needed additional to those already in effect at the development, the alternative security plan shall be deemed to be sufficient so long as the landlord, in such plan, agrees to keep in effect all existing security measures. In all cases, the plan and the survey or a summary thereof must be submitted in advance to the tenants, as provided in subsection (c) below, and tenants must be given the opportunity to present their views to the Inspectional Services Department as to the adequacy of the survey and/or the plan at a hearing before the plan is accepted.

After an alternative security plan incorporating the security measures required by the crime prevention survey has been submitted to the tenants for review as provided in subsection (c) below, the landlord shall submit the plan to the Commissioner of the Inspectional Services Department for approval. The Commissioner shall notify all affected parties, including the tenants of the property, of the date of the hearing on the plan. Such hearing shall take place within thirty (30) days of the Commissioner's receipt of the plan, and notice of the hearing date. At the hearing, the landlord and the tenants shall be given an opportunity to be heard, to present witnesses, or to submit documentary evidence, as to why the alternative security plan should be approved or modified. Following the hearing, the Commissioner shall approve or modify the alternative security plan, consistent with the recommendations of the crime prevention plan, consistent with the recommendations of the crime prevention survey and the security needs articulated by tenants. Such approval or modification shall be in the form of written decision, and shall be furnished to all affected parties within ten (10) days of the hearing date.

(b) Approval of Plan Which Does Not Incorporate All of the Security Measures Mandated by the Crime Prevention Survey.

Within thirty (30) days of receipt of the crime prevention survey, if (i) the landlord of an elderly/handicapped multi-family development disputes the findings and recommendations of the crime prevention survey; or if (ii) the landlord and/or tenants of an elderly/handicapped multi-family development believe that the additional security measures mandated by the crime prevention survey are such as to be cost-prohibitive, given the economic circumstances of the tenants of the development and the inability of the landlord and/or the tenants to obtain sufficient funding, equipment, or services to cover the costs of such additional measures, as provided for in section 504, then the landlord and/or the tenants can petition the Inspectional Services Department for permission to submit an alternative security plan which does not encompass all of the security measures mandated by the crime prevention survey. Such petition shall be accompanied by a proposed alternative security plan. A landlord may only claim that the elements mandated by a crime prevention survey are cost-prohibitive if

the increased costs must be passed along to the tenants of the development and absorbed by the tenants in the tenants' share of the rent. In all cases under this subsection, the petition, the plan and the survey or a summary thereof must be submitted in advance to the tenants, as provided in subsection (c) below, and tenants must be given the opportunity to present their views to the Inspectional Services Department as to the adequacy of the petition, the survey and/or the plan at a hearing before the petition and alternative plan is accepted.

After an alternative security plan which does not incorporate all of the security measures required by the crime prevention survey has been submitted to the tenants for review as provided in subsection (c) below, the landlord shall submit the plan to the Commissioner of the Inspectional Services Department for approval. The Commissioner shall notify all affected parties, including the tenants of the property, of the date of the hearing on the petition. Such hearing shall take place within thirty (30) days of the Commissioner's receipt of the petition, and notice of the hearing date shall be given to all parties at least ten (10) days in advance of the hearing date. At the hearing, the landlord and the tenants shall be given an opportunity to be heard, to present witnesses, or to submit documentary evidence, as to why the petition should be approved or modified. The burden shall be on the party submitting such a petition to show how the crime prevention survey's findings and recommendations are inaccurate or unjustified or how the costs of additional security measures will impact tenants and cannot otherwise be covered. In the event that the landlord claims that the costs of the additional security measures are cost-prohibitive, the landlord must substantiate his/her current and projected operating expenses and revenues, and must show what efforts he/she has made to seek alternative means to cover the costs, as provided in section 504.

Following the hearing, if the Inspectional Department finds that (i) the crime prevention survey's findings and recommendations are inaccurate or unjustified; or that (ii) the costs required to undertake the improvements mandated by the crime-prevention survey are such as to make an alternative security plan cost-prohibitive, the Inspectional Services Department shall either approve the proposed plan or make such modifications to the plan as are necessary to insure that the plan is not cost-prohibitive and meets the security needs of the development. Where a majority of the tenants of the development have asked that additional security measures not be imposed because the costs will unavoidably be passed through to tenants' rents and may result in displacement of the tenants, the Commissioner shall not approve additional security measures that will have such a displacement effect, but shall determine what other reasonable alternatives may exist that shall not have such a displacement effect. Such approval or modification shall be in the form of a written decision, and shall be furnished to all affected parties within ten (10) days of the hearing date.

(c) **Tenant Participation Requirements in Conjunction with Submission of Alternative Security Plans.**

The landlord shall provide a copy of the alternative security plan (or a summary) to all tenants of the elderly/handicapped development at least ten (10) days prior to the submission of the alternative security plan to the Inspectional Services Department under subsections (a) or (b) above. This plan shall be accompanied by:

- (i) a copy of the findings and recommendations of the crime prevention survey (or the official Police Department summary);
- (ii) a summary of the landlord's reasons for disputing the findings and recommendations of the crime pre-

vention survey or for claiming that the additional security measures mandated by the crime prevention survey are cost-prohibitive, including a summary of the financial alternatives that s/he has explored to cover costs, in the event that the landlord is disputing the findings and recommendations of the crime prevention survey or is claiming that the additional security measures mandated by the crime prevention survey are cost-prohibitive;

(iii) a notice of the tenants' individually or through their tenants organization, to support, oppose or seek modification of the petition or plan at an Inspectional Services Department hearing. This notice shall be on a form developed by the Inspectional Services Department.

These documents shall be provided in all cases and shall be provided even if the survey and the plan do not recommend additional security measures.

In developments that are subject to tenant participation requirements under 760 C.M.R. s. 600, 24 C.F.R. s. 245, or other applicable law and where there is a tenants organization which is active or in the process of formation, if the tenants participating in the organization vote that there are deficiencies in the alternative security plan, the landlord shall be required to meet with the tenants organization, at the tenants organization's request, to discuss the tenants' concerns and attempt in good faith to resolve such concerns. The tenants organization shall give written notice to the landlord, within the ten (10) day period after receipt of the plan and survey, of its desire to have such a meeting. The landlord shall meet with the tenants organization within two (2) weeks of receipt of the tenants organization's notice. To the extent that such meetings or discussions delay the finalization of the alternative security plan, the landlord shall be permitted to submit the alternative security plan late, but in no event later than thirty (30) days from the date of the tenant meeting. The landlord shall give notice to the Commissioner of the Inspectional Services Department of any requests received for tenant meetings. The Commissioner shall not schedule any hearing on the alternative security plan until after such tenant meetings have taken place, and the 30-day period for the Commissioner to hold a hearing after receipt of a plan shall be extended in such event. Failure of the tenants or the tenants organization to request a meeting with their landlord to discuss the plan shall not be deemed to constitute a waiver of the tenants' right to approve, oppose, or seek modifications in a plan or petition at the hearing before the Inspectional Services Department.

Section 504. Protection from Rent Increases.

Additional costs incurred by landlords in complying with the requirements of sections 500 to 505 and implementing security measures additional to those already provided or required in such developments shall, to the extent permitted by law, not be passed on to elderly or handicapped tenants of elder/handicapped multi-family housing developments. The landlord of an elderly/handicapped multi-family housing development shall be required to seek and accept all available public and private funding, grants, or donations of funds, equipment, or services, as an alternative to passing on costs. The costs incurred in complying with the requirements of sections 500 to 505 and implementing security measures additional to those already provided or required may be considered to be reasonable or necessary operating expenses in any application for additional subsidy or financing from the United States, the Commonwealth of Massachusetts, or any authority created under the laws thereof, as well as under chapter 34 of the Ordinances of 1984, as amended.

Section 505. Enforcement.

The Commissioner of the Inspectional Services Department shall notify the landlord of an elderly/handicapped multi-family housing development in the event the development is found to be in noncompliance with the provisions of sections 500 through 504, and shall order compliance. Said landlord shall have thirty (30) days from the date of notification in which to achieve compliance with the Commissioner's order. Upon the expiration of the thirty (30)-day period, the landlord of a housing development still in violation of the order shall be subject to a fine of \$150. Each day's failure to comply with the order thereafter shall constitute a separate violation of the Commissioner's order. Orders shall be enforced in a manner similar to that provided for enforcement of orders under Article II of the State Sanitary Code. Tenants and/or tenant organizations of elderly/handicapped multi-family housing developments shall have the right to request investigation by the Commissioner of the Inspectional Services Department if they believe that their landlords have failed to comply with the provisions of sections 500 through 504 and shall have the right to request a hearing from the Commissioner in a manner similar to that provided in G.L. c. 111 s. 127B if the Commissioner fails to respond to a request for investigation, if the Commissioner fails to make findings of non-compliance following an investigation, or if the Commissioner fails to issue orders upon a finding of non-compliance.

Section 2. The City of Boston Code, Ordinance 11, chapter 1, as amended, is hereby further amended by adding a new section thereto, which shall be appropriately numbered by the City Clerk:

The police commissioner shall designate such personnel as he finds appropriate to undertake crime prevention surveys at elderly/handicapped multi-family housing developments, as provided for in sections 500 through 505 of the City of Boston Code, Ordinance 9, as amended. Such surveys shall be undertaken and completed within thirty (30) days of the commissioner's receipt of a landlord's written request for a crime prevention survey.

Each crime prevention survey shall be on a form which is jointly developed by the police commissioner and the Commissioner of the Inspectional Services Department. Each completed survey shall include both findings as to the security needs of the tenants of the development and recommendations as to how such needs shall be met through existing or new security measures, such as lighting, locks, safety officers, security stations, security systems, or other equipment, personnel, or programs. Each survey shall also include a one-page summary, on official Police Department stationary, itemizing the elements recommended.

No fee shall be assessed to the landlord by the police commissioner for conducting the crime prevention survey, but such survey shall be carried out as a public service to the elderly/handicapped residents of the City of Boston. Upon completion of each crime prevention survey, the police commissioner shall insure that a copy of the same is provided to the landlord and to the Commissioner of the Inspectional Services Department within thirty (30) days of receipt of the landlord's written request.

Section 3. Severability. The provisions of this ordinance are severable and if any provision, or portion thereof, should be held to be unconstitutional or otherwise invalid by any court of competent jurisdiction, such unconstitutionality or invalidity shall not affect the remaining provisions which shall remain in full force and effect.

Section 4. Effective Date. This ordinance shall take effect upon passage.

Referred to the Special Committee on the Elderly, when appointed.

ORDINANCE AMENDING CHAPTER 19 OF THE ORDINANCES OF 1981

Coun. MENINO offered the following:

City of Boston

In the Year Nineteen Hundred and Eighty-nine.

An Ordinance Amending Chapter 19 of the Ordinances of 1981.

Be it ordained by the City Council of Boston, as follows:

Chapter 19 of the Ordinances of 1981 is hereby amended by adding the following new section:

Site Cleanliness Plan. The Commissioner of Inspectional Services or his designee shall issue site cleanliness licenses. No restaurant or store, including but not limited to fast food, take out, grocery, convenience and package stores, gasoline service stations, automobile repair and/or parts shops, shall sell food or drink or automotive parts for consumption or use off the premises without first obtaining a site cleanliness license from the Commissioner of Inspectional Services. Site cleanliness licenses shall be required for the following:

A. Restaurants, fast food establishments, convenience stores, grocery or package stores which sell food or drink for consumption off the premises.

B. Gasoline service stations and automotive repair shops or parts shops that sell automotive parts for installation off the premises.

Annually on a date set by the commissioner, establishments designated in categories A and B above shall file, renew or amend a site cleanliness plan containing the following information in writing on a form approved by the Commissioner:

Address and plan of the site on which the establishment is located.

Name, address, telephone number of the property owner of the site.

Name, address, telephone number of the establishment and manager of same.

Name, address and telephone number of the person or company responsible for activities covered by the site cleanliness plan.

Site cleanliness plan which states a weekly schedule giving the days and times of the week for cleaning and maintaining the exterior site of the establishment and adjacent sidewalks or public ways free from litter, rubbish or refuse. Said plan and the license issued pursuant thereto shall be posted on the premises in a site accessible to public view. If there is a bulk refuse container on the premises said bulk refuse container must be licensed in accordance with CBC Ordinances Title 14, section 264A. If there is a bulk refuse container on the site provisions must be made for screening by solid fencing or vegetation the bulk refuse container from view from public ways and sidewalks at all sites other than construction sites, unless said screening would eliminate disposal access to the bulk refuse container. If the Commissioner of Inspectional Services reasonably determines that the above information is accurate and that the site maintenance plan submitted is adequate to keep the site free from litter, the Commissioner of Inspectional Services shall issue a site cleanliness license for the site upon payment of a twenty-five dollar fee. Performance of the activities scheduled in the site cleanliness plan shall be a con-

dition of the license and nonperformance of the activities scheduled in the site cleanliness plan shall be a violation of the license and of this ordinance. Each site shall be licensed separately unless adjacent sites file a group site cleanliness plan where cleaning and maintenance services are provided by a single entity and said plan has been approved by the Commissioner. The term of a license shall be one year. If a licensee fails to abide by a site cleanliness plan and is cited by the Inspectional Services Department or by another city agency, three times in any one year, this license may be suspended or cancelled by the Commissioner. Notice of such suspension or cancellation shall be served on the owner or his agent. The Commissioner or his agent may order the establishment to cease its normal business activities until compliance with the site cleanliness plan is achieved. In the event of suspension or cancellation of the site cleanliness license, other municipal agencies issuing licenses will be so notified.

Referred to the Committee on Government Operations, when appointed.

URGING GOVERNOR, MAYOR AND CONVENTION AND VISITORS BUREAU TO DISCOURAGE USE OF COPLEY PLACE MARRIOTT HOTEL

Couns. MENINO, KELLY, SCONDRAS, BYRNE, HENNIGAN CASEY, and SALERNO offered the following:

Whereas, Much of the recent prosperity generated by the Copley Place Development is a result of the federal and city's commitment to Boston to maintain the city's economic stability; and

Whereas, Although the Marriott Copley Place Hotel has contributed to this economic surge, the hotel has also benefited from the city's contributing land to the hotel, and from a Federal Urban Development Action Grant (UDAG); and

Whereas, Despite this federal and local support, the Marriott Corporation, in its efforts to renovate its Copley Place Hotel, has employed an out-of-state, non-union contractor, O. V. International; and

Whereas, O. V. International, in turn, can pay its out-of-state employees substandard wages and benefits which will preclude contractors who are signatory to area Collective Bargaining Agreements from remaining competitive in securing such work; and

Whereas, The Mayor and the Boston City Council uphold the idea that Boston's residents should have the opportunity to participate in our city's growth and have therefore developed such initiatives as the Jobs Residency Policy and the Boston Employment Commission; and

Whereas, The City of Boston should maintain this commitment to Boston's employees to ensure Boston Jobs for Boston Residents; be it therefore

Resolved, That the Boston City Council, in meeting assembled, urges the Boston Convention and Visitors Bureau to discourage patronage of the Copley Place Marriott Hotel; and be it further

Resolved, That the Boston City Council, in meeting assembled, urges the Governor of the State of Massachusetts and the Mayor of the City of Boston to discourage the use of the hotel for state and city functions respectively.

The resolution was adopted under suspension of the rules.

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Wednesday, January 11, 1989, the following-named person be, and hereby is, appointed to the position set against her name until Wednesday, April 5, 1989.

Patricia Flaherty, adm. assistant, \$482.74 per week, full time.

Passed under suspension of the rules.

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Wednesday, January 18, 1989, the following-named person be, and hereby is, appointed to the position set against her name until Wednesday, April 5, 1989.

Patricia Flaherty, adm. assistant, \$402.29 per week, full-time.

Passed under suspension of the rules.

APPOINTMENT OF TEMPORARY EMPLOYEE

Coun. IANNELLA offered the following:

Ordered, That effective Tuesday, January 10, 1989, the following-named person be, and hereby is, appointed to the position set against her name until Wednesday, April 12, 1989.

Josephine Dzygala, secretary, \$75 per week, part time.

Passed under suspension of the rules.

CERTAIN INFORMATION UNDER SECTION 17F RE INSTITUTIONAL EXPANSION BOARD

Couns. McLAUGHLIN and SCONDRAS offered the following:

Ordered, That, under the provisions of section 17F of chapter 452 of the Acts of 1948, as amended, and under any other applicable provision of law, his Honor, the Mayor, be, and hereby is, requested to obtain and deliver to the City Council, within one week of the receipt hereof, the following information:

- 1) The names of appointees
- 2) Addresses of appointees
- 3) Length of terms of appointments
- 4) Expiration year of current appointments
- 5) Date of last meeting of the board
- 6) Minutes of the last meeting of the board

The above information is requested for the "Institutional Expansion Board" (ch. 12, Ord. 1983).

Passes under suspension of the rules.

ORDINANCE AMENDING RENT EQUITY ORDINANCE TO CLARIFY LANGUAGE CONCERNING RENTS IN GOVERNMENTALLY INVOLVED HOUSING

Couns. McCORMACK, BYRNE and McLAUGHLIN offered the following:

City of Boston

In the Year Nineteen Hundred and Eighty-nine.

An Ordinance Amending the Boston Rent Equity Ordinance to Clarify Language Concerning Rents in Governmentally Involved Housing.

Be it ordained by the City Council of Boston, in accordance with the provisions of Massachusetts General Laws chapter 43B, section 13, and any other applicable law, as follows:

and pursuant to the authority vested in it by law, including, without limitation, Article 2, as amended, and Article 47 of the Amendments to the Constitution of the Commonwealth of Massachusetts, and chapter 797 of the Acts of 1969, as amended by chapter 863 of the Acts of 1970, by section 26 of chapter 843 of the Acts of 1971, and by chapter 45 of the Acts of 1987 that the following ordinance be adopted:

Section 1. Section 1 (n) (i) of chapter 34 of the Ordinances of 1984, as amended, is hereby further amended by inserting after the phrase "pursuant to Title II of the Housing and Community Development Act of 1987" and before the phrase "had the owner not prepaid the mortgage" the following:

or under a comparable plan of action approved by the Executive Office of Communities and Development

Referred to the Committee on Housing, when appointed.

ORDER FOR PETITION FOR SPECIAL LAW RE ABATEMENT/EXEMPTION OF PROPERTY TAX BILLS

Coun. HENNIGAN CASEY offered the following:

Whereas, Taxpayers have a right to contest the assessment of their property tax; and

Whereas, Taxpayers are allowed only thirty days after the date tax bills are mailed to contest the assessment and file for an abatement/exemption; and

Whereas, Some taxpayers are eligible for an exemption from, or deferral of all or some of their tax and are allowed three months after the date tax bills are mailed to file for an exemption or deferral; and

Whereas, These differing time frames cause confusion among taxpayers: now, therefore, be it

Ordered, That the following petition be filed with the General Court.

Ordered, That a petition to the General Court, accompanied by a bill for a special law relating to the City of Boston to be filed with an attested copy of this order be, and hereby is, approved under clause (1) of section 8 of article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts, to the end that legislation be adopted providing precisely as follows, except for clerical or editorial changes of form only:

Ch. 59, s. 59, MGLA shall be amended by striking the phrase: "on or before the thirtieth day after the date on which the bill or notice was so sent" and inserting in its place the phrase "on or before the ninetieth day after the date on which the bill or notice was so sent".

Referred to the Committee on Government Operations, when appointed.

ORDER THAT PUBLIC SAFETY COMMISSION TAKE STEPS TO INSURE SECURITY PROGRAM AT LOGAN AIRPORT TO ALLOW SAFEST ENVIRONMENT POSSIBLE FOR ALL PASSENGERS

Coun. HENNIGAN CASEY offered the following:

Whereas, The City of Boston should be aware of the recent air bombings such as Pan Am Flight 103 and make every effort possible to ensure the safety of both passengers and crew members alike; and

Whereas, The security personnel be made aware of all air piracy threats made so they can tighten all air security programs; and

Whereas, Logan Airport should be allowed to provide the most current state of the art security programs that are available; therefore be it

Ordered, That the Public Safety Commission St. 5:6, CBC to insure the security program at Logan Airport allows the safest environment possible for all its passengers;

Ordered, That the FAA regulations regarding the most current state of the art security available and all security requirements should be enforced including but not limited to;

Ordered, Logan Airport should X-ray and/or physically inspect all checked baggage and parcels being shipped through passenger ticket counters.

Ordered, Security personnel managing hand luggage X-ray machines at Logan Airport should provide the most thorough attention to all articles;

Ordered, Carry on baggage should be closely guarded before boarding and security personnel should conduct random checks of carry on baggage on all domestic flights;

Ordered, Passengers before boarding should be routinely checked and questioned about their bags.

Referred to the Committee on Public Safety, when appointed.

EMERGENCY PREAMBLE

Coun. IANNELLA offered the following:

Whereas, The correspondence annexed was received too late to be included on the agenda for this meeting; and

Whereas, Under provisions of the General Laws, the City of Boston has a limited time to respond to this letter; and

Whereas, Failure to respond in timely fashion may compromise rights of the city with respect to certain land; now, therefore, be it

Resolved, That this emergency preamble be adopted to the end that the annexed letter from the Commonwealth of Massachusetts, Division of Capital Planning and Operations, be received and be properly before the body.

The Emergency Preamble was adopted.

Rule 11 was suspended.

COMMUNICATION FROM DEPUTY COMMISSIONER OF CAPITAL PLANNING AND OPERATIONS FOR MASSACHUSETTS

The following was received:

The Commonwealth of Massachusetts
Executive Office for Administration and Finance
Division of Capital Planning and Operations
Office of the General Counsel

January 3, 1989.

Council President,

City Hall.

Dear President:

Pursuant to the provisions of the Massachusetts General Laws, chapter 7, the Division of Capital Planning and Operations hereby gives notice of the availability of state-owned real property. At your earliest convenience, I ask that you review the properties described on the enclosed pages.

If you believe the properties may be suitable for a direct public use, please prepare a brief proposal which includes 1) a detailed description of the proposed use; 2) the expected costs and benefits; and 3) capital and operating funds. Direct public uses of property would include, for example, a school, park, or fire station. Acquisition of property by a municipality or its redevelopment authority for resale to a private entity does not constitute a direct public use.

If you so request, a public hearing will be convened to assist the Division in determining whether any other public agency has a current or foreseeable direct public use for the properties.

In any event, please return Pages 3 of this letter to Office of General Counsel, no later than February 3, 1989. If you need additional time to prepare a proposal, or if you have any questions regarding this matter, please contact Gavin Hilgemeier in DCPO's Office of General

Counsel at 727-8726. If we have not heard from you by February 3, 1989, we will assume you have no interest in the properties and will proceed with our disposition process.

Thank you for your consideration of this matter.

Very truly yours,

John I. Carlson, Jr.,

Deputy Commissioner.

(Annexed hereto is the documentation referred to.)

Referred to the Committee on Environment and Public Works, when appointed.

EMERGENCY PREAMBLE

Coun. HENNIGAN CASEY offered the following:

Whereas, There has been an ongoing problem with residents of bordering communities not receiving their fair share of city services because of their locations; and

Whereas, Immediate attention must be given to this most serious problem of residents of the City of Boston not benefiting from the City services which are their due; therefore, be it

Ordered, That Rule 11 of the rules of the Boston City Council is suspended and the attached order is properly before the Council.

The Emergency Preamble was adopted.

Rule 11 was suspended.

Whereas, Certain residents of the City of Boston who live in bordering communities have been left without adequate city services because of their location; and

Whereas, Areas such as West Roxbury, Hyde Park, Mattapan, Dorchester, have been adversely impacted because of their close proximity to Milton, Dedham, Brookline, and Quincy; and

Whereas, There has been an ongoing problem with these residents of the City of Boston not receiving their fair share of city services; and

Whereas, Given that the residents of Bonad Road in West Roxbury are asking the town of Dedham to annex

their road because of perpetual problems in the delivery of city services; therefore, be it

Ordered, That the Committee on City and Neighborhood Services hold a hearing to address this issue and that the appropriate officials be asked to address this most urgent problem.

Referred to the Committee on City and Neighborhood Services, when appointed.

CONSENT AGENDA

The chair moved adoption of a Consent Agenda in which the following-named Councillors offered resolutions honoring individuals or organizations as set forth after each Councillor's name:

Councillor Scondras: Armenian Community.

Councillor Menino: Yankee Line.

Councillor Iannella: Declaring January 17, 1989, "Neil L. Chayet Day."

Councillor Yancey: Sympathy on death of William D. Byard and Stan McFarland; congratulating Brother Murray Hill, Kip Tiernan, Marsha Mickens, State Representative Nelson Merced.

On motion of Councillor Iannella, Rule 11 was suspended in order to add the following matters to the Consent Agenda:

Councillor Iannella: Declaring January 15, 1989, "Robert J. Lawler Day."

Councillor Salerno: William Patrick Gorman, Baji Rankin and members of Early Childhood Educational Exchange, Mark Campbell, Margaret J. Leahy, Adriano Catellani, and Sergio Spaggiari.

The matters contained within the Consent Agenda were severally adopted.

Adjourned at 2:10 p.m., on motion of Councillor Bolling, to meet on Wednesday, January 25, 1989, at 1 p.m.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

"A NEW SENSE OF URGENCY FOR UNITED WAY"

The sweeping cutbacks in state budgets for human service programs have created an unprecedented sense of urgency for the 1989 United Way campaign.

The state's fiscal crisis will mean over \$400 million in budget reductions for human service agencies in the current fiscal year. The cuts are particularly devastating for women, children and minorities. The \$97 million in vetos announced in July cut many battered women's services, rape counseling, family planning, home health care, child day care, and language development programs to the core.

The United Way cannot assume state government's role in funding these desperately needed services. But the organization is doing everything in its power to soften the impact of lost services.

The impact of the budget cuts on United Way agencies and the people they serve is direct and far-reaching. Some examples include the following:

- 46 agencies affiliated with the United Way of Massachusetts Bay are losing a total of nearly \$1.7 million in funding from the Department of Social Services.
- La Alianza Hispana, Roxbury Multi-Service Center, and 11 other United Way agencies serving the minority community will lose over \$650,000 in support from DSS.
- One new United Way affiliate, a battered women's shelter located in Chelsea, will lose an amount equal to 20 percent of their annual operating budget.

The very human cost of the state's fiscal crisis will become all too real in the coming months. As agencies lay off staff and shut programs down, more people in need of counseling, day care support, protection from abuse, and other services will have nowhere to turn.

The United Way's role as a reliable source of funding for human services has never been more critical. In this time of crisis, the United Way hopes to convince everyone in the community that every single contribution and every single dollar makes a difference.

UNITED WAY IN THE NEWS — CENTRAL REGION

Agency Spotlight: Associated Day Care Services of Metropolitan Boston

It was a beautiful summer morning, and the playground area at The Central School in Cambridge was filled with kids having fun.

Most of the youngsters wore shorts, sneakers and warm smiles. However, there was this cute little girl, sitting idly on a swing, who

looked upset. Her problem: she needed someone to give her a push.

A few moments passed before one of the child care teachers came to the little girl's rescue. No job is too small, or too big, at The Central School in Cambridge, a program of Associated Day Care Services of Metropolitan Boston, a United Way of Massachusetts Bay affiliate.

Associated Day Care Services of Metropolitan Boston, is New England's oldest and largest charitable child care organization. They currently serve over 500 children and their families in seven center-based programs (located in Cambridge, Jamaica Plain and Roxbury) and 40 family child care homes. The children they serve range in age from two months to six years old and are representative of the culturally diverse population of Boston.

"I feel that the children really benefit from being in such a diverse group," said Sara Allen, Division Director of Social Services at the United Way of Massachusetts Bay.

"It gives them the opportunity to learn who other kids are, where they're from, and how they live."

Mina, a 29-year-old single parent, has a 3 1/2-year-old son who attends The Central School. She mentioned that her son's development process has improved tremendously over the past year.

"He has really come a long way," said Mina, who works as an administrative secretary, and is able to pay her son's child care costs with the help of United Way funding. "He's a very active child, so at first he got into a lot of fights with the other kids.

"But now, he's so much better. He's learned to share with the kids and has become very attached to them. I couldn't be happier about the way he has turned out."

The United Way of Massachusetts Bay is comprised of more than 200 human and health care agencies, which helps serve the needs of approximately 1.7 million people in 81 cities and towns in eastern Massachusetts.

A year ago, approximately 27,000 children in child care benefited from United Way funding. This year, the United Way is channeling \$2,104,400 to 83 agencies that provide child care services ranging from direct care to information and referral. In addition, \$500,000 has been earmarked for the Child Care Initiative, which is used to strengthen existing child care programs, help recruit and retain staff, and upgrade facilities to meet licensing standards.

"The United Way is a helping organization to so many social service agencies and programs," said Barbara Coulibaly, Executive Vice-President of Associated Day Care Services of Metropolitan Boston. "The funding they provide allows women who need to work join the workforce. It also enables us to provide a safe and nurturing place

for so many children during the most important learning and developmental time in their lives."

When asked about the recent state's budget crisis, which is expected to drastically cut the child care slots available for low-income working families and teen-aged parents, Coulibaly paused for a moment to collect her thoughts. "Let's just say that it has been a very stressful time here during the last few weeks," she said.

Over the years, Associated Day Care Services of Metropolitan Boston has established a number of new programs responsive to demonstrated needs. One of its recent successes has been in the operation of New England's first court-affiliated, drop-in, child care center, which is housed in the Dudley Branch Library next to the Roxbury District Courthouse.

"They've been consistent in expanding into new areas where child care is needed," said Sara Allen. "They're very aggressive in providing the best possible environment for the children in our community."

UNITED WAY IN THE NEWS — NORTH REGION

Agency Spotlight: Help for Abused Women and Their Children, Inc.

Although it happened a little over four years ago, the nightmarish incident still sends shivers throughout her body.

"He (her ex-husband) came running out of the room, grabbed me by my hair, threw me to the ground and started kicking me," said Marie, doing her best to hold back some tears. "He then put his hands around my neck and started choking me. I stopped breathing."

Surviving that brutal beating, Marie realized it was finally time to get professional assistance. She fled with her infant son and contacted Help for Abused Women and Their Children, Inc. (HAWC), a nonprofit, community-based organization providing emergency and support services to battered women and their children who live in one of 23 cities and towns on the North Shore.

HAWC is also one of 11 new agencies to receive membership into the United Way of Massachusetts Bay family this year. "HAWC is meeting a real emerging need in our community," said Gailanne Reeh, Senior Vice-President of Agency Relations at the United Way

of Massachusetts Bay. "They focus on women and their children in providing a safe environment and the appropriate services necessary to let those women acquire the strength needed to go on and really lead productive and healthy lives."

Marie (not her real name), 29, is a perfect example of one woman who is putting the pieces of her life back together again. She mentioned that her recovery process has improved gradually.

"The first thing you feel when you finally leave the person who has been abusing you is loneliness," explained Marie, who has worked at HAWC over the years as a volunteer, community educator and now as a board member. "You feel that all your dreams and everything you live for are totally shattered. You start thinking that you're a failure."

"I couldn't have gotten through all of this without the support of the people at HAWC. They really care about the people they serve. They make you feel like you're a worthwhile person."

Marie talked about the many times she was slapped, punched, verbally abused and locked in a closet. She was even kicked in the stomach when she was pregnant. Her story is terribly sad, but not unique. According to FBI statistics, a woman is murdered by her husband, boyfriend or former man in her life every 15 to 22 days. Last year, battered women's programs took 58,000 hot line calls and sheltered 5,407 women and children. For every woman sheltered, another is turned away for lack of space.

And as a result of the recent state's budget crisis, the situation is certain to get even more alarming. "The budget cuts are going to almost cripple us," said Nancy Sherman, Program Director at HAWC. "Our goal was to reach out to more communities in our area, but now it's to reestablish financial security."

The United Way of Massachusetts Bay is comprised of more than 200 human and health care agencies which helps serve the needs of approximately 1.7 million people in 81 cities and towns in eastern Massachusetts. Since 1983, the United Way has added six new affiliates which serve battered women. In addition, it supports nearly all the agencies in the region that provide child protective services, as well as numerous programs aimed at prevention of family dysfunction and abuse.

"It's great to be a part of the United Way," said Sherman. "The money they provide helps us to help so many abused women and their children who come to us from all different places and backgrounds."

In this sometimes rather cruel and complex world, people's wishes seldom are granted. Marie is one of those fortunate individuals. Through the love and support of her family, friends, the staff and volunteers at HAWC and the United Way, Marie is getting a second chance in life.

"Everyone has been very supportive," said Marie, who is one year away from receiving her college degree. "There are a lot of people who deserve credit for helping me turn my life around. It has taken awhile, but I'm starting to feel happy again."

Agency Spotlight: NeWell Home Health Services

Some people shy away from challenges; others combat them head on. Jerome (Jerry) Pastene fits perfectly into the latter category.

Earlier this year, Pastene, 72, faced the most difficult challenge of his life. Having little mobility in both his arms and legs, Pastene had the courage to move into a senior citizens apartment complex in Weston. All by himself in a new environment, he was lonely, scared and confused.

He certainly had many adjustments to make, the biggest of which was living his life totally blind.

"When I first met Jerry, he was devastated by everything that was happening to him," said Pat Bishop, a registered nurse who works for NeWell Home Health Services in Newton, a United Way of Massachusetts Bay agency. "He became legally blind shortly before moving into his new place, so he was still kind of frustrated not being able to do the things he wanted to do."

With the help of Bishop's skilled nursing, as well as the care provided by a physical therapist and an occupational therapist from NeWell Home Health Services, Pastene's progress gradually improved.

"Jerry was a very anxious and motivated person to work with," said Bishop, who in addition to maintaining Pastene's diabetic and cardiopulmonary status, and organizing his medica-

tion, talked with him as a friend. "He really tried to be as independent as he possibly could."

Spend some time with Jerry Pastene and you'll soon discover that he is articulate and bright, warm and funny, intense and confident. He is not the type of person who is looking for any sympathy.

During the interview, Pastene received a phone call from a friend. Before finishing the conversation, Pastene commented, "So, I'll see you when you get here." He then paused for a moment, realized what he had just said, and laughed, "Now there's a play on words for you."

On a more serious note, Pastene is extremely thankful to the people at NeWell Home Health Services, which serve the areas of Brighton, Brookline, Needham, Newton, Waltham, Watertown, Wellesley, Weston and surrounding communities. "Everyone has been so nice to me," said Pastene, who made his living as the owner of a travel agency in Natick for almost 30 years. "They really care about the people they work with."

For more than 91 years, patients have entrusted their care to NeWell Home Health Services. Many services that were once available only in a hospital can now be delivered at home by their staff of health care professionals. A NeWell Home Health Services' nurse assesses all referrals within 24 hours. Staff is on-call 24 hours a day, 7 days a week.

"NeWell Home Health Services has been very progressive in developing programs that address community needs," said Selma Abinader, Assistant Vice-President of Agency Relations at the United Way of Massachusetts Bay. "Its affiliation with Newton-Wellesley Hospital allows clients to benefit from a continuum of care right from the hospital to home."

Anne Cain, President of NeWell Home Health Services, is delighted that her organization is a part of the United Way of Massachusetts Bay.

"The United Way is always there when you need them," said Cain. "Over the years, they've helped out so many patients and their families."

As for Jerry Pastene, he spends much of his time now playing with his favorite companion, his beautiful cat, Trixie, talking with neighbors, and listening to classical music and the Red

Sox. He seems quite comfortable in his present surroundings.

"I've never been in a nicer, friendlier place," said Pastene. "This is my home."

Agency Spotlight: Norfolk Mental Health Association

Judy Shevory is truly one of life's special people — blessed with the ability to both open your eyes and touch your heart.

"Because I was born with my disability, I've been hurt on the inside for a long time," said Shevory, who is developmentally challenged. "But I don't let that stop me. I just keep trying my best in anything that I do."

One of Shevory's favorite things to do is working at Project HIRE, an employment-focused vocational rehabilitation facility offering vocational evaluations, work adjustment training, vocational counseling, job placement, and sheltered employment for persons whose handicapping conditions present significant barriers to employment.

"I love my job and all the people I work with," said Shevory, a four-year member of the Sheltered Employment Program. "I feel good getting up in the morning and coming to work. Having this job is the best thing that ever happened to me."

Project HIRE is a program of the Norfolk Mental Health Association in Norwood, a United Way of Massachusetts Bay agency. "The major benefit of the program is that it encourages self-sufficiency," said Pat Swansey-Taitt, Director of the Health and Rehabilitation Division at the United Way of Massachusetts Bay. "Project HIRE provides disabled individuals the opportunity to become productive citizens."

Shevory, 37, of Plainville, and her fellow workers cherish life simply by having something to share with one another each day. And, like everyone else, they have goals they want conquered, dreams they want fulfilled. But, most of all, they want a "chance" to become the best that they can be.

"Judy is an extremely hard worker and the most optimistic person I've ever met," said Laurie Brackett, who serves as Shevory's vocational rehabilitation counselor.

During her work day, Shevory can be found doing anything from assembling

bird cages to labeling packages. Away from the assembly line, she is usually mastering her talents in the field of arts and crafts. She has even sold some of her Raggedy Ann and Andy creations, as well as an assortment of Christmas ornaments.

"I wouldn't put that in the article," said Shevory. "I don't want to get in any trouble."

The United Way of Massachusetts Bay is comprised of more than 200 human and health care agencies (over 80 of them offer some form of physical or mental health care) which helps serve the needs of approximately 1.7 million people in 81 cities and towns in eastern Massachusetts. United Way funding for community mental health clinics and agencies providing counseling will total about \$8 million this year.

"I feel that the United Way is just a fantastic organization," said Dr. Thomas F. Doherty, Director of Norfolk Mental Health Association, which provides a wide variety of mental health services to children, adolescents, adults and families in Canton, Dedham, Foxboro, Medfield, Millis, Needham, Newton, Norfolk, Norwood, Plainville, Sharon, Walpole, Wellesley, Westwood, Weston and Wrentham. "United Way funding helps in so many ways."

When discussing success stories at Project HIRE, Judy Shevory's name is sure to be near the top of the list. She is an individual who, at times, will make you laugh or make you cry. But she'll always capture your emotions.

"To me, there's no better feeling than seeing people helping each other out," said Shevory. "I think that overcoming some of the difficult things in my life has made me a stronger and better person."

EVENTS IN BOSTON 59 YEARS AGO

Honorable JAMES M. CURLEY
Mayor of Boston

GREETINGS

President Massachusetts State Federation of Women's Clubs:

May I take the liberty of expressing my deep interest in the meeting which your association is to hold in East Boston, December 30, 1930.

The work which women are doing and have done for the improvement of the community has always found a favorable response in me. When I think of the work which women have done in shaping good legislation and blocking bad, when I contemplate the interest which they, prompted by the highest and best motives, have taken in the welfare of women, children, the home and the community, any misgivings that I may have about the future of the country immediately disappear. There is something about the work of women, by whatever name we please to call it, that differentiates the service which they render to humanity from that which men offer. The history of the world teaches us that, as the women of the country are, so the country itself is, and that when women degenerate and decline, then social disintegration begins, political dissolution follows and the historian takes his pen in hand to write the decline and fall of that people.

You cannot be too successful to please the citizens of Massachusetts, and I can assure you that anything that the City of Boston, through me as Mayor, may be able to do to promote the good work in which you are interested, will be ungrudgingly done.

I trust you will find your deliberations successful, and that your memory of this meeting may be sweet for you for a long time to come.

Very truly yours,
JAMES M. CURLEY

CLAUSE EXEMPTIONS

WHAT IS A CLAUSE EXEMPTION?

A clause exemption is a release from the obligation to pay all or a portion of the taxes assessed on a parcel of property.

WHO IS ELIGIBLE FOR CLAUSE EXEMPTIONS?

NOTICE

THE PUBLIC LIBRARY OF THE CITY OF BOSTON

A meeting of the Trustees as an Administrative Agency of the City of Boston will be held in the Trustees Room on Friday, September 22, 1989, immediately following the meeting of the Corporation scheduled to begin at 9:00 a.m.

Very respectfully,
JAMIE A. McGLONE,
Assistant Secretary.

"Here stands today as of yore our little city of the rocks; here let it stand forever, on the manbearing granite of the North. Let her stand fast by herself. She has grown great. She is filled with strangers, but she can only prosper by adhering to her faith. Let every child that is born of her and every child of her adoption see to it to keep the name of Boston as clean as the sun; and in distant ages her motto shall be the prayer of millions

on all the hills that gird the town, 'As with our Father, so God be with us.' "
